## INTRODUCTION

In Deed Book E, the space to transcribe the various indentures usually required two or three pages. In this index I have eliminated the duplication of names found after the first page.

I have not recorded the names of certain County Officials who must sign each document.

They are:

Thompson N. Rector, Judge of County Court

Richard B. Clayton, Clerk, Circuit Court.

The name of the Jackson County Sheriff, Alexander Riddle, is not in the index. The name of a Justice of the Peace is followed by the initials JP.

The first 21 pages are missing.

My thanks are extended to Jan Boyd Roberts and Glenys Dyer.
