## HOW TO USE THIS BOOK

This book contains a full name index of several of the early public records found in Jackson County Courthouse. Some of the books indexed here may be found only at the Scottsboro-Jackson Heritage Center. The limitation imposed by the production and binding by the editor determined the number of separate indexes contained in this book. For most of the separate indexes there is a Table of Contents. Please read these to see what other information is included. The editor has included quotations, abstracts, and comments that may assist the researcher. This book is more than an index, for it may include some of the never before published history of Jackson County.

## INTRODUCTION

The Heritage Center is grateful to Jan Boyd Roberts for her assistance in preparing the indexes for our early county records.

For the Chancery Court Day Book 1842-1845, we have two different lists of names. The first list gives the name of everyone listed on a given page. Lawyers and court officials were known for much repetition. If the court document required twenty pages to record, the principals in the case could be named on each of these pages. This list is not in this index. It is available for research at the Heritage Center.

The second index is an alphabetical list of the principals involved in the case. This abbreviated list is included for the genealogist.

In order to shorten the alphabetical list further, various county officials and officers of the court have been listed in the introduction. Some of their names will be found on each page of the book. Most of their names will not be found in the alphabetical list.

Nelson Robinson, Attorney,  
Thompson M. Rector, Attorney,  
Robert T. Scott, Attorney,  
James M. Greene, Attorney,  
Hopkins and Parsons, Attorneys,  
Alexander Bowie, Chancellor, 6th District  
J.L. Martin, Chancellor, 6th District  
Moses Jones, Clerk of County Court,  
H.C. Berry, Deputy Sheriff,  
John Snodgrass, Deputy Sheriff,  
Williams Stevens, Justice of the Peace,  
Joseph G. Stevens, Justice of the Peace,  
William A. Lidden, Justice of the Peace,  
John Justice, Justice of the Peace,  
Elijah Earls, Justice of the Peace,  
Josephus A.C. Eaton, Register in Chancery Court,  
Septimus D. Cabiness, Register in Chancery Court,  
John R. Coffey, Sheriff,  
Henry Norwood, Sheriff,  
Louisa, slave,  
David, slave,  
Terry, slave,  
Peter, slave of Lucy Rector,  
Peggy, slave of Lucy Rector,

The recording secretaries did not always read the previous page numbers correctly. This happened on pages one, two, and three. In the book a small "a" has been entered by the original page number. A small "b" has been entered by the duplicate number. This duplication also happened for pages 177 through 196.
