Meet The Scottsboro High School Marching Band

The Scottsboro High School Band forms an integral part of life at Scottsboro High School. It is one of the largest and most colorful voluntary student organizations, and its members form an active and cosmopolitan group. You will find a cross section of the school in our band. We have in our membership leaders in every club and activity in our school. Many members of the SHS Band are members of the National Honor Society, and we take great pride in the academic achievements of our members.

The Scottsboro High School Band is one of the finest high school bands in Alabama. The band has traveled extensively and has performed in major events throughout the United States. Some of the band's past accomplishments include

appearances in the 1995 Sugar Bowl, the 1993 Macy's Thanksgiving Day Parade, the 1992 Fiesta Bowl Parade, the 1991 Governor's Inaugural Parade, and the 1990 Philadelphia

Thanksgiving Day Parade. In addition, the band has performed three times at Walt Disney World and twice in Washington, DC.

On January 1, 1997, the Scottsboro High School Wildcat Band will be performing in "the Granddaddy of them all," the Tournament of Roses Parade in Pasadena, California.

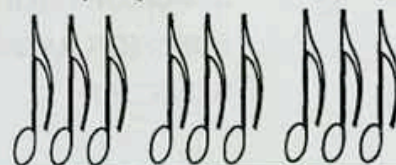

Not only is our marching band second to none, but our concert band program is well known and highly respected. In 1990, the SHS Symphonic Band was asked to perform at the Southeastern United States Band Clinic in Troy, AL. In 1992, the band commissioned a new work, "On a Southern Hymnsong," by American band composer, David Holsinger. Most recently, the SHS Symphonic Band released a CD of well-known concert band pieces.

The instrumental music program also includes a jazz band which meets entirely after school and a steel drum

ensemble. The steel drum group, "Steel Goin'," is the only one of its kind in Alabama.

We take great pride in developing the individual musician as well. Many of our students are selected for the All-State Bands and various honor bands. Probably the biggest complement to the band program comes after the students graduate. Over the past 15 years, many Scottsboro High School Bandsmen have continued to participate in band programs at the college level with a vast majority of these students receiving band scholarships.

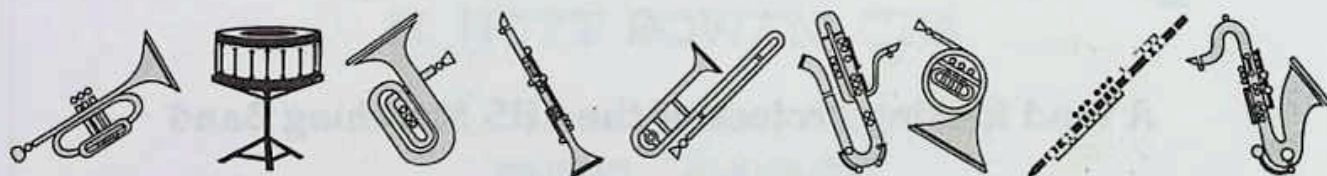

Many factors contribute to the Scottsboro High School Band's success. The enthusiasm of the students, the work of dedicated parents, and the support of the administration are only a few. The SHS Band takes great pride in achieving and maintaining the high standards which are required of an exemplary band program.

The Scottsboro High School "Wildcat" Band is honored to be selected to perform in the 108th Tournament of Roses Parade in Pasadena, California. Materials studied for the selection process included: video and audio tapes of the band, color pictures of the band in full dress uniform, recommendations from college band directors, and a resume with a chronological listing of band awards. Under the direction of Ms. Betty Bates, the Scottsboro High School Band has achieved the following awards:

1996	SUPERIOR RATINGS SUPERIOR RATINGS	"Lake Guntersville Marching Festival" State Concert Band Festival
1995	SELECTED SUPERIOR RATINGS SUPERIOR RATINGS PERFORMED	Sugar Bowl in New Orleans, Louisiana "Lake Guntersville Marching Festival" State Concert Band Festival Walt Disney World

Norandal USA, Inc.

The Scottsboro Sheet Plant of Norandal USA, Inc. is a fully integrated flat roll facility that melts, casts, and rolls aluminum. The Plant's products include coil aluminum sheet, flat sheet, painted products, and welded tube. These are produced for distributors or other manufacturers and ultimately find their way to the market place as siding, store fronts, storm doors and windows, truck paneling, lawn furniture, and many products used in the medical field.

Norandal has involved more than \$40 million in capital improvements to update plant equipment since February, 1985. A great majority of the 570 employees have more than twenty years of company service making for a highly skilled and well-trained work force.

Family Dental Care

The goals of Drs. Leslie and Darren Barrilleaux and staff are to insure total patient comfort from start to finish to provide state-of-the-art dental care in a sterile environment with limited reception room time. Our Drs and staff pride themselves on listening skills to provide individualized treatment plans, and lots of patient education in order to explain procedures and provide information to our patients.

The offices file all Dental Insurance claims at no additional cost to the patient.

WE WELCOME ALL NEW AND EMERGENCY PATIENTS!

Below: Beautiful vacation cottages grace the scenic landscape along the winding shoreline of the lake. Cottages are available for nightly or weekly rental and are fully furnished with cable television, deck, and docking facilities.

COME
SEE OUR
GREEN
GOLF
COURSE
THIS
WINTER!

The Goose Pond Colony Golf Course is known as one of the best in the Southeast. It was recently voted "Most Fun Golf Course" and "Course with Best Layout and Natural Beauty in North Alabama" by the Dixie Section PGA Members Poll. Extending over the peninsula, the 18-hole 6,900 yard par 72 Championship course features bent grass greens, a pro-shop, snack bar, putting green, driving range, and cart rentals. Golf packages are also available.

IT TAKES A STRONG PARENT TO ASK FOR HELP!

Adolescence can be a difficult time. Parents are often faced with complex decisions that require the help of trained professionals. Three Springs offers solutions to problems, in nurturing yet structured environments. We believe that every child placed in our care has a goodness and a strength to be found. A commitment to help children and families is our mission; and to hear them when they need help is our pledge.
