PROGRAM AID SERVICE

TALKS AND DEMONSTRATIONS

Interesting, informative lecture-demonstrations are available to organized local groups through Southern Bell. These free programs are presented by trained speakers, using color slides, miniature models and other visual aids.

TELEPHONE MOTION PICTURES

Educational and entertaining 16mm sound motion pictures—most of them in color—are available on loan, free of charge, through Southern Bell. These motion pictures come in different lengths, to fit almost any program, and cover a wide variety of subjects.

GUIDED TOURS

Here's an excellent opportunity for your group to get an enlightening, behind-the-scenes look at how modern telephone service is provided. Extremely interesting to clubs, scout troops, school classes and other organizations.

To Arrange for Lecture-Demonstrations • Films • Tours • Call the Business Office

A Telephone Company representative will be glad to assist in helping you to plan your program

When Someone is Waiting on the Line Don't Crash the Telephone Down on a Hard Surface

The telephone instrument is very sensitive to all sounds and vibrations—when it is suddenly dropped or jarred against any hard surface—it gives a very unpleasant effect in the ear of the party on the other end of the line.
