

## The Band Plays On

By Carol Roden

This year the band is composed of 65 students under the direction of Mr. Orris Lee. Officers recently elected are: "Cactus" Gay, captain; Ross Davis, 1st. lieutenant; and John Frank Armstrong, 2nd. lieutenant.

Bonnie Harbin was chosen head majorette. The other majorettes are Martha Lou Woodall, Glenda Bishop, Barbara Bankston, Patsy Derrick, Carolyn Lankford, Sandra Rudder, Frances Edge, and Martha Campbell. The flag bearers are Peggy Green and Carol Roden.

To help finance the band program the band boosters and band members are selling Nestle's king size chocolate candy bars at the Friday night football games.

The band has been working hard this year to present good halftime shows and to play for other functions.

Next year people will see a

## Gant, Bell, Dawson to lead Student Body

By: Nancy Hess

Eugene Gant, Mickey Bell, and Charles Dawson were elected by the student body to serve as officers of the Student Council.

Eugene's competitors for President were Jimmy Barnes, Charlie Edge and Nancy Hess. Gene has an "A" average.

Mickey Bell was selected Vice-President over his opponents, Jackie Porch, Hazel Thurman, Charles Heath, and Elizabeth Judge.

Linda Cordell, Mary Anne Harris and Martha Campbell ran against Charles Dawson. In a close run-off between Charles and Mary Ann the Secretary-Treasurer was finally chosen.

As the campaign came to a climax, the candidates made speeches to the student body. This event was held Monday morning in the auditorium. The Student Council will be organized in the near future. There will be a representative from each home-room.

## Senior Class Officers

By Rachel Downey

Charlie Edge was chosen to lead the '59 Senior Class. Bob Dean was elected Vice-President. Nancy Hess will serve as the Secretary-Treasurer. Also at this meeting ways for making money for the Senior Class funds were discussed. This year's Senior Class has able leaders and it should be a successful year.

## The Reminder Staff

By Martha Jo Machen

The Reminder Staff was elected last year during the latter part of the term. The members are as follows: Cactus Gay, Jeanne Campbell, Hazel Thurman, Linda Lusk, Lynn Derrick, Jerry Gist, Mary Ann Harris, John Frank Armstrong, Tommy Armstrong, Charlie Edge, John Blackwell, Bobbie Sue Chandler, and Charlotte Rudder. Sponsors are Mrs. Broome and Mrs. Heath.

They started selling their ads during the summer holidays. They sold a few of them but not all. The rest are being sold now. They expect to have all materials in by February.

They hope this will be the best yearbook yet. It's going to have some color added to it this year. Martha Machen will edit the '58 Reminder.

great change in our band. The band club has set a goal for new uniforms.

The band is planning on making a trip to Montgomery for the inauguration of the new Governor.

## "Mr. and Miss Friendliness"

By Francis Nevils

This month the Wildcat Staff has chosen Ross Davis and Jeanne Campbell as the friendliest couple on the campus.

Jeanne is a Senior 111, cheerleader for the past two consecutive years, member of the Wildcat Staff, Co-Business Manager of the Annual, and serving her second term as president of the F T. A.

Ross is a member of the Wildcat Staff, a five year member of the band of which he is a Lieutenant vice-president, and takes his place among the class of Juniors.

Let's see how friendly each of us can be.

## New Teachers Join Staff

By Martha Woodall & Phillip Reagan

The five new additions to the S. H. S. faculty are:

Coach Jack Locklear comes to S. H. S. from Murphy High where he was head football coach for five years. He received his college degree at Auburn. Coach Locklear and his wife, Joanne, have a baby son, Mike. They are members of the Baptist Church and reside at 303 Hodges Street. Mrs. Locklear teaches sixth grade at Central Elementary School.

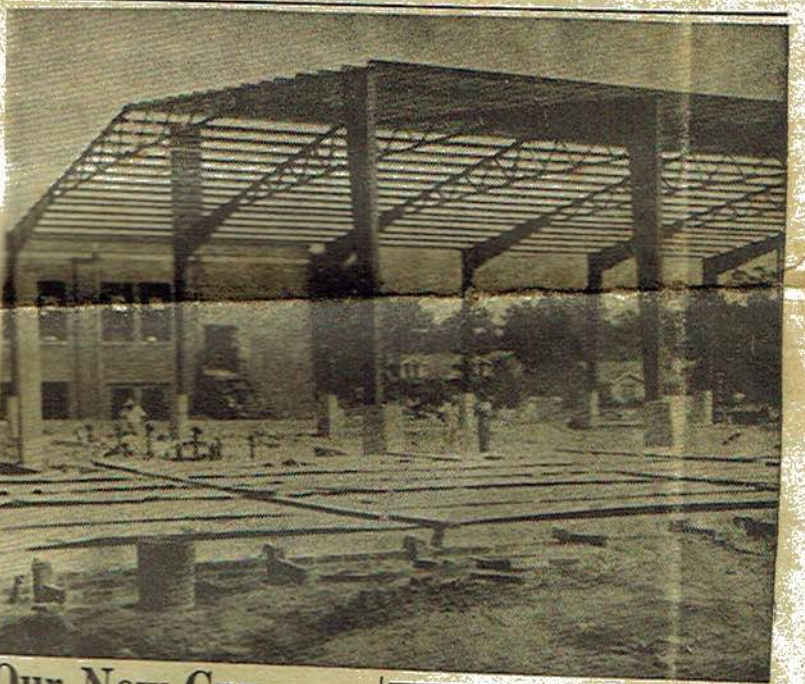

Mr. Ray Collins, graduate of Florence State, is the new assistant principal. Mr. Collins and his wife, Billie, have three children, Nancy, Mitzi, and Jennifer. They belong to the Church of Christ and live at Caldwell Gardens. The Collins are natives of Scottsboro, but came directly from Sheffield where he has been coaching basketball. In addition to his duties as assistant principal he also serves as a guidance counselor for all students.

Coach Fred Gross is the new assistant coach to Coach Locklear

and comes directly from Auburn. He teaches math and physical education at the Central School and is also a backfield coach for the football squad. He and his wife, Sandra are residing at the Jacobs Apartments.

Mrs. Winifred F. Heath is the new librarian. She came to Scottsboro several years ago from Baptist, La. She taught at Mary Haiden, Baylor College and Birmingham Public Schools after attending college. She is the wife of Charles Heath of Scottsboro and her two children Charles and Dorothy are students in the Scottsboro Schools.

Mrs. Avis Porch is a new teacher that comes from Rockford, Ala. She teaches Sr. 1 English and 9th grade math. She attended Jacksonville State Teachers College and A.P.I. She and her husband and two children, Jackie and Jill reside on Lakeview Shores. Her son George Lee is attending the University of Tennessee. Jackie and Jill are students here.

## Our New Gym

By Tommy Armstrong

As you can see (and hear) work has begun on our new gymnasium.

The construction started last August. Of course the old girl's gym had to be torn down before the new could be started. The old gym was starting to be removed before school was out last year. A new gymnasium at Carver High had to be completed before work on it could begin. The architects for the new building are Van Keuren and Davis.

The building will be insulated and therefore will not be as hot (or cold) as the present gym.

I asked Coach Carter to comment on the future home for the Scottsboro Wildcat cagers, and he said, "In the words of Tennessee Ernie, "It looks licking good!"

The new building will have numerous showers and plenty of dressing space. Also included in the building will be a new band room.

The workmen thought at first that the building could be completed by the middle of February, but the date of completion now depends entirely on the weather.

The gymnasium will be the largest in the county.

Let's all hope that the first season in the new gym will be a successful one.

## F.H.A. Report

By Sandra Murrah

The F.H.A. executive committee for the coming year is as follows: President, Sandra Murrah; Vice-President, Brenda Frazier; Secretary, Faye Bradford; Treasurer, Nancy Guffey; Historian, Celeste Chambers; Parliamentarian, Geraldine Chambers; Song Leader, Mary King; and News Reporter, Sandra Murrah.

This committee of officers is planning a fashion show for the near future in which the 109 home economic girls will be modeling their chemise and other styled outfits.

The committee has made plans for an interesting program for each monthly meeting. Also being discussed are money-making schemes.

Nancy Guffey, a third year girl, has been appointed to the McCall's Teen Fashion Board for the coming year. She will receive a certificate and a pin to show her membership. The Board will send her plans and ideas to use and experiment with. In turn if any student has any ideas just tell Nancy and she will be happy to send them to the board.

## Pep Club

Hey kids, have you heard about the Pep Club!

This is a new club organized to support the cheerleaders in giving the yells. They have already represented the school at four ball games.

They meet once a week, on Thursday afternoon, to practice the yells and learn at least one

new one.

The club is sponsored by Mrs. William Sloan. The officers of the club are as follows: resident - Jerry Gist, Vice-President - Jackie Porch, Secretary - Doris Harper, and Treasurer - Jill Porch.

There are approximately ninety-one members at present. Everyone is welcome to join.

## New Features on Activities Periods

By Martha Lou Woodall

This year we are going to have schedule club meetings. They are as follows:

1st Friday - F.T.A. - Sanders; D.O. - Porch; Library - Heath.

2nd Friday - Wildcat - Muse; Pep Club - Sloan; Student Council - Collins.

3rd Friday - F.H.A. - Turner; F.F.A. - Phillips; Library - Heath.

4th Friday - Science - Porter; "S" Club - Locklear; Student Council - Collins.

The Spanish Club will meet during regular class period. Assembly

will be on day other than club meeting with the same time program.

### The Vacuum Cleaner

(It picks up all the dirt)

Ross Davis looks mighty keen, Since with Jackie Grider he's been seen.

Peggy Green is ready to fight, For her "feller", Kenneth Wright.

Bonnie Harbin floats away, When she rides in the Crawford's chevrolet.

Vivienne Webb needs no pass, Her way is paid by Lyle Haas. Martha Lou Woodall feels like a queen,

Cause her steady date is Phillip Green.

No one feels better than Joan King,

For Charles Chandler she'll gladly sing.

We know the girl Glenn Derrick picks,

For her name is Jessie Dell Hicks.

Jerry Gist is trying to wangle, Some way out of his 3 girl triangle.

Linda Blackwell will gladly state,

That with Jimmy Willis she's had a date.

Joyce Goldstein wears a grin, Cause she's dating that boy,

The one and only Lynn.

Francis Edge seems awfully blue,

Since Charles Billy went off to school.

Wildcat football fans were proud of the '58 team in the first appearance on the gridiron with the Glencoe Yellow Jackets, September 5. The Wildcats fought valiantly all through the game and scored twice but the Glencoe team overpowered them in experience and weight. The final score was 28 to 14.

On the sportsfield, September 12, the Wildcats defeated the Boaz Pirates, 19 to 0, in Scottsboro's first home game. Touchdowns were made in the first, second, and fourth periods. The Wildcats gained 208 yards to the Pirates' 75 and 12 first downs to their 6. Boaz showed flashes of an offense, and made several gains which were nullified by losses when Scottsboro linemen broke through and smeared attempted passes, toss-outs, and reverses behind the line of scrimmage.

One week later the Blountsville team made a suprisingly upset victory over the Wildcats September 19. Both teams were at a disadvantage as it sprinkled rain all through the second half. The winning score was made in the final

period with only minutes left to go in the game. The extra point attempt was good to make the score 7 to 0. The Wildcats not only lost the game but lost their first string quarterback, Bill Beard. He suffered a broken right arm which will enable him to play any more this season.

The Scottsboro Wildcats journeyed to Stevenson, September 26, to make a comeback with a 31 to 0 victory over a spirited Stevenson team. The Wildcats looked sharp in their new uniforms with white helmets and pants and blue jerseys with gold numerals. At the half the Wildcats led comfortably by 19 points.

Guntersville won the predicted battle over the Wildcats, September 3, by a score of 36-6. The Wildcats of Scottsboro fought like the animals for which they were named but were unable to overthrow the stronger Guntersville team. The game was played on a wet field, in a drizzling rain. Scottsboro's only score came in the fourth quarter on a three yard run by halfback Glen Gentle. The Wildcats made five first downs and gained 65 yards rushing, while Guntersville made 12 first downs and gained 277 yards rushing.

Unleashing a fleet of fast backs running behind at hard charging line, the Etowah Blue Devils September 8, vanquished the Scottsboro Wildcats, 48-0. It was the fifth straight victory for Etowah. Scottsboro's only scoring threat was ended by the horn ending the first half.

### Glee Club Activities

By Mary Ann Harris

There are many new members in the Glee Club this year. Mr. Orris Lee is director of the Glee Club this year, in addition to his duties as band director. Some of the new music he has purchased includes such enjoyable numbers as, "I Heard a Forest Praying", "We Kiss in a Shadow", "Tumbling Tumbleweeds", and "The Halls of Ivy."

Plans are being made to form a girls sextet and a boys quartet later in the year. Glee Club practice is held during the fifth period every day.

### Spanish Club

By Carolyn Travis

A Spanish Club has been organized by the eleven second year Spanish pupils. The officers are: President: Bonnie Harbin; Vice-President: Glenn Gentles; Secretary-Treasurer: Charles Heath.

This club has its regular meeting on the last Friday in every month. At these meetings, planned programs are presented by different Spanish Club members.

A "backwards" party was planned by the members and Mrs. Hodges, their teacher. It was given October 7. Other types of entertainment and fun are planned for the year.

### Senior Personalities

Our mystery Mr. is six feet tall and he plays basketball. His hair is brown and his eyes are hazel. He is very quiet and good looking too. Can you guess who?

Our mystery Miss is five feet-four and she is a girl we all adore. Her eyes are blue and very big too. She is very neat and lives on Market Street. Come on now and guess this Miss boy, you just can't miss.

### F. T. A. News

By Rachel Downey

The F. T. A. met at the first of this year and voted on new members and new officers. The new officers elected are: Jeanne Campbell, president; Nancy Hess, vice-president; Duelene Lackey, secretary; Bonnie Harbin, treasurer; Rachel Downey, historian and Vera Carter, chaplain. The sponsors are Mrs. George Armstrong and Mrs. Fred Sanders.

The formal initiation took place on Tuesday, September 2nd and the informal initiation, the following day.

The F. T. A. will have the basketball stands again this year and plan to make a trip at the end of the year.

New members are: Frances Edge, Mary Ann Harris, Sandra Murrah, Barbara Bankston, Carol Berry, Betty Bolden, Sandra Rudder, Jo Pell Brandon, Smith Brannum, Phillip Reagan, John Blackwell and Lee Morris Harrington.

### Campus News

Who is the 10th grader who thinks Jimmy Penny is out of this world? Could it be Rosalie Maples! ! !

Bobby Baggett sure does like Scottsboro since he found Carol Roden . . . . .

Martha Campbell's motto is: I like 'em short. I like 'em tall. Matter of fact, I like 'em all.

Available girls: Francis Edge, Barbara Bankston, Mary Ann Harris, Sandra Murrah, Rosalie Maples, and Jo Pell Brandon . . . .

Who has been asked to the football banquet? ? ? ? ?

### What Would Happen If--

Mary Ann Harris got mad. Sandra Murrah couldn't dance. Martha Campbell couldn't smile. The Rec Hall closed.

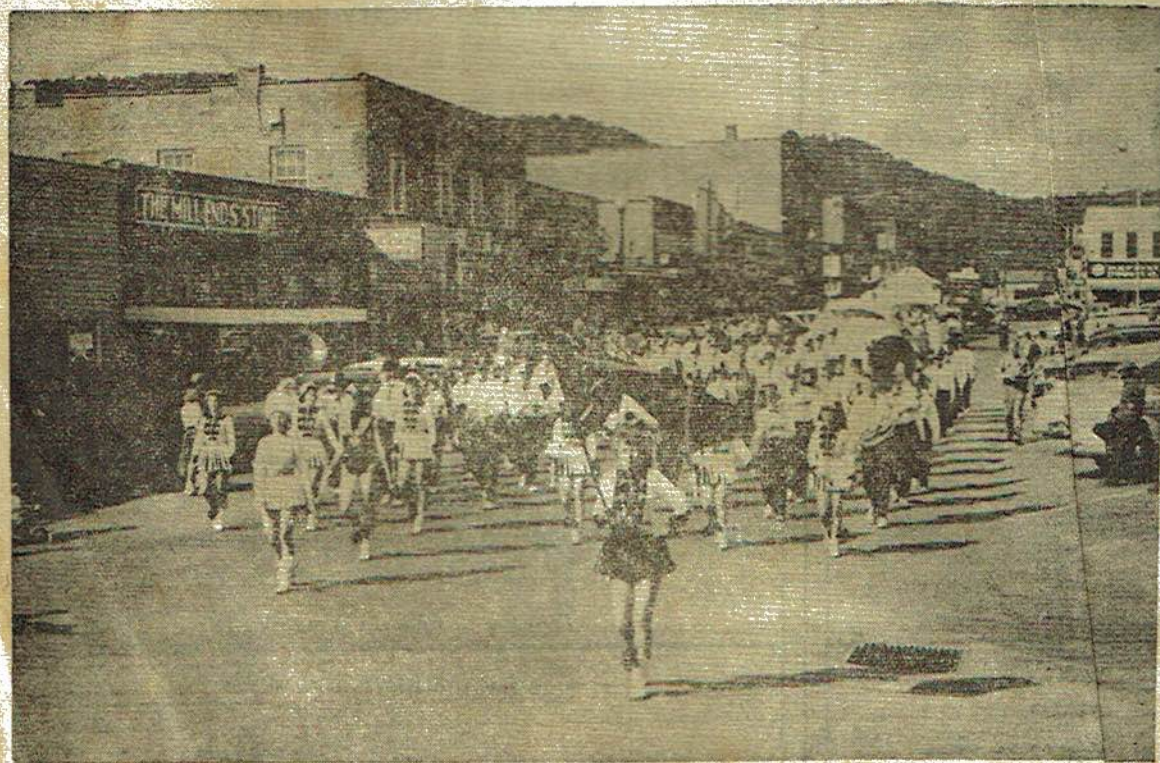

Jimmy Penny, Charlie Edge, Gene Gant, Charles Dawson, Don Beddingfield, and Bill Beard asked girls for a date.

Smith Brannum couldn't grin. Barbara Bankston wasn't slow. Sonny Hodges wasn't shy. Sandra Rudder dated another boy.

Carol Sloan wasn't neat. Mrs. Hodges didn't give "pop" tests.

Tommy Lewis went straight home after night band practice Thursday.

New Lab offers challenge to science-minded students

Miss Jane Hodge, New Biology Instructor.

CAPABLE LEADERS HEAD STUDENT COUNCIL. Left to right: Allen Lee-Secretary & Treasurer, John Blackwell-President, Charles Dawson, Vice President.

## SCOTTSBORO

### Looks Toward Scientific Future

By Charles Heath

As we enter this new age of space, the United States, in order to compete with other nations, will need a well-trained people in the field of science.

To keep in step with this newly set pace, a school must advance accordingly. New and modern equipment came first on the list of necessities to improve the science program at our school. Then came the call for an additional teacher.

Funds for the advancement of this program were limited. The situation was presented to the people of Scottsboro, they in turn being sympathetic and understanding gave their full support. The donations from the people were combined with the aid secured from the Federal Science Funds. By these means, the most up-to-date equipment was purchased for the chemistry and biology laboratories.

Among this new equipment we find desks and worktables. The worktables are equipped with gas outlets for Bunsen burners, however, these will not be of service until the use of natural gas is available for this region.

As previously stated, well-trained teachers are essential to make this program effective. The school and community is fortunate to have Miss Lily Porter, Miss Jane Hodge, and Mr. John Mea-

dows as efficient science instructors. Miss Porter, chairman of the Science Department, teaches physics and chemistry. She is a graduate of the University of Alabama and has held a position in the Atomic Energy Commission's laboratory in Oak Ridge in addition to her previous years of teaching experience. Miss Hodge, biology instructor, is a graduate of Auburn where she was an honor student. Mr. John Meadows holds the position of ninth grade science teacher. He is a graduate of Jacksonville State Teachers College.

To aid them further, Miss Porter and Miss Hodge have attended a six-weeks science institute sponsored by the National Science Foundation. Few schools are fortunate enough to have two science teachers to have attended such an institute.

The Science Department is boosted by an active Senior Science Club. A new Junior Science Club is being organized this year. It will be made up of students in the tenth grade.

This year 325 students are taking advantage of these opportunities afforded them. One hundred thirty-one ninth graders take General Science. One hundred thirty-five students are taking Biology. The Chemistry class has twenty-three students and the Physics classes have thirty-six.

### New Teacher On Faculty

Miss Jane Hodge is the new biology teacher at Scottsboro High School. Miss Hodge has been a resident of Scottsboro for several years, and she is now residing at 705 South Street. After graduating from Scottsboro High School in the class of '55, Miss Hodge attended Alabama Polytechnic Institute, where she received her bachelor's degree.

Mr. John Meadows, the new head football coach at Scottsboro High School, is also a teacher of ninth grade science and civics in the high school. Before coming to Scottsboro Coach Meadows was head coach at Gordo for two years, head coach at Hanceville for two years, and assistant coach at Cullman for three years. He is a graduate of Jacksonville College. Coach Meadows, his wife, and three children live in the Woodall Apartments.

Mr. Lawrence Robinson is the new assistant coach. Coach Robinson also teaches math, social studies, and physical education at the Central Elementary School. The new coach attended Florence State College and Mississippi State College, where he played football. He now lives at 506 Kyle Street.

### PTA Drive

By Carol Sloan

From the \$900 collected for P.T.A. membership in all the city schools, 251 members were from parents of high school students. Prizes were awarded in assembly by Mrs. Bishop and Mrs. Jacobs. Mr. Porch's homeroom won the \$10 prize for the highest paid membership. Mrs. Broome's homeroom won the \$10 for the highest per cent of parents joined.

This drive took place from Oct. 5 to Oct. 12. Tuesday, the sixth, was the day of the P.T.A. parade. Pupils and teachers from the first through the twelfth grades, the cheerleaders, and the band participated.

Assisting the mothers in the drive were the students composing the Parents - Student - Teachers Committee. These PSTA students kept records on the homeroom's day by day progress.

### Good Citizenship Girl

By Carolyn Travis

Miss Glenda Bishop, daughter of Mr. and Mrs. Lee Bishop, has been chosen DAR "Good Citizenship Girl" by the students and faculty of Scottsboro High School. She, along with seniors selected from other high schools, will go to Huntington College on December 5.

Glenda is Head Majorette of the band. Among the other activities that she has taken part in are: Class Favorite in eleventh grade, Homecoming Attendant, Miss Junior Camp Jackson, Pep Club, Science Club, F.T.A., Library Club, and Spanish Club.

Glenda Bishop is "Good Citizen"

### Graduating Class Picks Leaders

By Vivienne Webb

Four prominent seniors were recently selected by their classmates to lead the graduating class this year. Headed by Bill Wood as president, the slate is completed by Billy Ray Davis as vice president; Nora Huntoon as Secretary; and Charles Heath, treasurer.

The new president is the son of Mr. and Mrs. W.C. Wood of 207 Meadow Street. Bill is co-captain of the football team, a member of the "S" Club, a member of the Student Council, and a member of the Methodist Church.

Billy Ray belongs to the Pep Club, the Student Council, the baseball team, and the Methodist Church. He is the son of Mr. and Mrs. Roy Davis of 203 Parks Avenue.

A transfer from Hollywood in the tenth grade, Nora Huntoon, daughter of Mr. and Mrs. J.F. Huntoon, has consistently maintained an excellent scholastic record. In her junior year she was awarded the American history and music medals. Nora belongs to the F.T.A. and is a very active member of the Hollywood Baptist Church, where she is the pianist.

Handling the finances for the Seniors is Charles Heath, son of Mr. and Mrs. Charles Heath. Mrs. Heath is the school librarian. Charles has been a band member for several years, belongs to the Senior Science Club, and is on the Reminder and the Wildcat staffs.

### Methodist Pastor, Guest Speaker

Reverend Whitehead, the new pastor from the First Methodist Church in Scottsboro, delivered an inspiring talk to the students Tuesday in assembly. The topic for his address was "God's Will For Our Lives." He included some interesting and thought-provoking illustrations in his talk that inspired all.

Special music was rendered by Linda Page, Sandra Murrah, Mary King, Vera Carter, and Vivienne Webb before Reverend Whitehead's delivery.

Henry: "It would be real simple for us to get married, darling; my father is a minister."  
Mary: "Fine, let's give it a whirl - my father is a lawyer."

### Welcoming Plans Announced By Student Council

By R.C. King

At a recent meeting of the Student Council plans for the Homecoming Parade and the election of the Queen and Attendants were outlined. Two girls from each Senior Class homeroom were nominated by their class to run for Queen. Voting was to be by a penny a vote with the girl getting the most money as Queen. As most students and teachers did not like this procedure, a special meeting was called where the Council decided that the Queen would be elected by popular vote of the students. Running for Queen are Carolyn Travis and Bobby Loyd from Miss Michael's homeroom; Martha Woodall and Linda Page from Mrs. Davis' homeroom; and Glenda Bishop and Sandra Murrah from Mrs. Hodge's homeroom. Election of the Queen will be Wednesday, Oct. 21, and the election of the attendants, one from each grade - ninth, tenth, and eleventh - will be Friday, Oct. 23. Each student must pay a five cent poll tax to be eligible to vote.

Prizes will be given to the three best floats in the parade.

At an earlier meeting of the Council, committees were appointed by the president, John Blackwell, for the purpose of gathering material for the different projects.

### Senior Salesman

By Martha Woodall

"How do you do, Mr. Detergent? Would you like to subscribe to a magazine to help raise money for the senior trip?"

The seniors have been trying their luck as salesmen for the past week in a serious magazine sales campaign conducted by the Educational Reader Service Corporation. The quota is \$3000.

A certificate is awarded the salesman who sells \$25 worth or more of subscriptions. A gold pin is awarded to the salesman who sells \$100 or more of subscriptions. "Snoozer", the prize dog, and other prizes, is given to the high salesman every other day.

Father: "I'll teach you to make love to my daughter."

Young Boy: "I wish you would, old man; I'm not making much progress myself."

THE WILDCAT STAFF

EDITORIALS

This 1959-60 school year can be a record breaking year of advancement and success for Scottsboro High School.

Perhaps you would like to know why! Here is a brief summary of how things appear as of now. Educational wise we have a well-stocked library and an advanced science department. In the sport's field a new and modern gym is a big step forward. New band uniforms have also been purchased. An organization which is in the process of being formed is the National Honor Society.

To really go forward our school must have the full cooperation and encouragement from each student.

D.O. Officers Elected At Meeting

By Tom George

D.O. Club officers were elected at the first regular meeting September 23. Officers elected were: Carl Allen, president; Doug Green, vice-president; Carol Smith, secretary - treasurer; and Tom George, reporter.

The main project of the C.O. Club this year is the school parking lot. The facilities have been improved to provide better parking. Student co-operation so far has been very good. Marvin Wright has charge of assigning parking spaces.

Students are training in such varied occupations as nursing, meat-cutting, mechanics, and printing, among others.

The D.O. Club has 30 members enrolled this year, an increase of 9 over last year's enrollment.

Suicide On The Highway

From SEVENTEEN

The cold and deadly facts of highway accidents point directly at teen-agers. They are--to make it even worse--the worst killers in the under-twenty-five age group, which is involved in 28 percent of the accidents, although they are only 18 percent of the total driving population of more than eighty million drivers.

There is no possible way to twist the fact that a teen-ager behind the wheel of a car is fast getting to be one of the worst killers in our midst. Teen-age accidents have even the unanswerable distinction of causing more deaths than others of the same nature involving older drivers, because of the incidence of high speeds.

Many young speedsters feel that they are gaining prestige and distinction when they can outrace the other fellow.

Many others feel that the more noise he can make, the faster he can go, the bigger man he is. There are two and one-half times as many male drivers as female, but they are involved in seven times as many fatal accidents.

This does not mean that all teen-age drivers are like this, because they aren't. There are many who are very good and careful drivers.

What is done about the problem of driving is not up to law enforcement officers, parents, dogooders and worried insurance companies only. The most effective people are the teen-agers themselves. Young people need to act now while they still have their heads on their shoulders.

The Shadow

By Jill Porch

Our shadow followed our Mystery Miss into school Tuesday morning. She hurried into homeroom dressed in a beautiful brown dress with big, puffed sleeves and a bright, happy smile. During first period she was issued five boxes of Christmas cards to sell for the Junior Class. She then became quite upset because the Junior Class float for Homecoming had not been started. During second period she sat and chatted with the boy behind her. She sat very quietly during assembly with this same boy. It seems as though his name is Charles. Every once in a while she asked the people around if they would like to buy a box of Christmas cards. She went home to lunch, came back, stood in the auditorium, twirled her baton, and worried about making a very low score on a Physics test. For some reason she could not resist going to her locker between each class and talking to this boy named Charles. During the afternoon our shadow had quite a time keeping up with our Mystery Miss, but we understand she went to band and as usual did a good bit of talking. Can you guess who our Mystery Miss is?

BEAUTY TIPS  
by Lady Esther

For the first time in her film career, shapely blond Carroll Baker wears glamorous clothes in her new movie, "But Not For Me," in which she co-stars with Clark Gable. Very different is this sophisticated Carroll from the earthy girl of her former roles. Unchanged however, is the very feminine quality she brings to every part she plays.

"The South through which I travelled for a couple of years, left more than the Southern accent which proved so useful to me, in "Baby Doll." I was most impressed by the extreme femininity of the girls who were born and bred in Dixie. Charm and grace were expressed in the way they talked, moved, looked, dressed."

"But it was the care they took of their skins that was most noteworthy. A Southern girl starts plying her face with creams while she's still in her teens. They know too well the wrinkling, drying damage the burning sun can cause to a girl's skin. The complexions of Southern women certainly reflect the care they take."

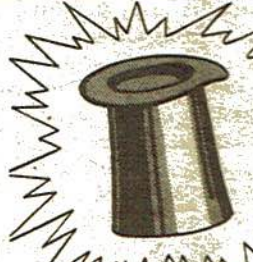

Carroll Baker

Miss Baker likes the current pale look but warns, "Only if your skin is clear and smooth can you wear this pale look; otherwise it can make you look like a washout. This means extra special skin care."

We agree with Miss Baker on every point; that skin care should start while you're very young . . . that in hot weather extra attention is essential, and that if your skin is mature it requires constant, consistent pampering. Since all of us are so busy, I've brought out another multiple-purpose product to give you "head-to-toe Skin-Surance" to protect you from summer's roughening outdoor elements. Our new "Hand and Body Lotion" is a rich emollient that should be applied to every exposed part before and after you set foot outdoors. Also pat it on after every shower to restore the oils that soap washes out. Pay special attention to your hands, which are first to reflect age and neglect. Apply this lotion lubricant before you dip them into any water, soapy or salt. Make it a family affair. Husbands will like its cooling comfort after golf, gardening. Children will love its soothing feeling on their tender skins.

High struttin' Band and Cheerleaders Lead P.T.A. Parade

# Sports Review

Scottsboro started out the season in good fashion by slapping down Bridgeport by the score of 13-6. It was the debut for Coach Meadows and his assistant, Coach Robertson. In the second quarter after a 74 yard drive, Baggett scored from 6 yards out. Mickey Bell plunged for the extra point. In the fourth quarter after a long pass from Dawson to Bell, Beddingfield carried over from the one yard line for the score. Bridgeport's only score came in the third quarter.

Scottsboro won their second game of the season as they mauled Blountsville 27-0. The Wildcats took to the air as all the touchdowns came from the aerial route. Quarterbacks Dawson and Beard did the throwing with Dawson throwing for 3 touchdowns and Beard throwing for one. Mickey Bell received three of the T.O. passes and Larry Nevils received one. Dawson kicked for one conversion, and Atkins plunged for two more.

The Wildcats won their third in a row as they out-classed Stevenson by the score of 25-0. Bell, Beddingfield, Baggett, Beard, and Dawson were responsible for long

ground yardage. Baggett sprinted 20 yards for the first touch down, and Charles Dawson ran an intercepted pass back 50 yards for the second score, after which, Beddingfield bucked for the extra point. Also scoring were Beard on a five-yard sneak and Bell on a short run.

The Wildcats put up a great fight in losing to mighty Guntersville by the slim margin of 14-6. The Wildcats became the first team to score on Guntersville when Dawson hit Bell with a pass just before the close of the half. Outstanding on defense for the Wildcats were Byrd, King, and Woods. Dawson's quick kicking was also an outstanding feature of the game.

Neither team scored in the first quarter, but Etowah broke loose with three touchdowns in the second quarter, one in the third, and two fourth to hand Scottsboro their second defeat of the year by the score of 39-0.

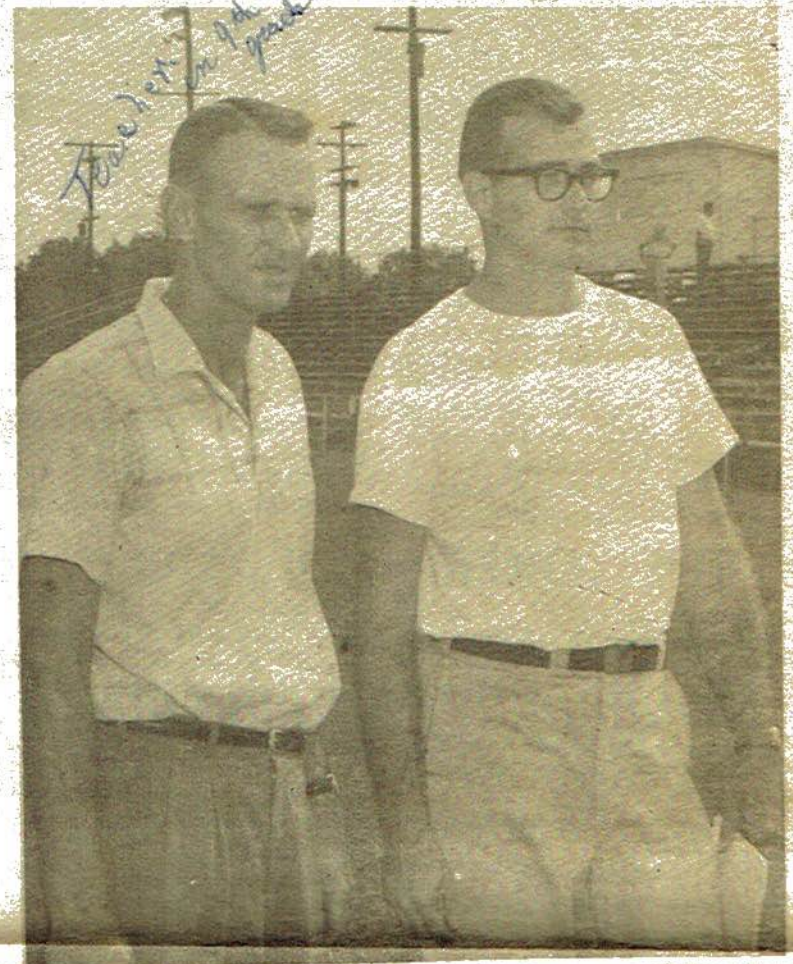

Scottsboro will now close out the year with games with Fort Payne Oxford, Emma Samsom, Oneonta, and Albertville. The record stands at 3-2, and the Wildcats will be out to win the rest of them.

## Cheerleaders Score Again

Sponsor - Mrs. William Sloan  
Attention, cheerleader fans!  
Here's a report on what's been going on concerning the cheerleaders since last year's school term.

As you know, the election for 1959-60 cheerleaders was held at the close of last year's school term. The results are as follows: Carolyn Travis, head cheerleader; Jackie Porch, Linda Nell Shelton, Jill Porch, Linda Blackwell, Judy Hubbard, and Carol Berry, alternate.

These peppy cheerleaders received training during the summer while attending cheerleader clinic at the University of Alabama. The cheerleader clinic was held to teach them new yells and to aid them in improving their technique.

Left: John Meadows, new football coach and ninth-grade teacher. Right: Lawrence Robinson, new assistant football coach and Central School physical education teacher.

## Speaking of PUBLIC SAFETY

### Do Nothing—And Die

CLEVELAND, OHIO — A grief stricken woman whose father had been killed by a car in a street accident, recently wrote to Edmond C. Powers, editor of Street and Highway Lighting Magazine and asked "What can I do to make sure this doesn't happen to someone else?"

She went on to explain that the motorist whose car struck down her aged father, had simply said: "I didn't see him."

The street was poorly lighted, the old gentleman was dressed in the dark clothing you would expect in one of his generation, and his reflexes and distance judgement corresponded to his years.

When the daughter thought of all the senior citizens whose lives were endangered by the poorly lighted streets in her community, she decided to act. Calling on city officials, she was told the practical facts of life. Money was scarce, and what there was, had to go where pressure was the greatest.

"Wait until there are five more deaths," she was advised, "then the public will be ready to recognize the need for good street lighting."

## THE BAND PLAYS ON

By Carol Sloan  
The flashing Scottsboro High Band is on the road again, 88 members strong, and led by their high-stepping majorettes. They

are under the direction of the capable Orris Lee.

Band officers elected for the 1959-60 year are: Ross Davis, captain; John Frank Armstrong, 1st lieutenant; and Davis Worley, 2nd lieutenant.

### SAFETY SLOGAN

"Look out for school children ---especially if they are driving cars."

Glenda Bishop was chosen head majorette. The other majorettes are Sandra Rudder, Carol Sloan, Martha Campbell, Frances Edge, Carol Roden, Patsy Derrick, and Barbara Bankston.

The band members have new uniforms. They have sold gas and are now selling candy at the ball games to help pay for them.

The band and the majorettes are working hard to present colorful halftime shows and pep rallies. Band practice began in the summer before school started.

## Easy-to-Make Sea Shell Plaque

A new idea for the home decor is this beautiful sea shell plaque which serves as a constant colorful reminder of family vacation fun at the seashore. It can be made by the most inexperienced home craftsman with just a few basic materials.

All that you need is a single piece of plywood 9 x 21 inches in size, and 1/4-inch thick. For the frame, use inexpensive flat molding painted black and attached to the four sides of the plywood with several brads to each side. Other materials include small packages of ready-mix cement and plaster-of-Paris; Elmer's Glue-All; assorted sea shells and a branch of sea weed; sand; a push-button can of clear plastic spray; and two kitchen bowls to mix cement and plaster.

### Lasting Display

After the black frame is securely attached to the plywood base, wet the panel inside the frame, coat lightly with cement and sprinkle sand generously over the cemented surface. When thoroughly dry turn the plywood over to remove loose sand. Then fill shells with plaster-of-Paris and even off with kitchen knife. After plaster hardens, coat shell bottoms thoroughly with Elmer's

Glue-All and press firmly on sand within penciled outline of fish—starting at the tail. Lay shells as close together as possible, even occasionally overlapping if necessary (like fish scales).

Detailed instructions, plus more than 150 other do-it-yourself projects appear in McCall's Needlework & Crafts Magazine, now available at most pattern counters and newsstands.

## FTA NEWS

The F.T.A. began the new school year by electing Tommy Armstrong president of the club. Tommy is assisted by Vera Carter-vice-president, Jackie Porch-secretary, Frances Edge-treasurer, John Blackwell-parliamentarian, and Mary Ann Harris-chaplain.

Each F.T.A. member has been assigned to work with a particular teacher in the high school. In this manner the F.T.A. members will not only lessen the load of the teachers, but they will receive training and experience in grading papers, etc.

The main project of the F.T.A. this year is to publish a school directory containing the names, addresses, and telephone numbers of all the students in the high school. The directory will be on sale upon completion.

## Library Club News

An active and enthusiastic library club is a contributing factor in the progress of this school. The Library Club consists of 15 capable members. With much more consideration for student interests, they have planned an excellent program to be carried on throughout the year. A project arousing interest among the students are the weekly exhibits on display at the library. Several of the topics for these displays are listed below:

1. Alaska "A Star is Born"  
 Old titles and new books on Alaska and Arctic by Dr. J.E. Johnston.
2. Animals "Our Library Zoo"  
 Many interesting animals such as the Tiger in the Cage.
3. Music "Music, Music, Music."  
 New and old books on Music and famous Music stars.
4. New books "Kickoff to Good Reading"

Display of football field, and new books just received.

5. Mrs. Armstrong's history class exhibit posters and other projects will be on display.

If any other class or club would like to put on display in the library, please contact the Library Club President, Ruby Lee Proctor.

The Science Club will have programs at every meeting. A program committee selects the program and appoints students to give them. Every Science Club member will be required to make and present a project this year. Very good projects are expected to be contributed.

## FHA NEWS

By Sandra Murrain

The home economics girls started the year off with a bang. Some began to sew immediately, some studied good behavior and manners, and still others began cooking. There have been several opportunities for some of the older girls to serve various clubs and organizations.

At the September F.H.A. Club meeting, the third year girls presented a program describing the various ideas that could be carried out for bringing the families closer together.

During the year there will be several guests who will speak on such things as interior decorating, Christmas lighting decorations, careers for home economics majors, and Easter bonnets.

## CLASS RINGS

Last Monday after many weeks of anxious waiting, the seniors were measured for class rings.

A variety of styles were available. The Seniors had a choice of black, blue, or red set for their priceless band.

Mr. Johnson, the ring salesman, said the rings would be here by the end of the first semester.

## Wildcat Salutes Language Department

By Rosalie Maples

Almost all people will agree that everyone needs English no matter what they plan to have as an occupation. One reason for this is because it helps one to feel at ease around other people. There are six English teachers who are helping students at Scottsboro High to achieve this feeling of being at ease.

Mrs. Sam Hodges Jr., who has one ninth grade English class, was born in South Pittsburg, Tennessee. She moved to Scottsboro in 1943 where she graduated from Scottsboro High. Mrs. Hodges went to Auburn for one year and then to the University where she graduated. Before teaching here, Mrs. Hodges taught in Lafayette, Louisiana. A first year Spanish class, consisting of 27 students in the tenth and eleventh grades, is also taught by Mrs. Hodges. Although there is not a second year Spanish class or a Spanish Club this year, there will be both next year.

Mrs. Rudolph Jones, who was born in Gordo, Alabama, also teaches the grade of English. Mrs. Jones moved to Scottsboro in 1928. She graduated from the University of Alabama. Mrs. Jones' classes have been studying poetry, but next six weeks they will study English before starting the novel GREAT EXPECTATIONS by Dickens.

Mrs. George Armstrong teaches tenth grade English. She was born in Cullman, and moved here in 1947. Mrs. Armstrong received her Bachelor's Degree from Athens and her Masters Degree from Peabody. Before teaching at Scottsboro High, where she has taught for thirteen years, Mrs. Armstrong taught at Hanceville, Cullman, Vinemont, and West Point High. Her classes have been studying grammar the past few weeks, but now they will study poetry from their literature books.

Mrs. J. R. Porch is another tenth grade English teacher. She was

### Scottsboro Boasts Outstanding Educator

A recent honor was bestowed upon Erskine S. Murray, Principal of Scottsboro High School and Superintendent of the Scottsboro City School System. His biographical sketch and picture have been placed in the 19th edition of the book, Who's Who in American Education.

This is a biographical directory for the United States and Canada listing men and women who are outstanding promoters of educations. Publications of this book have been made since 1928. The 1959-60 edition is a hardback, cloth-bound book containing 1621 pages, the contents being alphabetically arranged. It is excellent for use as a standard reference of American educators. A copy is now available in the school library.

Each biographical sketch is accompanied by a picture. In the paragraph concerning Mr. Murray, information is given such as the date and place of his birth, his parents and wife, home address,

born in Rockford, Alabama, and she moved to Scottsboro in 1958. She attended Jacksonville where she received her B. S. and Auburn where she received her M.S. She has also taught at Chilton County High, Clanton, and Geraldine. Her classes have been studying verb forms and the rules of punctuation.

Mrs. Armine Hambrick is the 11th. grade English teacher. She was born in Fackler where she lived for three years before moving to Scottsboro. She went to Alabama College, Montevallo, where she received her B.S. and Peabody, where she received her M.A. Mrs. Hambrick's classes have been studying phonics, complex sentences, and outlines. Next they will study Shakespeare's MERCHANT OF VENICE.

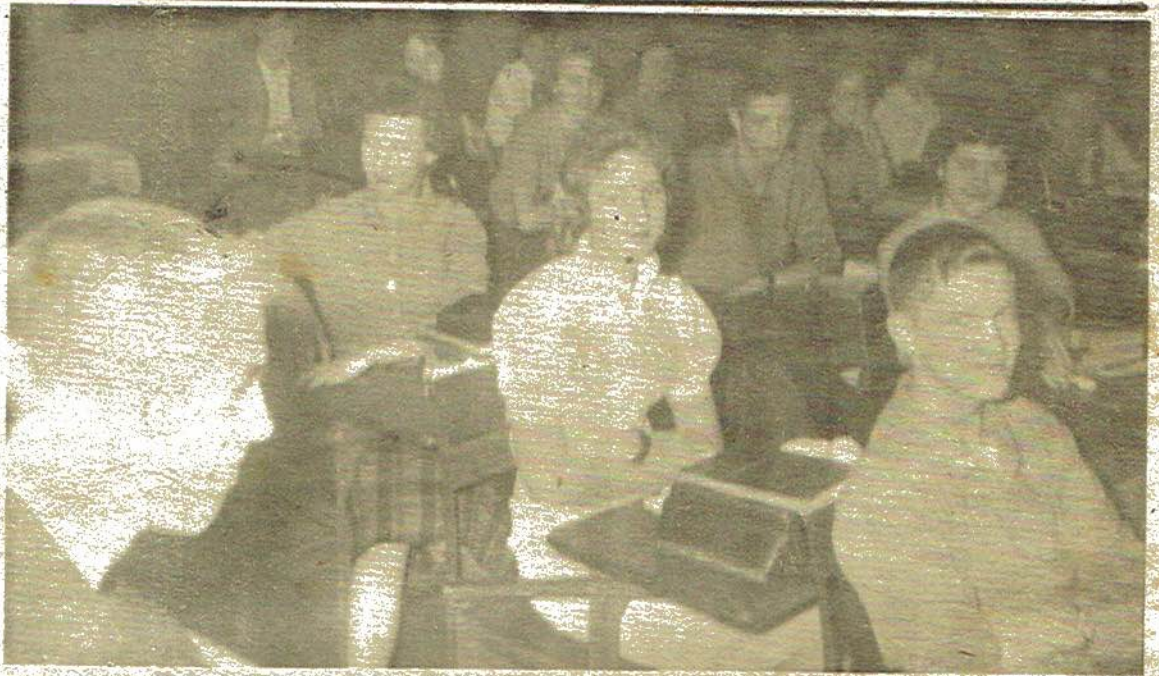

Mrs. Newman Davis, who has taught here for eighteen years, is the 12th grade English teacher. Mrs. Davis was born in Albertville, but later moved to Dutton and then to Scottsboro. She graduated from the University. Besides teaching here Mrs. Davis has taught at Bridgeport, South Pittsburg, Oxford, Sydney Lanier, and Pisgah. The 12th grade has been studying grammar and MACBETH. Within the next few weeks they will start theme writing. Mrs. Davis also teaches public speaking.

These six teachers work together planning the instructional program for the English classes. They plan how they will teach and they all try to use the same method of teaching English. The teachers set up goals for each year and do their best to reach them. The next year the next teacher reviews what has already been learned and adds more to that. By using this method of working together the students learn a little more each year, but never forget what they learned the year before.

### FTA Sponsors Student Directories

The little black and gold books that have been going 'round school have proven to be a great help among the students. These books went on sale December 17, two days before the Christmas holidays. They were used in sending Christmas cards and for holiday party invitations. They may also be used for numerous other things throughout this school year.

A '60-'61 directory is hoped to be compiled for the next school term.

The Directory Staff consists of the following students: Lee Harrington, Chairman, Sandra Murrain, Martha Lou Woodall, Sandra Rudder, and Elizabeth Judge. FTA members are selling these books, and at the present time, over 300 have been sold.

### Coach Carter Honored With Gift, Auto

Coach Q. K. (Dusty) Carter was presented a 1960 Rambler station wagon by the Basketball Boosters Club Wednesday night, December 23, in appreciation for his outstanding work done in our school over the past eight years. This night, declared "Coach Dusty Carter Night," will be a memorable event never to be forgotten by the team supporters and most of all by Coach Carter and his family.

Leroy Gist, president of the Club, was master of ceremonies, and Erskine Murray made a welcoming speech to all the fans. Bobby Hodges, formerly on the team, gave a reading. Clem Grysha, president of the Alabama Coaches Association, spoke briefly. During a great ovation from the fans Tommy Holland presented the model Rambler as a token of the station wagon which had not arrived in time for the occasion.

Coach Carter, spending part of his basketball career at Princeton and now at Scottsboro, has passed the 400 mark in victories.

hunting.

To have a person who is recognized in this book covering such a wide scope of people from all parts of the North American Continent is indeed an honor for the school, the city of Scottsboro, and the state of Alabama.

### Oratorical Contest

By Martha Lou Woodall

On January 8, the finals for the Birmingham Oratorical contest was held in the library of the Scottsboro High School. Ruby Lee Proctor was chosen for first place with her speech, Patrick Henry. The county contest will be held at Section High School on January 29. This contest will determine the winner for the district contest.

### Annual Underway

The "Reminder" staff has done an excellent job this year getting the annual ready for the press. The circulation staff topped all previous statistics by selling 275 annuals, while the advertising staff surpassed all other years in ad sales.

The deadline for getting the annual shipment in is February 15, but the staff expects to get the material shipped well ahead of the deadline.

### Students Report To DAR

Last week six members of Mrs. Hodges' democracy class gave reports to the "Daughters of the American Revolution" on the United Nations.

The students - Tommy Lewis, Tommy Armstrong, Jackie Porch, Tallulah Cunningham, Sandra Murrain, and Charles Heath - told of the U. N. from its founding to the present organization. Mrs.

### ACT Exam Results

The results of the ACT Test, which was taken by some of the senior students from Scottsboro, November 7, was received last week.

On an average the grades were high. The results will help students receive scholarship aid when they go to college.

There will be another ACT test February 27 for the ones who did not take the last test and are interested in going to college.

### March Of Dimes

Rosalie Maples and Celeste Chambers, Scottsboro High school students, have been appointed as County Co-Chairman of the TEEN activities for the 1960 March of Dimes in Jackson County.

During the month of January Rosalie and Celeste will be leading County teenagers in fund-raising activities. Exemplary of their leadership was the showing of a film at Scottsboro High School on the battle against polio and other crippling diseases.

The two girls attended a TAP (Teens against Polio) workshop in Birmingham on December 21 to exchange ideas with 75 other enthusiastic teens who have banded together to help the National Foundation in its fight against arthritis, birth defects, and polio.

Heath and Mr. Tyler sponsored the program.

**Martha Lou Woodall Vies For Junior Miss Title**

BY JILL PORCH

Two Junior Miss crowns await some lucky girl this year. One of these crowns will be presented in Birmingham during February. Scholarships and cash awards will go to girls from all over the state who compete in the 1960 Junior Miss Alabama Contest.

The second will be presented in March when \$10,000 in cash scholarships will be awarded to the top five contenders in the Junior Miss America Pageant.

The girl chosen Junior Miss Alabama will represent this state in Mobile at the America's Junior Miss Pageant.

To qualify for this contest, a girl must be a senior as of March, talented, attractive, of good scholastic standing, excellent character and background, and, of course, never married. A junior may qualify for a scholarship, but not the title.

Entering from Scottsboro High School is Miss Martha Lou Woodall. Martha Lou is the daughter of Mr. and Mrs. W. D. Woodall of Scottsboro. She is an active member of the F.T.A., Student Council, Wildstaff, Annual Staff, and Pep Club. She is an office assistant and was recently elected Homecoming Attendant. Martha Lou is a past member of the Scottsboro High School Band, a majorette, and a flag bearer. In earlier years Martha Lou was Junior Homecoming Queen, and this past summer she was rated eleventh in the Miss Gunter'sville Lake contest.

The Junior Miss Alabama contest is sponsored by the Birmingham News in cooperation with stations WAPI, WAPI-TV, and WAFM Alabama Theater, Alabama Federation of Women's Clubs, and the Alabama Junior Chamber of Commerce for which John Norton of Birmingham is state contest chairman, working with Lily May Caldwell, executive director of the statewide competition.

Dear Madame Pompadour:  
I date a basketball player, but I never see him because of the rules. What can I do?  
Lonely

Dear Lonely:  
Try a football player.  
Dear Madame Pompadour:  
When out on a date, should I address the young man as Mr. Jones, or merely call him Bill?  
Confused

Dear Confused:  
It all depends on what his first name really is.  
Dear Madame Pompadour:  
My aunt is sick. What would you suggest as a remedy. She is pretty and 20 years old.  
Susie

Dear Susie:  
Try a handsome young doctor (if she isn't married).  
Dear Madame Pompadour:  
What should be worn with a red zebra-striped sports coat and a green felt tie?  
Smoothy

Dear Smoothy:  
A pair of trousers!

Dear Whistle Hater:  
Feed him crackers.  
Dear Madame Pompadour:  
I really "dig" this girl but she "digs" another boy who "digs" another girl. How can I make this girl that I "dig", "dig" me?  
Lonesome

Dear Lonesome:  
Bury yourself. With all this "digging" somebody is bound to find you.  
Dear Madame Pompadour:  
Bob and I go steady but he hasn't called in a month and now he dates other girls. What do you think happened?  
Confused

Dear Confused:  
I think you don't go steady anymore.  
Dear Madame Pompadour:  
I have been dating this girl for about two months. She is perfect except for one little fault. She chases other boys. How can I make her stop?  
Unhappy Boy

Dear Unhappy Boy:  
Tie her shoelaces together!

**Class Rings**

By Brenda Frazier  
The Senior class is anxiously awaiting the arrival of their class rings.

The rings were ordered in October and are due to arrive here sometime in the next two weeks. Receiving their rings will be another stepping stone toward graduation for the seniors.

**I Am Democracy**

BY DOUG HODGES

It seems today there are very few countries that have not heard about your threats and powers, Mr. Communism. You look down upon me as if a day will come when I will be completely smothered by your dominant powers and perish from this earth to become just another page in history. Yes, you are dominant in many countries and you are still advancing, but since you are so well known, let me introduce myself. Let me tell you who I am. Let us compare the rights, privileges, and happiness of the people under our governments.

I date back as far as 1215 when a group of nobles gathered on the green meadow at Runnymede to secure a measure of Justice from King John. This famous document, the Magna Charta, did not consist of all the things I represent, but it was the beginning of what I am today.

Millions of people today are governed by laws based upon those set up centuries ago by the Greeks and the Romans. These laws are "regulators" of the people in my kind of government.

When the people of England boarded ships and came to America with their democratic ideas deep in their hearts, they saw a bright future. In the American Revolution they staked the lives of themselves and their children upon me. Men like Washington, Jefferson, Patrick Henry, Nathan Hale, John Paul Jones, and Lincoln have supported me from the bottoms of their hearts. Truly they expressed for their countrymen my meaning in the battles they fought.

You ask, Mr. Communism, "What benefit came from this useless fighting?"  
And I say to you, "It gave life to a country which demonstrates my type of government best, The United States of America."

After this Revolution the brave Americans needed something which would give support to me, by my framework, hold these United States together. When the fifty five delegates of governments know who I was, I could say, "I am Democracy."

My people have fought for me, Mr. Communism, not only in the Revolution, but from the days of the "rough riders" through the bitter coldness of the Korean War. Oh! Many times my survival was doubtful, but I has brave defenders for my principles, I could still stand up and say, "I Am Democracy."

How wonderful I am exhibited in the countries with my type of government! I am seen in the many different churches with their congregations in peaceful prayer without intrusion. I am seen in the crowds at the corner drugstore or in a group of "oldtimers" playing checkers and voicing their opinions on various situations around them.

I am seen in the schoolrooms where my future citizens have the right to prepare themselves for vocations of their own choice. You will see me at the stadium with the football crowd, or maybe on the golf course, or on a hunting trip. Yes, Mr. Communism, we are a busy people and we work hard but we have fun knowing that we have time for recreation.

Can you claim as much for yourself? I admit that in age you date back as far as the days of the pyramids. The slaves who hauled stones for those pyramids under the thrashing whips of the commissors of Pharaoh were the beginning of your kind of government. Your people surrender to their leaders not only possession of property, but their integrity, honor, and most of all, body and soul. Imperialism has not been too successful down through the ages. Napoleon, Hitler, and Mussolini could tell you that.

Tell me, "Mr. Communism," would your people (if they were not sent to the salt mines for voicing their opinions stand up and say to the world, "Communism for Me!"

The people who have governments of my kind wave their banners high. They are proud of my principles; they feel it an extraordinary honor to have a government "of the people, by the people, and for the people." To see them happy makes me happy, for I am Democracy.

MRS. DAVIS, New teacher

**Lee Replaces Hodge**

By Carol Sloan

The most recent addition to the high school faculty is Mrs. Juanita Lee, who is teaching Biology in the position left vacant by the resignation of Mrs. Don Graham, the former Miss Jane Hodge.

Mrs. Lee received her B. S. degree from the University of Alabama and her Masters degree from Peabody.

She is certainly no stranger to the student body, as she formerly taught General Science and Biology here. For the past year and a half she has been teaching science in the Central School.

burn University and study either interior decorating or physical education.

Nathan, the son of Mr. and Mrs. W. A. Black of 611 Broad, is a new-comer to Scottsboro. He was born in Gadsden, Alabama, on September 11, 1944 and attended school there until November of 1959, when he and his family moved to Scottsboro. He has three brothers. Nathan is a very active member of the Church of Christ of which his father is the pastor.

Nathan's interests are many and varied. "Teen Angel" is his favorite current hit. He like Spanish and Italian food, cars, music, and sports, especially water sports such as skiing and swimming. Being an expert drummer, he enjoys playing drums in dance bands. While in Gadsden he was a member of the famous Emma Sansom High School band for two years, and was selected for the all-state band last year. He is currently a member of the Scottsboro High School band.

Nathan is five feet, eleven inches tall, with bright blue eyes and dark hair. His favorite colors are blue and black.

World history under Mrs. Armstrong is his favorite subject and he plans to attend college.

**Sophomore Features**

BY VIVIENNE WEBB

Chosen by the "Wildcat" staff to be featured in this issue are sophomores Linda Blackwell and Nathan Black.

Linda is the daughter of Mr. and Mrs. C. O. Blackwell of 519 Scott St. She was born in Tusculumbia, Alabama, on July 28, 1944 and has two brothers, one sister, and a dog. Linda is five feet, seven inches tall, and her favorite colors are black and red, which go well with her dark brown hair and eyes.

Linda's main interest is basketball, and she has missed only

three games in the last three years. She also enjoys eating, especially creamed potatoes and chicken.

The song "El Paso," is Linda's favorite at present. Her favorite subject is English, but her pet peeve is teachers who give tests the day after a ball game.

This busy, vivacious teenager is a member of the Baptist Church the F.T.A., annual staff, "S" Club, Pep Club, a cheerleader, and she was sophomore girl class favorite, and sophomore homecoming attendant.

Coming from a family of Auburn fans, Linda hopes to attend Au-

# Sports Review

By Davis Worley, John Blackwell, and Doug Hodges

The Wildcats have started off the basketball season fast and furious by piling up a 16-0 record. The Scottsboro team has completely demolished all opponents with 14 points being the closest anyone has come to evening up the scoreboard. The scores of all the games played up to the present time are as follows: Scottsboro 72, Geraldine 39; Scottsboro 105, Central 71; Scottsboro 87, Section 36; Scottsboro 97, Sheffield 53; Scottsboro 92, Huntsville 46; Scottsboro 90, Curry 53; Scottsboro 84, Walker Co. 59; Scottsboro 85, Section 45; Scottsboro 108, Oxford 48; Scottsboro 105, New Hope 71; Scottsboro 83, Geraldine 47; Scottsboro 61, Emma Sansom 44; Scottsboro 110, Central 68; Scottsboro 90, Manchester 67; Scottsboro 63,

Fort Payne 49; Scottsboro 81, Gadsden 43. Total points for Scottsboro 1,413, opponents 839. Average for Scottsboro 88.3, opponents 52.4.

The Wildcats have used the two platoon system successfully by completely running down their opponents. The first team is lead by the terrific rebounding and shooting of Beard, Floyd, Blackwell, Nevils, and King. Scottsboro's second five is lead by the rebounding and shooting of Gist, Worley, Precise, Shultz, and Rogers. The addition of Stanley Manning in the second semester should strengthen the rebounding beyond reproach.

Having won the Walker County Tournament and the Christmas Tournament, the Wildcats will be gunning for the Conference Tournament this week at Emma Sansom.

The Jr. A basketball team is doing fine this year. They have won five games and lost four. The first ten starting in line are: Larry Bolden, Clay Alspaugh, Leroy Armstrong, David Campbell, Rooster Barkley, Don Smith, Donald Cotton, Claybourn Edge, Wade Maples, Steve Crawford.

## CLUB LICITY

### LIBRARY CLUB

By Carolyn Roach and Jean Gullatt  
The library has added 31 new books, which were given to it as a result of this year's Book Fair.

Selling programs at the basketball Holiday Tournament increased the library funds by \$128. A card catalog filing cabinet will be purchased with the money.

Something new has been added to the Library Club. There are two home-room representatives for each home-room. The purposes are to keep their home-room informed of library activities and needs, to contact between teachers and the librarian, and to help with special library work to improve the library for the good of the school.

Mrs. Blackshear, the State School Library Consultant, visited the library on January 12. She commented on the vertical file that is being developed, and on the good conduct of the student body.

### SPORTSMAN

Reporter, Donald Beddingfield

A new club has been formed in the Scottsboro High School, known as the Scottsboro High Junior Sportsman Association. The club's newly elected officers are as follows: President - Bob Derrick; Vice President - Lyle Haas; Secretary-Treasurer - Donald Beddingfield. The purpose of the club is to teach the principles of good sportsmanship and to teach the conservation of game, fish, and other wildlife. Also, it hopes to familiarize our boys with the proper methods of handling and caring for guns and other sporting equipment.

Anyone interested is invited to see Donald Beddingfield or Mr. Tyler. The fee for joining is a modest \$1.00.

The club will hold its meetings every first Wednesday. On every other Wednesday a film will be shown in the balcony room 214. These films are on some phase of hunting, fishing, or conservation of wildlife.

At a recent meeting, Pete Glass, the president of Jackson County's adult club, announced that all Junior club members would be given the privilege to hunt on all property where the Adult club has exclusive rights to hunt. A crowdshoot is in the making. We anticipate a great future for our club.

### BAND NEWS

The Scottsboro High School Band has been selected to march in the parade for the International Lions Club Convention to be held in Chicago, Illinois in July. Each state is allowed to send two bands. Alabama's Lions have asked Scottsboro High Band and the band of Wetumpka. These bands were selected on the basis of performance. A lot of hard work and sufficient funds determine whether or not the trip can be made.

On January 16, three outstanding band members attended the try-outs for All-State band. All three attempting this position were successful. They were Nathan Black, drum; Ross Davis, trumpet; and Vivienne Webb, bassoon.

The Scottsboro High School Band put on its "Marching Shoes" on Friday, January 15, to take part in a parade in Huntsville honoring General Medaris, who is the retiring commander at Redstone.

### SCIENCE CLUB

Because of the Christmas Holidays the Science Club has been unable to meet on the regular club day. However the club held a special meeting recently at which Leroy Gist made photographs for use in the 1960 annual.

Several of the club members have begun work on their projects, which they are planning to take to the District Science Fair.

### D O CLUB

Due to the withdrawal of president, Carl Allen, a special election was held at the last meeting of the Diversified Occupations Club.

Former vice-president Doug Green was promoted to president and Terrel Clemens was elected to replace Doug as vice-president.

Since the D.O. club expects to be handling quite a bit of money this year, it was decided that there should be a secretary and treasurer rather than a secretary-treasurer handling both jobs.

Kathleen Holt was elected treasurer. Former secretary-treasurer, Carol Smith will be the secretary.

for competition with other high school winners to name the state Betty Crocker Homemaker of Tomorrow.

The test, which was prepared and judged by Science Research Associates of Chicago, was taken by a record number of 379,018 girls in 12,597 schools, an increase of 29,868 girls and 337 schools over last year.

Total enrollment in the six-year-old \$110,000 scholarship program sponsored by General Mills has neared the two million mark (1,800,152 girls). Alaska and Hawaii are participating for the first time this year.

Each state Homemaker of Tomorrow will receive a \$1,500 scholarship and an educational trip April 23-29 with her school advisor. The tour will include New York City and Colonial Williamsburg and will culminate with the American Table Banquet in Washington, D. C., on April 28, at the Statler Hilton Hotel where the All-American Homemaker of Tomorrow will be announced. The runner-up in each state will receive a \$500 scholarship; the school of each state winner will be given a set of the Encyclopedia Britannica.

The scholarship of the All-American Homemaker of Tomorrow will be increased to \$5,000. The second, third, and fourth ranking Homemakers of Tomorrow in the nation will receive \$4,000, \$3,000, and \$2,000 scholarships, respectively.

Kay received the highest score in a 50-minute written examination on homemaking knowledge and attitudes taken by graduating girls. She has received an award pin, representing this slogan, "Home is Where the Heart Is." Her examination paper will be submitted

## Study Is Your Main Business

The following was taken from a letter to boys and girls from Dr. Willis A. Sutton, 930 Drewry Street, N.E., Atlanta, Georgia. Dr. Sutton is a well-known educator, who has spoken many times to boys and girls in this area. He encourages students to write him concerning this material on any problem in life that they may have. "Your main business in your life at this stage of your life is to strengthen your body by clean living, and to improve your mind by constant, regular study and thought. All the other things that I thoroughly enjoy myself and want you to enjoy for your pleasure, are but side issues--athletics, publications, dramatic clubs, class organizations, student council, and all the various features of your activities are helpful, and enjoyable, and you ought to have them, but **STUDY IS YOUR MAIN BUSINESS.**"

"I will say this--you should have at least two and half hours of concentrated, regular study at least for these four days each week. That would give you only ten absolute, irreducible minimum. I cannot work out all the details, but you will find you will have plenty of time left for all your activities. I think you should study your lessons until you thoroughly know them, and have literally read between the lines and thought as you did your work, whether it be mathematics or learning things from memory, or understanding problems, or whatever it is. The amount of thought that this study gives, and your willingness to study until you have mastered your subjects, is the greatest developer of mind that you will ever have. "Now I wish to tell you a few things about HOW to study. First, if humanly possible, have at least one hour or more of continuous study. Your mind does not get into a study attitude in ten or fifteen minutes at a time, with frequent interruptions. If you wish to see certain programs on the television, plan where they are to

come in, but plan to get in some continuous study. I do not say it is necessary to study two and a half hours continuously, yet I think that would not be too long. In the second place, if you can, get to a quiet place to yourself, or where others are engaged in study also. Third, if you find difficulty in concentrating your mind by silent reading, then learn to read aloud, or to work your problems aloud, and give emphasis to them this way as you go along. In order to get my high school education, I had to ride nine miles by horseback to school, and then the nine miles back home. I learned to take out a book, let the horse go more slowly, and then read a paragraph, close the book, let the horse pick up his pace, and then repeat out loud what I had learned in that paragraph. In this way, I read aloud and talked aloud, and the message went not only through my eyes to my brain, but through my ears, and particularly through my emphasis. If you are where others are studying and cannot do this, find a quiet place where you can be to yourself, stand before a mirror, and just literally preach to yourself your lessons.

"Fourth, in working out your mathematical, physics or science problems, it is always a good thing to refresh yourself on what you have had before that relates to the lesson that you have today. That gets your mind tied up to the previous lesson and connects it in such a way that you can learn the math or the science very much better. Fifth, if the assignment is something that you have to write for a test or for this lesson, it is a wise thing to make up the question that you are writing it into your hand and into your muscles, just like preaching it out loud will get it into the ear-door, or seeing it on the printed page gets it through the eye-door. The main thing is to use all your energies and faculties in studying, just as you must

use all your body and mind and thought playing a football game, or in any athletic event, or in any real undertaking that you put into action. For instance, if you are a girl learning to sew, you will work at it with your fingers, you have your eye on it, you are using your mind on it, you will work at it with all your might. If you have some activity in the shop, boys, you are obliged to put your mind, your body, your thought into that thing if you are going to make a success of it. The same thing is true in getting your studying done.

"Sixth, let say this--keep in mind the right motive--that you are training your mind; that that mind is difficult to control, and that you are centering it upon that lesson, and not upon basketball, or dates, or swimming, or a thousand things outside of the lesson. We call this concentration. If you really learn to concentrate, it will not take so long to study. I have mentioned that you should certainly have two and a half hours the first four days in the week. That leaves you three nights free, but you should certainly find two and a half hours during that period to study your Monday's lessons. Now and then, it does help to study with someone else who may be a little better versed in what you are undertaking. It will also be of great value to your learning a lesson if you try to explain it to someone who does not understand it as well as yourself. See if you can get a group of your friends to agree with you to put two and a half hours a day into constant study this year.

"Now, you boys and girls who have bright minds often give me the impression that you do not want people to think you study hard, that you would even underestimate the time you actually spend in study. You seem to think a boy or girl is not a real boy or girl who believes study is his main business while he is going to school. I could write a great deal more, but I do wish to repeat that **STUDY IS YOUR MAIN BUSINESS.**"

## Senior Memoirs

BY LINDA PAGE

Scottsboro High School is a name that will linger with us throughout our lives. We will remember the traditional colors, Black and Gold, and the Alma Mater will always hold a place in our hearts.

Scottsboro High School, listen to us,

To our vows of love,

To ourselves and to each other Faithful friends we'll prove.

The class of 1960 has made its mark on the school. Of this we are proud. We love the school, of which we have been a part, and the friends that we have made. We will prove our friendship to each other in years to come.

High school days are swiftly flowing,

Soon we'll leave thy halls,

Ne'er to join another meeting, In their hallowed walls.

High School days have passed so swiftly that reality seems to be a dream. Only yesterday we began our twelve years of school,

and tomorrow the years will be over. We will never meet again as classmates after we have walked out the doors of our beloved school on the last day of the term of 1960.

So farewell dear Alma Mater, May thy name we pray, Be remembered, ever pure, and stainless, As it is today.

We will say farewell to our school and friends and pray that everyone will thank God for the wonderful twelve years of our lives.

Faithful, loyal, firm and true Heart bound to heart will beat, Year by year the ages through, Until in Heaven we'll meet.

Graduation is here, and time has come to part. We are now traveling on the road to the future with high hopes and courage of building our lives to better use. Farewell, and may we never be forgotten.

## To The Seniors

THUMBING BACK THRU  
BY LEE HARRINGTON

Looking over their years in school, Our seniors have been no exception; Trying to abide by the Golden Rule, They have loved and lost with much affection.

Beginning about four years back, Entering as wild little fresh--men, Each individual was tho't a brat, Including even, some of the women!

Next their move was toward the sophomore year

Where each had this one thought; "Wonder how long I can hold HER here

-----Without gettin' caught?

Another big jump was to the Junior

year  
Where the prom was first attended;  
Girls were there, flowers were here,  
And the pocketbook sure needed mendin'.

Each now being that real top brass, They may reply to those below; "You're the ones to take the sass, Cause us bein' seniors, we'll soon have to go."

Soon to receive their sheepskins, And in the future they'll be grads; Their teachers yelping in the winds, "-----God Bless Their Dear Ole Dads!"

On April 27 the train carrying the seniors to Washington, D.C., pulled into the station. The students immediately boarded a touring bus and headed for the Capitol. This massive building was very impressive with its galleries, portraits of famous men and places, and the house and senate chambers.

From the Capitol the senior tourists continued to the Wax Museum. The life-sized models looked so realistic that one would almost expect them to speak. Famous events of history were also depicted with wax figures.

Leaving the museum, the group went to the hotel for supper and to dress for the evening. Some went to see the movie, BEN HUR, while others attended a concert especially for high school students.

The next morning the students again boarded the bus for a tour of the foreign embassies and a trip to the Washington Cathedral. Of all the places visited the Cathedral was one of the most impressive. The largeness and quietness put everyone in a reverent mood. President Woodrow Wilson and others who have aided in erecting the church or who have made worthy contributions to mankind are buried in the cathedral.

In the afternoon the seniors went to Mt. Vernon, Virginia, the home of our first president. From the hilltop home one could see the beautiful Potomac River and the tombs of George and Martha Washington near the water's edge.

Thursday night everyone went to Glen Echo Amusement Park where the feature attraction was the roller coaster. Those who couldn't get up nerve enough to ride certainly missed a thrill. When time came to return to the hotel, everyone was ready for bed.

On Friday morning the class visited the Lincoln Memorial, Washington Monument, Iwo Jima Memorial, and saw the change of

guards at the White House. One bus brought the king and queen of Nepal in a ceremony at Arlington. Next the students were taken on a tour of several rooms in the white house--the ball room, two parlors, dining room and the long corridors.

The afternoon was spent at the Smithsonian Institute. Some of the interesting things seen there were dinosaur, a whale, first ladies' dresses and the Hope diamond. One bus took students to the Supreme Court building, and then everyone traveled to the train station for the return trip home.

Although everyone was tired, all had had a wonderful time and felt the trip to be a great success!

Another of Scottsboro High School's seniors has received recognition for work well done. Charles Heath, Jr., seventeen-year-old son of Mr. and Mrs. Charles Heath of 302 Scott Street, has been awarded an appointment to the United States Naval Academy at Annapolis, Maryland. The appointment was obtained with the help of Representative Robert E. Jones.

Charles has passed both the mental and physical entrance examinations and is the principal nominee from the state. In July he will report to Annapolis for plebe summer, along with eight others from Alabama.

The National Honor Society, Science Club, Annual staff, Wildcat staff, and band are organizations in which Charles is active. He is also the treasurer of the senior class and an honor roll student.

Charles was born in Scottsboro and has attended Scottsboro schools all his life.

Only boys with outstanding scholastic records are eligible for appointment to the Armed Service academies. Charles is to be congratulated on having such a record.

Thank You Mrs. Muse And Staff

I would like to thank you, the staff, for the fine work you have done this year. A cooperative and hard-working staff makes possible a good school paper. This year's staff has proved its worth. Without your excellent spirit the paper would have been nothing. Your willingness to help, even at the last minute on some occasions, has made work on the WILDCAT this year a true pleasure.

Thank you, Mrs. Muse, for your much-needed aid and assistance with the WILDCAT this year. Your guidance was essential for the preparation and distribution of each paper. Thank you, too, Mrs. Muse, for the many over-time hours you have spent this year working on the WILDCAT. I want to express my appreciation to you for the extra special attention that you have given to the WILDCAT.

Just because the train was late on April 26 is no indication that the seniors did not make the most of their time on the trip up. After the girls and boys were separated, Mr. DeLoach, a guide, ok'ed everything; and the boys got off to a good start in a poker game. Since many new and renewed acquaintances were made on the train, the next day's tour was even more enjoyable.

One of the main highlights of the trip was the movie, BEN HUR. A concert that some of the seniors attended was reported very entertaining, also.

Many hats were purchased Thursday morning. They were worn throughout the day of touring and during the excursion at Glen Echo Amusement Park. Returning to the Houston Hotel, the seniors met in the lobby for dancing and reliving the past days. The boys discussed the "Colonel" while the girls discussed the house detective.

The next morning the "peppy?" seniors boarded the bus and were shown more interesting sights by a most-witty bus driver. The chaperones were excellent sports, but they felt that there should have been a sign saying "No Napping" at the Smithsonian Institute.

A most interesting ride home resulted in several new and revived couples. They are as follows:

### SPORTS REVIEW

BY DAVIS WORLEY AND JOHN BLACKWELL

The Wildcats are currently in a three-game losing streak, but they should break out any day. Albertville defeated the Wildcats 9-1 and 3-1, and Bridgeport defeated the Wildcats 6-4. The senior trip was seemed to place the team in a minor batting slump.

On May 19, and East-West game will be held in Scottsboro. Boys from schools all over Northeast Alabama will play in this game. Two boys from this game will be selected to play in the East-West game in Birmingham.

Leon Precise pitched an outstanding game Thursday; however a base hit accounted for two Aggie runs. A costly error by the Wildcats' star third-baseman accounted for the other. The Wildcats left men on base in every inning, but they just couldn't get them across the plate.

### SENIOR FEATURES

The Wildcat Staff has chosen to feature Tallulah Cunningham this issue. Tallulah, a blonde, blue-eyed senior, stands 5'7-1/2" tall.

Tallulah's favorites include: Subjects: English and Economics; Foods: Roast Beef; Song: "Fame and Fortune"; Singer: Johnny Mathis.

Tallulah is active in the Pep Club, Annual Staff, Wildcat Staff, National Honor Society, Nurses Club, and the Church of Christ.

Upon finishing high school, Tallulah plans to go to the University Hospital and become a nurse.

Davis Worley, also a dark blond, blue-eyed senior, has been chosen by the Wildcat Staff to be featured this issue.

Not only does Davis play the tenor saxophone in the band, but he is also secretary-treasurer. Davis excels in basketball and baseball. In 1959 he was selected to attend Boy's State.

Davis is an active member of the Pep Club, Science Club, National Honor Society, and the Methodist Church. He is an "A" student and works one period each day as an office assistant.

Peanut butter sandwiches are his favorite food and "Harbor Lights" is his favorite song.

Davis is a "War Eagle" fan and plans to attend Auburn University upon finishing high school.

## CLUB LICITY

#### F.T.A. News

The F. T. A. has had an active part in the activities of the school this year. The club has had a fruit cake sale, sponsored the "Student Directory," held a tea for the teachers, and prepared the Scottsboro High scrapbook. The F. T. A.'ers will sponsor a beatnick party for the members and their dates in the near future.

The senior members that will be leaving the club this year are: Wanda Allen, Tommy Armstrong, Glenda Bishop, John Blackwell, Vera Carter, Kay Finney, Brenda Frazier, Lee Morris Harrington, Nora Huntoon, Elizabeth Judge, Sandra Murrah, Mary Neyman, Jackie Porch, Carolyn Travis, and Martha Lou Woodall.

"Hawaii", the juniors changed the dining room of Caldwell School into a virtual Hawaiian paradise. After R. C. King, president of the Junior Class, made the welcoming address and Bill Wood, president of the Senior Class, thanked the juniors for the banquet, everyone settled down to a delicious meal.

After the meal, the juniors presented a varied program which went from beautiful Hula Dancers to the satire "The Merchant of Hawaii." As soon as the tables and chairs were cleared away, everyone danced to the music of the Vikings.

After the dance, the juniors and seniors went to progression parties which, in some cases, lasted until sun-up.

that the above students will have success in life. The club extends to the graduates the best of luck.

#### D.O. News

BY TOM GEORGE

Nine members of the D. O. Club will graduate this year. They are Zack Gross, Wilbourn Warren, Tom George, Freddie Sherrell, Terrel Clemens, Glen Holt, Margaret James, Ruby Joyce Staton, and Marvin Wright.

So far, nine new students have signed up to take D. O. next fall. Others are expected to sign up during the summer.

Work has been completed on the D. O. Constitution. The Constitution will provide definite rules in matters pertaining to club government, the social functions, and other aspects of D. O.

The D. O. Barbecue was held at Leck Carver's Fishing Camp, Thursday, May 12.

Following the barbecue, the D.O. students and their guests were treated to a free movie by Word Theatres.

### WHY

Do boys who are going steady flirt with other girls?

Do the other girls flirt back?

Do teachers give a lot of homework on the night you have so many more "important" things to do?

Does everyone go to the drive-in on Saturday night?

Is it so hard to keep from talking in class?

Didn't some of the junior and senior boys invite dates to the banquet?

## Homemakers Complete Year Of Activities

By Jo Pell Brandon

Yes, this 1959-60 school year is fast drawing to a close, but one certainly cannot come to this conclusion from the enthusiasm shown within the Home Economics Department. Mrs. Turner and the F. H. A. girls are very busy these final days. Activities are at their highest.

The entire school seems to be buzzing with excitement and strange happenings, too. On May 6 the image of the cute little waitresses dressed in red and white dominated Scottsboro High. This was the initiation of the first year F.H.A. girls into the organization. The initiation was arranged by the second and third year members.

The study of homes, (their color schemes, furniture, and etc.) has been a recent part of the program for the second year members. To enlighten these girls to the possibilities of interior decorations, several homes were visited by the

#### National Honor Society

At the beginning of this year, a National Honor Society was established at Scottsboro High School. This is a national organization recognizing the outstanding students of a school.

April 18-22, was declared clean-up week by the Honor Society. During this week, much work was done to clean up the campus, school buildings, and the students themselves. The shrubs and flowers were cleaned up on the campus and many new shrubs and flowers were planted. The students were urged not to throw scrap paper on the floor of the building or on the campus and to pick up any they saw. Efforts were also made to keep cheating from going on school. We hope this project will become more effective as time goes on.

The Honor Society is now planning a formal dance for May 14.

The graduating seniors in the National Honor Society are as follows: Tommy Armstrong, John Blackwell, Billy Gene Farr, Lee Morris Harrington, Charles Heath, Tommy Lewis, Davis Worley, Glenda Bishop, Vera Carter, Tallulah Cunningham, Kay Finney, Nora Huntoon, Sandra Murrah, Jackie Porch, Carolyn Travis.

group. Among them were the homes of the McCords, the D. Words, the Robert Joneses, and the Waco Derricks.

The seniors in third year home economics are making a study of both formal and informal wedding, marriages, and how to operate an efficient home.

In addition to the regular schedule, the F.H.A. girls offer a continual service to book clubs and other organizations by serving meals and refreshments at the meetings. They played an important part in the success of the Jr.-Sr. Banquet. The Hawaiian setting was complete with the "native" waitresses in hula skirts.

Seven girls in second year home economics, accompanied by Mrs. Turner, attended the State F. H. A. Convention in Cullman on April 23. At this meeting, six of the girls were awarded the State Degree for their accomplishments in F. H. A. The girls were Donna Jo Holder, Billie Ann Sebring, Carolyn Womack, Sandra Rudder, Charlotte Rudder, and Ann Nevells. Martha Campbell went with the group to perform on the program of entertainment. Her act was a song and dance routine---Seventeen.

There are eight senior girls who have been a part of the Home Economics Department for three years. These girls have learned much under the guidance of Mrs. Turner and have established a strong foundation of knowledge for the future. The graduating girls are; Edith Webb, Frances Daniel, Mary Jo Sharp, Linda Page, Ruby Joyce Edwards, Sandra Murrah, Linda Bryant, and Bobbie Haynes.

The annual F.F.A.-F.H.A. picnic was held on Tuesday, May 20, at Mud Creek Fishing Camp with the food being prepared by the girls.

In recognition of the importance of home economics and the outstanding accomplishments of many of the girls, the Fortnightly Book Club is sponsoring an award to be given to a senior at graduation exercises. The award will be \$25.00 gift certificate to the Home Economics Department in honor of the outstanding senior to whom it was given.

# Lynn's Corner

The only consolation about today's high prices is that they won't be as high as tomorrow's.

"Thanks for the lift," remarked the movie star as she left the plastic surgeon's office.

**POPULARLY PRICED:** Means that millions of people who can't afford it, are buying it.

**WIFE:** A woman who would rather mend your ways than your socks.

**PARENTS:** People who bear infants, bore teen-agers and board newlyweds.

**SLEEP:** Something that always seems more important the morning after than the night before.

Phillip: "How did you like the bridge party last night?"

Martha Lou: "Fine, until the cops looked under the bridge."

Mrs. Hodges: "A fool can ask more questions than a wise man can answer."

Mickey: "No wonder so many of us flunk our exams."

Mr. Porch: "Now that we've struck oil and are rich, you're going to have some decent clothes."

Mrs. Porch: "Not on your life! I've been wearing decent clothes too long, already. Now I'm going to start dressing like other women do."

Little Janie Muse was saying her going-to-bed prayers in a very low voice.

Mother: "I can't hear you, Janie."

Janie: "I wasn't talking to you."

## SCOTTSBORO HIGH FULLY ACCREDITED

CAROL SLOAN

### Good Citizenship Girl

Carol Sloan, the daughter of Mr. and Mrs. William Sloan, of 602 Cedar Hill Drive in Scottsboro, was selected as the Good Citizenship Girl of Scottsboro High. This contest is sponsored by the Daughters of the American Revolution.

On November 22 each senior homeroom nominated one girl to be their candidate and on that afternoon the faculty voted on the girl they thought with the most outstanding qualifications.

Carol's school activities include: The Pep Club, The F.T.A., of which she is parliamentarian, Secretary of the senior class, Secretary of the Science Club, and a member of the National Honor Society. Carol is a member of the Scottsboro "Wildcat" band, of which she is head majorette. She is also a member of the Methodist Church and the Methodist Youth Fellowship.

### Band Banquet Held

Friday, the eighth of December was the date of the annual Band Banquet which was held at Caldwell School in the auditorium. The theme "Stars fell on Alabama" was carried out with a blue "Sky" made of paper going across vertically and with many stars hung from the ceiling. There were corresponding programs, place cards. After a delicious barbecue meal came the entertainment. Lucy Wilson and Joe Power did the Charleston. She wore a black "flapper" dress and he was attired in white pants with red, white, and blue striped vest, a straw hat, and a fur coat. This dance brought on an enormous amount laughter from the audience.

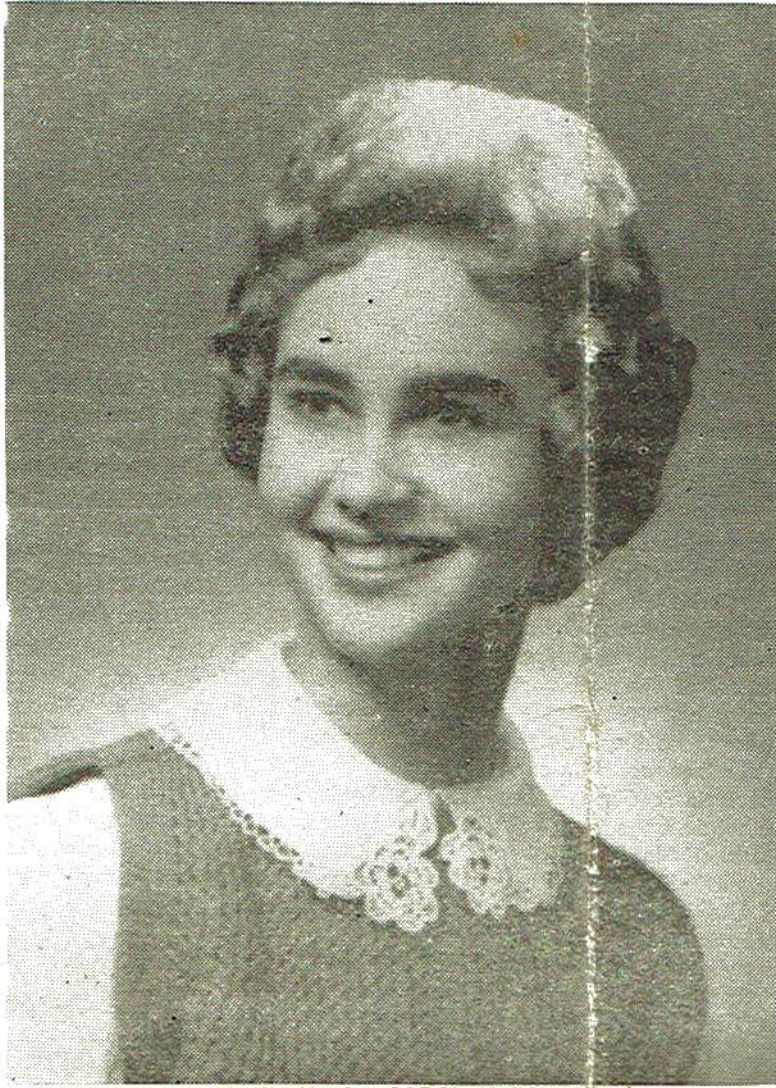

Next came a combo with Nathan Black—drums, Bill Parks—Trombone, Val Hamlin—trumpet, Larry Derrick—saxophone, and Vivian Webb—piano. Some very entertaining music came from this talented group, we hope to hear them again.

Pat Roberts, alias "Flaming Mamie" did a number which she did very well.

After the entertainment, dancing was enjoyed.

### Miss F. H. A. Chosen

The Miss F. H. A. contest was held December 7, 1961. Two girls were elected from each home-economics class to enter the contest. Each girl modeled three outfits—an evening dress, a sports outfit, and a Sunday ensemble. The girls were judged on smile, poise, clothes, appearance, and posture. The judges were Mrs. John Gay and Mrs. Lex Matthews. Some of the other girls who provided stiff competition for the winners were Sudie Stuart, Glenda Roberts, Sherry Atkins, and Carolyn Edmunds.

Carol Derrick, Miss F. H. A. for 1961-62, is the daughter of Mr. and Mrs. R. B. Derrick of Scottsboro. She is a member of the Pep Club, F. T. A., National Honor Society,

and is a cheerleader.

Miss Linda Blackwell was chosen alternate in the Miss F. H. A. contest. Linda, who was also elected Homecoming Queen, has many outside activities. She is a member of the Pep Club, "S" Club, Annual Staff, County Teen March of Dimes Chairman and Head Cheerleader for 2 years.

Miss Judy Williamson was also elected as alternate of the Miss F. H. A. contest. Judy is the daughter of Mr. and Mrs. Oliver Williamson. Judy is a sophomore and a first year Home-Ec. student. She is in the F. H. A., Pep Club and Medical Careers Club.

Senior (at a basketball game): "See that big substitute down there playing forward? I think he's going to be our best man next year."

Coed: "Oh, darling, this is so sudden."

### Southern Assn. Colleges and Secondary Schools

PRINCIPAL COLLINS AND SUPT. NELSON ATTENDED MEETING.

On Thursday, December 7, 1961, as the result of a three year period of self-study and evaluation, Scottsboro High School was fully accredited by The Southern Association of Colleges and Secondary Schools.

By obtaining membership in this organization meant that Scottsboro had met the standards and requirements set up by this Association. Also it means that any graduate from Scottsboro High wishing to enter a college or a University does not have to take an entrance Examination, and Credits received at Scottsboro High are transferable to any other school of any quality or rank, without losing any of their value.

Principal of Scottsboro High School, Mr. Ray Collins, and city superintendent, Dr. Thurston T. Nelson, attended the meetings of the Southern Association that were held in Miami, Florida, during the week of December 4 through the 8. They attended both the general and special sessions held by the Association.

The movement to acquire membership in the Southern Association of Colleges and Secondary Schools is completely voluntary. No school is forced to become a member or to meet the standards necessary to become a member. Beginning under principal Erskine Murry, Scottsboro High School began work toward recognition as a member of the Association. For the past three years Scottsboro High, its faculty, and its students have made improvements and changes that were necessary to receive membership. Especially in the last five years has Scottsboro High improved. Improvements in the building were made, additions and changes were made in the faculty, a guidance counselor was added, and additions in the Scholastic Curriculum were made.

Although Scottsboro High has been accepted as a member, fully qualified, there is still need for improvements and changes. There are several improvements yet to be made which were stated by the Association. Some of these are: painting and repairing the auditorium, which has already begun; more work on the lunchroom, also has been almost completed; a lounge room should be provided for the teachers; and future plans include the addition of a modern well-equipped library. The work on these will continue as money supplies permit.

To remain a member in good standing, Scottsboro High must do the following: maintain standard set up; begin a project of improvement; be re-evaluated every 5 or 7 years; make improvements continually.

### Tide Signs Baggett and Treece

A pair of outstanding backs at Scottsboro High, both of whom were selected to the all-state team, have signed football scholarships to the University of Alabama.

Half-back Bobby Baggett and fullback Wayne Treece, both highly sought after, signed the Crimson Tide pacts in early December.

## The Value of a Diploma

What is the absolute minimum amount of education that young people need today? Ask leaders in private industry, armed forces officials, or businessmen. One and all, they will tell you that twelve years of schooling, denoted by a high school diploma, is the bare essential for a young man or woman who is going out to compete with others for good civilian jobs or for special training and interesting assignments in the armed forces.

Why all this emphasis on the high school diploma? Why is the question "Are you a high school graduate?" always the first a young person hears when he inquires about joining one of the military services?

LOOK at some of the things this question tells the services about young people. First, the services have found that the person who has graduated from high school has ability to stick with a training program—he is not a quitter.

It indicates whether or not the individual has learned the value of education. As a graduate, he will be the one who wants more education, who can be depended upon to learn a job or special skill well.

Finally, it tells, to some extent, how mature and stable the individual is. If he is a graduate, he is quite likely to accept responsibility much better than the person who has failed to finish high school.

So this question "Are you a high school graduate?" identifies those individuals who can be depended upon to successfully complete special training and who are enthusiastic about learning more and improving themselves.

These are the people the services need today, and they are willing to spend a lot of time training them to perform special tasks. Our defense forces are becoming more technical every day in this age of rockets and missiles and complicated communications and weapons. Military men still need brawn. But they need brains above everything else.

Certainly there are jobs in the armed forces in which non-graduates can fit. But the person who wishes to get ahead is handicapping himself severely if he neglects his education.

## Student Council Activities

The Student Council has devoted most of its time in the past weeks to the planning of a "Youth Week" to be held in the latter part of February. During this week, students will be given opportunities to express themselves and ask questions about problems which they may have encountered. The Student Council will be assisted by the ministers of Scottsboro in this project. It is hoped that the week will be climaxed by a banquet.

Before this project can be a success, it must have the entire backing of the Student Body. Any ideas about the week will be greatly appreciated by the Council.

## F. F. A. News

A business meeting of the F.F.A. Chapter of Scottsboro High was held on January 16. The business at hand was to elect a new reporter. Nathan Black and Troy Reed were nominated. Nathan received a majority vote and a greeting to the club as an officer. Those present then discussed the improvement in the shop, and what was planned in the future. There are a few projects in mind for the next meeting but nothing definite.

The F.F.A. chapter is in charge of the concession stand at the basketball game and they would appreciate your business.

## Library Club News

On Thursday night, December 14th, the Library Club had a Christmas party in the library. Each girl invited a boy to come to the party. The library assistants brought a gift for the name she had previously drawn and gag gift for a boy. The chaperones for the party were Mrs. Heath and Mr. Cleveland.

The party started off with a Paul Jones dance. Then, there was social dancing. Following the dancing, games such as The Life-Saver and The Barber Shop were played. Afterwards there were refreshments. Mr. Cleveland then gave out the gifts.

Everyone seemed to have had a very good time at the party.

## National Honor Society News

Christmas is a time for parties and the National Honor Society was not to be slighted. The members and their dates were honored on December 26, 1961, at an informal party at the American Legion Hall. The decorations were beautiful, the refreshments delicious, and the enjoyment supreme.

## Girls Play Football For Teens Against Polio

The girls of Scottsboro High School showed their real football spirit when the Bunnyrabbits and the Kittycats clashed. Over fifty girls participated in this game to raise money for the March of Dimes.

Coached by such pros as Wayne Treece, Bobby Baggett, David Howell, Jack Holder, and Doug Norris, these girls displayed the real skills of football. To add to the spirit, cheers were led by this versatile group: Wesley Barnett, Billy Murrah, Ronnie Drummond, Carl Latham, Johnny Potter and Dwight Moore. A splendid half time performance was presented by a band directed by Nathan Black. This band was complete with its flashing majorettes, who were, Richard Howell, Clarence Potter, Leroy Armstrong, and Donald Cotton. The Kittycats star fullback, "Tank Roberts" kicked-off to the Bunnyrabbits who soon scored. This touchdown was made by Bonnie Nevels, but no point after touchdown was attempted. But, soon the Kittycats after regaining control of the ball, came back as "crazy-legs" Blackwell raced 60 yards to tie the score.

Another score was added by star quarterback Carol Roden. Not to be out done the Bunnyrabbits' little back, Gloria Barnett, scored. The second half started with a run back of the kick-off by Kitty Glenda Roberts. The game was then scented by another touchdown made by end Linda Blackwell making the Kittycats victorious by a margin of 24-12.

A "usual" football game, this one was completed with its injuries, some minor (smeared lipstick), some major (broken fingernails). Everyone was highly cooperative, making possible a sensational time for players and spectators, as well as being able to raise over \$300 for the Teens Against Polio.

## Science Club News

The Science Club was fortunate to have Mr. Wendell Page, principal of the Central Elementary School, to speak at the last meeting. Mr. Page gave a very interesting talk on "The Weather." We learned many new and different ideas concerning weather and weather forecasting. Mr. Page was the official weather forecaster for the Scottsboro area for nearly ten years. The weather station is now kept by radio station W.C.R.I. The Science Club extends its appreciation to Mr. Page for the interesting program.

Dear Pam:

My boy friend is a freshman in college and I am a junior in high school. We write regularly and when he comes home we always date. We have been going steady for about two months but I'm still worried. I'm afraid that he will find a girl in college that he will like better than me, and this has me worried. What should I do?

Worried Gal

Dear Worried:

Don't be so worried, let him try. It might be you who will find somebody else. If you still last through the separation your relationship has proven more valuable.

Pam

Dear Pam:

I am dating this certain boy and I sort of like him. He is a lot of fun to date and I would like to date him more. His friends are not mine and they don't like for him to date me and are trying to keep him from it. Should I stop dating him even if I do like him, or date him and hope he doesn't listen to his friends?

Doubtful

Dear Doubtful:

If this boy has fun with you and likes to date you as you do him, he will continue to date you. The best idea is for you to make friends with his friends and then your problem will be solved.

## Two Wildcats Selected on All-Conference Basketball Team

Jerry Barclay and Wayne Treece, two seniors on the Wildcat Basketball team, have been selected on the all-conference team.

Treece, selected on both all-conference football and basketball teams, has been an outstanding athlete for Scottsboro High this season and continues to do so.

Jerry Barclay, a three year letterman has helped the squad tremendously this year and shall remain to do so as the season progresses.

## 1961 Football Banquet

The football banquet for the 1961 "Wildcats" was held in the cafeteria of Caldwell School on December 9.

The seniors were the honored guests for the night. The first thing on the program was the introduction of players and dates. Next came the introduction of the feature speaker, Wally Butts by Shorty Robinson, president of The Quarterback Club.

Wally Butts is the athletic director at the University of Georgia. He was head coach of the Georgia Bulldogs for many years and produced many bowl teams.

Awards were given to three underclassmen players for the following: Robert Byrd, Best All Round Player; Mike Ashmore, Best Defensive Lineman; Wade Maples, Best Defensive Back. Also the following senior players were awarded trophies: Bobby Baggett, Most Valuable Player; Wayne Treece, Most Valuable Back; Doug Norris, Most Valuable Lineman, and Bobby Reed, The Sportsmanship Award.

All major players of the outstanding "Wildcat" team received footballs engraved with the number 1961.

This was a night that will be remembered for many years by the people who attended.

## Grant Defeats Scottsboro 60-44

The Scottsboro Wildcats were unable to overtake the Grant Patriots on January 18, on their home court. Wildcats showed their stuff only once during the ball game and that was when they racked up 18 points in the 3rd quarter. Inability to handle the ball and bad passes caused the tide to turn on S'boro with a final score of 60-44, Grant's favor.

Only 16 fouls were marked up against the Wildcats and only 12 against the Patriots. Yet Grant stepped ahead here, too, they were able to sink 6 points on free shots while the Wildcats only added six with charity tosses.

Six points were scored in the first quarter by the home team, all of these were contributed by Jerry Barclay. Grant scored seven points to end the first quarter. At the end of the first half the Patriots were leading the way with a score of 48-25.

The Wildcats came back to the court after the half time rest to narrow the margin down at the end of the third quarter, 40-34. Although the Patriots held only

## Pisgah Beat Scottsboro 54-49

Pisgah sent Scottsboro down in defeat Tuesday night, winning over the Wildcats by a 54-49 score. It was a game that had spectators off their feet in the last period as the visitors made a mighty effort to go ahead—and at one point Scottsboro did have a one-point lead that lasted a few seconds of play.

Pisgah made eight free shots in the second quarter and it was these free shots that gave them their big advantage all during the game. Twenty Pisgah points went on the scoreboard, altogether from charity tosses as Scottsboro could only get 11 points from the same source.

Parks Tubbs, with seven baskets and three free shots that gave them their biggest scoreman. Donald Cotton, with six goals and one free toss, was second man with a total of 13 points, both from Scottsboro. Dehart, Foshee and Underwood with 12 for Pisgah led their scoring.

The first quarter ended with the "Wildcats" making the score read 20-13 on the scoreboard with Pisgah leading as the first quarter ended.

In the second period Scottsboro made 15 points, ten of them on goals and five on free shots. Pisgah scored twice on field goals and eight times on free shots, for a 12-point total during the period and giving them a half-time lead of four points—32-28.

Pisgah pulled out in the third quarter to lead 42-37 at the three-quarter mark of the game.

It was the last period that the game opened up. Both teams scored 12 points during the final quarter with Scottsboro taking a brief lead one time during the first three minutes. Tubbs scored a basket and Treece made good with two free shots before Tubbs, given two shots sank both of them for a 41-40 lead.

Underwood put Pisgah back in front with a basket and Wilson made good with two free shots before Cotton could score again for the "Wildcats." Dehart and Foshee both scored with two free ones good. Cotton added two more field goals and Underwood sank two free shots before the quarter ended.

## Ft. Payne Drove to 53-33 Win Over Wildcats

Scottsboro's Wildcats were dragged down in defeat Tuesday night when Fort Payne's Wildcats drove to an impressive 53-33 win on their own court. In the opening round, the opposing Wildcoats picked up eight points on three shots from deep on the field and a pair of free tosses picked up on two trips to the line. Scottsboro only scored five in this speedy round. These five were made on two shots from the field and one from the free toss line. The score was 5-8 at the end of this quarter.

Mark Armstrong got three of their first round scores.

In the second round of this battle, Fort Payne racked up a total of 22 points.

Scottsboro hit the netting five times from the field and three times from the charity line for a first half score of 18 points, compared to Fort Payne's 30.

Skippy Cunningham fired the roundball for eight of Scottsboro's 13 points.

In the second half Donald Cotton, Armstrong and Cunningham managed to pick up a field toss each to score six for a third round total of 24. They trailed 17 points at this point. The score now 41-24.

Scottsboro picked up nine in the final on four field goals and a free shot. Ft Payne got 12 points for another three point lead.

Johnny Bradford hit for four of Scottsboro's nine with a pair of tosses from deep in "Wildcat" territory. Cotton and Wade Deerman hooped a field goal each with Allen Lee getting a free toss. Scottsboro also lost the Bee game to the Ft. Payne Bees Tuesday night. At the end of the first quarter was 13-13.

Ft. Payne speeded up for a score of 22-20 at half-time. After half time Scottsboro began gambling on long shots, trying to regain the lead. As play ended in the third quarter Ft. Payne had gained another two point lead with the score of 35-39.

Scottsboro fell each in final period. Ft. Payne controlled scoring and ran their final tally to 59 for a 15 point lead over Scottsboro's 44 points.

Seeking revenge to a previous loss to Section the Scottsboro Wildcats romped back to win over these adjoining town rivals by a slim margin of 60-55.

Although Scottsboro trailed almost all the time during the game the fact that these are not a bunch of gutters became quite evident as at the end of the game they had come back and finally defeated the Lion. Although it was mainly a team effort, there were a few who did a more outstanding job. They were Jerry Barclay with 26 points and Johnny Bradford with 12.

## Emma Sansom Topped Cats 50-40

The Scottsboro Wildcats lost to Emma Sansom by a margin of 50-40. The Wildcats trailed all the way but actually outscored the Rebels 13-4 in the final quarter in a comeback effort. Jerry Barclay scored 17 points for the Wildcats and was top scorer for the two teams. Scottsboro sank ten baskets and made 20 points on free shots. Sansom made 36 of their points on field goals and only 14 on free shots.

a 6 point lead they came back to sink 20 points in the fourth quarter for their decisive win.

High scorers for the game were Lowell Edmonds of Grant with 22 points and Mark Armstrong for Scottsboro with 13 points.

## Snow Closes School

On Tuesday, January 9, 1962, the Scottsboro City Schools were closed due to snow.

The Scottsboro High School turned out at 12:15 that day. As soon as the bell rang students rushed to the campus, then the snowball battles began.

Everyone enjoyed the snow holidays, but these days will have to be made up. These days will be made up May 25, then on the 28 of May only the teachers will attend school, and finally on May 29 the teachers and students will attend school only part of the day to receive report cards.

These plans will possibly be changed due to the flu epidemic. Further notice will be given as to when these days will be made up and to when school is out for the summer holidays.

JOYCE GOLDSTON

WADE DEERMAN

## "Wildcat" Senior Features

In this issue of the "Wildcat," two members of the senior class are to be featured. These two active S.H.S. students are Joyce Goldston and Wade Deerman.

Joyce is the daughter of Mr. and Mrs. L. P. Goldston, who reside at 601 Scott Street in Scottsboro. Before coming to Scottsboro, Joyce and her family had lived in Paducah, Kentucky and in Rogersville, Tennessee. She has two brothers, Mike, who attends school at Auburn. Her father is a Civil Engineer for the TVA.

Joyce was born October 21, 1944, in Paducah, Kentucky. She has strawberry blond hair, green eyes, and stands five feet seven and one half inches tall.

Her curriculum consists of English, Democracy, typing, P. E., and shorthand, which is her favorite.

Joyce, a member of Mr. Pendergrass' homeroom, makes "A & B" grades. The clubs to which she belongs are the Future Teacher's of America and the Pep Club.

Riding around and watching television are her favorite pastimes.

Football and basketball games, which she attends regularly, are

her favorites in the sports line, except in the summer she enjoys swimming.

After graduation Joyce plans to attend college, either Auburn or Florence and later become a secretary.

She is a member of the First Methodist Church in Scottsboro.

Wade Deerman is truly a sports-minded member of the senior class. On the Scottsboro High Wildcat football team Wade's position was end and on the basketball team Wade is a star rebounder. His favorite passtime is playing sports of all kinds.

Wade was born Sept. 4, 1944, in Dutton, Alabama. He attended Dutton Junior High School before coming to S. H. S. He has blond hair and blue eyes. During the summer Wade spends most of his time working on his father's chicken farm in Dutton.

English, Business Math, Democracy, and Speech make up his school schedule. His favorite subjects are Speech and Math. Wade, who is in Miss Micheal's homeroom is a member of the "S" Club.

Wade's favorite food is fruit salad; blue is his favorite color. Upon graduation from Scottsboro High in May, Wade plans to attend Auburn.

## Gossip

Izzy Derrick, who is the certain girl from Section that we have been seeing you with?

## Baggett and Treece

(Continued from page 1)

Baggett, son of Mr. and Mrs. Roy Baggett of Scottsboro, was voted most valuable player on Coach John Meadows' Wildcat team that won nine games and lost one this fall. The 17-year-old, 6' 2" performer, who weighs 195 pounds, ran for 16 touchdowns and 14 extra points for a total of 110 points in 10 games. Baggett had a total offense of 1,500 yards and was offered scholarships by Ole Miss, Georgia Tech, Kentucky, Vanderbilt, Georgia, Mississippi Southern, Auburn, Missouri and Memphis State, in addition to Alabama.

Treece, son of Mr. and Mrs. Tom Treece of Scottsboro, is a 6' 2", 210 pound line buster. Wayne ran for 18 touchdowns and 12 extra points in eight games. He missed two games because of injuries. Treece, who was voted the Wildcats best back, gained over 1,000 yards rushing. Treece was offered scholarships from Kentucky, Auburn, Ole Miss., Memphis State, Tennessee, in addition to Bama.

## News Briefs

### Judson Choir Entertains Student Body

The Judson College Choir presented a program in the auditorium of the Scottsboro High School April 4. The program consisted of sacred songs, show tunes from Broadway musicals, and a number of solos.

The touring choir consists of twenty girls and one accompanist. Only music students are required to join the choir. Other members are volunteers. There are no set requirements but a knowledge of music is preferable.

Under the direction of Miss Sarah Cooper, the choir is on its annual spring tour of Northern Alabama. The purpose of the tour is to come in contact with girls wishing to enter Judson and those who are undecided.

### Gubernatorial Candidates Visit School

Scottsboro High School was honored by having the gubernatorial candidates to speak before the student body on the first Monday in April. The candidates that spoke were: Ryan Degraffenreid, Albert Boutwell, and Wayne Bodie Jennings. George Wallace sent a telegram stating the reasons he could not appear before the student body. Everyone enjoyed the speeches very much and it was very educational as well.

### Work on the

### Annual Begun

The annual staff directed by Jack Holder, editor, and Paulette Gentle, assistant editor, has begun work on the 1962 Reminder. Plans are being made to have the Reminder out by the last of July. Pictures are being taken during the club periods on Tuesdays and Thursdays of the various clubs and their officers.

### Cagers Honored

March 23 was the date of the annual basketball banquet honoring the Scottsboro High School cagers. The banquet was held in the dining hall at Caldwell School. The cheerleaders decorated, carrying out the color scheme of black and gold, the school's colors.

After a delicious barbeque meal, Reverend Claude Whitehead served as guest speaker. Rev. Whitehead has been very inspirational to the boys this year and has shown a great interest in them.

The varsity team received a gold key chain and basketball on which their initials, year of graduation and "S. H. S." were engraved. Senior players are: Wayne Treece, Jerry Barclay, Wade Deerman, Skippy Cunningham, Allen Lee, and Johnny Bradford. Dana Bennett, manager, is also a graduating senior.

As a climax for the evening the choice for "most valuable player"

## S. H. S. ELECTS NEW STUDENT COUNCIL OFFICERS

LARRY BOLTON

Larry Bolton, the son of Mr. and Mrs. Roland Bolton was recently elected the President of Student Council. He is a member of N. H. S., Pep Club, S. Club, Science Club, President of junior class. He plays basketball and football.

Larry wants to thank everyone that voted for and supported him in the race.

MARK ARMSTRONG

Mark Armstrong was chosen vice-president of the Student Council at Scottsboro High School. He is the son of Mr. and Mrs. George L. Armstrong. Mark belongs to the National Honor Society, vice-president of Pep Club, F. T. A., and "S" Club. In the beginning of the school year he was elected president of the sophomore class. Mark was also on the 1961 and 1962 basketball team. He wants to thank each and everyone for their support.

BRAD SHELTON

Brad Shelton, son of Mr. and Mrs. Bradford Shelton, was elected secretary and treasurer of the Student Council. Brad is on the junior basketball team. He also plays football. Brad said, "The first thing I thought of was the boo-boo I made on stage." He wishes to thank everyone for their support.

## S. H. S. to Have Summer Session

This summer, for the first time, Scottsboro High School will offer a summer school session. It will begin on June 4 and terminate August 11. The following courses will be offered for credit.

English 12 (1st and 2nd semester)  
English 11 (1st and 2nd semester)  
English 10 (1st and 2nd semester)  
American History (1st and 2nd semester)  
Democracy 12  
Economics 12  
World History (1st and 2nd semester)

All courses listed are 1/2 unit courses. The fee for each 1/2 unit is \$12.50 payable in advance and is not refundable.

A student may take up to 1 1/2 units for credit during the 60 day period.

The registration deadline will be June 2 with classes running Monday through Saturday.

Written permission must be made by the individual school principal before a student can be enrolled for credit.

Other courses may be offered if there is a sufficient number of requests.

### Band Students Make Good in Band Contest

We are honored by having some of our students to enter in the All State Band Contest in Tuscaloosa, Alabama. Those who participated were Abbie Arnold, Vivienne Webb, John Brewer, Nathan Black, and Val Hamlin. Nathan Black made the Red Band, first chair and Vivienne Webb made the White Band. The others also received honors.

### Two Students Win In Oratorical Contest

Allen Lee and Vivienne Webb walked off with top honors in the Alabama District North Civitan Oratorical Contest held at Snead College on March 22, 1962. Mr. Lee and Miss Webb received \$500 scholarships each to any college or university of their choice in the United States.

Vivienne competed in a division with nine other girls with speeches for the same goal. Allen competed with ten other boys. Allen's speech was entitled "What can we do?" Vivienne's was "Do you believe?"

It is a rare occasion that both winners come from the same school. Our congratulations to these two and a job well done.

help that will best come from college training.

As I permit my mind's eye to wander, I see college representing other things in addition to "book-learning." It represents a farewell to high school days and a hello to fresh experiences. College is the quiet, expectant hush before "The Star Spangled Banner" at a football game. College is studying at three o'clock in the morning for semester finals. College is stacking twenty-seven boys into a telephone booth. The letters from home, the pep rallies, the Christmas vacations, and the fraternity pins — they are college. Spring dances, graduation tears, arch-rivalries, and alarm clocks are college, too. College is hard-muscled football players and fragile little sorority girls. College is the millionaire's son driving to class in his Rolls Royce, or the farm boy working in the cafeteria. College is the pipe-smoking tweed-suited, absent-minded mathematics professor. It is band concerts and inspiring lectures. It is homesickness and homesickness. It is laughter and tears, rapture and pathos. It is a challenge to the finest minds in the world.

College is America! It is a capsule of this country itself. Work and play in both college and America present stern tests for moral fiber — fiber that has been formed at home and at church. As in our American capitalistic society, the collegiate society offers rewards and honors as incentives for hard work. Both afford opportunities for advancement based on the efforts that each individual will exert. He may rise, or he may fall, depending upon how he meets this challenge.

Yes, college IS America, and I am an American. The gauntlet is down. It lies at my feet. I want to pick it up.

Johnny: That's what you've got when you haven't got as much as

### F. H. A. Quintet Organized

A newly formed F. H. A. quintet has caused much excitement and activity. The members are: Joan Morris, Jean Wales, Janie Underwood, Judy Williamson, Nancy Kelly, and Alva Dale Johnson, pianist. All the girls are sophomores, and first year F. H. A. members.

The quintet performed before the Scottsboro High School student body on April 6 in an F. H. A. program, at the Northeast Alabama F. H. A. Convention in Decatur on April 4 and recently over station WCRI.

They have acquired identical costumes and have been practicing their singing quite frequently. Their specialty numbers are "Over the Rainbow" and "Blue Moon." It is hoped that more will be heard from this new group in the future.

### Honor Society Takes Sophomore Students

Seven tenth graders were accepted as probationary members of the National Honor Society at midterm. They are: Joan Morris, Dorothy Heath, Patricia Selby, Judy Rogers, Mark Armstrong, Billy Gullat and Lynn Price.

These new members may attend meetings and socials, but have neither voice nor vote in business meetings. When they become juniors, they automatically become full fledged members.

The new members are the top five percent of their sophomore class. They all have "A" average and strong leadership expected of National Honor Society members.

### Preparations Made For Track Team

A field and track team is in the process of being organized at Scottsboro High School. The program will consist of the 440, 880, 100 and 50 yard runs. It will also consist of horse shoes, rope pulling, running, shot put, broad jump, discus and standing broad jump.

The program is scheduled to start in April, with 7 or 8 schools participating. This will be the first time Scottsboro High School has ever had a track team.

Let's all get behind the track team and make it the best team Scottsboro High School will ever have.

### Seniors Produce Play

"Arsenic And Old Lace" was the play which the senior class presented on April 23 and 24. This is the first time in many, many years the senior class has produced a play.

"Arsenic And Old Lace" is a spoof on mystery and murder productions. This play has appeared on television and is certain to be very entertaining.

The cast, along with the characters they play, was as follows: Vivienne Webb—Abby Brewster, Franklin Poland—Dr. Harper, Don Hodges—Teddy Brewster, Denny Gay Farr—Brophy, Doug Norris—Klein, Pat Roberts—Martha Brewster, Rita Womack—Elaine Harper, Allen Lee—Mortimer Brewster, Jimmy Porter—Mr. Gibbs, Nathan Black—Jonathan Brewster, Doug Hodges—Dr. Einstein, Doug Bryant—O'Hara, Wade Deerman—Lt. Looney, Skippy Cunningham—Mr. Witherspoon.

The play was presented to the student body during school hours on April 23 for a small admission. At 7:30 p.m. on April 24, it was presented to the public.

Mr. Condon Campbell, speech teacher, was the director of the play.

### New Cheerleaders Elected

Scottsboro has elected its 1962-63 cheerleaders. These seven lucky girls will attend cheerleaders clinic at the University of Mississippi this coming summer.

They chose Gloria Barnett, a senior, as their head cheerleader. Gloria served as alternate cheerleader in her sophomore year and regular cheerleader this past year. She also takes an active part in the F. T. A., Pep Club, and is on both the annual and Wildcat staff.

Another serving her third year as cheerleader will be Carol Derrick. Carol participates in the Pep Club, F. T. A., F. H. A., National Honor Society, and was chosen Miss F. H. A. last fall.

The other senior will be Susan Frazier, who was alternate this past year. She is a member of the Medical Careers Club, Pep Club, annual staff and Wildcat staff.

The junior class will be represented by Carol Hodges and Joan Morris, both girls having been a cheerleader last year. Carol is in the F. T. A. and Pep Club. Joan belongs to the F. H. A., F. T. A., National Honor Society, and Pep Club.

The alternate, Judy Williamson, also is a junior. Judy was selected class favorite and alternate Miss F. H. A. this year as well as participating in the F. T. A., F. H. A. and Pep Club.

The sophomore cheerleader is Rebecca Ryan. She is in the ninth grade at Central School this year.

## The Believers, the Victors

By VIVIENNE WEBB

We live in a different world today from that of our ancestors who rode or walked miles to church when the circuit rider came and sat for hours listening to his fiery sermons. The church was the center of the community for recreation, news, and religion. Our world today is a fast-paced one of rockets and jets, but we must have the faith to guide us that our forefathers had. God watches over us now as then, and we must take time from the hustle and bustle of our daily lives to hear his still, small voice.

The young people of today are feeling a need for God, for the church and all it stands for. We face many temptations that can be overcome with strong faith and the confidence of the church and its members in our ability and character. Our faith must grow to take us through the years of our lives that stretch before us. As we, the youth of today, go on through college, careers, and marriage and become the citizens and leaders of tomorrow, our faith must be strong enough to serve as a basis for all our actions and decisions.

## Notes From the Band Room

On March 30, 1962, the Scottsboro High School Band presented its first concert of this season. It was in the High School auditorium at 7:30 p.m.

First on the program was the Junior Band. They played the march "Thunderer" and "Jolly Coppersmith," "Joshua," "Minuet," and "Bolero" were the other three numbers played.

The Senior Band started off with the concert march, "Here Comes the Band." Next came "Lincoln Overture," "Salute to Grofe," and "Afternoon of a Faun." Next came "Dancing Reeds" featuring Dorothy Heath, Jeanie Muse, Lucy Campbell, Lynn Price, Bunnie Bradford, and Patsy McNeil. After playing the "Second American Folk Rhapsody," the band played "Tournament of Trumpets" featuring Val Hamlin, John Brewer, and Don Roden as a trumpet trio. To top off the evening, the "Original Dixieland Concerto" was played with a dixieland group composed of Val Hamlin on the trumpet, Dorothy Heath on the clarinet, Jean Wales on the tenor sax, Bill Parks on the trombone, and Nathan Black on the drums.

What we believe is important; it either makes us or breaks us. Our beliefs are the beginnings of our character and the worlds that shape our lives. There are no more important words in any language than these two: I believe.

However, faith doesn't just happen. It must be cultivated and nurtured. "Jesus grew in wisdom and in stature and in favor with God and man." And we must, too.

There are many ways in which we can increase our faith. The most important is an experience of true meaning with God. Faith must be personal—a meaningful, not just an acceptance of some creed or doctrine. By regular devotion, prayer, and Bible study we can reach a deeper and more meaningful faith.

Faith is also increased by participation in the church and its activities. It must challenge us to do the utmost for Christ; it compels us to see others' needs and problems and to share our faith with these people. We must remember and work under these words: "Here am I, send me."

Faith must be alive and growing and must embrace all aspects and relationships of life. Our regular habits of worship must extend into the rest of the week. We cannot wear our faith as a best dress to be worn only on Sundays; we have to convert it into a "wear-everywhere" garment.

In the cold, dismal atmosphere of the Coliseum in Rome, where thousands of Romans mocked and jeered as the Christians went down before the rush of raging beasts, above that door through which the Christians came to give the last testimony of their faith, someone has erected a plain, wooden cross. That cross is the symbol of their faith. As one looks, one begins to understand that the real victors now are the ones who were the victims then. Their faith, their belief, their experience of Christ made the difference. Like the other Romans who filled the stadium seats, they were common people; but they were different because of their faith in God.

What was true then in the days of long ago is true now in the age of jets and rockets. The world has changed, but the Christian faith is still strong—the cross is still our symbol—the believers are still the victors.

### College Day

The student council sponsored the annual "College Day" on April 18. The last two periods of the day were set aside for this event.

Athens, U. of Alabama, Auburn University, Florence State, Trade School of Decatur, North Alabama College of Commerce, Snead, Jacksonville State, Alabama College, Alverson Draughn, and Howard were the colleges that sent a representative to visit. It was a special treat having some of our former students return to represent the colleges they now attend.

Men from the Army, Navy, Air Force, and Marines were also present.

### F. H. A. News

The week of April 1-7 was National F. H. A. Week. The girls of the Scottsboro chapter attended church together the first, and during the week they accomplished the following: cookies were made and distributed to people who had helped the Home Ec. department and people who were sick or elderly, some of the girls went to Caldwell School and entertained the children there, and on Friday a program was presented in the auditorium.

The program consisted of a quintet, which will appear at the district meeting in Decatur Saturday, Miss F. H. A. and her court, and the F. H. A. and F. F. A. Sweethearts.

We are proud to announce that all of the six girls who worked for their State Degrees will receive them Saturday at the W. E. Alabama District F. H. A. meeting.

Lex Matthews, the Episcopal minister, talked to the chapter at the last club meeting on marriage. It was an inspiring and worthwhile lecture.

### Sportsman Club

The club will have a fishing rodeo April 21. There will be four prizes amounting to \$30.00.

The prizes are as follows: First prize, a \$14 spinning outfit, for the person who catches the greatest number of fish; Second prize, a tackle box with tackle, for the person who catches the largest fish; Third prize, minnow bucket with tackle inside, for the person who catches the second greatest number of fish; Fourth prize, minnow bucket with tackle inside, for the person who catches the second largest fish.

### Science Club News

The Science Club had projects on display in the science room, and in the library. Each member made a project on some phase of science that he or she was interested in. There were several very interesting projects. Johnny Bradford made a "Lord Kelvin Generator," Carol Sloan, a chemical mixer, and Vivienne Webb, a project on atoms. There were other real good projects also. Clestine Metcalf made a model "Fall-out Shelter," John Brewer, a sun dial, Jerry Derrick and Clay Alspaugh both built a "Solar Hot-Dog Cooker." Carol Derrick had a project on "Color Fast Materials," Sudie Stuart made a project on "Testing for Different Chemicals." Others made posters and other projects.

The Pep Club met April 17. At this meeting, officers for the 1962-1963 school year were elected. Those elected were: president—Mark Armstrong; vice-president—Dwight Moore; secretary—Susan Middleton.

Plans were made for a pep club party to be held near the end of school.

Pep Club president, Don Hodges, announced that the Pep Club would meet again May 15.

### D. O. News

Kenneth Barclay, Jerry Barclay, Billy Matthews, Roger Carter, and Jackie Martin all attended the D. O. State Convention in Tuscaloosa earlier this month. Jackie won 3rd place in the contest with stereo music recorder which he had made.

Our annual employer-employee banquet will be held on May 17 at Mud Creek Fishing Camp.

### F. F. A. News

For the past six weeks the F. F. A. organization has been very busy preparing for the annual north-east Alabama contest in which boys compete from all parts of north Alabama for top honors. Some of the contests and contestants were —Larry Henderson and Jimmy Rogers, tractor driving, Doyle Weeks, John Little, and Wayne Whitehead, soil judging; they placed third in the county. Roger Ashley, William Cornelison, Tommy Whitehead, and Dean Evett, livestock team, Kenneth Beard, Mac Dudley, and Jack Holder, dairy judging team, and Aubery Batey, Jackie Martin, David Howell, Bill O'Linger, Dean Evett, Harry Ott and Nathan Black, String Band. The band will be making appearances at Central School, April 12, and Section School, April 13, for political rallies.

The shop department is glad to announce the arrival of a brand new '62 Ford motor complete with a transmission. The shop has bought a new welder and acquired a new Briggs & Stratton engine.

For the past six weeks the senior 2 and 3 classes have been in shop class and the senior 1 classes have been studying livestock.

### The Library Club News

Last week, April 8-14, 1962, was National Library Week. The Library Club did everything possible to make this a very useful week.

During this week the library gave a tea for the faculty. An Easter basket filled with pink carnations formed the centerpiece. The basket was passed and each teacher was given a flower.

Some of the library assistants dressed in costumes of characters in books. The one with the best costume will receive a prize. Several students in the student council made talks over the intercom about the library.

The slogan for last week was "Read and Watch Your World Grow."

## Young Men, Register

Montgomery, Ala. — As the school year nears an end, State Director Walter M. Thompson, Jr., has reiterated the importance of young men registering with Selective Service upon reaching 18 years of age.

"Many young men now in school may be away from home on jobs or vacations during the summer," the state director said. "I want to emphasize that although immediate registration is required by law, it is not necessary for a young man to return to his home town to register.

"There is one or more boards in every Alabama county, and most states follow this same pattern," Thompson said. "A young man just turned 18 may report to any local board anywhere in the nation and register, and still remain under the jurisdiction of his own home county local board.

"All he must do when he fills out his papers is to list his place of residence correctly on line 2 of his Registration Card (SSS Form No. 1). I want to impress this upon prospective registrants. No matter where you sign up, be sure that you put your home town address on line 2. This will then always be your board of jurisdiction, whether you register in Panama City or Puerto Rico. As long as your home address is on line 2, you will come under that board's ruling. This means that your case will always be considered by citizens of your own home town, men who are more liable to be familiar with your particular situation," he said.

Thompson warned again that young men who reach 18 and fail to register within five days face the possibility of prosecution or earlier induction.

"According to Selective Service Regulations, those who are delinquent in registering are liable to fine and imprisonment," he said.

Thompson explained that the Selective Service System is empowered by law to put certain delinquent registrants in Class I-A immediately. This will mean an accelerated induction, and possibly an earlier call to active duty than would have been under regular circumstances.

All young Americans just turning 18 years of age are required to register within five days after their birthday.

The state director also called upon those who have already registered to keep their local boards informed of address changes and changes in marital and family status. "Such information can decide whether a registrant will go into service now or later," he said.

"We are not calling fathers or prospective fathers at present," he said. "But unless the local board clerk has this information in the registrant's cover sheet, he is liable to be called."

## Career Hunting? Try Medical Tech

The wise owl knows that Medical Technology is a career with a future. This profession is one of the newest in medicine and offers many rewards for its members. The demand for medical technologists is 50% behind the present supply. The future prospects are even greater demands.

Medical technologists work in hospitals, doctors' offices, research laboratories and in industry. They perform the tests used in diagnosis, treatment and prevention of disease.

Can you see yourself peering through a microscope to view cells diagnostic of leukemia, cancer or meningitis? Does the thought of preparing blood for a life saving transfusion appeal to you? Would you like to do a test for diabetes which will assure a normal life for someone? Medical technologists perform these services and many others.

To become a medical technologist you must complete three years of college with the emphasis on science. You must complete a fourth year as an internship in a hospital School of Medical Technology approved by the American Medical Association. Most Alabama colleges grant a B. S. degree in Medical Technology following this course.

See your science counselor in your school or the college you plan to attend. Visit your local hospital laboratory. Talk with a medical technologist. You can be assured of a warm welcome. These people can tell you more of Medical Technology and help you with scholarship or loan funds.

## Poet's Corner

I have to live with myself and so I want to be fit for myself to know. I want to be able as days go by Always to look myself in the eye, I don't want to stand with the setting sun  
And hate myself for the things I've done.  
I want to go with my head erect, I want to deserve every man's respect.  
I never can hide myself from me, I see what others may never see. I know what others may never know,  
I never can fool myself—and so Whatever happens I want to be Self respecting and conscience-free.

## Unknown Poet?

There is a very popular boy here in S. H. S. who, it seems, is a philosopher. Following are some of his "proverbs." We of the Wildcat staff think they are quite good. Can you imagine who he is?  
"Keep your face always toward the sunshine, and the shadows of life will fall behind you."  
"Just as the sand dunes heaped one upon the other, hide each the first, so in life the former deeds are quickly hidden by those that follow after."  
"He who floats in the sea of loneliness will surely sink."  
"Things bygone are the only things that last."  
The present is mere grass, Quick mown away.  
The past is stone and stands forever fast."  
"Enjoy the blissful days of youth and adolescence, for they will soon fade into the dreary, care-ridden days of adulthood."  
"The final diagnosis must not, cannot, shall not ever be wrong."

Most people agree that a young man should not get married before he is able to provide for his wife and the children they expect to have. He should have received his education and be able to hold down a good job. However, very little has been said about how important it is for a young lady to be trained for it would enable her to support her family if the need arose.  
When is a girl ready for marriage? It is certainly important for her to be at least partially skilled in the culinary art, for the shortest route to a man's heart is the efficient use of the skillet. It is also necessary for a girl to be mature enough to manage household problems and other domestic affairs.  
I suggest, however, that the ability to cook and solve the family's domestic needs is not all that a wise bride-to-be will want to learn before marriage. In addition, she will want to have a good education and adequate job training so that if something should happen to her husband, she could assume the task of rearing a family.

Consider the various things which might take the bread earner from the family. First, a disease may strike unexpectedly. The illness may be crippling rather than fatal. This only increases the mother's responsibility and burden of finding a good-paying job.  
Second, an international crisis may call men from their jobs to a very small salary in the armed services. This would leave the mother in a position in which she would need to add to the family's income by part-time work.  
Third, the husband may find another with whom he had rather live. In any of the above cases, the wife would be left alone to provide for herself and the children.

Often, she can not depend upon help from her parents. They may have already died or may be financially unable to assume the obligation of feeding and clothing another family. After all, it would be asking a great deal to insist that one's folks rear one's family. The wisest course is to wait until one has prepared herself for a good job—and then get married.

Possibly, a wife will not be called upon to use her job training. It is best if she is not. However, the training is not lost, but it will help make a better homemaker. In addition, it will give her the security that comes from knowing that she is prepared if an emergency strikes.

Plans for marriage will perhaps be delayed a year or so until one has acquired the education and training necessary for this preparation. This brief delay will be rewarded by the knowledge that in the event of necessity the family can remain together because one is qualified for a type of work with reasonable hours and good pay. Think seriously about your responsibilities as wife, mother, and possible "bread winner" of the family.

## Jokes

About the smallest package there is, is a man all wrapped up in himself.  
From my bank account I learn, Spending money is all I earn.  
The trouble with opportunity is that it always looks bigger going than coming.  
A man is as young as he feels, but seldom as important.  
There are millions of reasons why women dress as they do and all of them are men.  
Silence may be golden, but often as not it's guilt.

America has the best yessed women in the world.  
And then there's this new deodorant called "Vanish," which makes you invisible, and everybody wonders where the odor is coming from.

Song tittle: "I'm Glad You're Sorry I'm Glad."

An optimist is a person who believes what's going to be will be postponed.

If I have as much intelligence As you say I possess;  
I always look to you  
The snappiest of dress;  
If I were half as beautiful  
As you always say I am,  
Then I wouldn't even date you,  
You funny little man.

The codfish lays a million eggs,  
The barnyard hen but one;  
The codfish doesn't cackle  
To show what he has done,  
We scorn the modest codfish,  
The cackling hen we prize,  
Proving that beyond a doubt,  
It pays to advertize.

Why is it that there is never enough time to do it right but there is always enough time to do it over?

"Doctor," she asked anxiously, "am I finally cured?"  
"Yes, Miss Jones," replied the analyst. "I feel we finally have your kleptomaniomania under control."  
"Oh, Doctor, I'm so grateful," said the woman. "I don't know how to ever repay you for all you've done for me."  
"My fee is ample payment," said the analyst. "However, if you should happen to have a relapse you might pick up a small transistor radio for my son."

One day Adam kissed Eve and said he was going into the forest on a hunting trip. He returned late the next day empty-handed.  
"I don't think you went hunting at all," pouted Eve suspiciously.  
"Now don't give me that business about another woman," sighed Adam. "You know very well you and I are the only people around here."  
Eve shrugged and moped the rest of the day. When Adam fell asleep she eyed him suspiciously. Then she began to count his ribs.

"Hello? Drug store? This is Mrs. Glockenspiel and I want some rat poison."  
"Yes, ma'am, shall I send it over to you?"  
"No, give it to my husband when he stops in on his way home from work."

Pretty daughter: "You don't understand Harold, father, he's brainy and ambitious, he's just waiting for taxes to go down before he makes his million."

Father (looking at small son's report card): "If you would study you wouldn't have these poor grades, Johnny. You can't get any where in this world without hard work. Do you know what Abraham Lincoln was doing when he was your age?"  
Johnny: "No, but I know what he was doing when he was your age."

"Did you know, dear, that the tunnel we just passed through was two miles long and cost \$1,000,000?" asked the young man of his sweetheart.

"Oh, really?" she replied, as she started to rearrange her dishevelled hair. "Well, it was worth it, wasn't it?"
