LANGSTON, ALA

The Wellborn Collection 1836 - 1939

This collection of promissory notes, letters, legal documents and store accounts was given to the Heritage Center by Mr. Melvin Stephens, Box 57, Winnie, Texas. Deed Book 1 AC#76. The dates on these papers range between 1844 and 1939. The Alabama towns named include Larkin's Landing, Bellefonte, Lankston, Larkinsville and Wannville. Mt. Pleasant and Cookville were listed in Titus Co. Texas.

The most frequently named man was William S. Welborn - Wellborn - Willbourn of Langston, Ala. About 1885 the name of David - Dave Wellborn appears in the papers with a Titus County, Texas address. The relationship between Mr. Melvin Stephens of Winnie, Texas to David and William Wellborn is unknown to us.

Another person frequently associated with William S. Wellborn was Dr. John B. Maples. Dr. Maples first appeared in 1844 and his heirs are named in 1859 with William S. Welborn as administrator of the Maples Estate.

This collection is generally arranged in chronological order. Many of the names appearing in this Account Book are not found in the 1840 or 1850 Census of Jackson County, Alabama.

The code WC appearing in the index refers to the Welborn Collection.
