Photo from Theresa Moore. Theresa Moore Dean's Chapel is on Sand Mountain. About six miles from Henagar, but still in Jackson County. Yes, a World War I soldier, Jeeter Brown, was on leave and he and his wife were visiting the school. The teacher, Ezra Gunter, lost an arm in a cotton gin accident when he was 16. Theresa Moore This picture was actually taken in front of the old Methodist Church that stands nearby to the school. The school met in the church building until the actual school building was built around 1919-1920.
