Mar 25, 1903 PA: Kosh News. "Miss Mattie Chattin closed a most successful term of school here last Friday. Quote a company of the patrons was present and the good ladies served an excellent dinner on the ground. In the afternoon Miss Mattie gave an entertainment that reflected much credit upon both the teacher and pupils. Rolling the exercises came a treat for the school, and last came the awarding of prizes and pleased speeches by W. C. Overseer. Harrison Kennamer of Henager attended the closing exercises of our school."
