## **Billy Ray Day**

I own the land where Shrader school once stood. It is located just north of Rosalie on County Road 78. My mother's home now stands on the spot. I have some unique blue glass panes that were salvaged from the school building. I have always wondered if there was a photograph of the Shrader School building. Who was the teacher there in 1938-1939 if I may ask?

## **Ann B Chambless**

The teachers at Shrader in 1938-1939 were Therma Rogers and J. A. Sizemore. Billy Ray, IF the blue glass panes are not too large, would you consider bringing one of them to the July 2014 program meeting of the Jackson County Historical Association for our annual "Show and Tell Program"?
