THE REMINDER

VOL. IV
1939

Published By The
Senior Class
Jackson County High School
Scottsboro, Alabama

Dedication

For her constructive work in the mathematics
department

For her vital interest in all of our school
affairs

For her active participation in
community life

For her championship of progressive
ideals

For her untiring efforts in helping to develop
our character, personality,
and school spirit

We dedicate the 1939 Reminder

To

MRS. JAMES W. HOLLAND.

Administration

C. P. NELSON

Our Principal, Mr. Nelson, who has been with us since 1936 has endeared himself to and is respected by the entire student body. His high ideals have set a fine example for all of us. He defines the most highly educated man as the one who knows most about living best, and education as the process of learning more about living better—he exemplifies and lives up to this definition.

SPORTS

To Coach O'Brien,

Whose capable supervision of Athletics has placed our school among the leaders in high school sports; who has made our school widely known over the state for its fine basketball teams; who by his genuine qualities of manhood, sportsmanship, and fair play has influenced a remarkable school spirit, and to whom, we feel, is due the continued support of all lovers of Jackson High, the Athletic section of this fourth volume of *The Reminder* is dedicated...

We have tried in every way to make the contents of this book correspond to the title, "The Reminder". In it we have accumulated a conglomeration of pictures, facts, and fancies. And we hope in future years as you glance through these pages, they may have the power to revive in you the true old Jackson Spirit, that never dies; and that to your heart may come fond memories as you see old faces and scenes that did so much to make your youth a golden period.
