Reflections . . .

of our school year at s.h.s.

the joy and sorrow
happiness and heartache

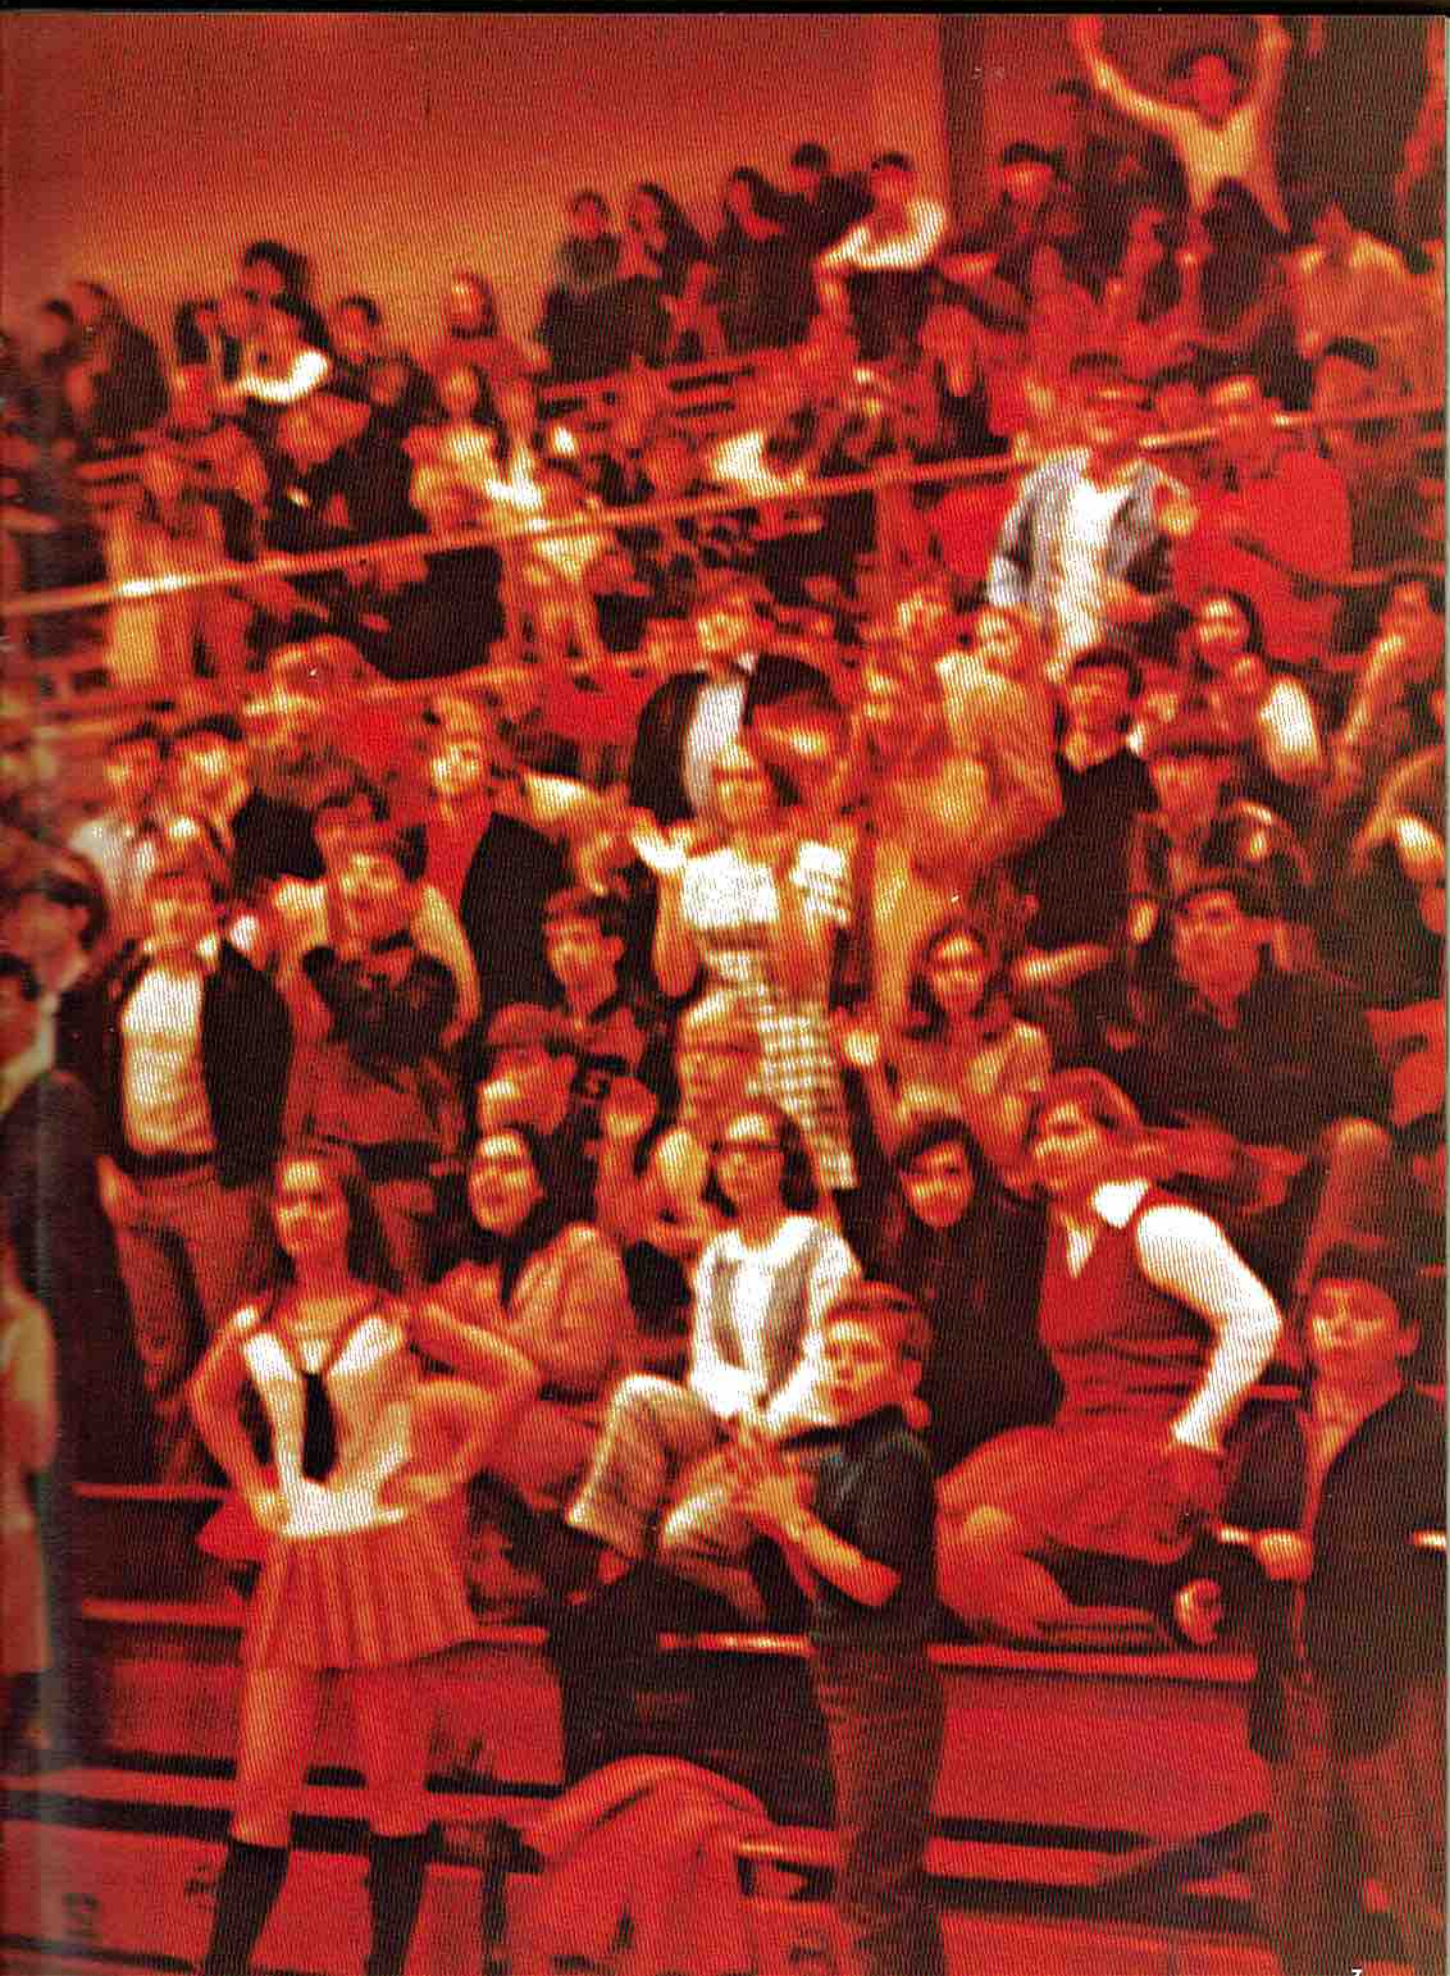

the
victory
and
defeat
of
competition

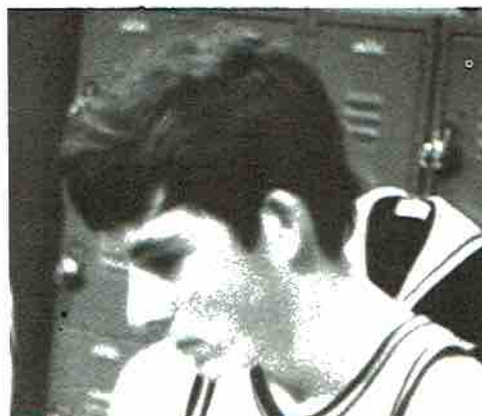

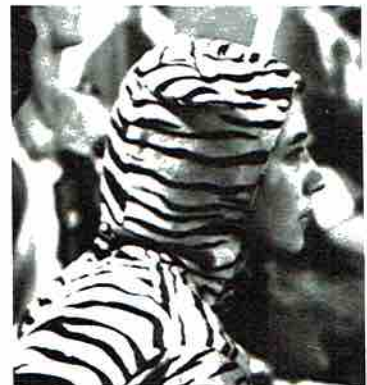

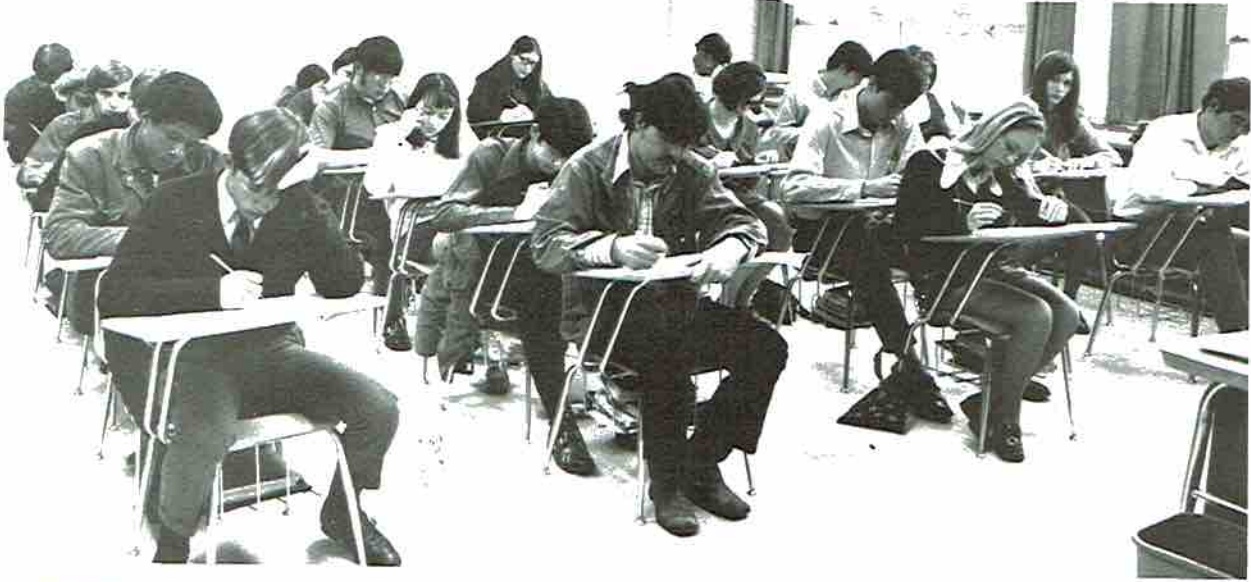

the excitement

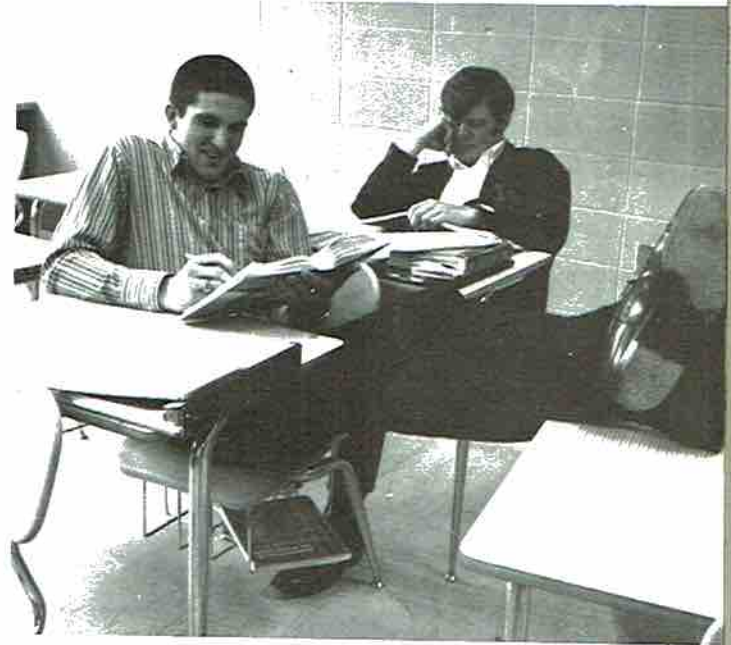

with only a
moment to
pause

the work

and play

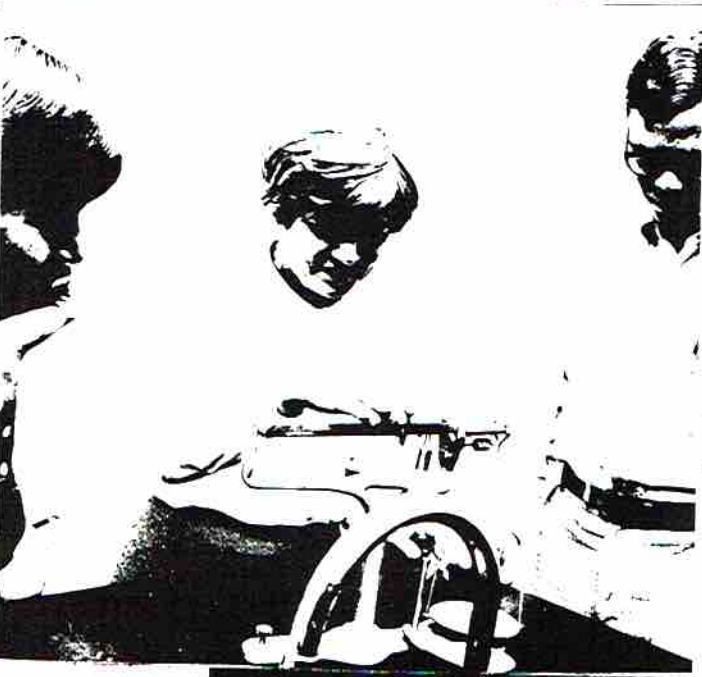

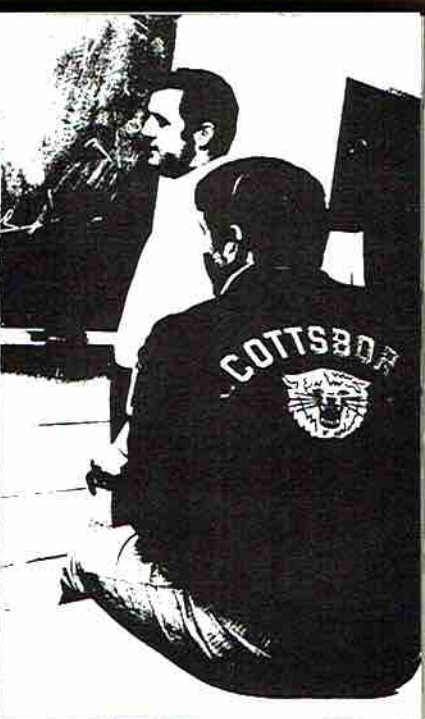

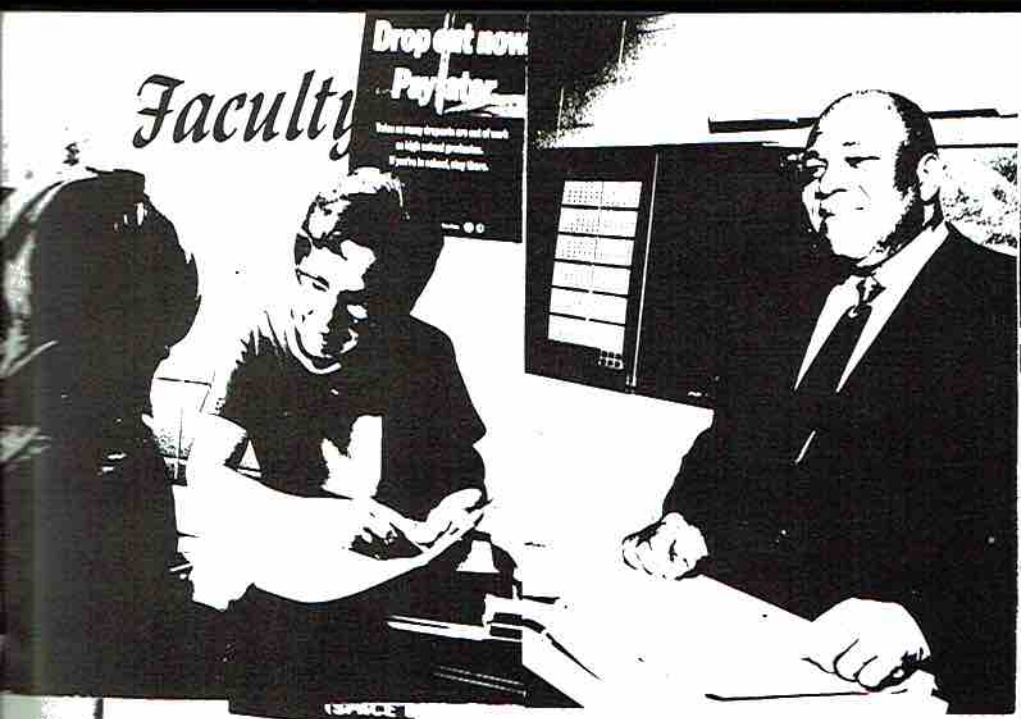

all combine to make these reflections worth remembering

There are many reasons why you should work as a faculty member. If you're looking for a better way to live, this is the way.

"Receive my information and my silver;
and knowledge rather than gold."
