presents
"The Road Not Taken"

THE ROAD NOT TAKEN

Two roads diverged in a yellow wood,
And sorry I could not travel both
And be one traveler, long I stood
And looked down one as far as I could
To where it bent in the undergrowth;

Then took the other, as just as fair,
And having perhaps the better claim,
Because it was grassy and wanted wear;
Though as for that the passing there
Had worn them really about the same,

And both that morning equally lay
In leaves no step had trodden black.
Oh, I kept the first for another day!
Yet knowing how way leads on to way,
I doubted if I should ever come back.

I shall be telling this with a sigh
Somewhere ages and ages hence;
Two roads diverged in a wood, and I -
I took the one less traveled by,
And that has made all the difference.

Foreword

We chose "Roads" for our theme this year. As you are aware there are many and various such paths for travel. All roads are not the best for travel. In this picture we see where the Delta Queen has been plowing along successfully in the quiet Tennessee River. But--Alas--An obstacle; a drawbridge looms overhead. The paths we have taken in this yearbook depict the paths of our daily pursuits. In some we are confident that we have succeeded. In others we feel a bit of doubt. But, this exemplifies the human race of which we are a part. We have enjoyed putting the Book together for you and if we have failed to express our theme in any way, please refer to our poem by our own American, Mr. Robert Frost. We feel that he so aptly put it.

Dedication

An ordinary standard form is usually supplied for the dedication; but for our Mrs. Martha Loyd, who is, by no means, an ordinary teacher, we could not find a form that is suitable. She is one of the very few who are dedicated to the profession of improving the human mind. Her superb ability as a teacher and her ever-willingness to help, has given the students of B.H.S. the desire to learn. Her encouragement and guidance as one of the senior sponsors will be immeasurably helpful to the seniors in their future . . . We, in this small way, wish to express our thanks for a job so greatly advanced. To you, Mrs. Loyd, in an appreciative manner, we proudly and fondly present this book in your honor . . . Class Poem

Forty-one students have we,
In this, our class of '63.

We have enjoyed the years, one and all.
Now on each senior I will call.

Roger Asherbranner is the outdoor type.
He's out chasing coons every night.

Janice Baine isn't quiet or shy,
You can tell because she's always winking her eye.

James Barham is seeking a patent,
Someday he'll be sitting on a pillow of satin.

Sherry Brown is on the beam.
She's learning to coach the basketball team.

Linda Burnette is a popular gal.
To everyone she's a real pal.

That Billy Cain's full of pep.
But when it comes to books, he really needs help.

Gladys Click is quite a creature.
She can always be found aggravating a teacher.

Vice-President of our class is Carl Case,
He's one of the best of the human race.

Kay Crabtree, a cheerleader you see,
Really deserves the name "Miss Personality."

Leonard Durham will surely be a success,
Because he always does his best.

Eddie Graham first leaves and then returns.
I wonder for which place he really yearns.

Girls like Martha Hughes are very rare.
If you're thinking of stealing her, don't you dare!

Wanda Hurst is neat and sweet.
In her heart there is no room for conceit.

So gallant a guy is Clarence Jackson.
He's always ready for action.

One boy always ready with a smile.
Cecil King would suit anyone's style.

Donna Lawson a sweet gal is she.
A nicer girl you'll never see.

We hope in the future Virginia Long will do well
For we all think she is very swell.

Carefree, gay, and full of fun,
Class president, Billy Loyd, is liked by everyone.

Here is a girl the seniors adore.
The one and only Betsy Moore.

Billy Moore is quite an athlete
At football he can't be beat.

Mickey Moss is our "Most Handsome Boy."
He makes all our lives full of joy.

Larry Parker, thought to be quiet and shy,
Is certainly a very wonderful guy.

Michael Payne is next in line.
Drawing cartoons is his pastime.

Norma Kirk is our "Prettiest Girl."
She keeps all the boys in a whirl.

Brenda Myers is the F.F.A. Sweetheart.
About Homemaking she is very smart.

Julian Prince is our "Friendliest guy"
and will remain so as the years go by.

Wanda Randolph likes lots of noise.
She also likes those Jacksonville boys.

Our best dressed boy is Ronnie Rankin.
When it comes to girls he needs a spankin.

Marvin Ridley is full of vigor and vim.
Wittiest was surely the name for him.

Co-Captain of our football team is Bill Rowe.
He'll be an All-American we know.

Joyce Rowe is the studious kind.
Books are always on her mind.

Wanda Rowland is Miss B. H. S.
She is quite popular we'll have to confess.

Linda Thomas, voted "Most Dependable lass,"
Will always be remembered by our senior class.

Chris Trimble is a kinda quiet and pessimistic lad,
But a better friend just can't be had.

Jerry Triplett will make a fine man.
At the rate he's going, he'll be leader of the land.

Charlsie Wells whose nickname is Sue.
Is always smiling and never blue.

Very well known for her sweet ways,
Dorothy Jane Williams brightens our school days.

Janet Whitcher, voted "Best All Around,"
A better friend could never be found.

And that's the poem about our class
And the information we did amass.

No finer class, would be our guess
Has ever graduated from B. H. S.

Prophecy

The year is 1983, 20 years after having graduated with my fellow classmates from Bridgeport High School. I am reading various newspapers that tell of my classmates and their success in the business world.

Jean Crabtree liked school so well that she went on to college and now she is one of the leading teachers at dear old B.H.S. She is so well-liked by the students that they dedicated the 1983 annual to her.

Billy Loyd is now a retired millionaire. I always knew his banking job for the school would do things for him.

Wanda Rowland, who was voted Miss B. H. S., is now Miss America of 1983.

"Honest James" reads the sign of a local speed shop owned by James Barham. I always said that Mechanical Course under Mr. Freeman would help James a lot.

Kay Crabtree, whose sole ambition was to be a housewife, is now married and has 12 children.

Ronnie Rankin is now the owner of a large oil company in Bridgeport.

Jerry Triplett is now Professor of Archaeology at the University of Arizona. He has just spent the last three months digging up Mastadon bones in Central Siberia.

Joyce Rowe is working for a large firm in New York City.

Michael Payne is now President of the Studebaker plant in Michigan. I always said Michael had an eye for a Studebaker.

Brenda Myers is having great success as an actress in Hollywood.

Eddie Graham doesn't have to wait for the ferry any more. He now owns his own yacht, and can cross the river any time he wishes.

Donna Lawson also went into the Educational field, and is now teaching English at dear ole B. H. S.

Clarence Jackson is a five-star General in the United States Marines. He can really boss people around now.

Mickey Moss is now what he has always wanted to be--President of the South Pittsburg Bank.

Wanda Randolph is a happy housewife, rearing her own Cheerleading team.

Billy Moore is State Advisor of the F.F.A. Being President of the F.F.A. must have given him a feeling of Authority.

Virginia Long and Linda Burnette have combined their talents, and made Bridgeport's F. H. A. Department the most outstanding in the state.

Sports fans are no longer talking about Mickey Mantle or Roger Maris since Julian Prince just recently broke all baseball records.

Asherbranner's Studio, located in Chattanooga, is owned by Roger Asherbranner.

Being best dressed landed Sherry Brown in her present job, modeling for Look Magazine.

Marvin Ridley was the first man to reach the moon.

Sue Wells and Janet Whitcher are private secretaries for two very handsome young executives of General Motors Corporation.

Dennis (RAT) McCloud has just completed his latest Radio Station WZYX near Bridgeport.

Linda Thomas is in charge of the loudspeaker system at Grand Central Station--and she was always so quiet.

Larry Parker is now the owner of the Kimbal Skating Rink.

Sports equipment is now sold by Chris Trimble from his large mail order house in Chicago.

Bill Rowe, who was voted most Athletic, is now coaching at B. H. S. They have been undefeated for several years.

Martha Jean Hughes is now the Society Editor of the New York Herald Tribune, in New York City.

Carl Case is now the owner of the Western Auto Store in South Pittsburg.

Cecil King has just retired from the Merchant Marines, after making his first million.

Gladys Click and Norma Kirk went into the music field. It seems their records are more in demand than Elvis's were back in '63.

Besty Moore now works as Assistant Manager of the Los Angeles Bank, in Los Angeles, California.

Billy Cain is now Chief of Police in Bridgeport.

Wanda Hurst is one of the most famous nurses in the world. She certainly is a credit to our school.

Janice Baine now has her own Beauty Shop in Chattanooga.

Dorothy Williams also got married after graduation. She and her husband, "Charles," are just returning from their honeymoon. She always said she wanted a long honeymoon.

As for me I am employed by the Greyhound Bus Lines, so that I may see the United States.

Class History

We, the class of 1963, entered Bridgeport School in 1951. As we began our senior high years, our freshman sponsors were Miss Faye Dillbeck and Mrs. Holder.

We were represented by fellow classmen in the various clubs, such as the F.F.A., the F.H.A., the "B" Club, the Student Council. We were also represented on the football team, in the band and in the Homecoming Court. That year there were six members of our class inducted into the Beta Club. Our class favorites were Martha Jean Hughes and Leonard Durham. Our class officers were: John Lewis, Leonard Durham, and Jerry Triplett.

After a three month vacation, we became sophomores and that year we were sponsored by Mrs. Harwell.

In addition to the clubs in the ninth grade, we added the German Club. Our class favorites were Kay Crabtree and Henry Boldin. Our class officers were: John Lewis, Henry Boldin, and Jean Crabtree.

As Juniors, we were sponsored by Mr. Pendly and Mr. Akin. Our class officers were: Jerry Triplett, Ronnie Ranklin, Janet Whitchee and Sue Crownover. Virginia Long and Mickey Moss were our class favorites.

We were represented in the clubs mentioned previously. We had two cheerleaders, two in the band, one majorette and a head majorette in our class. We presented "No Bride For the Groom" as our junior play.

We began, what will be our most memorable year at Bridgeport High, our senior year. Our sponsors were Mrs. Loyd and Mrs. Keys. Wanda Roland and Jerry Triplett were elected as Mr. and Miss B.H.S. Soon after, we elected our superlatives.

Our class was represented in the Student Council, the Beta Club, in the F.F.A., in the F.H.A., on the football team, on the Homecoming Court, and on the basketball teams. There were four cheerleaders from our class, a head majorette and a drum majorette. We had one member in the band. Our class officers were: Billy Loyd, Carl Case, Betsy Moore, and Linda Burnette.

Our days at Bridgeport High School are ending and soon we will leave these halls to go on to the greater horizons of life. We the class of '63 are entering into a world filled with many golden opportunities and must compete with others to fulfill our destiny. We must do our best in whatever we do to promote this great nation of ours, and encourage others coming on to write an even greater page in the history of mankind.

In previous editions of THE TIGER we have tried to be optimistic politically, socially, literarily and otherwise. We do not intend to be sounding the gong of doom but we wish to have our classmates to stop and evaluate all situations from here on before acting. The last year has brought several changes to our world. In our United States we have seen the Kennedy Klan and Supreme Court fully utilize the power of Federal control in all or nearly all areas of government. We do not here agree or disagree. We leave that to you. Read the newspapers, analyze the news, become a critic through profound and intelligent study and we give you odds that your thinking will not be far off targets. How long! Oh how long, fellow students, must we remain unobservant to our seemingly daily crisis? Let us learn to combat our enemies at the conference table and not by mob hysteria where only the inevitable always occurs - a lost cause. We mention these things because sooner or later (and perhaps sooner) our own State will have its problems. Let us be calm and then win through diplomacy. After all, the diplomats write the treaties to all wars . . . Sportswise we have had a remarkable year in our nation. Our own Alabama was number one in the nation in football. We are hoping and pulling for them again this year. We have seen the Yankees again clinch the national winners, the San Francisco Giants, in the World Series. While we enjoyed these sports the boxing world offered its two minutes of nothing. The Patterson-Liston match only drove more nails onto the coffin of a dying sport. If the Patterson-Liston match is all we have to look to in this sport, may it soon be buried . . . In the world of music the students were heard either humming or singing I CAN'T STOP LOVING YOU, A SWINGING SAFARI, RAMBLIN' ROSE, GREEN ONIONS, and STRANGER ON THE SHORE . . . Movie wise,
