to  
sible, I've been  
in a lot of fun being  
this year. We've really had  
stay as fun as the buses.  
anything you are and  
you want.

you'll get  
Good Luck.

### a new beginning

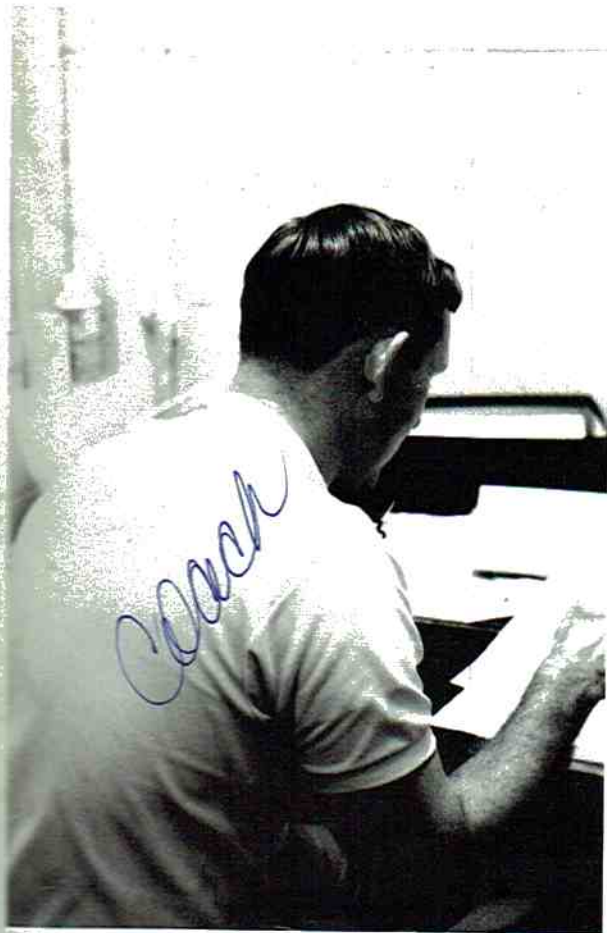

To a  
sweet  
girl  
w/

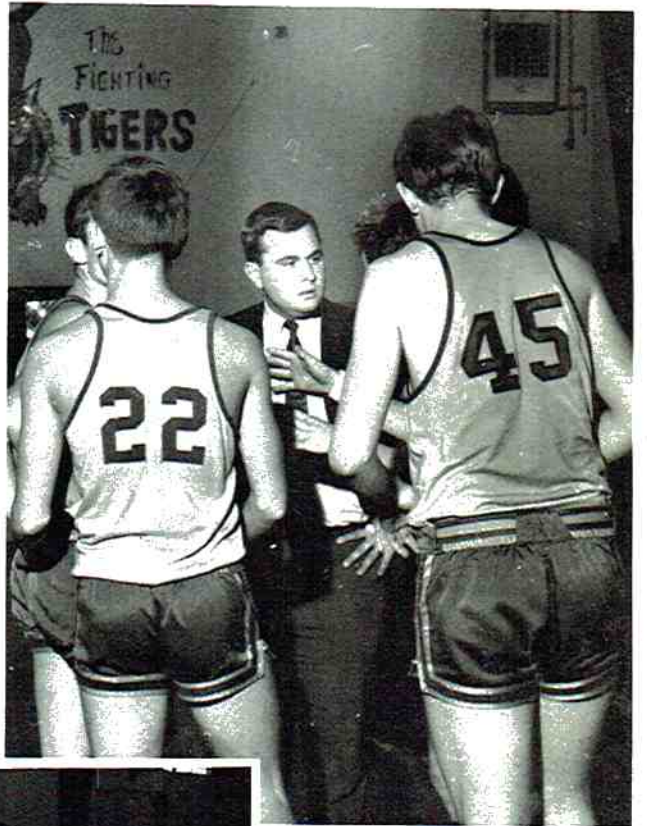

the modern world of civilized man is full of hate and poverty. sex and violence. it is also filled with science and discovery, education and protest. the means for accomplishment are at hand. however, the greatest problem is people. the kind of people that make your world are the kind of people you are!

this annual is produced with the hope that in years to come, when you return from viet-nam, when you wipe one too many runny noses, when you get disgusted with a riot torn world, then you may look back, return to the start of a new decade, back to the first year in a new school; escaping from reality into a nostalgic world of an idealistic past of reminiscence.

maybe, for that one brief moment you escape a world of failure, overpopulation, pollution, starvation, and perpetual indebtness and remember a new beginning at bhs.

this book is dedicated to the parents of those who attend bridgeport high school. to the mothers and fathers who have helped to provide us with a new beginning.

their time, support, and understanding have been the basis for the success of our new start. although you do not see their pictures and their names are not printed, you see them hidden in each section of the 1970 tiger.

varied events featured around homemaking have put the fha to work this year. a new home economics department started the scene. stanley products were sold to buy new sewing machines. the girls collected a total of \$346 from this project.

at the open house, the fha members served the visitors refreshments. around halloween they began making stuffed animals for sale at the carnival.

to keep the teachers going throughout the day, the girls provided them with coffee and pastries each morning.

one of the most active clubs at bridgeport is the organization of honor students, the beta club. among its many activities are the presentation of programs, the collection of money at ball games, and supporting our school paper, the blue and gold.

the beta club annually attends the state convention in birmingham. this year our betas participated in the local muscular dystrophy drive. the members also joined in presenting a christmas program which added much to the yuletide spirit.

representing the students at  
 bhs are the members of the  
 student council. the council  
 served as host to the visitors  
 on the day of open house.  
 members served as guides to  
 the many townspeople who  
 came to our school.

serving as president is bruce  
 lee, who as part of his service,  
 crowned miss bhs and the 1970  
 homecoming queen.

the student council also  
 sponsors the annual talent show.  
 they also plan many more activi-  
 ties for the rest of the year.

ginny raulston, a sophomore member was top salesman in the annual magazine sale sponsored by the science club.

found in the concession stand at basketball games are the science club members, working to improve their club.

another project always a success for the club is their candy sale. all money from their activities are reserved for equipping the new lab.

along with hard work, the club mixed a little fun - a party.

in order to keep the library in tip-top shape, mrs. sebring, our librarian, has the help of the library club. their job in the library workroom is to file books. they check out books and file them on the shelves. the library has a few new books but far from enough.

another project of the library club is working in the concession stand at junior ball games. they are trying to get money to buy new books. another plan to raise funds is the presentation of the bob brandy show.

elected by popular vote the pep club officers led the members in a good year at bhs.

the membership increased and those participating helped sell shakers and booster buttons to the students.

along with their sponsor, mr. holland, the pep club made available a bus to take the students to away football games. keeping spirit alive, it was truly a good year!

the tiger staff for this year has proved to be efficient and imaginative in every development of the annual. we have enjoyed all the work involved in putting this book together. we would like to thank ellis couch for his time and patience and willingness to be our new sponsor. after finishing the book, there was found to be a good deal of money in the annual account. this money was appropriated to the library to buy books.
