of Steve and John Simmons. At a time when words are hard to
everyday lives. They were our friends and we loved them.

Classes with a touch of humor to make learning more enjoyable, support in every sports event, organization in school programs and graduation exercises, encouragement for a better school paper, and advice on any problem of any student are all qualities and achievements of one man. It is to this man, who has added so much to our high school days, that we dedicate the 1971 TIGER.

Reminiscing

Our class entered high school in September of 1967. We were ambitious and full of hopes and plans for our high school years. We chose worthy officers to lead our spirited freshman class. They were: President, JoJohn McCraw; Vice-President, Pauls Jacobs; Secretary, Bobby Baker; Treasurer, David Davis. Our sponsors were Mrs. Barnes and Mr. Cobb. We soon learned of the excitement of extra-curricular activities. We helped to make up the membership of the Student Council, Pep Club, F. H. A., F. F. A., Band, Majorette Squad, Library Club, Junior Football, and Basketball Teams. Jo John McCraw and Lynette Hill were elected from the freshman class as Junior Mr. and Miss B. H. S. The year was marred by a fire on April 26, which destroyed most of Bridgeport High School. We stored memories of the old school and looked forward to the new one.

The Class of '71 began their sophomore year in temporary and remodeled classrooms. Making a remarkable recovery from the fire, we struggled to make the most of our sophomore year. Our class officers were: President, Glenn Ragan; Vice-President, JoJohn McCraw; Secretary, Suzette Cox; Treasurer, Colleen Smith. Miss Brown and Mrs. Sebring sponsored our class. We added members to the Beta Club, Blue and Gold Staff, Varsity Football and Basketball Teams, and Cheerleader Squad. We watched as the fighting Tigers became a winning team with a 6-3-1 record. Pauls Jacobs represented the sophomores in the Homecoming Court. Glenn Ragan and Velma Scroggins were our class favorites. The year ended with a bright outlook as we watched the construction of our new school.

There was a definite excitement in the air the first day of our junior year. The new building was finished and ready for us to begin classes. The juniors elected the following officers: President, Tim McDonald; Vice-President, Russell Lee; Secretary, Buster Appleton; Treasurer, Paula Jacobs. We had as our sponsors Mr. Holland and Mr. Couch. The class advanced their activities by adding members to Annual Staff. Our class favorites were Kenneth McAllister and Wanda Scealf. The two juniors in the Homecoming Court were Teena Burrows and Sheila Guess. Several members of the class were elected to Who's Who Among American High School Students. We were proud that our junior play, "Fools Will Be Fools," was the first to be performed in the new auditorium. With the funds from the junior play, we honored the seniors with a Junior-Senior Banquet at the Holiday Inn.

As school began in 1970, it was hard to believe that we were seniors at last. The officers we chose for our senior year were: President, Tim McDonald; Vice-President, Russell Lee; Secretary, Jo John McCraw; Treasurer, Kenneth McAllister. Mr. Parker and Mr. Collins became our sponsors for the year. Senior superlatives were elected and the class began their various activities energetically. As leaders in most organizations, we began work to make our last year our best. Paula Jacobs was chosen as Homecoming Queen with Lynette Hill and Sheila Guess as senior attendants. Tim McDonald and Teena Burrows were honored as Mr. and Miss B. H. S. and Bill Stuart and Kathy Maynor were senior class favorites. The thrills of the year were seeing the fighting Tigers, with their 8-2-0 record, leave for the state playoffs and watching the Tiger Basketball Team take second place in the SVC Tournament. As graduation draws near, we, the Class of '71, have stored away a collection of memories to relive again and again over the years to come.

Student Council

The student body of BHS has been represented by an enthusiastic Student Council this year. They sponsored the Homecoming program and a powder puff ballgame for the enjoyment of the student body. With funds raised from their various projects, the Student Council plans to improve the school grounds.

B Club

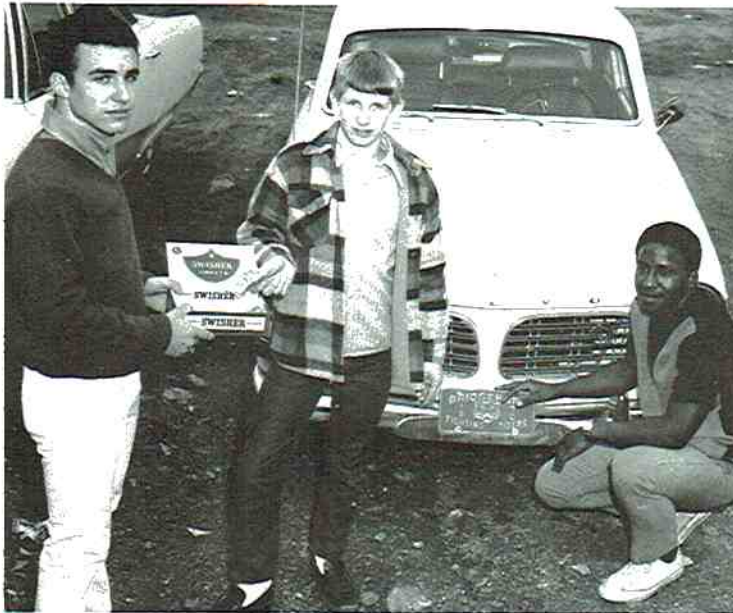

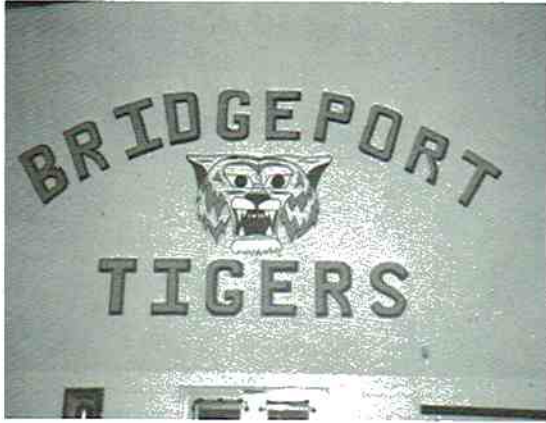

Due to the success of the football team, the B Club has been very active this year. The members have sought contributions, sold car tags, and held car washes to finance a trip to a bowl game for the team. As usual, planning began early for the annual initiation.

The Science Club is definitely one of the most active organizations at BHS. Once again this year the members worked hard to make the annual magazine and candy sales a success. Funds from these sales went to buy the much needed equipment for the science laboratory.

Dear Students:

You sure do have some persuasive girls twisting my arm forcing me to buy an ad. Really, these girls are O. K. because I taught them while I was at Bridgeport (Sheila Guess, Mary Jo Hill, and Mary Taylor). Let me give all of you some good advice:

1. Be sure and study hard.
2. Be nice to your teacher.
3. Be sure and make friends with all the students.
4. Be sure and go to church on Sunday.

Sincerely,

John Swafford
