THE TIGER

THE 1972 TIGER
BRIDGEPORT HIGH SCHOOL
BRIDGEPORT, ALABAMA

VOLUME XX

BHS MEMORIES...

Let us be the first to
give a friendly sign,
to nod first, to speak
first, and if such a
thing is necessary -
forgive first.

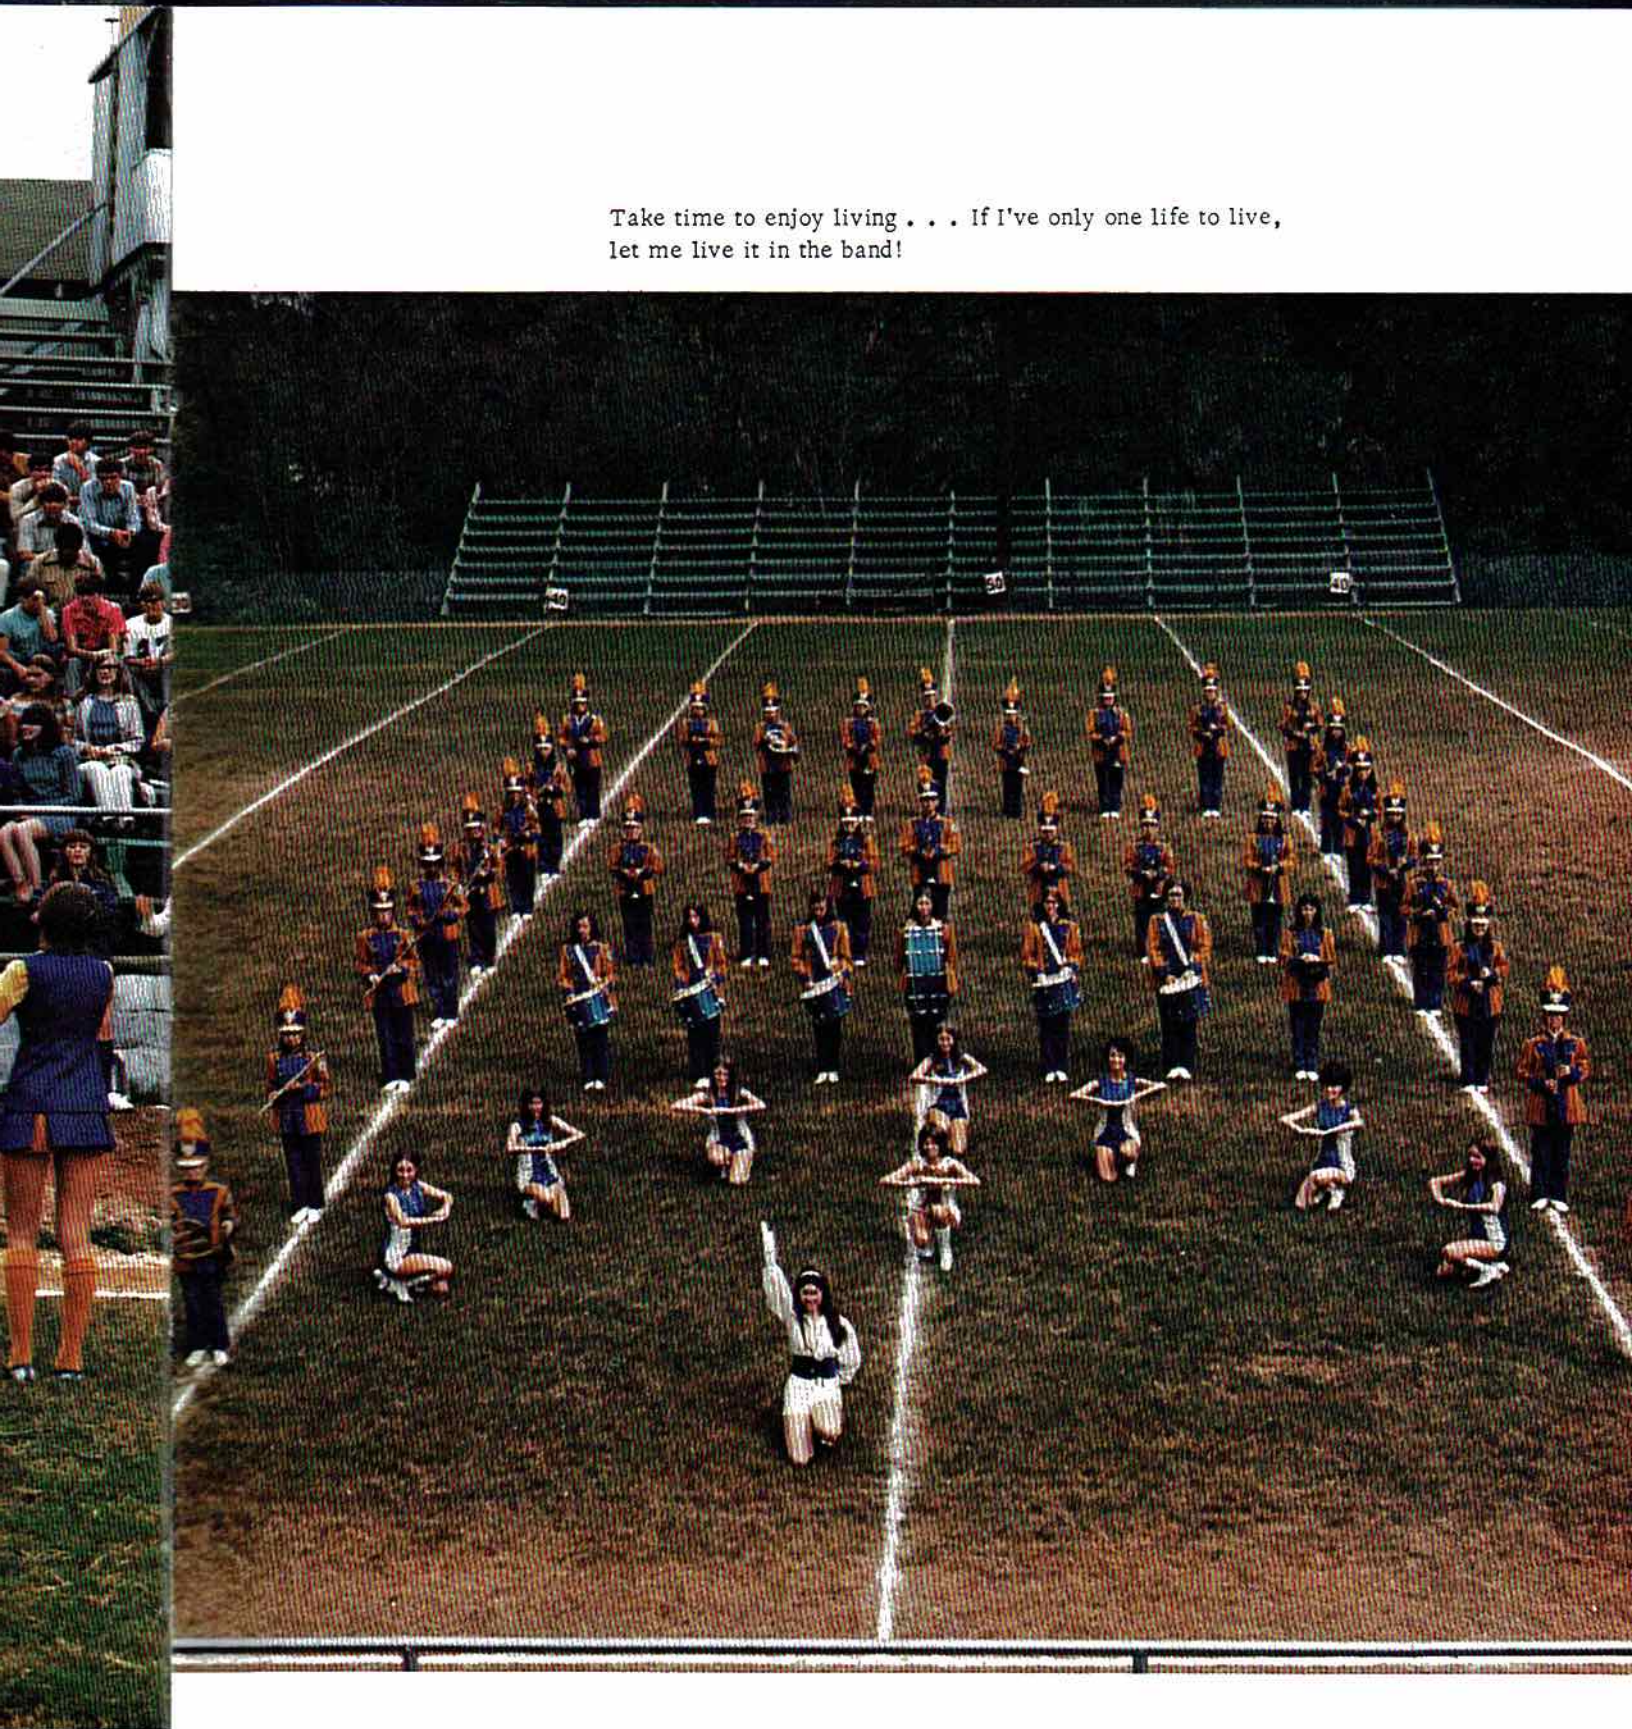

All that is true . . . ,
all that is lovable
and gracious . . . - fill
all your thoughts with
these things.

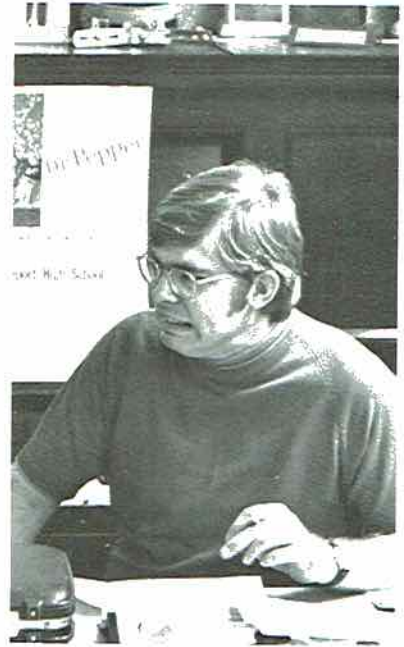

Take time to salute the Blue and Gold . . . Do it; do it - All right!

Take time to enjoy living . . . If I've only one life to live,
let me live it in the band!

Take time to read -
reading is the fountain
of wisdom.

Take time to love -
loving is what makes
living worthwhile.

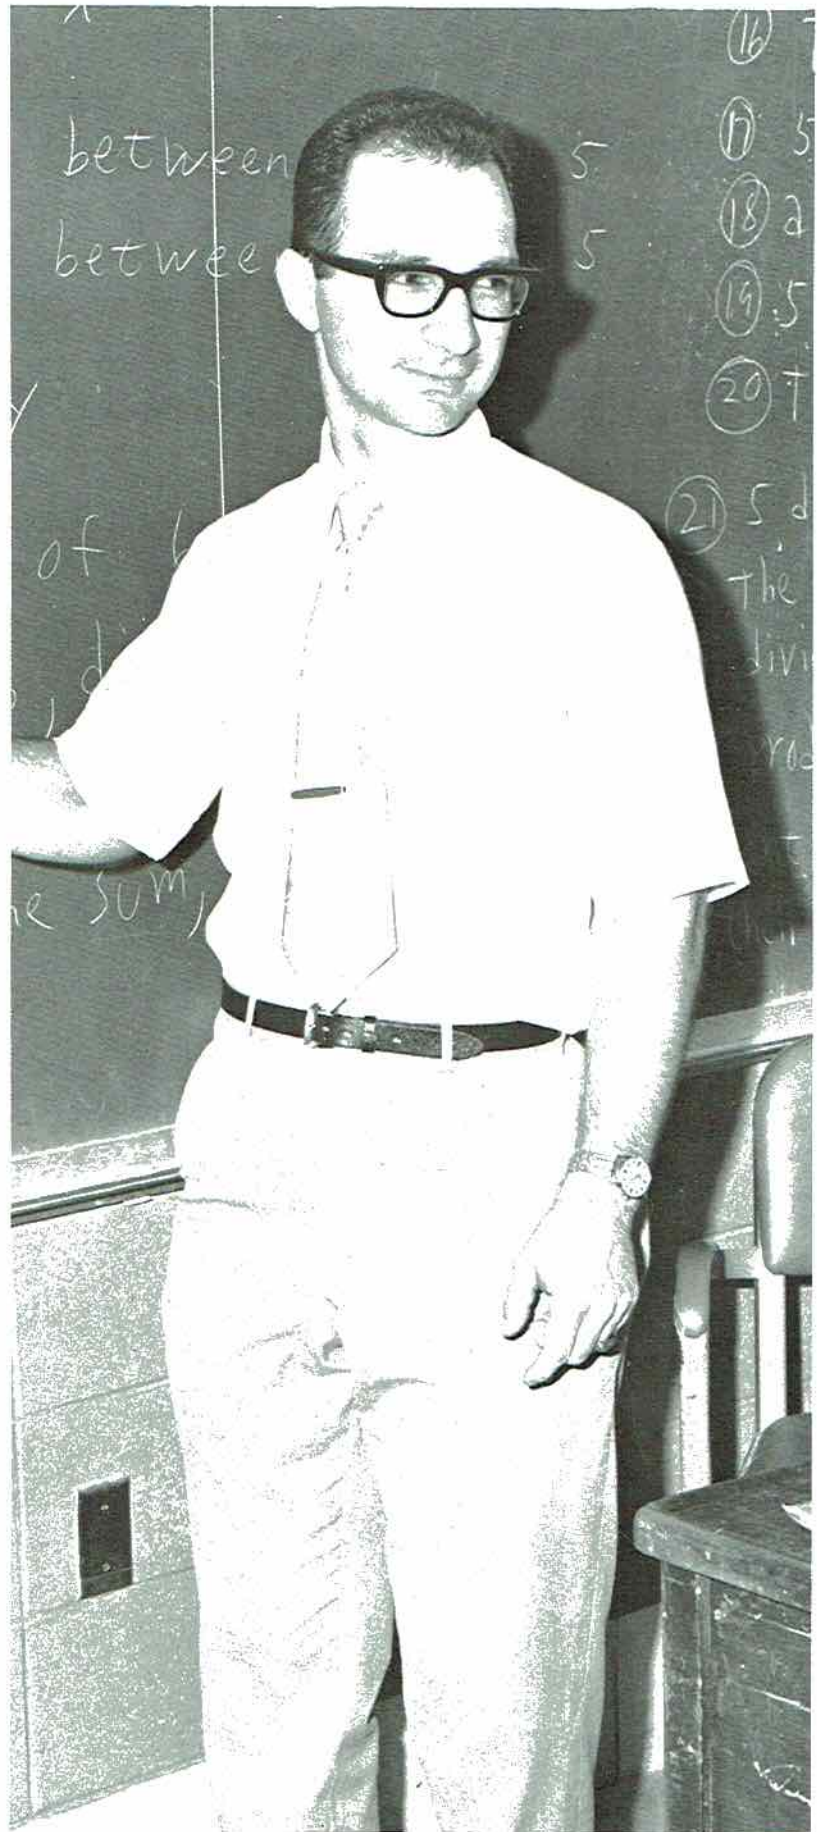

Take time to be friendly - friendships give life a delicious flavor.

Because he is a man with many special qualities such as charity, self-sacrifice, honor, and humility . . . because he doesn't strive for the limelight but gives the other person a chance to express himself . . . because he teaches and never grows weary, we, the Senior Staff, dedicate the 1972 TIGER to Mr. Larry W. Holland.

MR. LARRY W. HOLLAND

Mr. Holland attended Snead Junior College, Birmingham Southern College, and the University of the South at Sewanee. He holds his B. S. degree in math and physics and his M. A. T. degree in physics. Mr. Holland began his teaching career in 1965 at Bridgeport High School. He is now sponsor of the Science Club, Pep Club, and Junior class; he also teaches night classes at Northeast State Junior College.

Take time to find yourself -
you're the best friend you'll
ever have.

ADMINISTRATION

PRINCIPAL

Mr. George Strohm is the principal of Bridgeport High School. He is a qualified man for the job, and has attended the following colleges: Delta Jr. College, Delta State College, Mississippi College, University of Montevallo, and General Motors Graduate School.

Mr. Strohm first came here in 1970, and served as head football coach during the 70-71 season. At the beginning of the second semester, he became our new principal. Everyone is proud to have him here because he has done much toward the improvement of the school. The students especially appreciate him because he always makes it a point to listen with an unbiased opinion.

FUN . . .

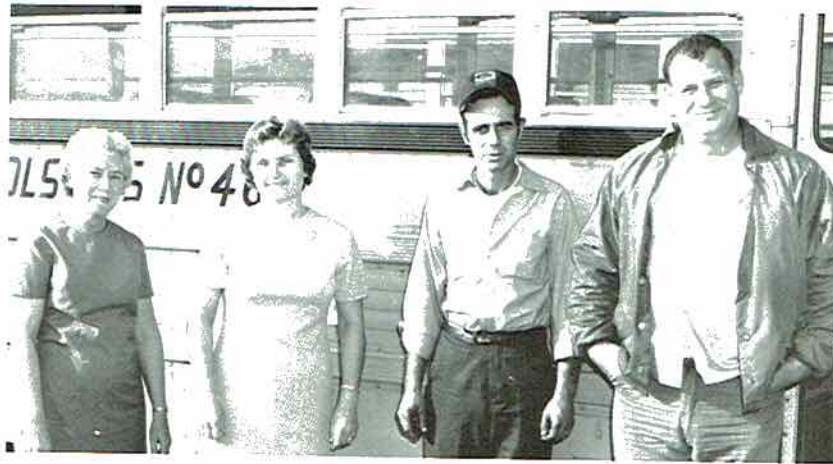

AND NO FUN

Fun is telling it like it is . . .
wearing your favorite hat . . .
those quiet moments between class . . .
No fun is getting that field
ready for the big game . . .
getting caught finding out
if blondes have more fun.

JOHN SWAFFORD FURNITURE

Fourth and Cedar Avenue
South Pittsburg, Tennessee

Dear Students:

You sure do have some persuasive girls twisting my arm forcing me to buy an ad. Really, these girls are O.K. because I taught them while I was at Bridgeport (PAM LAMBERT, MARY JO HILL, and MARY TAYLOR).

Let me give all of you some good advice:

1. Be sure and study hard.
2. Be nice to your teacher.
3. Be sure and make friends with all students.
4. Be sure to go to church on Sunday.

Sincerely,

JOHN SWAFFORD
