Dedicated To You

Go placidly amid the noise and haste, and remember what peace there may be in silence. As far as possible without surrender be on good terms with all persons. Speak your truth quietly and clearly; and listen to others, even the dull and ignorant; they too have their story. Avoid loud and aggressive persons, they are vexations to the spirit. If you compare yourself with others, you may become vain and bitter; for always there will be greater and lesser persons than yourself. Enjoy your achievements as well as your plans. Keep interested in your own career, however humble; it is a real possession in the changing fortunes of time. Exercise caution in your business affairs; for the world is full of trickery. But let this not blind you to what virtue there is; many persons strive for high ideals; and everywhere life is full of heroism. Be yourself. Especially, do not feign affection. Neither be cynical about love; for in the face of all aridity and disenchantment it is perennial as the grass. Take kindly the counsel of the years, gracefully surrendering the things of youth. Nurture strength of spirit to shield you in sudden misfortune. But do not distress yourself with imaginings. Many fears are born of fatigue and loneliness. Beyond a wholesome discipline, be gentle with yourself. You are a child of the universe, no less than the trees and the stars; you have a right to be here. And whether or not it is clear to you, no doubt the universe is unfolding as it should. Therefore be at peace with God, whatever you conceive Him to be, and whatever your labors and aspirations, in the noisy confusion of life keep peace with your soul. With all its sham, drudgery and broken dreams, it is still a beautiful world. Be careful. Strive to be happy.

A photograph of Bridgeport High School. The building is a long, single-story structure with a dark brick section on the left and a light-colored, possibly metal or concrete, section on the right. The words "BRIDGEPORT HIGH SCHOOL" are printed in dark, capital letters on the light-colored section. In the foreground, there is a large, well-maintained green lawn. The sky is overcast with grey clouds. The photograph is mounted on a dark album page with silver fasteners visible on the right edge.

Dear Students:

You sure do have some persuasive boys twisting my arm forcing me to buy an ad. Really, these boys are O.K. because I taught them while I was at Bridgeport (DAVID COATES, STEVE THOMAS, and DOC THOMAS). Let me give all of you some good advise:

1. Be sure and study hard.
2. Be nice to your teacher.
3. Be sure and make friends with all students.
4. Be sure to go to church on Sunday.

Sincerely,
JOHN SWAFFORD
