In years to come, as I look back, how will I remember? Will I remember the year as it was or as I had wished it to be? Will I remember only the happy times or the disappointments we also shared?

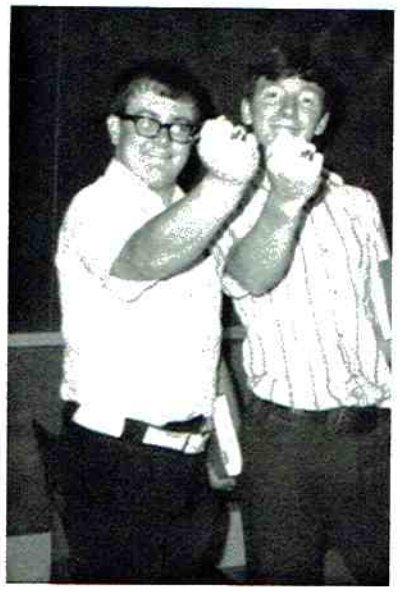

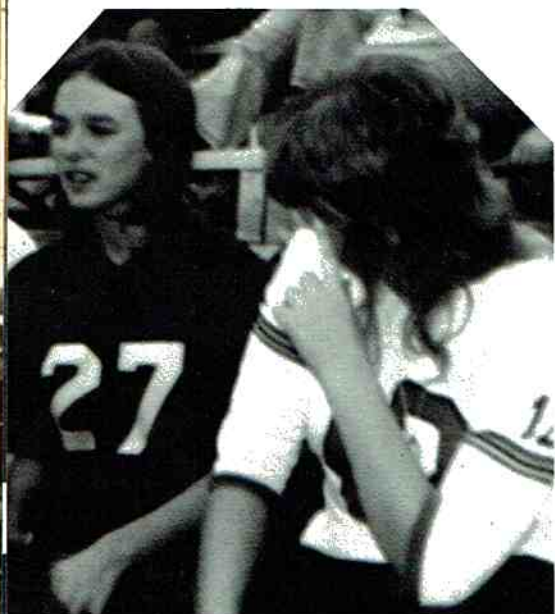

Did I utilize the days and the months to form lasting friendships with others? Or will the experiences we shared be lost forever with the closing of a book, never to be of benefit to me in a more serious later life?

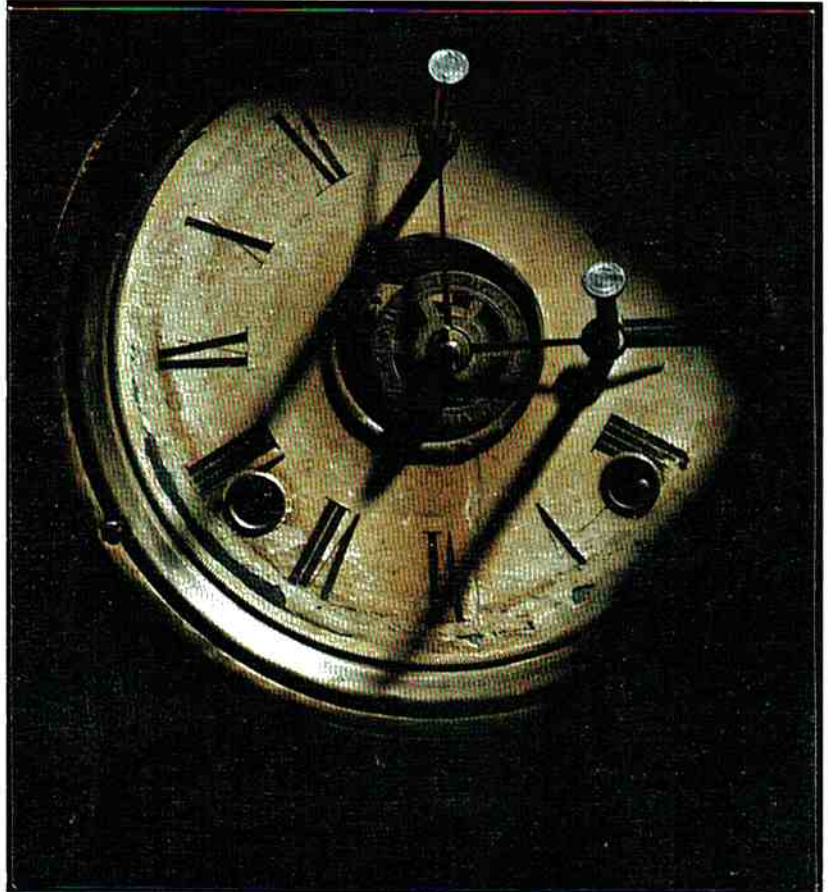

Will I recall the good times of shared laughter that came from such simple things as having a coke, or enjoying the fresh spring sun? Was I alone or was I a real part of them? What will I remember?

Dear Students:

You sure do have some persuasive students twisting my arm, forcing me to buy an ad. Really, these students are O.K. because I taught them while I was at Bridgeport (RUTH JACOBS, SUZIE PETERS, SHAWN HENSON, AND GLENN ROGERS). Let me give all of you some good advice:

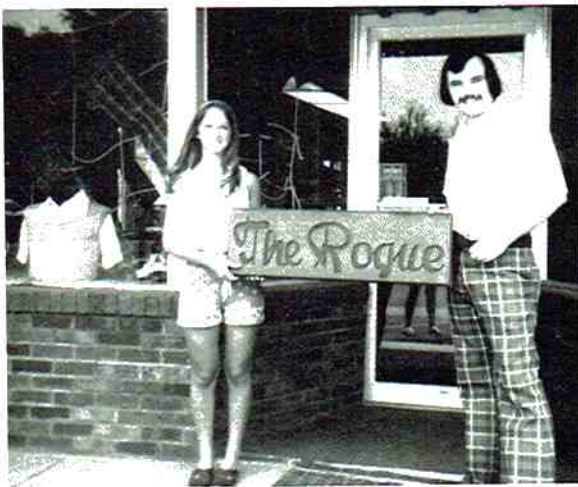

1. Be sure to study hard.
2. Be nice to your teacher.
3. Be sure to make friends with all students.
4. Be sure to go to church on Sunday.

Sincerely,  
JOHN SWAFFORD
