I've seen fire and I've seen rain,  
I've seen sunny days that I thought  
would never end,  
I've seen lonely times when I could  
not find a friend,  
But I always thought I'd see you  
again.

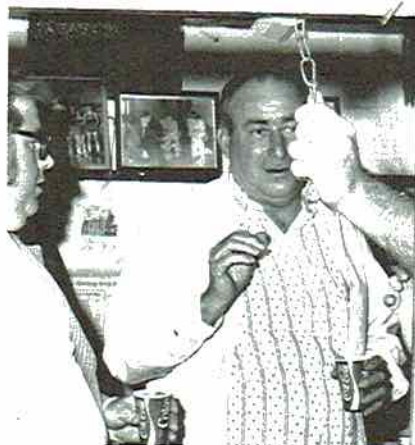

- James Taylor

## Dedication

Mrs. Sebring, you have been a true friend to us. But more than a friend, you have helped us in particular, on the yearbook and many others through the Tiger, in the library, and in your English classes. You have overlooked our carelessness, and our inconsideration. You have made us look within ourselves and laugh; you have pushed us farther along the road to maturity. Your calm resolution and your perspective of life have taken away our anger and substituted understanding. How can we say thank you to a woman who has done all this? We could have offered you a gift, presented you with money, but that is too meaningless for you. Instead, we chose to work many long hours to produce this yearbook for you. The 1975 Tiger is only the tangible embodying the intangible - our admiration. Therefore, we dedicate our yearbook, which is so all important in our Senior year, to you, Mrs. Helen Sebring.

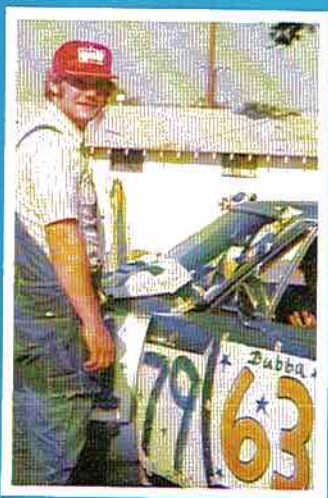

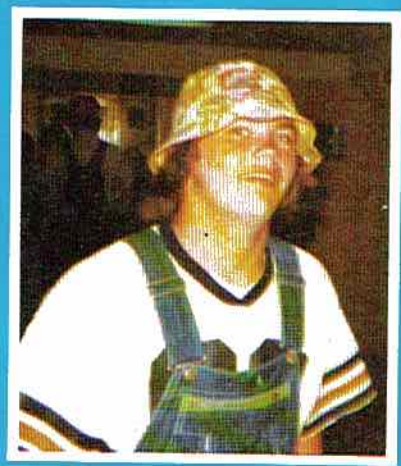

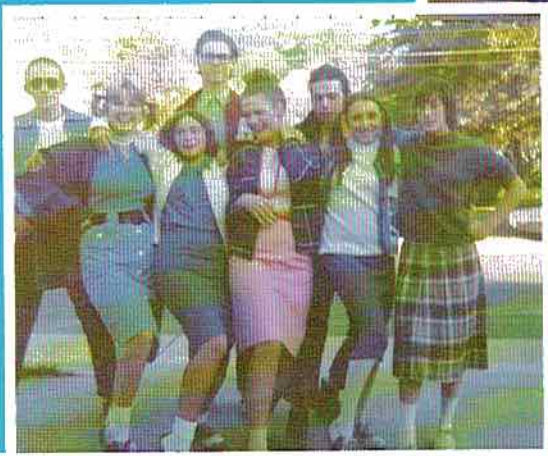

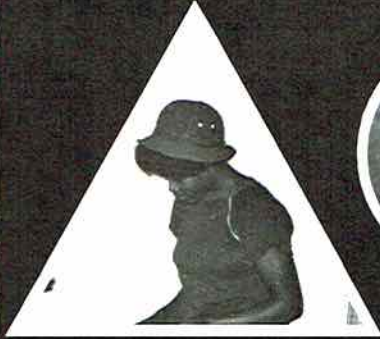

*The journey of a lifetime  
 Begins with a single step:  
 Reaching and searching for that  
 Intangible moment  
 When one's Identity is  
 Materialized.*

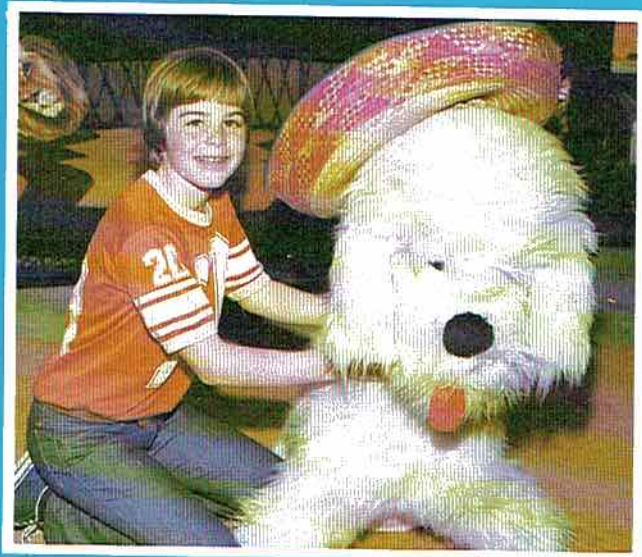

*In the beginning,  
We understand  
Neither the universe.  
Nor the world.  
Nor people.  
Nor ourselves.  
Blindly, we reach.*

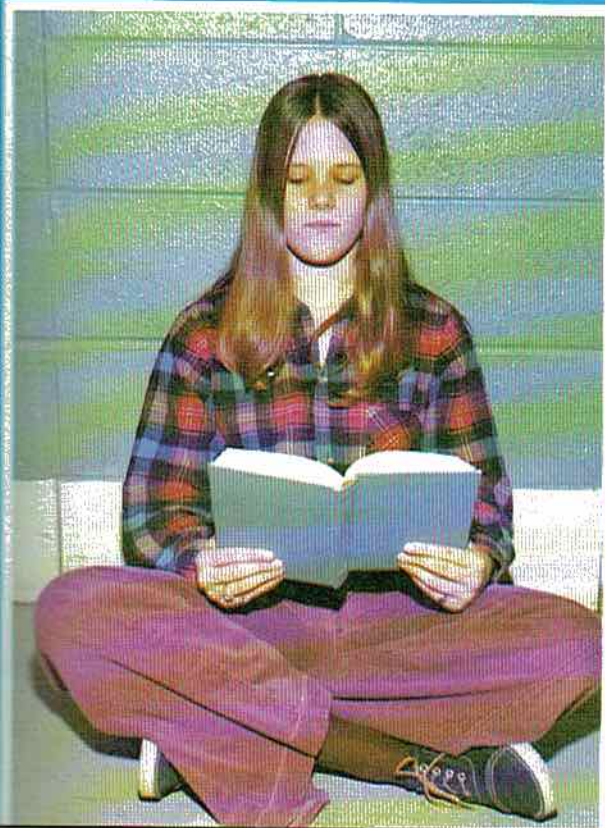

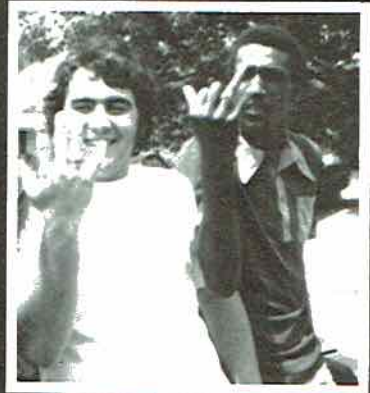

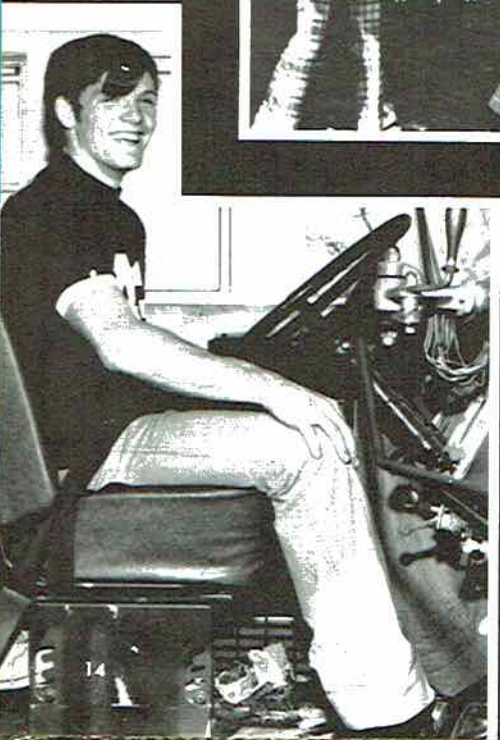

*We push forward individually  
To prepare for the time when  
The future becomes the past.  
The dream becomes a reality.  
A life imagined becomes a life lived.*

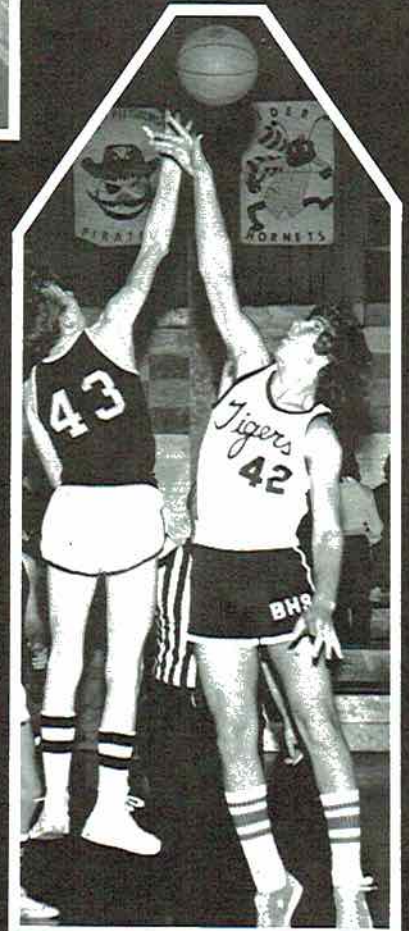

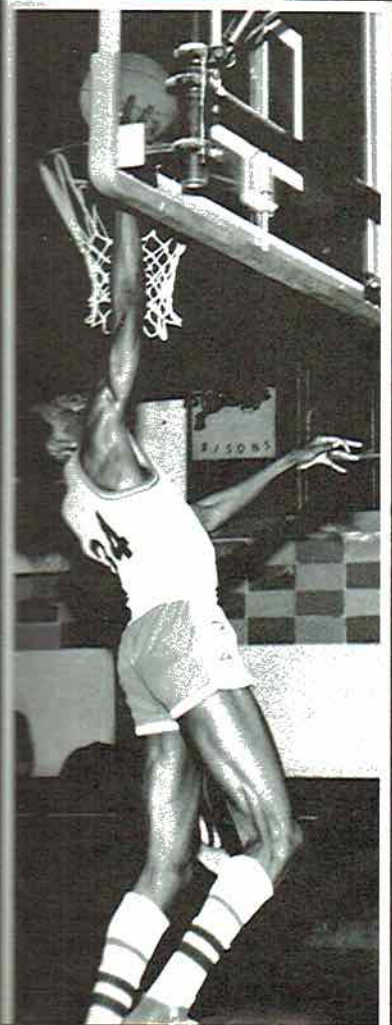

*Eager to realize a togetherness that must  
Be left untouched  
We pause to remember the good times before  
Movin' on to enjoy, enjoy, Enjoy.*

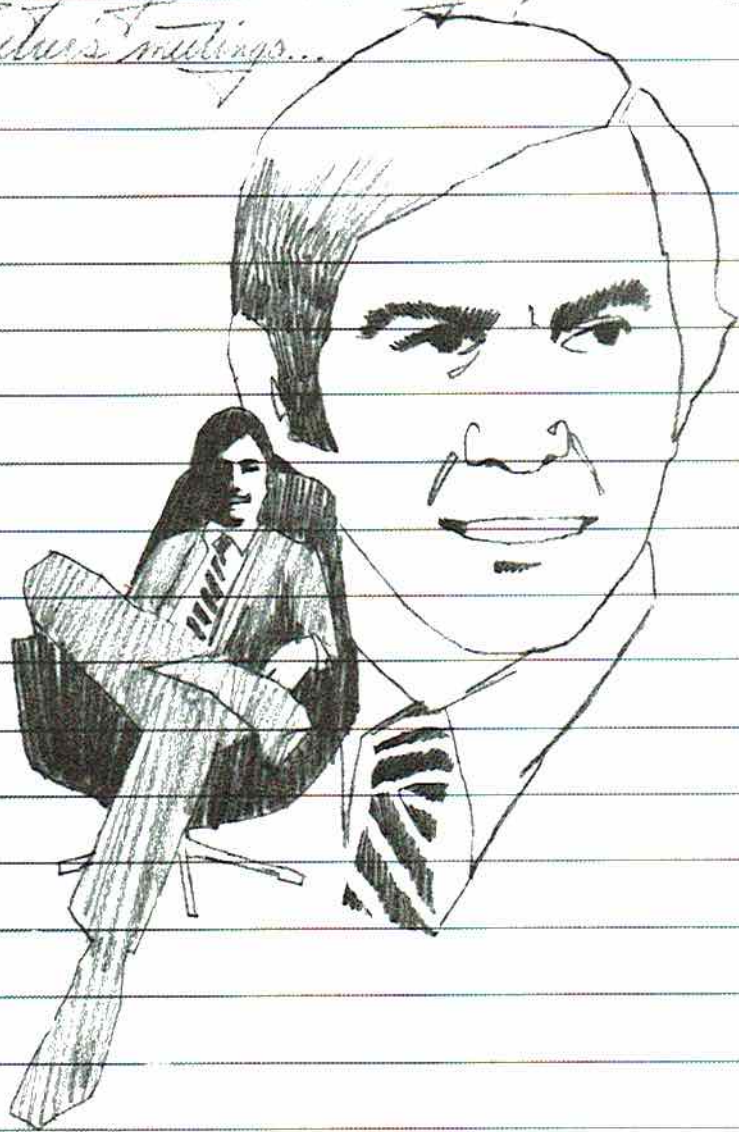

# Administration

first-period announcements over the P.A. system-  
taking time to talk with students-conferences  
with parents-conferences with teachers-confer-  
ences with school officials-keeping the nut tight  
under control-answering steady streams of phone  
calls-turning the wheels that keep the "machinery"  
of school life going-and heading up those early  
morning teachers meetings...

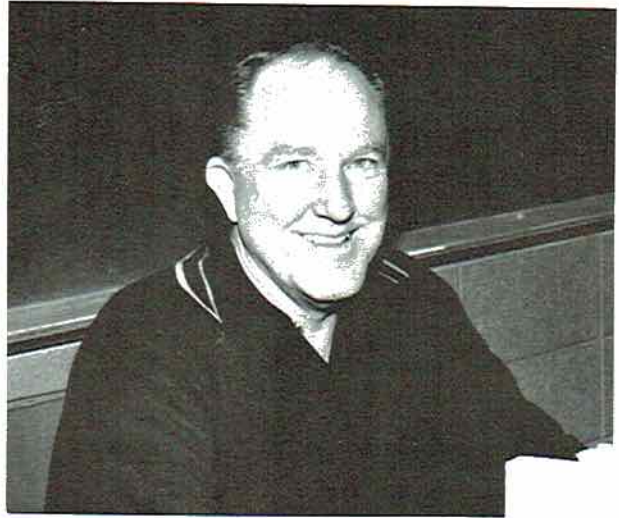

*Principal  
Mr. Joe Baxley*

We would like to welcome our new principal, Mr. Joe Baxley, to Bridgeport High School. He did undergraduate and graduate work at the University of Alabama. He holds an Educational Specialist Degree in School Administration.

ready to be turned loose upon the world—twelve  
years of hard work—now where?—college entrance  
exams, SATs and dorm applications (attach  
photo here)—making the rounds on interviews—  
joyous celebration and just a touch of nos-  
talgia—we made it (finally) and we're on  
our way!---

*In Memory  
Of  
Linda Kay Jones*

*Man that is born of a woman is of few days, and full  
of trouble.*

*He cometh forth like a flower, and is cut down: he  
fleeth also as a shadow, and continueth not.*

*For there is hope of a tree, if it be cut down, that it  
will sprout again, and that the tender branch thereof  
will not cease.*

*Though the root thereof wax old, in the earth, and  
the stock thereof die in the ground.*

*In Memory  
Of  
Michael Aaron Fogwood*

*Yet through the scent of water it will bud, and bring  
forth boughs like a plant.*

*But man dieth, and wasteth away: yea, man giveth up  
the ghost, and where is he?*

*As the waters fail from the sea, and the flood decay-  
eth and drieth up:*

*So man lieth down, and riseth not: till the heavens be  
no more, they shall not awake, not be raised out of  
their sleep.*

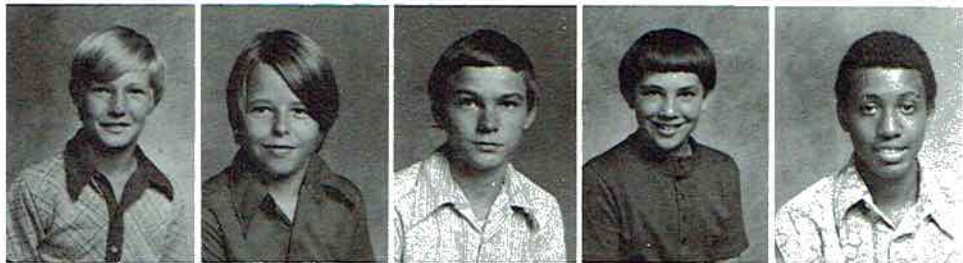

*— Job 14:1, 2, 7-12*

beauties and brains - most talented, wisest,  
most likely to succeed - our "favorite" people -  
somehow good times are even better whenever  
they're around - always ready with a smile -  
help make the school's "personality" what it  
is - involved - reaching out - these are the ones  
we have chosen -

## Honoraries

Awards Day - students being honored for their hard work -  
Graduation - the end of school and the beginning of a new life  
a sad time - a happy time - a time for tears but happy smiles shining through - moments we wish would stay, but they are now gone forever - -

# Award Day

*The Graduating Class of*  
**1975**

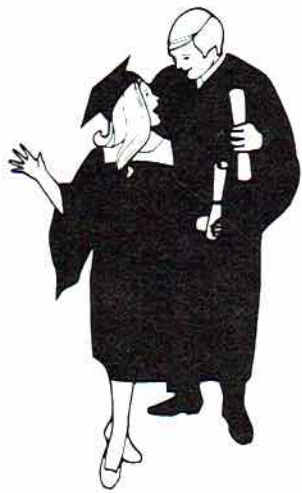

May 30, 1975, was a meaningful day in the hearts of the graduating class of Bridgeport High School. It was the time they said farewell to friends and happy, busy years, a time for fun and laughter, and maybe even tears, and the time to gather memories to hold as souvenirs. Now they realize:

Life is too precious,  
Too fleeting to waste . . .  
Be faithful, be loyal,  
Then all your life through —  
The dream that you follow  
Will keep coming true!
