Volume 2

If I could put
time in a
bottle,
The first thing that
I'd like to
do

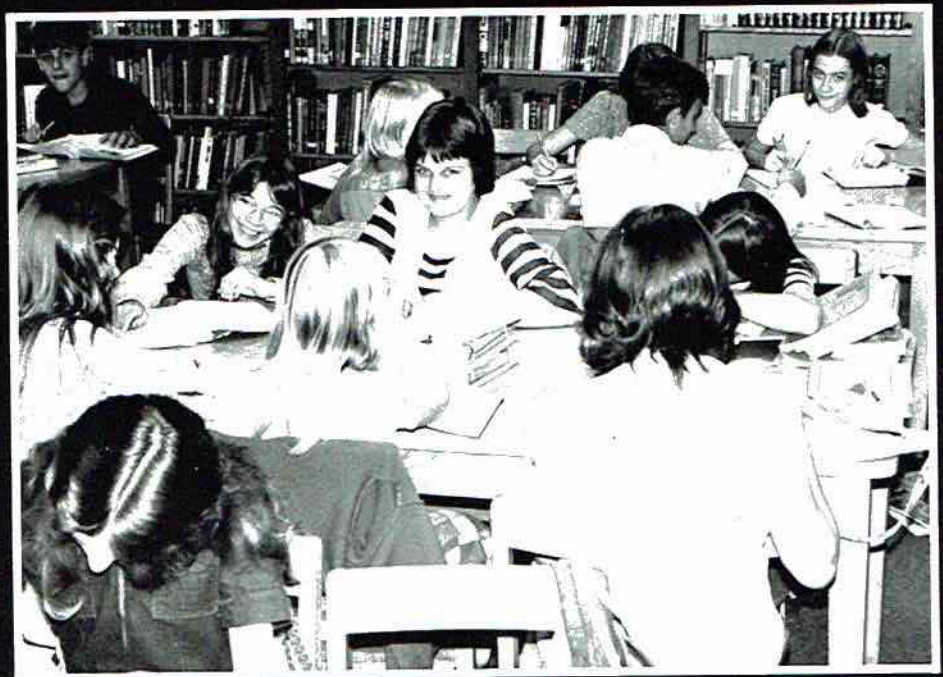

Is to save
every day
until eternity passes
And then I would
spend them with
you.

Well, there
never seems to
be enough time
To do the things
you want to do,
once you find
them.

Well, I've looked
around enough
to know

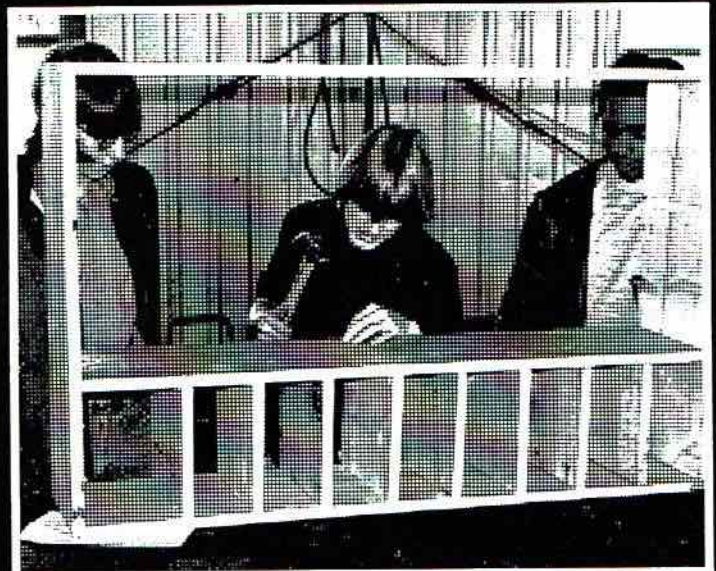

That you're the one
I want to go through
time with.

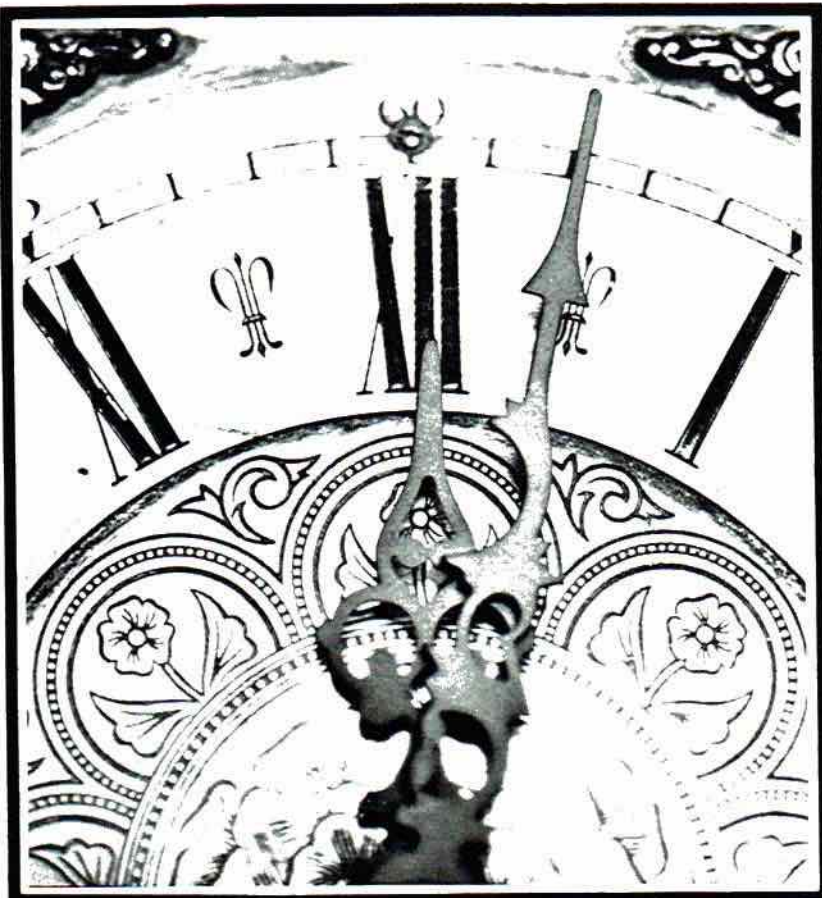

If I had a box just for
wishes and dreams that
had never come true,
The box would be empty
except for the memory
of how they were
answered by you.

"Time in a Bottle", by Jim Croce

Alma Mater

Bridgeport High School, Listen, mother,
To our vows of love,
To ourselves and to each other
Faithful friends we'll prove.

High school days are swiftly fleeting
Soon we'll leave these halls
Ne'er to join another meeting
Neath these hallowed walls.

So farewell, dear Alma Mater,
May thy name we pray
Be revered and ever stainless
As it is today.

Faithful, loyal, firm and true
Heart bound to heart we'll be
Year by year the ages through
Until in Heaven we'll meet.

Our senior year has been charged with emotion — excitement, fear, happiness, sadness, joy, and love. Everything we have shared with each other this last year — from pep rallies and ballgames to classes and breaks — has bound us together until we have become very close to each other. It is ironic that we, who have just this year realized how much we care for one another, should be torn apart so soon.

Paula Jo Westmoreland

Jeffrey Alan Wilson

Yes, we will soon leave BHS forever, and yet, for the rest of our lives we will retain all the wonderful memories of the years we spent at BHS. We will remember and appreciate all the people who with dedication, care, and love, guided us and taught us. Three of these people who have influenced and helped us are our principal, Mr. Paul Parker and our senior sponsors, Mr. Glenn Collins and Ms. Elizabeth Matthews.

Memories — Graduation, 1977

June 3, 1977, was a memorable day in the lives of the graduating class of Bridgeport High School. It was the last time they would be together as a class. It was an exciting day and a wonderful year which would not be forgotten. The events of this day would not be left behind, but would be kept in their hearts and looked back upon. The class could surely say, "Those were the days."

Good morning,
yesterday.
You wake up
and time has
slipped away.

And suddenly it's
hard to find
the memories
you've left
behind.

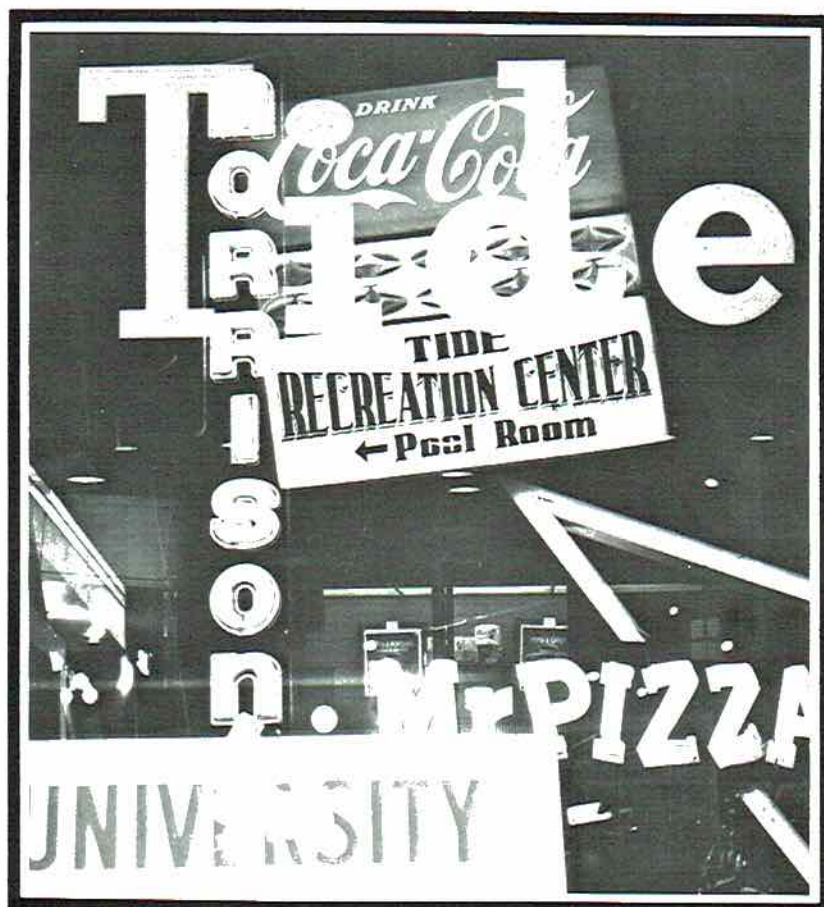

Remember,
do you remember
the times of your life?
