Our Principal

We are indeed fortunate to have as our Principal, Mr. James Pratt. This is his first year with us, and we feel that he has done an excellent job for us. Mr. Pratt is a graduate of Florence State College. We, The BULLDOG Staff and the entire school, say a special and warm Thank you, Mr. Pratt!

Mr. Pratt has us all on the move!

CLASSES!

CLASSES!

Classes . . .

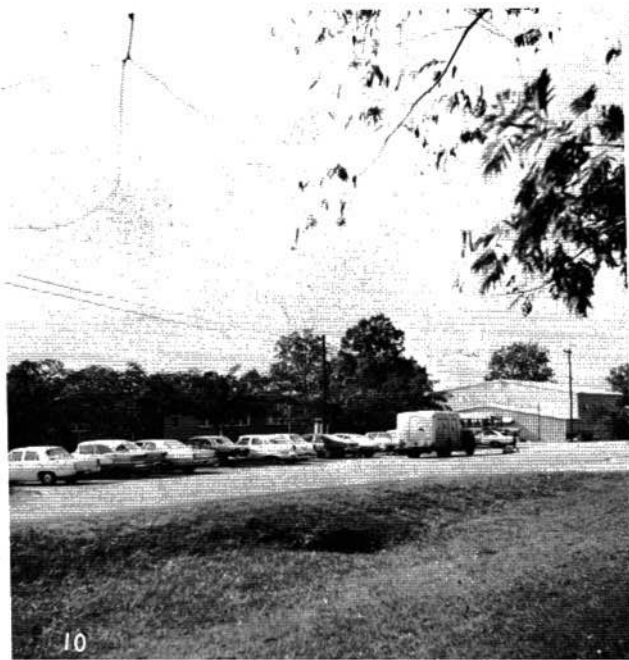

We, the Student Body, have seen many changes this year for our school. First, among our new faculty members are Mr. James Pratt, Principal; Miss Sandra Walker, third grade teacher; Mrs. June Wilson, fourth grade teacher; Miss Violet Anderton, seventh grade teacher; and Miss Betty Vaughn, eighth grade teacher.

We are so deeply appreciative of all the fine efforts of these new members as well as those of the members returning from last year.

We are very proud to have had football started this year at our school and of all the fine efforts made by the boys, the coaches, the cheerleaders and the entire cheering delegation who followed the Bulldog's games.

We are especially proud of the new gym which was completed in the winter. This will be of tremendous value and we hope basketball will take on a new face in years to come.

Each class during the school year of 1968-69 made a definite contribution to the school and pictured on the following pages you will find these classes and their activities and as you glance at these pages, we hope you will remember the fine school year of '68-'69.

The ninth grade is under the leadership of the following officers:

1968-69 Cheerleaders

Our Cheerleaders added much vim and vigor to our school spirit this year at sports events and at our pep rallies. We appreciate your efforts girls; and you all did a good job in keeping that BULLDOG SPIRIT alive, win or lose.

We are glad to have football added to our sports this year as a school-sponsored activity. We, the team, wish to thank all of you who supported us this 1968 football season. We especially want to thank our parents for being patient with us, and allowing us to participate in such a fine sport as football.

OUR HELPERS

Our custodian and lunch room workers are a very important part of our school days. Without them, it would be hard for us to carry on a normal school day.

Let's show them our appreciation for all that they do for us by helping to make their jobs easier. We can always clean up after ourselves and show that we are maturing young people with responsibility. In turn, this will make the work of these important people easier for them.

Dear Friends,

I appreciate all you people coming over to trade with me. I often tell people that I'd have to close up without the people from Bryant and North Sand Mountain. Guess I just ought to move up there.

Come to see me when you can.

Sincerely,

John Swafford
