## *Dedication*

We, the graduating class of Bryant Jr. High School, dedicate the 1972 year book to Mr. Sentell. He has been of great assistance to each of us in constructing the "Bulldog" this year. By dedicating this book is just a small showing of our appreciation to him. From each of us we earnestly say a special "Thank You."

We, of Bryant Jr. High School, would like to express our gratitude to Mr. James R. Pratt, our principal. We think he has done an excellent job in the four years he has been with us. From the entire school we would like to say a sincere "Thank You" for sustaining with us these past years.

MEMORIES ARE MADE  
OF THIS ...

Memories are material things to be felt in the same perspective as when they were realities, the harvest festival and its contest, the many ballgames and the cheerleaders, homecoming, the various parties, all contributing to the vast memory which is Junior High school life.
