LAST WILL AND TESTAMENT

We, the 1988-1989 eighth grade class of Bryant Jr. High leave the following items to next year's eighth grade in the hope that they will use them wisely.

Tena Hill leaves to Micky Jones her ability to stay in the Beta Club as an officer but still be a juvenile delinquent.

Jennifer Hill leaves to Misti Arnold her flirty ways and her ability to dance.

Britney Baker leaves to Melissa Whited her height. Brittny hopes Melissa can use the extra inches.

Joy Merritt leaves her odd way of dressing to Julie York. Joy wants her tradition to be carried on.

Angie Whitley leaves her seat in the little room during P.E. to Buffy Harris, in the hope that Buffy won't have to use it as much as Angie did.

Kim Bishop leaves her giggly, talkative ways to Michelle Smith and hopes that Michelle will use it--but not as much as Kim did!

Kami Jones leaves her ability to play basketball to Jennifer and Jamie Robinson so they will keep up the good work and play as well as they did last year.

Andrea Key leaves her hot, pink eye shadow to Teasie Hamilton and hopes that Teasie can wear it one day.

Clarissa Laney leaves her long dangling earrings and wings to Holly Scott. The earrings can be used as an anchor to keep Holly from flying away as the wind catches her wings.

Michelle Vann leaves to Rachel Hill her cheerful morning attitude.

Chad Spurgeon leaves his net grabbing ability to Phillip Decker (Sleeping Beauty).

Terri Lowrey leaves her ability to become Student of the Month to LeeAnn Hardison. Terri hopes that LeeAnn will take advantage of the privilege.

Ashley Gann leaves her preppy ways to Stephanie Morgan.

Jason Sanders and Stacy Gilliam leave their ability to ride four-wheelers anytime school is out to Mitchell Hindman and Cory Walker.

Terry Chapman leaves his ability to shoot a basketball to Keith Smith.

Olivia Boyd leaves to Amy Cuzzort her British Knight high-top tennis shoes. They will be useful to Amy when she rides her horse.

Darrick Whited leaves his ability to forgive and forget to Buffie Jeffers.

Jeremy Smith leaves Johnny Holman his basketball ability.

Jason Bradford leaves to Travis Evans his ability to bring his books to class. Travis sometimes could use the help.

Larry Brown leaves his ability to dribble a basketball to Donnie Lowe and hopes that he will find it useful in the following years.

Kristy Knight leaves her good friendship and long hair to Lori Adams because Lori doesn't like the way her mom makes her get her hair cut.

Amy Kirkpatrick leaves to Denise Smith her friendly, outgoing personality.

Stephen Cooper leaves his ability to bet and win on basketball and football games to Aaron Taylor. Stephen hopes that it will bring Aaron as many riches as it brought him.

But most of all, the eighth grade leaves with good wishes to everyone.

CLASS PROPHECY

The year is 2009. It has been twenty years since the eighth grade class of 1988-1989 has gathered all together. They recently held a class reunion to catch up on the latest news. There were several surprises.

DARRICK WHITED has taken over as the leading world terrorist in Libya. He is now launching a direct offensive against the small town of Bryant to demonstrate his power.

JEREMY SMITH has taken the place of his idol, Michael Jordan, and his nickname is "Little J". Jeremy has come back to BJHS to teach the students how to play real basketball.

ASHLEY GANN and **AMY KIRKPATRICK** have established a clinic in Bryant, but its reputation is known around the world. Ashley is the doctor and she is assisted by Nurse Amy. The clinic specializes in helping people develop lasting friendships.

KIM BISHOP, ANGIE WHITLEY, and JOY MERRITT, after leaving Bryant, became regulars on the "All New Dating Game." They have now replaced Jeff McGregor and have become the hostesses on the show.

STACY GILLIAM, LARRY BROWN, and JASON SANDERS now own a body shop and garage in Bryant. It is known as "S, L and J Body Shop." It is well known for the work it does on bodies of all types.

OLIVIA BOYD is a well respected lawyer in the Bryant area. Olivia defends criminals of all kinds. She receives much help from ANDREA KEY, her legal secretary. Andrea works really hard to keep Olivia on the right kind of cases.

After being discovered at a Bryant show, TENA HILL, KAMI JONES, JENNIFER HILL, and MICHELLE VANN went on to make it big in the music business. Their first two singles "Welcome to the Classroom" and "Are You Getting It?" are competing for number one on the charts. The number two song, which they recorded, is "Teachers Just Don't Understand." As the "Dis orderlies" they have their own line of designs called Dis-orderly Wear.

BRITTNEY BAKER is a renowned architect. She recently designed a building called "Quantum Tech Laboratories." CLARISSA LANEY and TERRI LOWREY supposedly helped Britney in the construction of the building, but they spent most of their time talking to their fellow (male) workers.

CHAD SPURGEON and Icky Woods have come out with a video showing BJHS students how to do the Icky and Chad Shuffle.

KRISTY KNIGHT has recently received the "Journalist of America" award for her outstanding article on the homeless of Bryant.

TERRY CHAPMAN owns his own bait shop in Bryant. It is called "Scratchy's Bait Shop." It specializes in all types of fish bait and also Terry's own special invention, Scratchy's special deer scent, which is guaranteed to work.

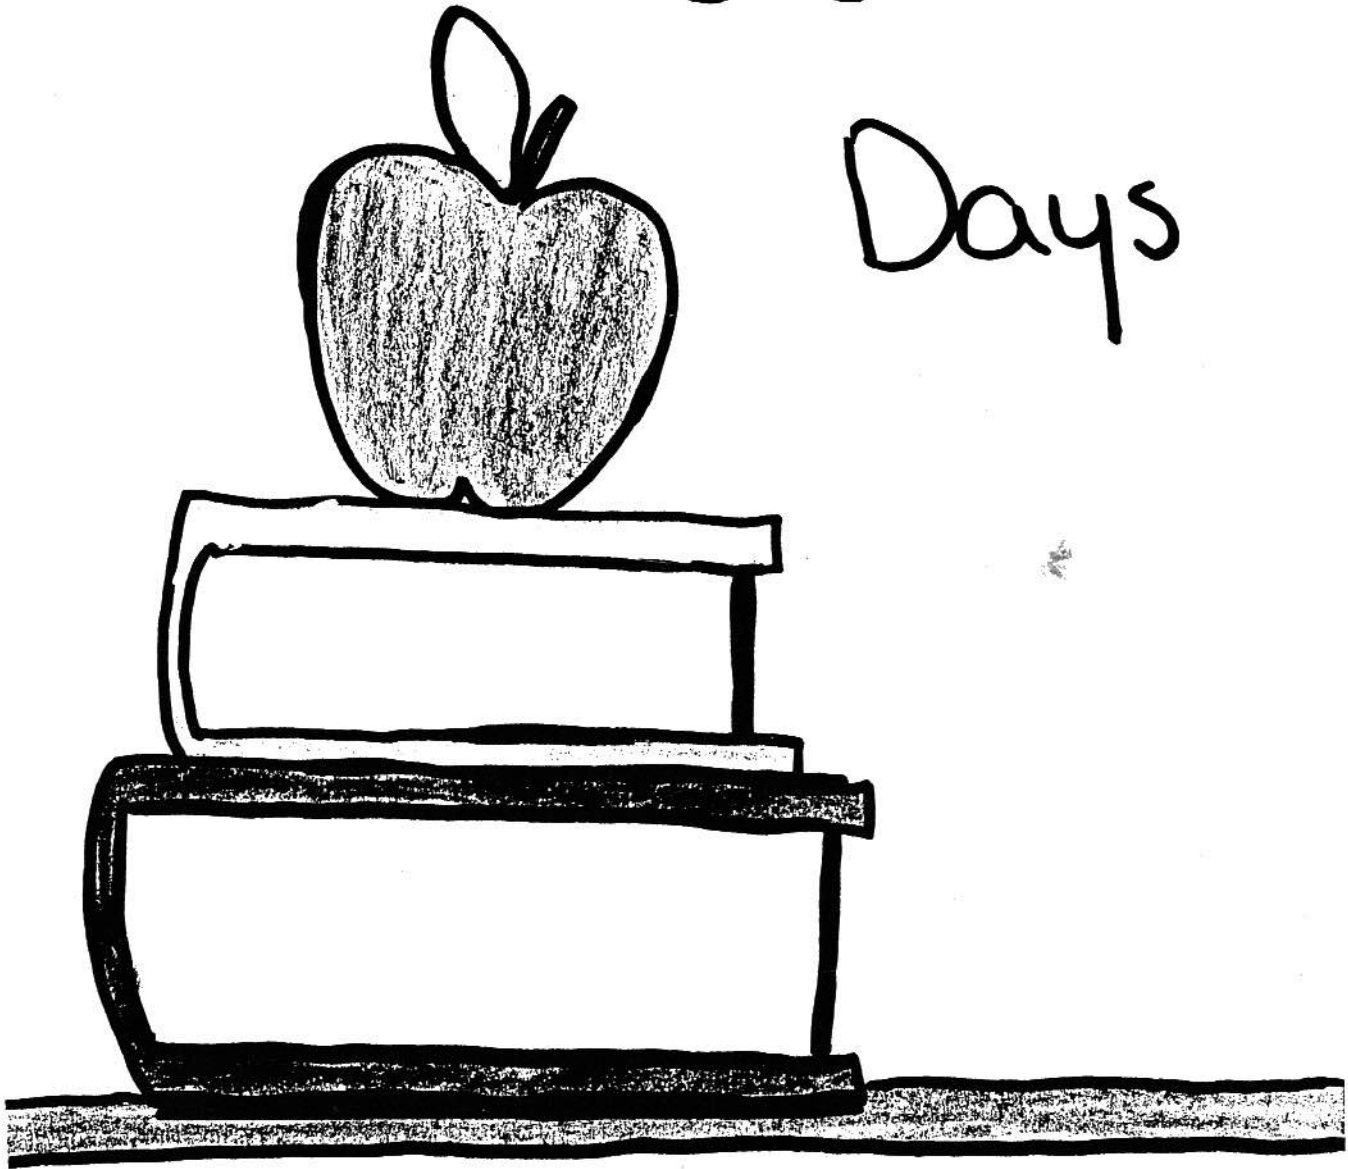

STEPHEN COOPER is now the head of the CIA, and has recently been investigating bomb threats against Bryant Jr. High. Stephen has been quoted as saying, "We win either way."

JASON BRADFORD has become famous as a professional basketball player. It seems that after he left Bryant he grew to a height of 6 feet and 11 inches.

Yes, there were several surprises in store for everyone, but after only a few moments, the former students were enjoying themselves as they always did while at Bryant Jr. High.

CLUBS

The ANNUAL STAFF is comprised of students from the eighth grade. These students work hard so that Bryant School can have an annual each year.

The BETA CLUB sets an academic standard for the students at Bryant School. The club is responsible for community and school projects each year.

Through programs on woodworking, soil science, and conservation, the BOYS' 4-H CLUB teaches techniques which can be put to future use.

The GIRLS' 4-H CLUB is open to girls in grades four through eight. The girls learn homemaking skills which will be useful to them in the future.
