FOREWORD

For North Sand Mountain's Senior Class graduation is a mountain peak experience. Behind lies a valley of fond school-life memories to be cherished forever along with our American Heritage.

We hope that you will find in these pages warm and happy memories of classmates, teachers, and activities that were a part of your school life at N.S.M. in 1966-67.

Ahead the mountains may loom steep and rocky - or the pathway may be narrow and lonesome - or the tasks may seem formidable.

But we, the seniors, hope to face the future with faith, courage, and the determination to succeed, always pursuing the rainbow that may someday become reality and a dream fulfilled.

On Sand Mountain's northern boundary,
Reared against the sky,
Proudly stands our Alma Mater
As the years go by.
Onward, ever, ceasing never,
Upward be our goal.
Hail to thee, our Alma Mater!
N. S. M. ! All hail!

PRINCIPAL'S MESSAGE

MR. P. L. BENTLEY

It has been said that obtaining an education is the first job anyone has. Whether you are successful at it will have a great deal to do with whether you are successful in later years.

To all students, I would like to express my desire to help you in any way that I can; and to the Seniors I extend an invitation to come back and visit us after you have graduated.

CLASS POEM

What lies ahead?
Uncertainties fill our minds.
It's time to walk upon the
Road of adult life.
With success to be our only goal
We'll live, help, love, and give.
For life is too short
To withhold any goodness to any soul.

For each is born with a
Purpose to faithfully fulfill.
This we must do if our lives
Are to be complete.
Each has certain plans to carry through.
May we, the Seniors
Of nineteen-hundred and sixty-seven,
Give our best.
We've reached our goal,
The highest goal of true success!

Poetess,

Joyce Gray

LAST WILL AND TESTAMENT

We, the Seniors of 1967, with respect to ourselves and all, leave the following: To the faculty we leave the valuable results of our astonishing discoveries made by the application of our brilliant intellects on surprise test; and to the Junior Class we hereby, declare our last will and testament of all our indifferences by which we have succeeded through twelve years of instruction without being seriously affected.

I, Donald Atchley, will my long legs to Glenda Smith.

I, Jimmy Boatner, will my ability to get along with the girls to Dalton Smith.

I, Jo-Ann Brown, will my ability to talk to Ronnie West and Jewel Morgan.

I, Ronnie Carrell, will my brown eyes to Charles Fleming.

I, Charles Chamblee, will my good personality to Ivan Knight.

I, Diona Cooper, will my ability to become engaged in my Senior Year to all Junior girls.

I, Sammy Dobbins, will my slyness and generosity to Carl Shrader.

I, Donna Edwards, will my happy-go-lucky ways to Linda Green.

I, Joyce Gray, will my ability to get along with other people to Jackie Hickman.

I, Carthell Higdon, will my good build to Larry Shrader.

I, Patsy Higdon, will my long black hair and dependability to Debra Wilbanks (Bowl Head).

I, Linda Johnson, will my popularity to Sue Henegar.

I, Tim Knight, will my Cue Stick and Pool Chalk to Chester Higdon and Wade Evans.

I, Eldridge Shrader, will my ability to pester everyone to Gail Hardeman.

I, Larry Smith, will my ability to skip school to Joe Higdon.

I, Shirley Smith, will my blue eyes to Buddy Price.

I, Douglas Whitley, will my ability to be absent from school to Danny Tinker and Wayne Pennington.

I, Velma Williams, will my quietness to Susan Anderson and Shirley Higdon.

Last, but not Least, I, Charlotte McBryar will my Unused Metrecal to Severa Freeman.

Lawyer,
Charlotte Ann McBryar

CLASS PROPHECY

As I was sitting on my bed studying for final exams, I was captured by sleep. Soon I was living in the year 1987, cruising through the air in my spaceship. I decided to rest at the airport in Higdon, my old home town, and visit the graduating class of '67. The progress and changes that had taken place amazed me. The most obvious changes were:

Eldridge Shrader, alias, "Eagle Beak", was the Lightweight Boxing Champion of the Universe.

Jo-Ann Brown was one of Hollywood's greatest opera singers.

Charles Chamblee was a professor of Psychiatry at Harvard University.

Patsy Higdon was back in Higdon working at Pete's Go-Go Club.

Ronnie Carrell, who now is a millionaire, was persuing his hobbies of relaxing an doing nothing.

Shirley Smith was a famous taxi-driver in New York city.

Sammy Dobbins had his own band called the, "Space Spinners".

Charlotte McBryar was a private secretary to a private man.

Larry Smith was working in Paris as a hair stylist for the great Phillis Diller.

Joyce Gray was working with the New York Yankees, as their pitcher.

Tim Knight was the proud owner of the workd's largest Gym Club for women.

Linda Johnson lived in a 50,000 dollar home and was raising "Greens."!

Jimmy Boatner was the world's greatest Drag Racer.

Velma Williams, who made a career of the Waves, was sailing a ship around the world.

Douglas Whitley was a famous Marriage Counselor in Atlanta, Georgia.

Diona Cooper was all tears, and no smiles, as she was caring for her quadtriplets.

Stanley Chapman had just taken over the Jack La Lanne Show.

Carthell Higdon was the janitor at dear old N. S. M.

Donald Atchley was the owner and operator of Mother's Restaurant, specializing in roasted "Duck."

After I visited among my former classmates remaining in Higdon, I was anxious to continue my journey because I was on my way to making history as the first lady astronaut to land on the moon. Strangely enough, just as I landed on the moon, I fell off the bed only to discover how late it was and that my spaceship was only my history text book.
