1971 CAMERONIAN

NORTH SAND MOUNTAIN
HIGH SCHOOL

Higdon, Alabama

Cameronian

The Cameronian is the traditional name for the N.S.M. yearbook. The name fits our locality very well, meaning ... "Mountain Folk."

Alma Mater

On Sand Mountain's northern boundary,
Reared against the sky,
Proudly stands our Alma Mater!
As the years go by.

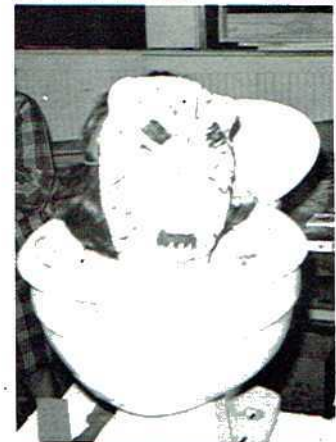

Onward ever, ceasing never,
Upward be our goal.
Hail to thee, our Alma Mater!
N.S.M.! All hail!

Dedication

We, the Cameronian Staff of 1971, wish to show our appreciation and to recognize Mr. Nathan D. Black, who has won a place in the hearts of many at North Sand Mountain by being more than just a teacher, but also a friend. He has not only shown a great interest in our student body, but has also taken an interest in other activities that would take up his own time. This we are thankful for, and we would like to dedicate this, the 1971 Cameronian, to Mr. Nathan D. Black.

Class Prophecy

Linda and I were skipping school one day. As we were about to climb the steps at Pete's, we were amazed to see a UFO land in the parking lot. Little blue men emerged from the ship and forced us to board it. They took us into their time room and showed to us the members of the Class of 1971 twenty years into the future. This is what we saw:

Henry Williams was head of Paul Bunyan Enterprises Inc. & Co.

Gail Campbell was teaching business subjects at the University of NSM.

Harold Anderson had just taken over the Groucho Marx TV show.

Charlene Smith was a famous folk singer and was appearing for three weeks at a Higdon night club.

The new night club, The Bunny-a-go-go, was run by none other than Kenneth Christopher.

Bernice Crabtree was Chief Den Mother of the Cub Scouts in Higdon.

Larry Cloud had finally settled down and decided he would try going steady for more than two days at a time.

Miss Marcia, the hostess of Funtime, had caught Egyptian Flu and was replaced by Judy Fleming.

Gay Freeman was manager of the Wig Dept. at Pete's Crossroads Shopping Center.

Billy Elliot holds the record for most books read in a year.

As a result of her work in Women's Lib, Carolyn Cooper was now mayor of Higdon.

Beverly Higdon is now owner of the Higdon Hotel for bachelors only!

David Freeman had just won the Firecracker 500.

After 20 years Carolyn Johnson is finally flying to California to meet Sajid Khan.

Gerald Freeman is now editor of Swank Magazine.

Loretta Nelson is now a famous ballet dancer.

Milford Garrard has finally found the Fountain of Youth and is bathing daily.

Vonda Smith is a successful housewife and mother and also sponsor of FHA at NSM.

Ricky Hamilton is the lead singer for the new singing group, Spaghetti and the Meatballs.

JoAnn Spurgeon is now working as a cashier at Leo Bomian's Grocery Store.

Randy Holman, after 20 years of pro football, has decided to become football coach at NSM.

Michael Knight is sponsor of the NSM Beta Club and can't wait until time for the Beta Convention.

Shelby Whited has taken the place of Ann Landers.

Dwayne McLain is now a famous photographer at Farley Studios.

Kathy Wilbanks and Larry Spears are now celebrating their 20th wedding anniversary.

J. L. Smith and Larry Talley are still visiting the McBryar sisters.

We saw Wayne Edgeworth and myself just finishing a book on how to succeed at marriage while attending school.

After an extraordinary conversation we were released to go on our way to Pete's.

PROPHETS,

Linda Atchley
Hollie Hawkins

Bernice Crabtree

Harold Anderson
Oh, ain't I cute.

Charlene Smith
I'm sorry mommy.

Milford Garrard
Hey look, no teeth.

Camryn Johnson
Will this meeting
be over please

Gail Campbell
I just had my hair fixed.

Randy Holman
What big eyes I have.

Kathy Wilbanks
Could you ask for a
better figure?

Larry Spears
Don't you love me any-
more.

Camryn Coope
There goes a gra-
lapper.

Judy Fleming
I just don't understand.

Dewayne McLain
You'll never guess what
I've got behind my back.

Beverly Higdon

An advertisement for Coca-Cola. It features two illustrations of people on bicycles. The top illustration shows a woman on a bicycle with the text "Wherever you're going..." and a small circular logo that says "DRINK Coca-Cola". The bottom illustration shows a man on a bicycle with the text "wherever you've been" and another small circular logo that says "DRINK Coca-Cola". In the center, there is a large circular logo that says "DRINK Coca-Cola REG. U.S. PAT. OFF." and a bottle of Coca-Cola on the right. A speech bubble from the large logo contains the text "When you need a little lift — depend on Coke".
