The 1980 CAMEO is dedicated to a gentleman whose life as a teacher is a good example of success. His concern for others, sense of humor and endless knowledge of history has gained him the respect and admiration of students and colleagues. In the past, he has spent his spare time working for the betterment of our yearbooks. With deep appreciation and gratitude the 1980 CAMEO is dedicated to . . .

Edward H. Carter

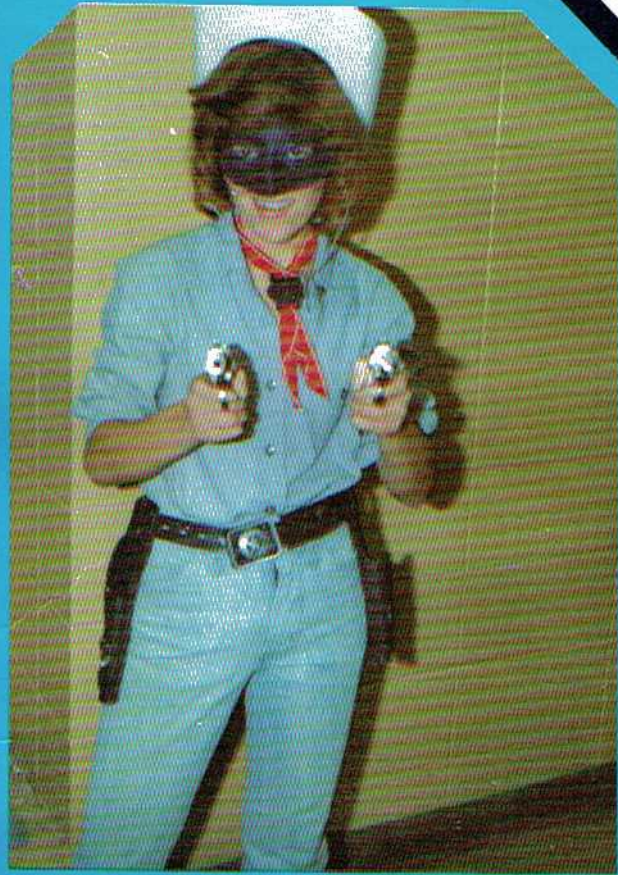

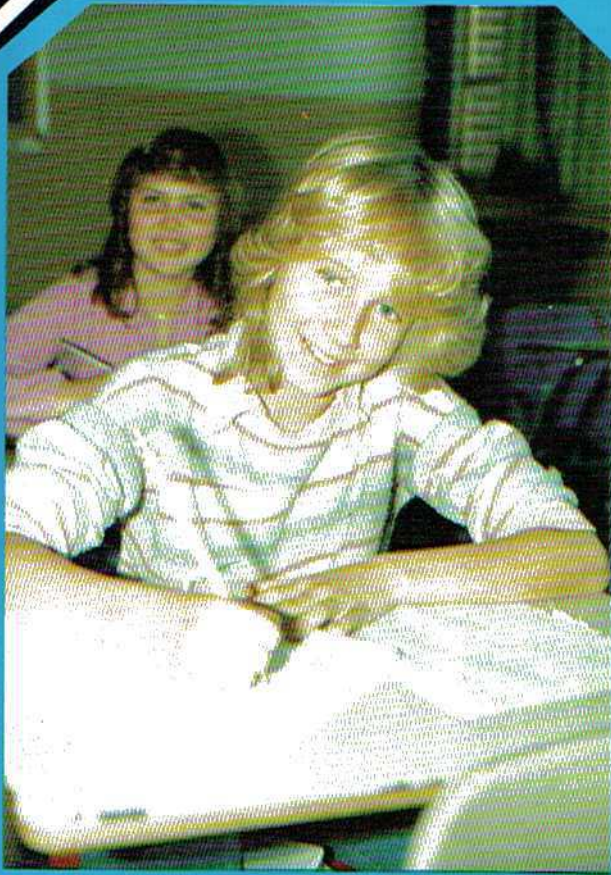

SCHOOL DAYS are the carefree days
of youth . . . Days filled with growing

and learning. School days are made for creating memories
and having fun.

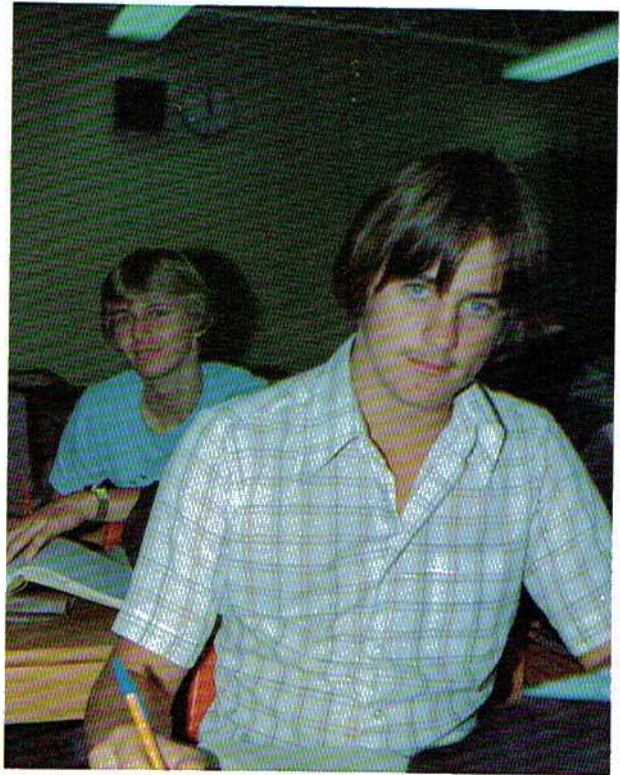

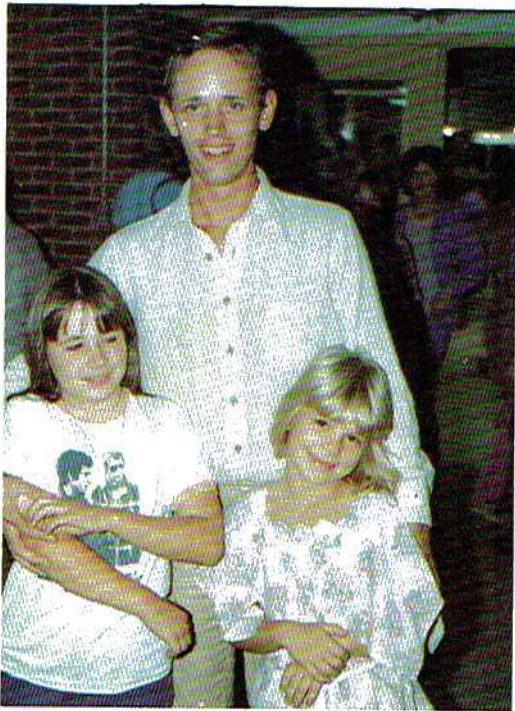

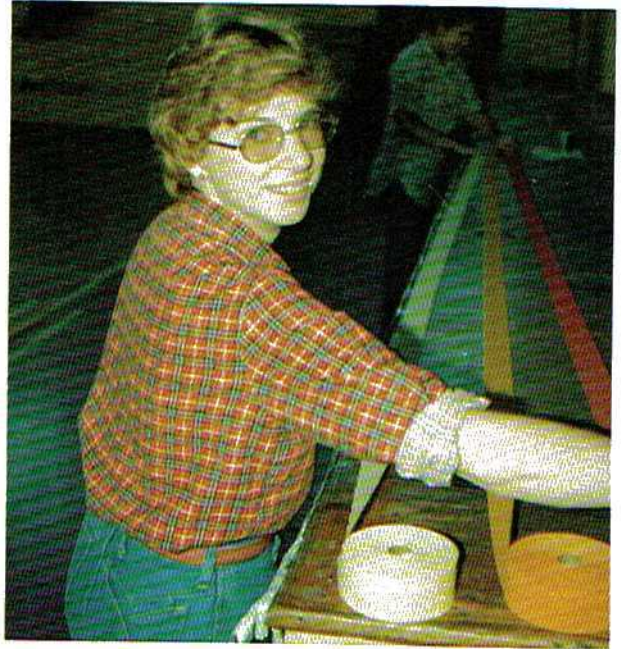

MEMORIES are the
keepsakes of our hearts . . .

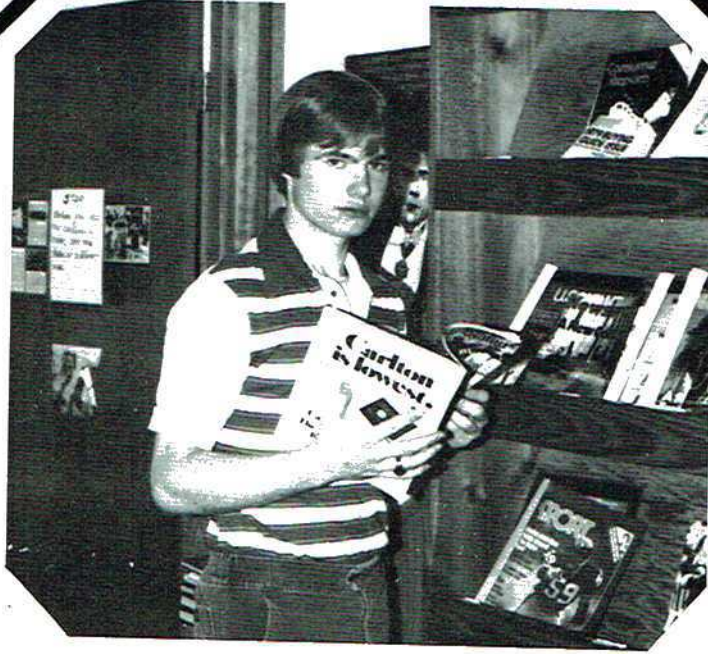

... the remembrances of special moments
and of together-times spent with
friends.

GOOD TIMES are the sounds of
laughter and the smiling faces of friends.

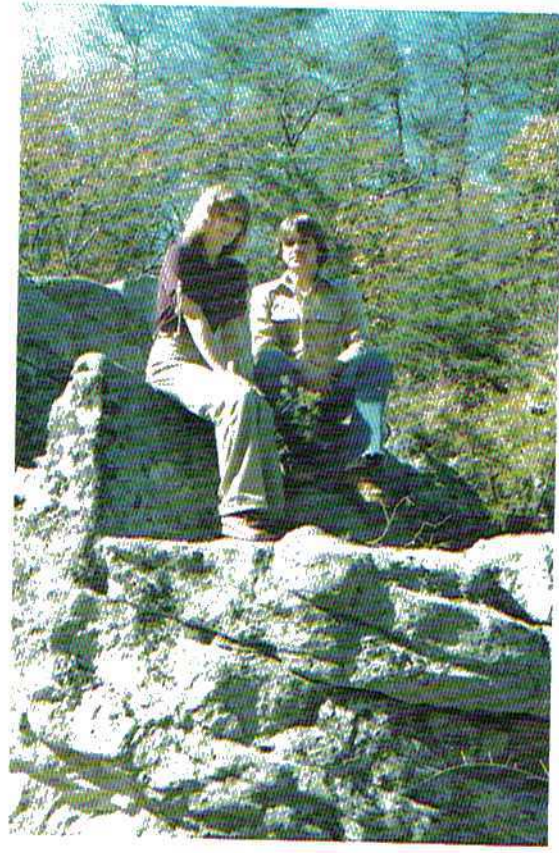

MEMORIES are — the dreams
of yesterday.

The reflections of happiness — the things we cherish most.

NSM

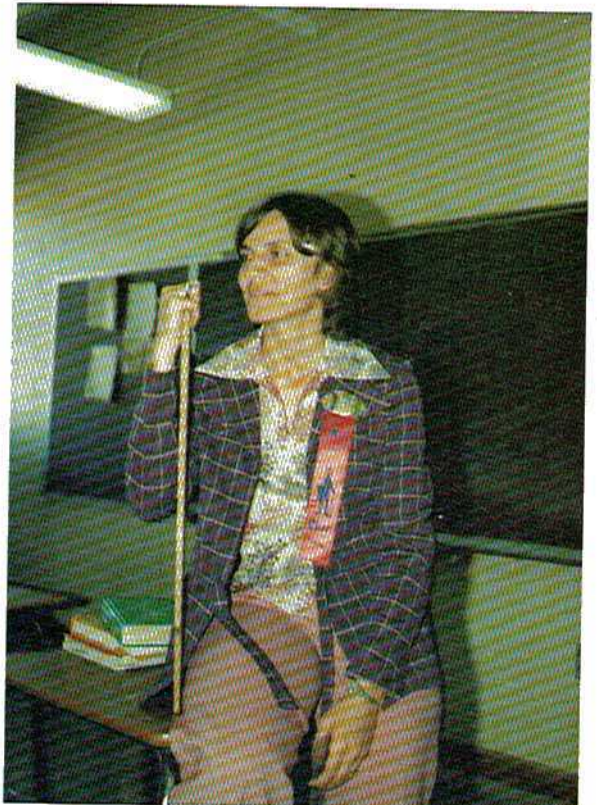

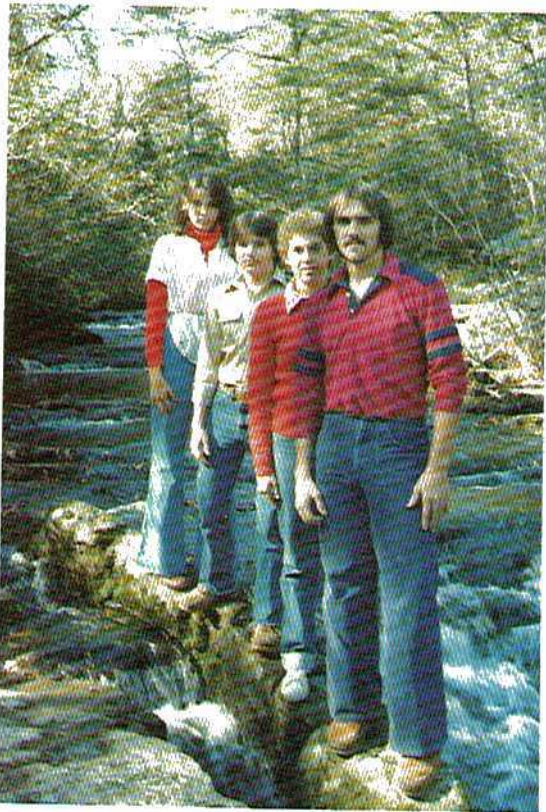

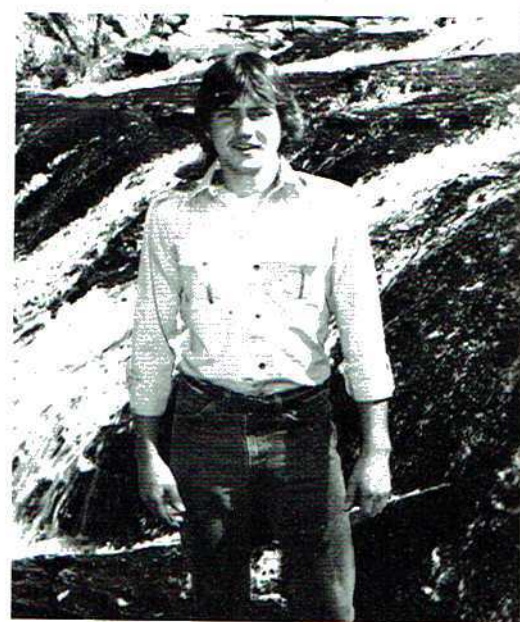

Memories are
BEAUTIFUL THOUGHTS
flickering like a
burning candle.

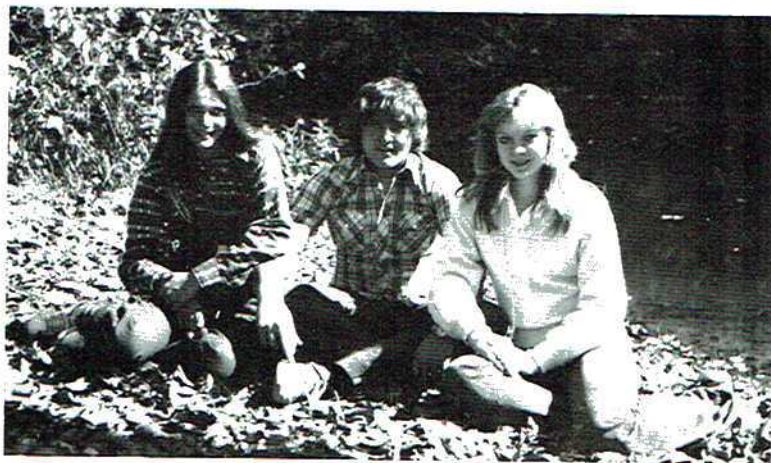

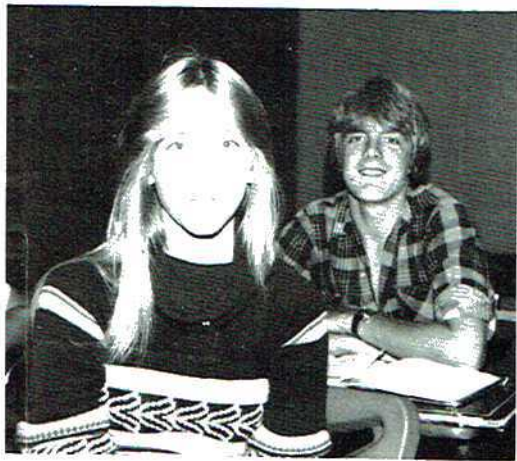

1980

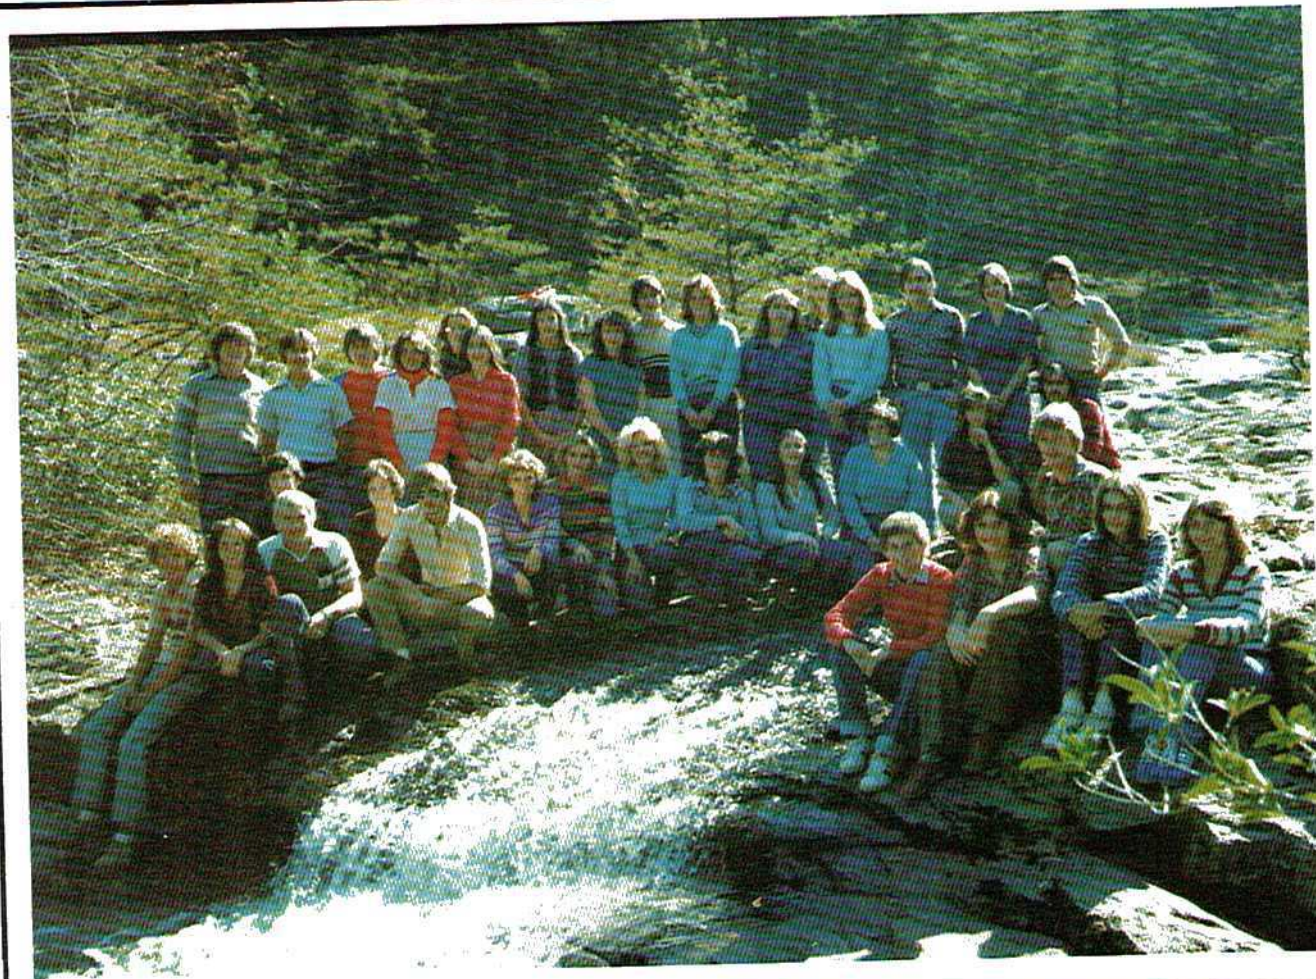

Memories are HAPPY
TIMES of life . . .

fluttering back to us
on butterfly wings.

MEMORIES are flowers, each a different shape and hue, which blossom in our minds. Memories are forever.

FAVORITES

MR. AND MISS NORTH SAND MOUNTAIN

Wesley Kennemore and Angela Smith

Wesley Ron Kennemore is the eighteen year old son of Mr. and Mrs. Wesley Kennemore of Bryant, Alabama. Wesley has played football at NSM for three years. He is president of the senior class, Athletic Club, and FFA and the vice-president of the student council and the Beta Club. Wesley was also elected Most Likely to Succeed in the senior class. He enjoys water sports and football. Wesley has attended North Sand Mountain for four years.

Angela Joy Smith is the seventeen year old daughter of Mr. and Mrs. Franklin Smith of Flat Rock, Alabama. Angela is a member of the Beta Club, FHA, and is the Library Club treasurer. She is also the treasurer-reporter of the senior class. She had been a varsity cheerleader for one year. She enjoys swimming, tennis, cheering, and basketball. Angela has attended North Sand Mountain for three years.

Sand Mountain Electric Cooperative has spent over \$15,000,000 on your future.

That is the cost of building the electric system which covers some 1000 square miles and which serves your home and school. As you build for your future, so to, will SMEC be building. By the time you are ready to get a job and to build your own home, we will have spent another \$10,000,000 just so the electricity you need will be there for you.

Your future depends on energy. Use it wisely. Using electricity and all forms of energy efficiently helps to protect our environment, causes less pollution, makes low supplies of oil, gas, coal and uranium last longer and makes us less dependent on unreliable sources of foreign oil.

DO YOUR PART. USE AMERICA'S ENERGY EFFICIENTLY

Winners of a trip to the nation's capital were Sandra Jones, Fyffe (left) and Anita Shankles, Rainsville (right). They are welcomed to SMEC by office manager Meredith Buchanan.

North Sand Mountain student Wesley Kennemore captured the \$60.00 second prize. He is shown here with teacher Beverly Gilmer. School winners of \$10.00 were Tura Chamblee and Pam Crossover.
