BEST SHOT”**

# DEDICATION

North Sand Mountain High School is very fortunate to have such a talented lady as Ms. Dorothy Preston on its faculty. In her five years at North Sand Mountain, she has devoted much time and effort to the development of one of the finest clubs in the school — the Future Homemakers of America.

Ms. Preston was born in Kermit, West Virginia, to Mr. and Mrs. Conrad Preston. She attended Kermit High School where she was active in FHA and the Student Council. Her responsibility as FHA President helped her to be the recipient of the West Virginia State FHA Leadership Award.

After graduating from high school as the valedictorian of her class, she attended Concord College in Athens, West Virginia. While attending college, she was a member of the Cardinal Key Honor Society, Kappa American Phi Home Economics Club, and she was selected to Who's Who in American Colleges and Universities. She received her Bachelor of Science degree in Vocational Home Economics.

Ms. Preston taught for six years in Macclenny, Florida, before joining the N.S.M. faculty. Her hobbies include camping, bowling, and enjoying the single life she has recently acquired.

Ms. Preston is a very special lady who is always willing to lend a helping hand. Her friendly attitude and caring personality has made her a favorite of both students and faculty. When asked what her biggest wish was for her students this year, she replied, "I would like to give them a sense of pride in their work. I think no matter how little or how much they achieve, they should be proud if they have done their best."

With great appreciation for all of her hard work and dedication, the 1983 CAMEO is dedicated to

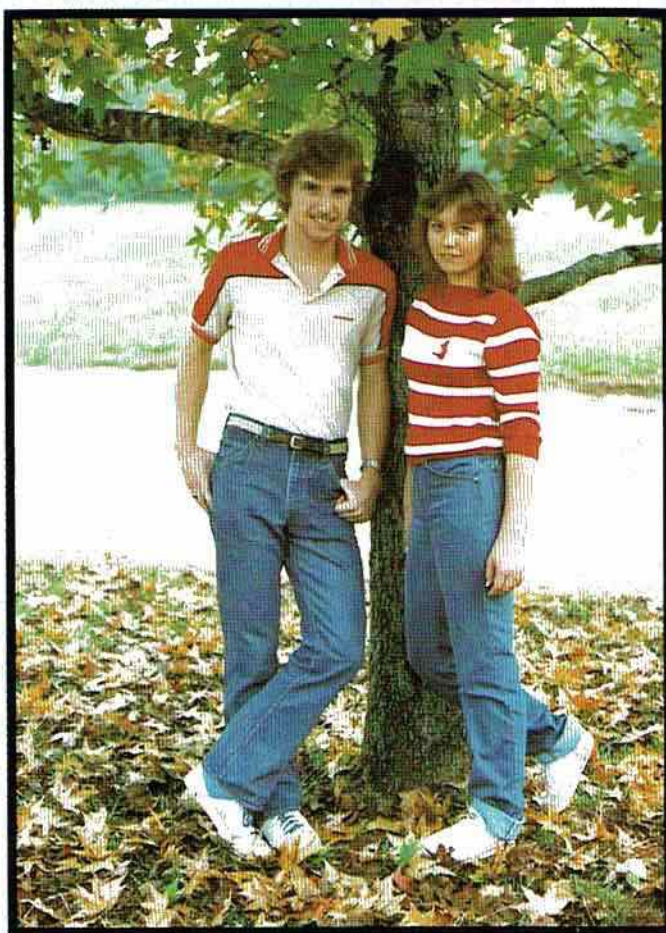

**Ms. Dorothy  
Preston**

# SENIORS LEAD THE WAY

Each school year brings a sense of importance to a new group of students. After waiting for what seems like a lifetime, their year finally arrives. They are no longer underclassmen who struggle along trying to be noticed. They are seniors!

As the **BIG SHOTS** of the student body, the seniors have the responsibility of being leaders. Seniors set the example in enhancing school pride and developing school spirit.

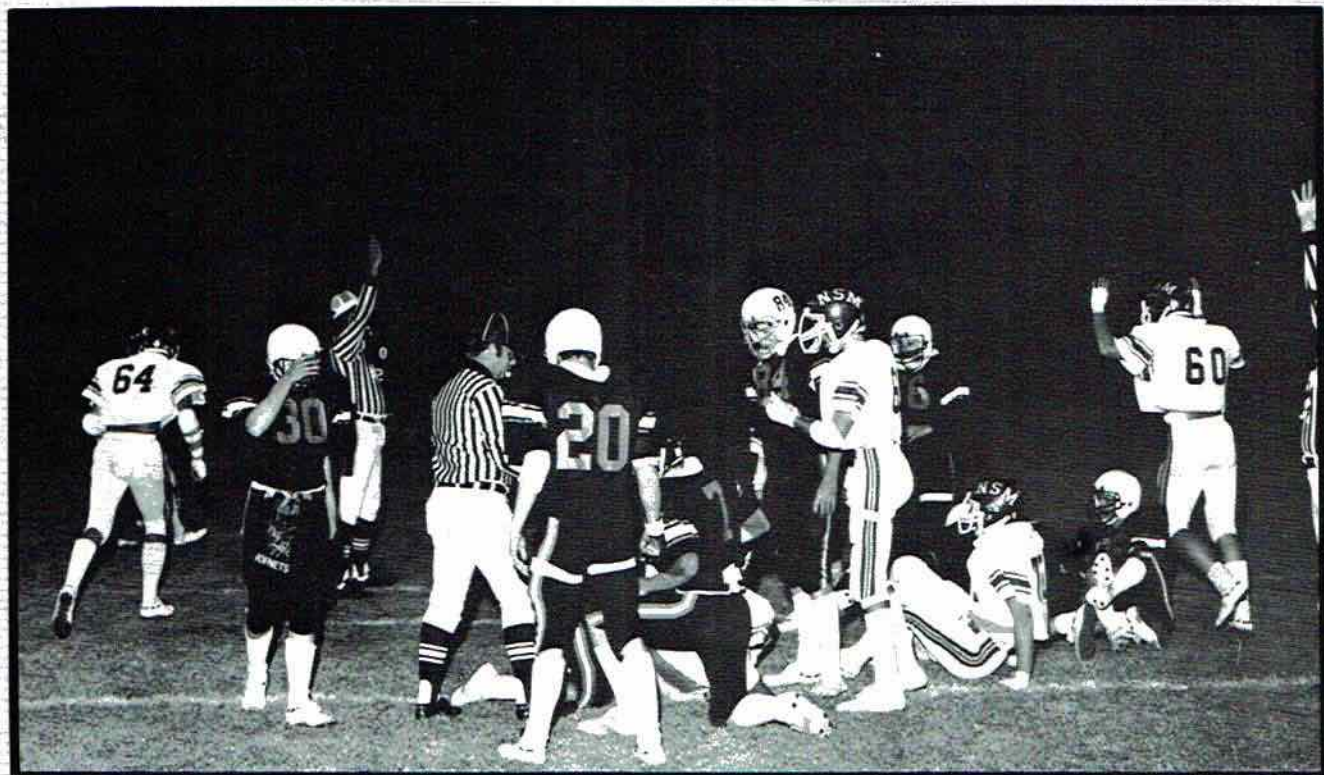

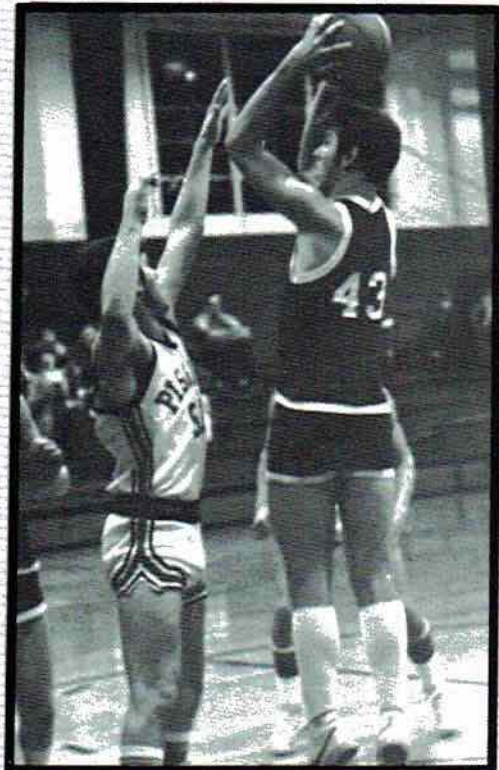

# ATHLETES ARE AWESOME

Friday nights are a special time for students. After a full week of school, everyone is ready for some excitement. Athletes have to give their best efforts in order to win the big games and have a winning season.

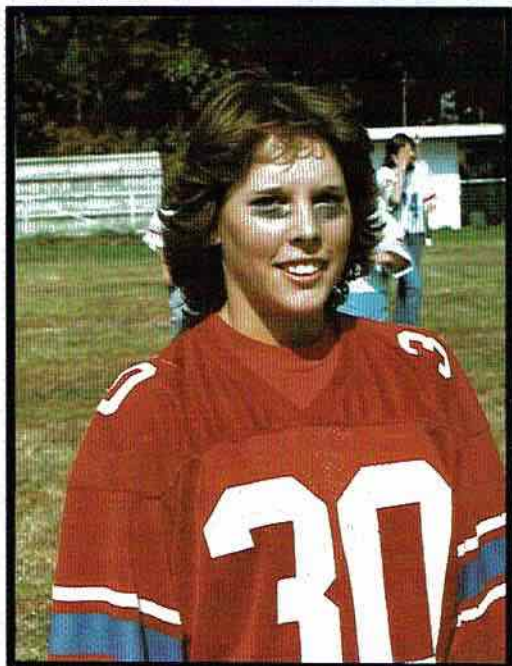

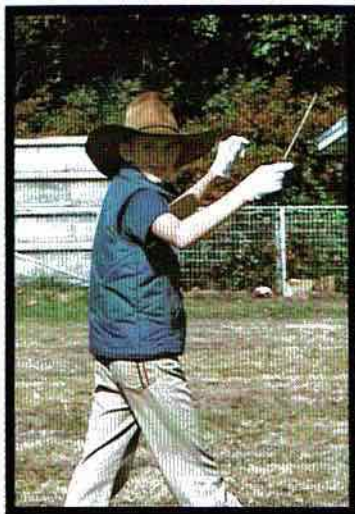

Exciting finishes to football games and county championships by two basketball teams are evidence that NSM athletes gave it their **BEST SHOT** in 1982-83.

THE POWDER-  
PUFF GAME  
WAS FULL  
OF EXCITEMENT

The Seniors defeated the Juniors in a hard fought battle. Guys were the cheerleaders and the "Blundering Nerds" performed at half-time.

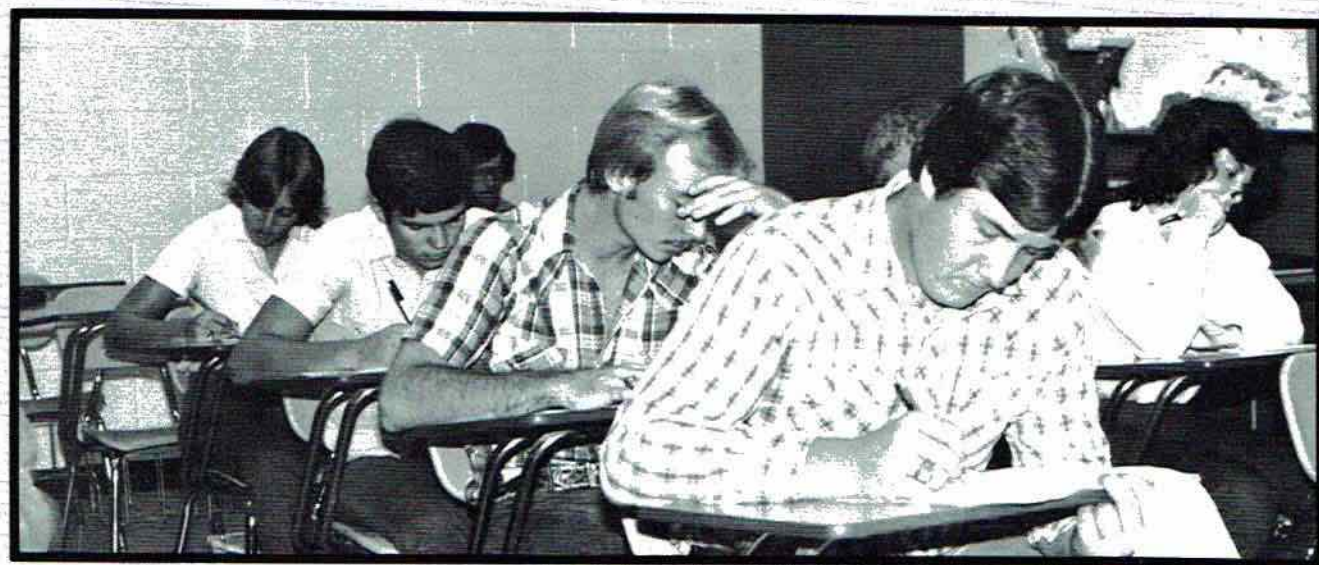

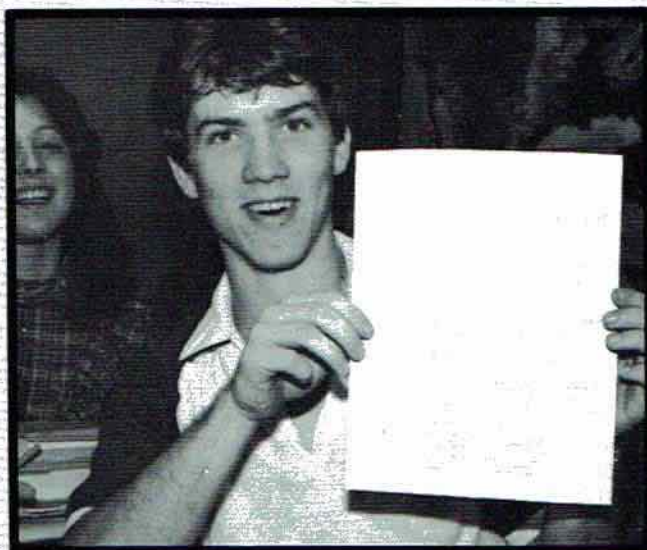

"Christy" Dobbins was crowned Powder-Puff Queen. The game was a great success because everyone gave it their **Best Shot**.

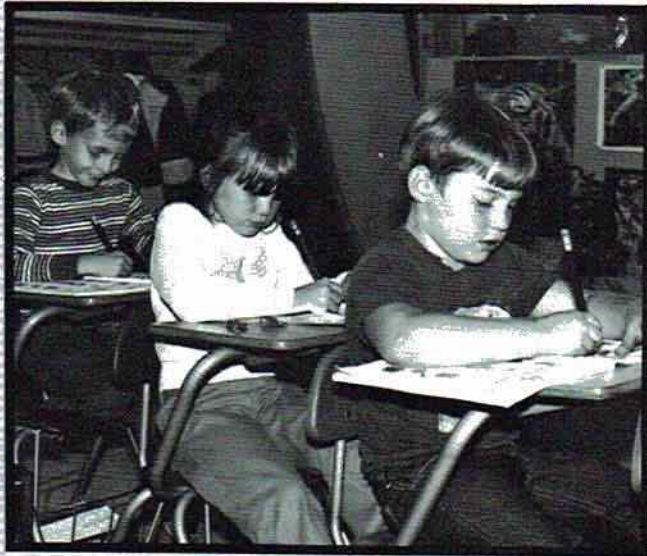

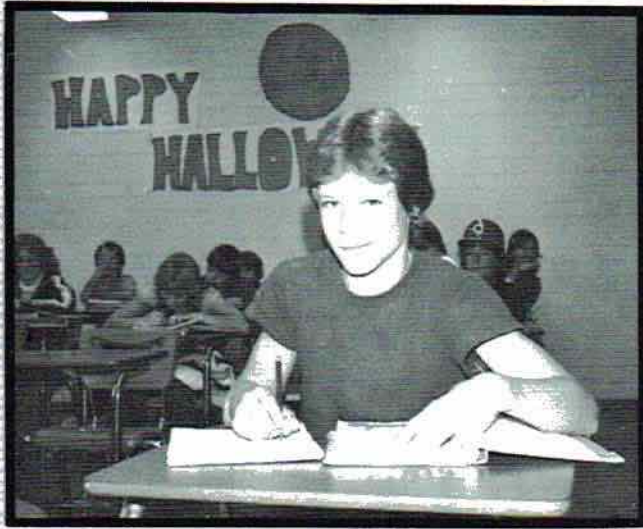

# LEARNING ELEVATES YOUR MIND

The classroom is the place where the serious side of school takes place. Sitting in a desk for 55 minutes seems like a hard way to prepare for the future. The mind tries to listen and to absorb all that is being taught, but is apt to wonder. Sometimes it wonders to the game tomorrow night and sometimes to plans for the weekend. Did she say test tomorrow?

Students know that learning is important and that they will regret it if they waste away their school days. Too often students see school as homework to do, five minute timings to complete, and test to take. They seem to miss that all these activities wipe away ignorance and bring enlightenment.

When you give a test your **best shot**, it brings a feeling of achievement. Perry Michaels knows that feeling.

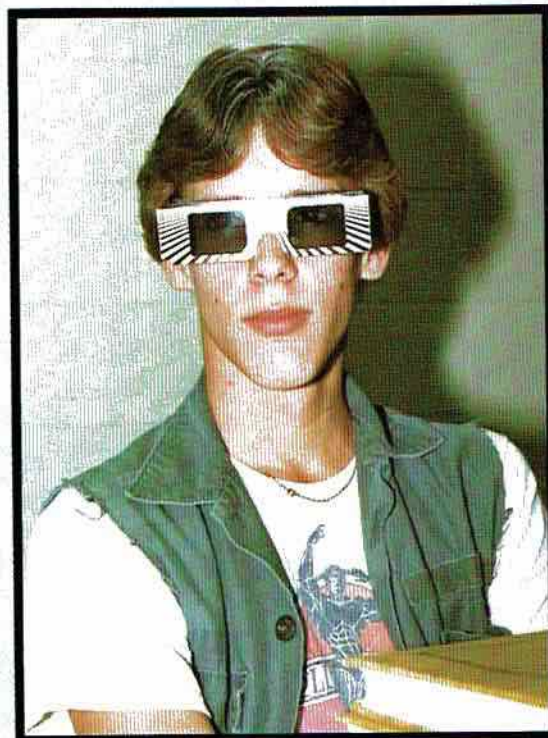

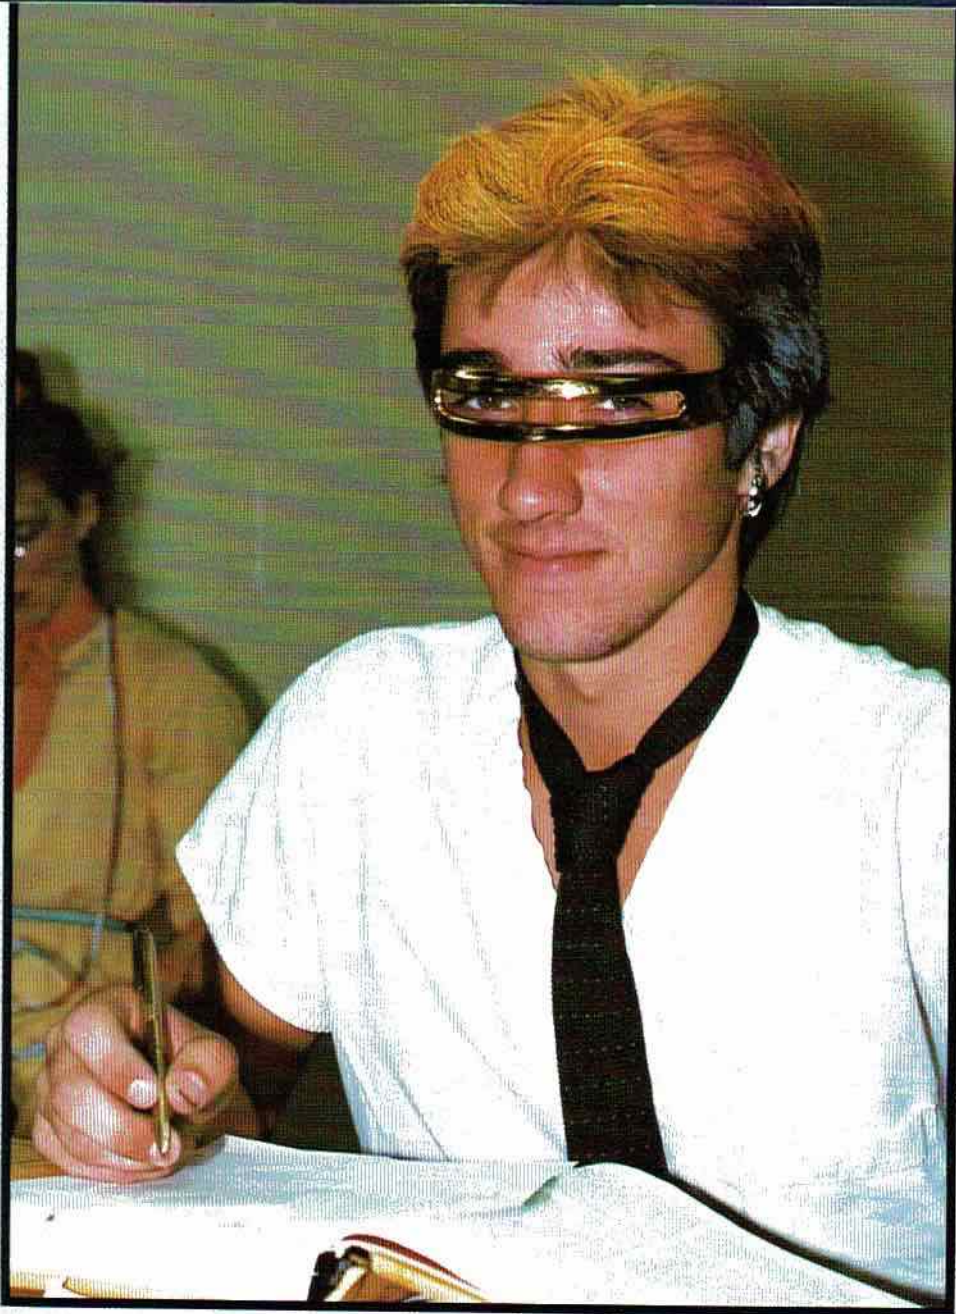

# DRESS-UP DAYS ARE COLORFUL

Every school has individuals who are unique. They come out of hiding on dress-up days. Punk Rock Day, FHA initiation, and Halloween are their excuses to show their colors and their school spirit.

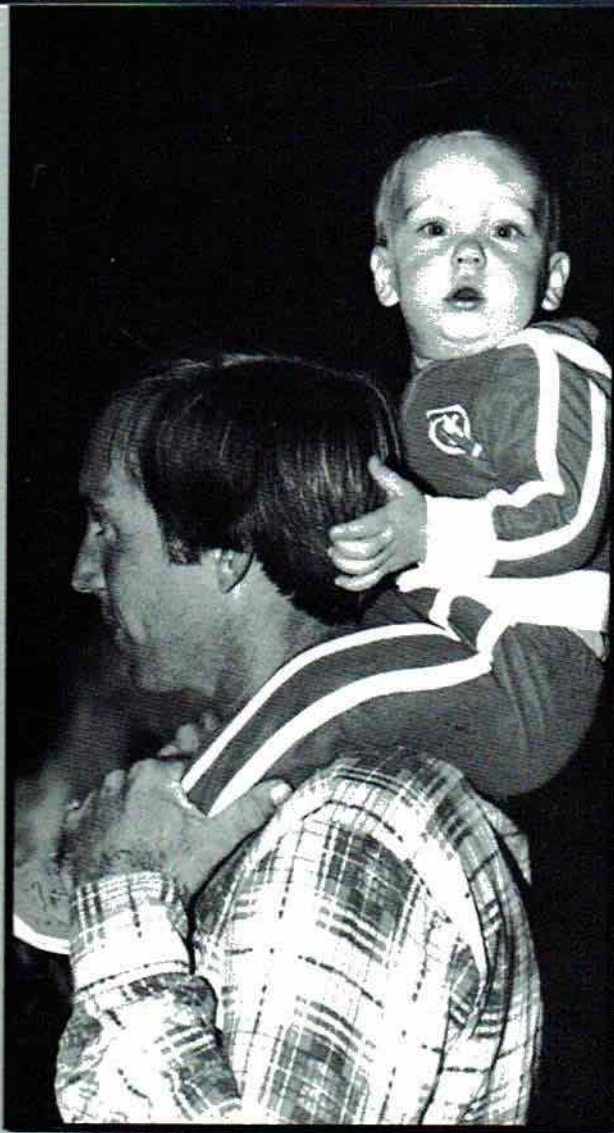

During spirit week, Pat Knight won an award for most school spirit. Congratulations, Pat. You gave it your **best shot!**

# PEP RALLIES GET YOU FIRED UP!

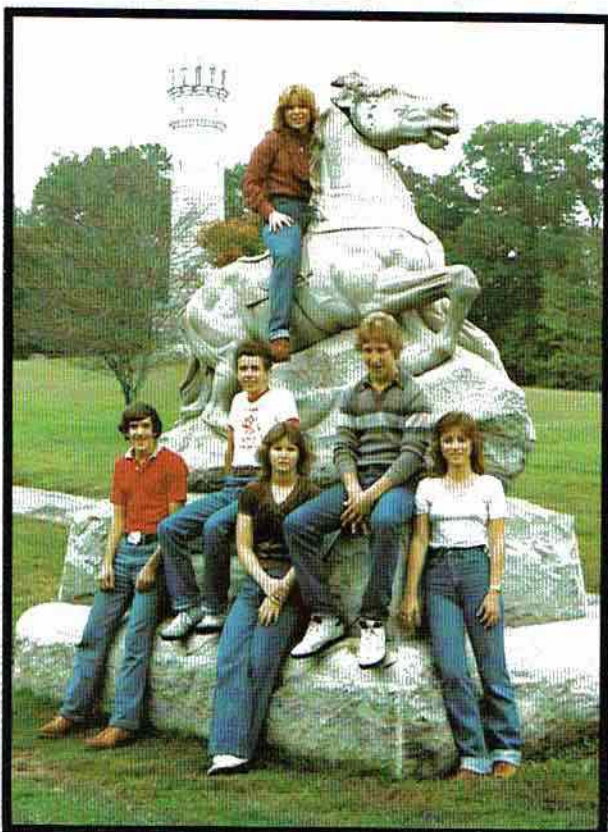

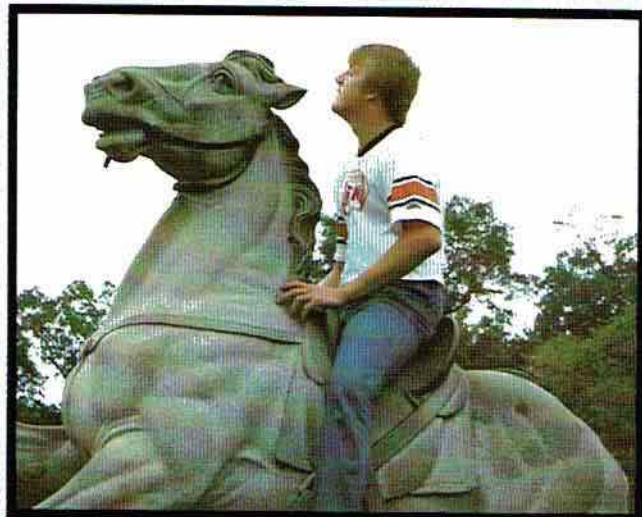

Don't mess with the best  
'Cause the best don't mess.  
Don't fool with the cool  
'Cause the cool don't fool.  
Don't wait for the great  
'Cause the great don't wait.  
Don't wait — we're great!

ATHLETICS

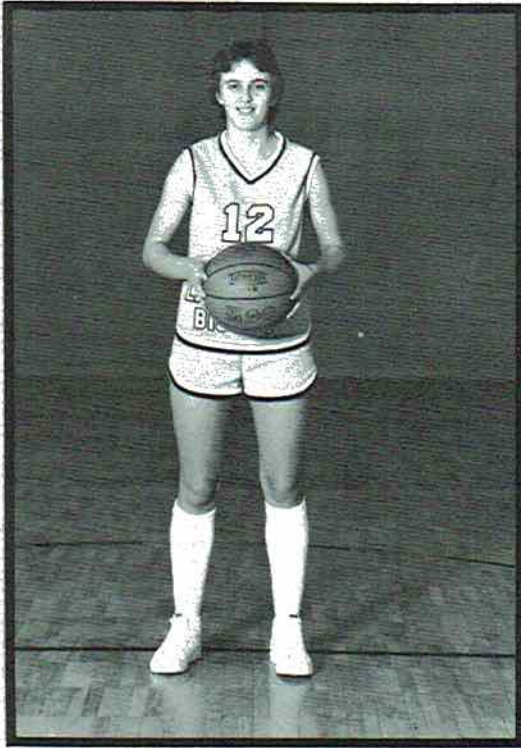

# 1982-83 Lady Bison

The Lady Bison began their season in a winning fashion. Entering the Sand Mountain Tournament, the girls boasted a 7-1 record. They played well in the tournament, but came up short in the finals and lost to Crossville 58-53. The team bounced back and won first place in the Jackson County Tournament. This was the first NSM varsity girls team to win a major tournament. When the Area Tournament rolled around, NSM was ranked number one. On February 8, 1983, they met the Lady Tigers of Gurley. This game was close to the very end. It turned into a shoot-out between two powerhouses. The final score was 90-80, but the Lady Bison could still hold their heads high. This game set two state records. It was the highest varsity girls score in an Alabama state tournament and secondly, the most points scored in an Area girls basketball game. A season record of 19-6 gave the team the conference title.

## BISONS NO LONGER 'EASY'

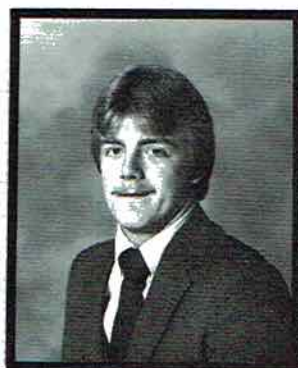

The 1982-83 Football season was a mixture of excitement and disappointment. Some of the games were so close that they were decided in the final seconds. The players came together as a "team" during the season and turned a poor start into a winning finish. Even though the official season record was a disappointing 4-6, the team played well and would have had a winning season with a few lucky breaks in the close games. The strong, tough football played in 1982-83 not only won the players self-respect but also the respect of many of their opponents.

# 1982-83 Thundering Herd

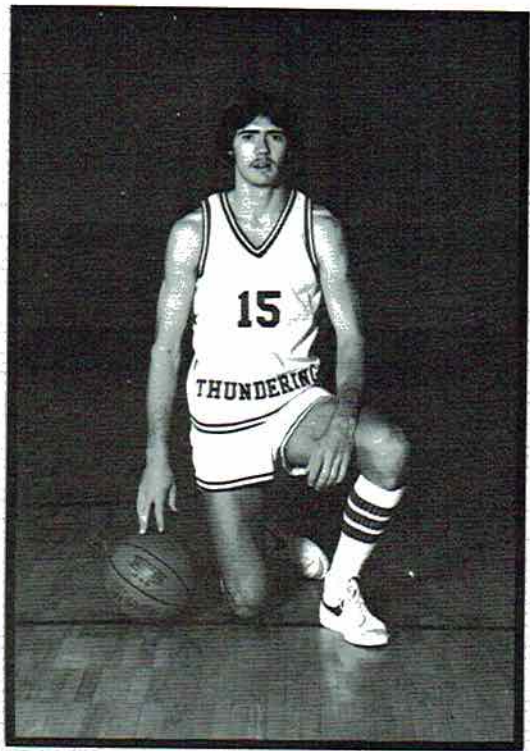

The 1982-83 Varsity boys team was full of surprises. The team had only three Seniors, so reliance on underclassmen was necessary, despite their inexperience. During the Christmas Holidays, the team won the Bridgeport Christmas Tournament. The Thundering Herd was underestimated and made believers of several teams. These young men proved that what they lacked in size and experience, they made up in hard work, determination, and scrappy ballplaying. On February 15, 1983, this team won Coach Glen Hicks his 100th career victory by defeating 3A Fort Payne, 82-52. This team has a bright future. The team will have six lettermen returning and will receive good sophomores from the JV team.

# 1982-83 JUNIOR VARSITY BOYS

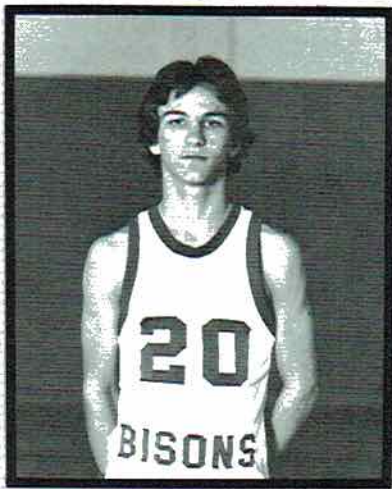

The JV boys had a very impressive year. Their offense had a style all its own and the defense was the toughest in the county. The team won the Jackson County Tournament by defeating the Skyline Vikings. The Bison season record for 1982-83 was 17-4.
