SAND MOUNTAIN ELECTRIC COOPERATIVE

The Ten Commandments Of A Good Cooperative

1. A consumer is the most important person in a cooperative.
2. A consumer is not dependent upon us; we are dependent upon him.
3. A consumer is not an interpretation of our work — he is the purpose of it.
4. A consumer does us an honor when he calls. We are not doing him a favor when he calls.
5. A consumer is a part of our cooperative, not an outsider.
6. A consumer is not a cold statistic. He is a flesh and blood human being with feelings and emotions like us.
7. A consumer is not someone to argue or match wits with.
8. A consumer is a person who brings us his needs. It is our job to fill his needs.
9. A consumer is deserving of the most courteous and attentive treatment we can give him.
10. A consumer is the life-blood of this and every other COOPERATIVE.
