1988 CAMEO

NORTH SAND MOUNTAIN
HIGH SCHOOL

HIGDON, ALABAMA

Dedication

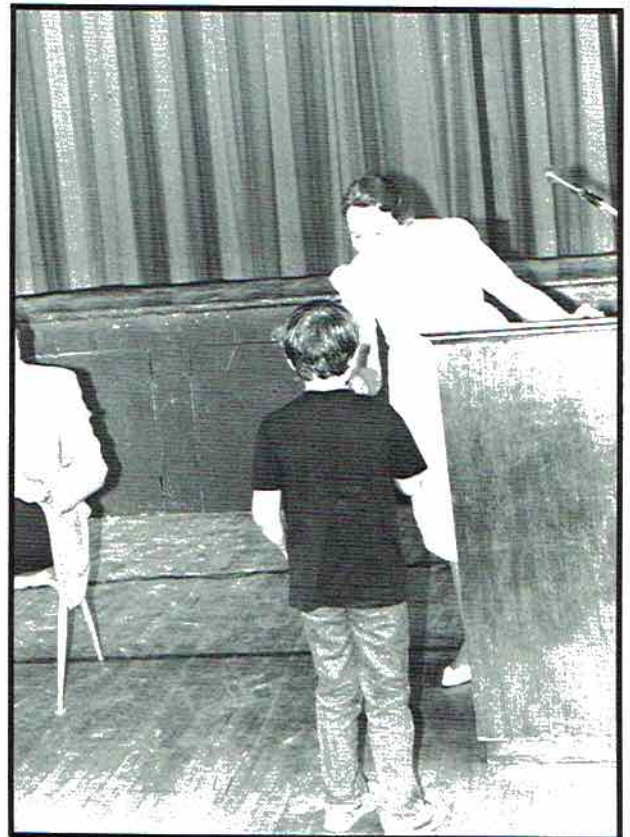

The 1988 CAMEO is dedicated to a lady who has earned a reputation as a hardworking faculty member, both inside the classroom and in other school activities. She is always willing to do more than is expected of her.

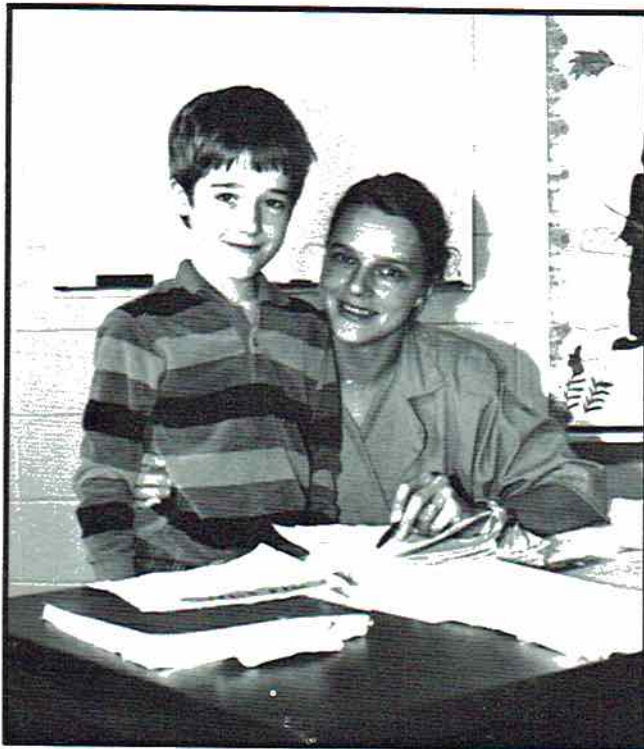

For the past several years she has worked tirelessly on many Parent-Teacher Organization projects and served as coordinator of its annual Valentine Pageant.

She graduated from North Sand Mountain High School in 1976 and attended college at Northeast State Junior College and Alabama A & M University, where she earned a Bachelor of Science degree in elementary education in 1982. For the past six years she has been a member of the North Sand Mountain elementary faculty. She is currently teaching second and third grade students.

She is married to Randy Holman and is the mother of two children, Laci and Cassie. She and her family reside in Flat Rock, Alabama.

In appreciation for her hard work, devotion, and loyalty to North Sand Mountain High School, the 1988 CAMEO is dedicated to **Mrs. Patricia Holman.**

FAREWELL

As Seniors, graduation is upon us.
We don't want to leave, but we must.

We think of the times that we've had.
They were happy and fun, but some were sad.

All the different classes that we took.
Now it's time for one last look.

To all our friends and teachers we say,
We're going to miss you. We would like to stay.

This is a farewell to all of you.
We love you and are going to miss you, too.

CLASSES

Mr. North Sand Mountain — Tony Brown

Miss North Sand Mountain — Christi Wade

Mr. And Miss Beta

Tony Wayne Brown is the 17 year old son of James and Edith Brown of Flat Rock. He is the President of Senior Beta Club, Student Council and Mu Alpha Theta. He is also Vice-President of the Senior Class and Letter Club and a member of the yearbook staff. Tony played varsity basketball for the past two years. He has attended NSM for 12 years and plans to continue his education at North-east State Junior College.

Christi Ruth Wade is the daughter of James and Ruth Wade of Bryant. She is the secretary of the Senior Class, Student Council, Mu Alpha Theta, FFA, and Letter Club. She is also the treasurer of Senior Beta Club and Chaplain of F.H.A. She was named Miss North Sand Mountain this year. She has served as a cheerleader for the past three years and played on the softball team. She plans to continue her education at Jacksonville State University.

DAR Good Citizen

Clarissa Denise Garrett is the 18 year old daughter of Austin and Ila Mae Garrett of Bryant. She is the secretary of F.H.A. and a member of Senior Beta Club. Clarissa was nominated by a faculty member for DAR Good Citizen and won the award by scoring the highest on a citizenship test and writing an outstanding essay about the American heritage. She represented NSM at the annual Daughters of the American Revolution luncheon in Scottsboro in December.

Junior Miss Contestant

Christi Ruth Wade was a contestant in the 1987 Jackson County Junior Miss Pageant held on November 7, at Bridgeport High School. Christi sang the gospel song "Rise Again" as her talent in the pageant. The pageant, according to Christi, was "a lot of fun even though it involved long practices." She enjoyed making new friends and called it a "very worthwhile experience."

Junior Miss Contestant

Teresa Diane Cloud, the daughter of Rayburn and Shirley Cloud of Higdon, was also a contestant in the Jackson County Junior Miss Pageant. She performed a 1920's dance routine as her talent. She has attended North Sand Mountain for twelve years and plans to attend Northeast Junior College. She is the treasurer of the Student Council and Vice-president of the Future of Farmers of America. She is also a member of the Beta Club, Letter Club, softball team, and served as a varsity cheerleader for two years.

Mr. David Patterson is shown with a plaque presented to him by the Environmental Center of Troy State University for the *Best-Environmental Class Project* in Alabama in 1987-88. He was also named the outstanding graduate student in secondary education at the University of Alabama in Birmingham.

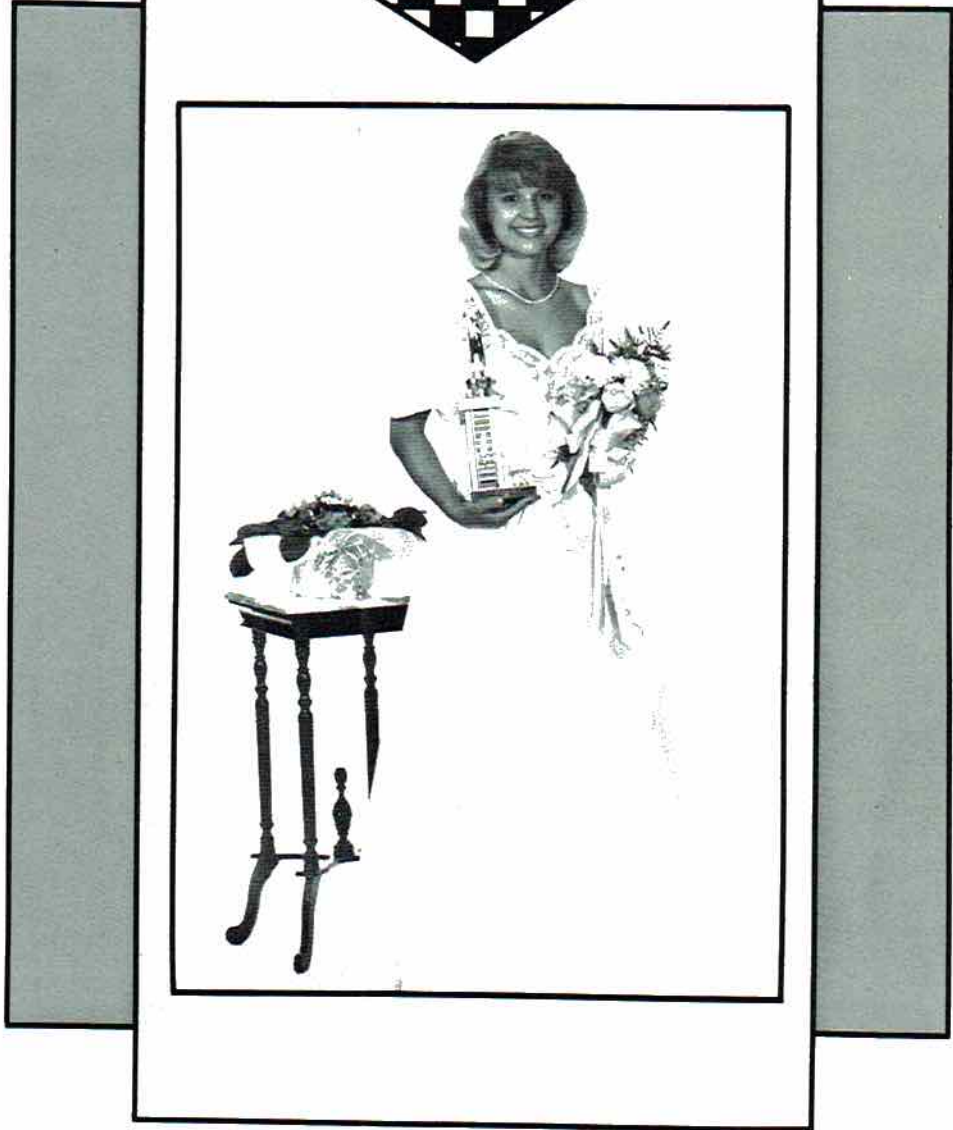

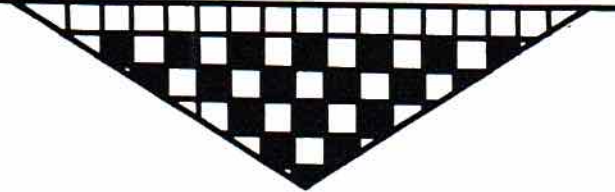

Mrs. Lois Henderson of Florence is shown presenting the Carrie C. Robinson Award for an **outstanding library program** to NSM Librarian, **Olivia T. Yates**. The award was presented March 15 at the Alabama Instructional Media Association meeting during the Alabama Education Association Convention in Birmingham.

Vernell Johnson, the Son of Vernon and Arthell Johnson, served as **District I Vice-President** of the Alabama Association of Future Homemakers of America during 1987-88. He spoke to several area FHA's on environmental housekeeping.

Tis here at last, this night of nights
Sweet music, dancing, soft dimmed lights.
So laugh, and sing, all hearts be gay,
Recall, remember, each past school day.
Let us pause from our dancing,
remember the past.
Our share of memories, always will last.
Life's beckoning call, tomorrow we'll meet.
But tonight we'll hear only soft
dancing feet.
These are our memories . . .
Our High School years,
Our time we shared, our joys and
our fears.
This night together, will be our last,
Farewell to you . . .
My Senior Class.

POWER FOR THE PEOPLE

Aside from the air we breathe, water is the only natural resource that is owned by the people...and a powerful resource it is. Rural electric systems like ours rely on water for generating electricity to serve you. And producing hydroelectricity has always paid off.

The right and the need to conserve and use water and other natural resources has become one of the greatest public works ever undertaken to improve our lives. Over the years, some have felt that this power should be taken away from the people and offered to private, profit-making concerns. This kind of thinking ultimately costs the consumers of water-generated power more money in electric bills, diminishing the power of the people in more ways than one.

Fortunately, the "privatization" idea has not taken hold when it comes to the 160 year-old legacy that gives the people the right to harness streams and rivers for navigation, flood control, irrigation, community water systems, recreation and the generation of electricity. The power remains with the people.
