Class Prophecy

As I sit in the South East wing of Walter Reed hospital where I am a registered nurse, I, Dolores Mullican, think back over the events of the past years. What stands out most vivid in my thoughts is the graduating class of 1959.

Dan Bishop is an Admiral in the navy.
Donald Miller owns half interest in Acme Steel.
Faye Brewer is receptionist for Pan American airlines.
That cute red-headed boy, Rex Scivalley, who is a retired army general is now living in Japan with his Geisha girl.
Kenneth McCord owns the largest hog plantation in the world.
Ellen Tidwell Hall owns her own dress shop on 5th Avenue in New York.
Wayne Russell is a foreman at Du Pont in Chattanooga.
Lavanna Johnson has taken Miss Matthews place as Home Economics teacher.
Ed Wade is president of General Electric in Cleveland, Ohio.
Sue Denson is private Secretary to the President of the United States.
That courageous, Dennis Caves has won the Congressional Medal of Honor for Bravery in the Army.
Shelby Stephens is giving driving lessons in Scottsboro.
After divorcing Marilyn Monroe and Jayne Mansfield, Floyd Hambrick decided to get an education. He is a freshman at Florence State.
Douglas Fairbanks plays left field for the Yankees.
Wayne Mullican is now a great evangelist.
Evevlla Newsom is secretary to Werner Von Braune.
David Simms is a member of the Statesman quartet.
Roy White is owner of Sun Records in Memphis, Tennessee.
David Woodall has taken Johnny Cash's place in the entertainment world.
Marjorie Roberts is happily married and has her own flower shop in Skyline.
Charlotte Hopper has taken Mr. Dulles's place as Secretary of State.
Suddenly I get lonesome as I think of our Alma Mater and the eager group of kids who have made a life of their own. The words of our Alma Mater still hold the true meaning that we felt as we sang them on that graduation night in "1959." FAITHFUL LOYAL FIRM AND TRUE, HEART BOUND TO HEART WILL BEAT YEAR BY YEAR THE AGES THROUGH UNTIL IN HEAVEN WE MEET.
