PANORAMA

The Senior Class of 1968 dedicates this, the twenty-second volume of the Panorama, to our principal, Mr. Kenneth E. Lawrence.

Mr. Lawrence has served as principal at P.R.V.H.S. for five years. He has shown all of us fine work in the field of leadership. No one likes to take orders but without the guidance and sternness of Mr. Lawrence we probably wouldn't have made it to our graduation.

We, the Senior Class, feel that we have learned something from the trusts and also the friendships between our class and school principal.

We sincerely hope that the classes that follow us will share our feelings.
