

PANORAMA

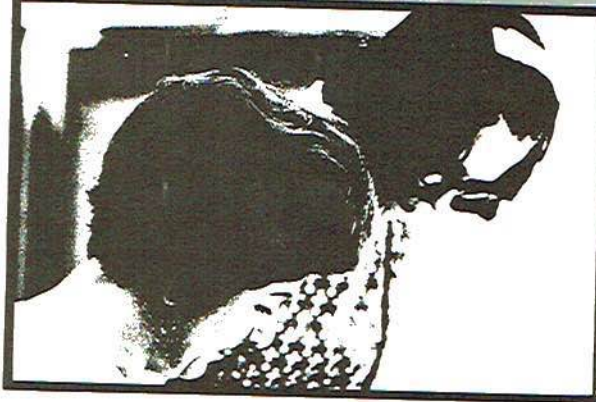

The 1972 Senior Class of Paint Rock Valley High School, Princeton, Alabama, dedicates this 1972 edition of your yearbook, The Panorama, in memory of Johnny Royce Keeton, a Senior in the class of 1971, who was accidentally drowned while swimming with classmates in the Gulf of Mexico at Panama City, Florida, while on their Senior Class trip.

Johnny was an outstanding student who transferred to Paint Rock Valley High from Skyline Junior High in his Sophomore year. He was a clean cut young man who exhibited high principals and morals while attending our school. He was very conscientious and took part in all sports and school activities. He was a member of the FFA, varsity and baseball team. He was voted Best All Around, Most Likely to Succeed, and Most Studious in "Who's Who." Johnny was a good Christian boy and a shining example for us. We miss him but we have fond memories to treasure for the remainder of our life.

We, the Senior Class of 1972, would like to honor our fellow classmate, Marcus Guerin, who due to serious illness was unable to return to school and complete his senior year with us. We have missed having him with us this year, and wish for him a complete, speedy recovery. Marcus is a very conscientious young man. While in school Marcus was able to maintain a high scholastic average yet participated in all school activities.

He was active in Future Farmers of America, 4-H and Beta Club.
