In Memoriam

We, the Senior Class of Paint Rock Valley High, wish to publish this our 1981 volume of our yearbook, the PANARAMA, in memory of Timothy Chris Edwards. Chris was a member of our class until fate intervened and he was called home to be with the Master Teacher in October 1978. Chris was an outstanding student. He was not only our classmate, but a good friend to all of us. His cheerful disposition and pleasant personality always made us smile and feel good just to be around him.

As we prepare for our graduation, our hearts are saddened that Chris will not be here to share in our joy and excitement, but we realize that he is in a much greater school and is happy. This thought gives us the courage to go forth. We will treasure his memory forever and we know he is wishing for all of us the best that life has to offer.
