PANORAMA

We the senior class of Paint Rock Valley High School, wish to dedicate this 1983 volume of the Panorama to our most dedicated and devoted employees, our bus drivers. Without these faithful men driving us through water, sleet, snow and ice, we would not be graduating this year. They at times have been Mother, Father, Doctor, Nurse, Counselor, and Oh, yes, even referee when our young tempers sometimes flared. You were always ready to listen and give us advice when we needed you. We cherish all the fond memories of the past and even the little trips to the office were easier because you were always there with us to explain just what happened. We just never could really understand till now, why someone with an eagle eye could have such a heart of gold.

We take this opportunity to thank you for all the class trips, the many basketball trips, the science fairs, career days and many other trips that you have carried us on during the past twelve years. We will miss each of you but the fond memories that we have will be with us always.

Pictured from left to right are our Bus Drivers. Mr. James Archey, Robert (Buck) Walker, Robert (Big Rob) Thrower, Bobby Lee Gifford, Edley Prince, and Mike Sisk.
