## CLASS HISTORY

In 1943 when I walked in the welcoming doors of Pisgah School, new doors opened into my life and the lives of the other ten wonderful boys and girls that still remain at this school among a class of sixty-six promising young men and women.

Those who began school at Pisgah in the first grade are: Melba Smith, Nina Roberts, Junior Gant, Carvel Newberry, Willena Cooper, Billy Don Roden, Ruby Headrick, Tommy Roberts, Wayne Taylor, Vaughn Wilson, and Jimmy Ray Moore. Marilyn Williams started here in the first grade, but went to Rosalie a few months in the third grade.

The first one to join our class was Ralph Robertson in the fifth grade from Rosalie.

In the sixth grade M. L. Thompson enrolled in our class. In the seventh grade we were glad to welcome Jimmy Wilson and Yvonne Mearse to our class from Deans Chapel. Also Nelson Kuykendall, Faye Young, Erma Scogins, and Jo-ann Morris from Pleasant View; Royce Dunn from Dutton; Jerry Haas from Michigan; Elaine Hall and Lavon Lambert from Subietts. Ann Peek began here in the first grade, but went to Rosalie in the eighth and rejoined us one year later.

From Rosalie in the tenth came a vast number of students: Alice Kirby, Linda Freeman, Bettye Bowman, Francis Bowman, Jerry Elliott, Laura Everett, Joy Hamilton, Shirley Lochamy, Betty Allen, Onzell Dixson, Betty Faye Moore, Betty Phillips, Helen Scott, Corine Shrader, Patsy Thornhill, Willow Deen White, Phyllis Whorton, Faye Wilks, Arlen Moore, Lavern Steele, and Larry Underwood. From Ider: Talmadge Flemings. From Mt. Olive came Dora Nan Slater, Marvin Kenemore, and Clifton Johnson. From Dutton: Alta Traylor and Wilma McGriff. From Flat Rock: Betty Jo Cox, Bidda Lou Duncan, Dama Lea Allison, and Charles Campbell. Also to join us in the tenth grade were Noreon Flemings, David Farior, and Donald Wilks.

In the eleventh, James Johns from Scottsboro joined our ever-increasing number of students. In this same year, Shirley Wilson and June Winkles became loyal members of our class from Section.

In our senior year we were glad to welcome as fellow members Jack Roberts and Francis Harris from Ider. John Lee Shuster joined us from Tennessee.

Thus another class of dignified seniors moves out and a new one moves in.

Ruby Headrick, Historian

# CLASS PROPHECY

As I was driving about the country in my battered up old Ford trying my best to forget about the dumb Home Ec class I was teaching at Spodunk, I noticed a mail box bearing the sign Wilks Cattle Farm. Being the inquisitive type, I investigated and who do you think owned the giant farm? No one but Faye and Donald Wilks. They seem to be prosperous and happy and I'm surely glad for them.

After talking with Faye for a while I decided to see if I could find the rest of my classmates. So armed with determination and a tank full of gas, I started on my journey.

As I reached Pisgah I was quite startled at the change in the old town since I was here last. Skyscrapers and subways are all over the place.

Not the least bit to my surprise, I find Junior Gant is mayor of Pisgah and that Shirley Lochamy is his efficient and capable secretary.

As I started strolling around the big city, I bumped into Nelson Kuykendall who tells me he is now the pastor of the First Baptist Church here. As our conversation moved from one topic to another, I found that among many things, Bud Newberry is traffic engineer for Pisgah and that Jerry Haas is the head sheriff; and to my surprise Ralph Robertson, Billy Don Roden, and M. L. Thompson are the city's firemen.

As every woman knows, the place to get the latest gossip is at the Beauty Parlor, so I decide to have my hair set. Jo-ann and Erma Dell Scogins are the co-owners of the Pisgah Fashion Salon. It seems that I got more than I bargained for because they not only fix hair, they have a manicurist who is Willena Cooper. A fashion show is held each day at noon with Ann Peek as co-ordinator and director with scads of beautiful models, among whom are Linda Freeman, Betty Phillips, Melba Smith, and Francis Harris.

Feeling years younger after talking with the girls, I head to the nearest super Market where I can pick up a few groceries for myself. As I walked into the store I saw Lavern Steele who told me he owned the chain of grocery stores known as Steele's Spud Shops. I saw doing their weekly shopping Nina Roberts, Alice Gant, Betty Jo Cox, and Dama Lea Allison. All are happy young housewives. Paying for my purchases, I find that the cashier is none other than John Shuster. By the way, Charles Campbell carried my groceries to the car for me. He tells me that he and John are working their way through medical school.

Feeling a little better after talking to my classmates, I decide to pick up one of the girls working in the First National Bank of Pisgah and go to lunch. As I crossed the avenue to the bank I was almost hit by a cadillac. I ventured on my way when I did a doubletake because the chauffer was Tommy Roberts and seated in the rear was Talmadge Flemings.

Well, finally I reached the bank and June Winkles asked for an extra hour at lunch from her boss, Royce Dunn who is president of the bank. June tells me that Wilma McGriff, Dora Nan Slater, Ruby Headrick, and Onzell Dixson, who are all career girls board at the same place, and Willodeen McLemore owns the boarding house.

After a ride on the subway all the way across town, we finally reach the Tea House where June has decided that we will eat lunch. I find that Bettye and Frances Bowman and their respective husbands own this swank restaurant.

Eddie  
2 n

June started telling me who everyone was and what he did. It seems that Yvonne Mearse is a successful career girl and that of all things she owns the cadillac agency. She says she doesn't know too much about cars and everything is handled efficiently by her manager Arlen Moore anyway. She also explains to me that Tommy isn't Talmadge's chauffeur but that they bought the car together and take days about driving it.

June says she will show me the school and the hospital and then she must get back to her work for her boss is rough on his employees.

At the hospital I find that Noreon Fleming, Jerry Elliott, Alta Traylor and Corene Shrader are all registered nurses. And that Jimmy Wilson is the hospital administrator. As I talk to my old friends Laura Everett comes in and tells me she is a teacher at Rosalie and that Vaughn Wilson and Betty Faye Moore are on the staff there too.

At Pisgah High School I find that David Farrior is principal and that Larry Underwood and Merrill Millard are basketball and football coaches respectively. Patsy Thornhill is the girls' P. E. coach and Betty Allen and Helen Scott are grammar school teachers.

After leaving June at the bank I decide to have my car checked and to my surprise, I find that Lavon Lambert and Marvin Kenemore are the new owners of the Texaco chain.

After having the car checked I decide to buy a newspaper and a magazine so that I might get the rest of the news of my classmates. On the front page I find that Marilyn Williams' husband is planning to run for President. Behind each great man we know there is an equal important woman.

Turning over to the book section of the paper, I find that Shirley and Jack Roberts collaborated on a great novel prize for literature. On the women's page I'm not at all surprised to see Fay Young's picture. She is another Mary Margaret McBride.

In the new issue of Life, James Johns has just been named man of the year. On the back cover is an advertisement that goes something like this: Buy the Johnson-Taylor Business Machines. Of course Clifton Johnson and Wayne Taylor are the owners and promoters of this company.

As the long, lonely road unfolds for me and I think back over the accomplishments that my classmates have made, my heart swells with pride, and I know I'll have plenty to tell my next door neighbor, Phyllis Hess, a housewife, secretary, and good friend.

Joy Hamilton,  
Prophet

## SENIOR CLASS POEM

The time is nearing, the days are few  
When we must say good-by to you.  
We've enjoyed our fun and education.  
We are now prepared for our vocation.

As we look back through by-gone years,  
We think of our joys and our fadeless tears.  
Our school career has been a dream;  
A cherished memory, a golden beam;  
A time of learning - a magic spell;  
A world of happiness in which to dwell.

But here's this thought that we must leave  
The school's whose love we have received.  
Our principal, our teachers, our janitor and all  
Have given us ideals that will never fall.

To faculty and friends, the best ever known,  
The seniors say thanks to each of you.  
Your encouragement and friendly smiles  
Have helped us tread our high school miles.  
Though your efforts seemed useless, your troubles undying,  
The seniors say thanks, at least, for trying.

And to those cooks all dressed so neatly,  
Thanks for the food served O, so sweetly.

Down the aisle we'll soon be going  
Trying to keep our tears from showing.  
Facing a future unknown, unread,  
Wondering what really lies ahead.

## PISGAH F. F. A. HAS A MOST SUCCESSFUL YEAR WITH PIG CHAIN

Again! just like the last three years, the Pisgah F. F. A. Chapter won a huge display of ribbons and an abundance of honors with their champion hogs at the Alabama State and Chattanooga Interstate Fairs.

A collection of fifty-eight ribbons were received and placings ranging from first through ninth were captured by these experienced youths. At the Chattanooga Fair these Pisgah Future Farmers surprised the judges with their prized swine, and fellow competitors were quite dismayed when judgement was brought forward. The chapter even took the showmanship award!

This spirit of winning traveled with these excited lads on their trip to Birmingham also. Here their ventures were very outstanding, noteworthy, and commendable.

These boys are extremely proud of the champion swine they have produced and consider the value of their experience in hog raising immeasurable. You can bet, too, that their extended farming programs will certainly include swine production.

Participating in this program were: Donald Wilks, Wayne Taylor, M. L. Thompson, Lavone Lambert, Jimmy Moore, Lavern Steele, Henry Millican, Floyd Otts, Jon Peek, and Eldridge Gilley.

F. F. A. MOTTO  
 Learning to do; doing to learn.  
 Earning to live; living to serve.

#### F. H. A. BEAU

Jimmy Wilson, son of Mr. and Mrs. C. B. Wilson, was selected as the F.H.A. Beau of Pisgah High School. Selection was made on the basis of scholastic records, church and community work, and leadership.

Jimmy is a member of the Beta Club, actively serving as president. He is also a Citizenship Club and Teen-age Book Club member. He is Sentinel of the Pisgah F. F. A. Chapter and has worked faithfully for improvement measures in his home, community, and school. During his agricultural courses he has made a considerable amount of net profit, and has gained a great deal of experience in carrying out supplementary farm practices.

#### F. F. A. SWEETHEART

Patsy Thornhill is the F. F. A. Sweetheart for this year. She is the daughter of Mr. and Mrs. C. E. Thornhill. She is editor of the school paper, F. H. A. president, and a cheerleader. She is a member of the Dramatics, Citizenship, F. T. A., and Beta Clubs.

Patsy has been very outstanding in 4-H Club work. She is past county president and she and her team-mate won first place in the state dairy foods contest.

#### STAR FARMER

Junior Gant holds the honor of star farmer for the Pisgah F. F. A. Chapter. He was chosen because of his excellent project work. He completed the following projects this year: 2 acres of corn which netted \$271.63, 3 acres of cotton from which he cleared \$275.40, 1 beef calf which brought him \$38.60 in profits, 4 acres of hay that yielded \$94.60, 1 swine which produced \$24 in profits, 1/2 acre of peanuts that netted \$64.58, 1/2 acre of potatoes that brought him \$84.45, and a small dairy herd which boosted profits of \$712.

Junior completed ten supplementary farm practices and carried out improvements in home gardening, swine improvement, forestry, soil conservation, poultry improvement, home and home ground improvements, beef cattle improvement, pasture improvement, and dairy cattle improvements.

Junior is Jackson County F. F. A. President and has starred in many fields, especially corn production. He has been Champion Corn Grower for two years, and has been a state winner in the F. F. A. Quiz. He is the son of Mr. and Mrs. Cecil Gant.

#### F. F. A. AIM

The primary aim of the F. F. A. is the development of agricultural leadership, cooperation, and citizenship.
