

The Eagle 1957

The Eagle

*Presented by
1957 Senior Class
of
Pisgah High School*

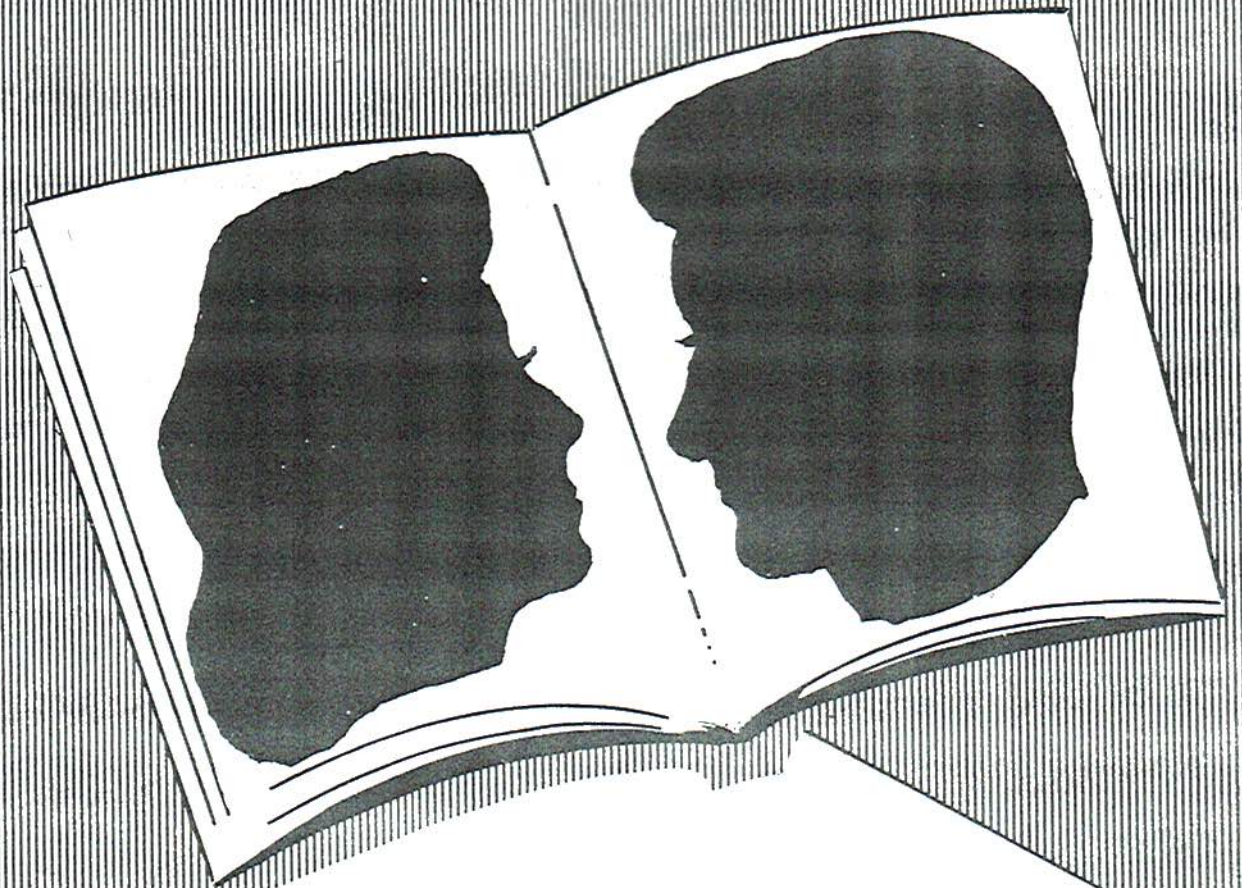

As you turn the pages of this yearbook, it is our sincere wish that it may instill within you a feeling of pride and loyalty to your school. May you realize that within the walls of its buildings lie your opportunity to face a challenging world on equal terms with other high school graduates.

The complexities of the electronic and atomic age within which you must live and make your living demand ever increasing amounts of knowledge. I should like to take this opportunity to challenge you not to close your minds, but to be constantly on the alert for new opportunities to improve and enrich your lives and those about you.

Then armed with knowledge and steadied by the high principles and ideals which the faculty of this school has endeavored to impart to you, a successful life may be yours.

Cecil A. Bearden

Dedication

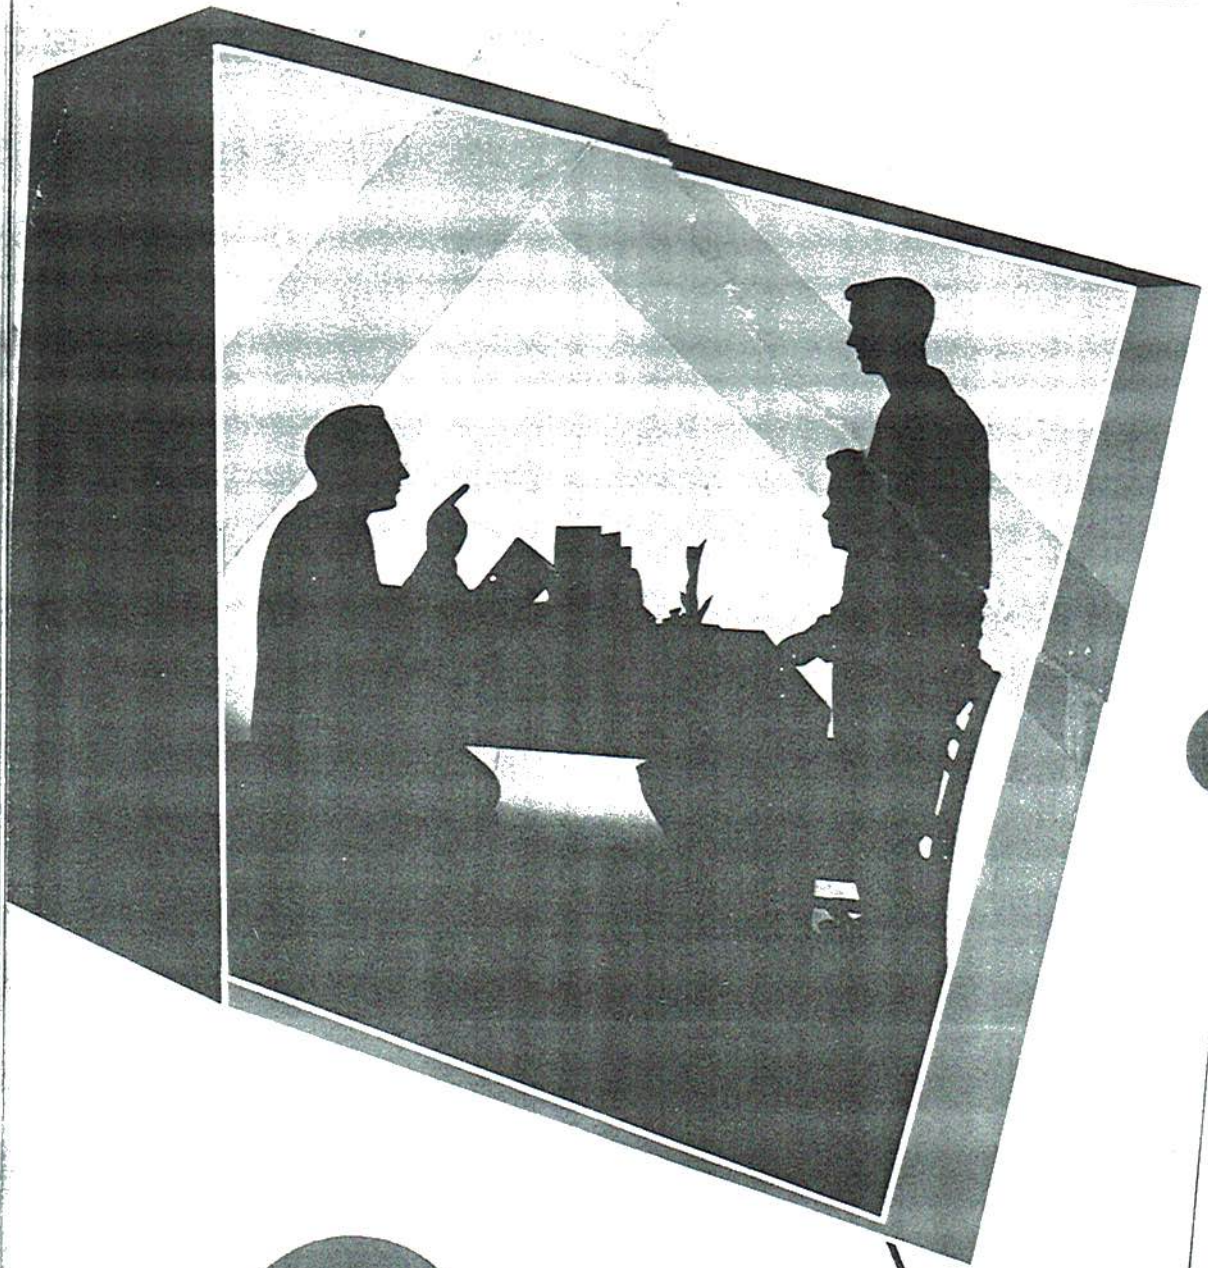

They have understood our problems, assisted us with patience of steel, listened to our complaints with an admirable smile, inspired us with confidence, encouraged us when we were disheartened, and enhanced our chance for success.

Their determined effort to make us satisfied and happy shall always be remembered as one of our most precious high school memories. Words can't express our appreciation for their various contributions; but to show how much we love, honor, and respect them, the 1957 Eagle Staff dedicates the '57 Eagle to the parents of the senior class.

Senior Class Poem

OUR BEST

These good old days will soon be gone
And we shall all be grieving
But the precious memories will live on
Of all the chums we're leaving.

We say goodbye to our teachers all,
And our friends, quite a few,
To all the cooks in the lunchroom hall
Fixing that good beef stew.

We just don't know what our future will read
Though our goals we shall try to attain
But for these days our hearts will bleed
And how we should like to regain.

School days are the very best days
The most blissful time of our life
Soon we shall go our separate ways
But we'll remember our days of strife.

Class Poet
Janet Brewton
