THE EAGLE

THE 1968
EAGLE

PISGAH HIGH SCHOOL

Pisgah, Alabama

Foreword

I appreciate the opportunity of serving
my school as editor of the "Eagle", and
I will always consider it an honor to
have been selected for this position.

It is only fitting that the happy
days of this year should be pre-
served in this yearbook. The words and
pictures from a special occasion are all
so dear, and since we are only a part of them.
The special memories should be students
of this year. Each year the ground in
this yearbook will grow with each passing year. Thus it
is with satisfaction that the year at
the present time is closed. It will be a
record of the year as a permanent and
lasting memory for the students interested
in our high school work.

Editor-in-Chief
Bill Spears

A spirit haunts the halls of PHS. It is not new, but has been here for many years--in fact, since the first students walked these halls. This pervading spirit prevails in every area of school life. We see it revealed in club meetings, in pep rallies, and in everyday classroom routine. We see it exhibited in the choice of titles for our school newspaper and yearbook. Perhaps this feeling is most clearly seen, however, when any PHS athletic team competes--whether in football, basketball or track. It is shown in the eyes of not only present students, but those of former graduates as they refer with pride to our team or to our school. This deep feeling of loyalty and affection cannot be defined. But because it permeates our school and our entire lives, we would like to call it, and proudly dedicate this yearbook to---

THE SPIRIT OF THE EAGLE

ALMA MATER

In the midst of Alabama
Proudly do we stand,
Pisgah High School,
Mighty Eagles,
Greatest in the land.

Your influence will
surround us
Wherever we may be,
Hail to thee,
Our Alma Mater,
We give praise to thee.

Greetings,

It is our intention through the pages of this yearbook to provide a pictorial history of this school; its activities, the people who compose its life blood and worthwhile events which set this school apart from others.

This year I feel we should feel especially proud of our athletic teams and spotlight some of their accomplishments.

A new winning record was established by the football team which won nine games this year - The Big Nine Conference Championship, The Jackson County Championship, and participated as one of the top four teams in the state in the first AAA State playoffs for the state championship.

The basketball team won the Sand Mountain Conference Championship and the Jackson County Championship. This set a new record in that this was the first time both titles had been captured by one school.

Records such as these should make us feel proud to be a part of this fine school. Keep up the good work.
