THE EAGLE

FOGAIN HIGH

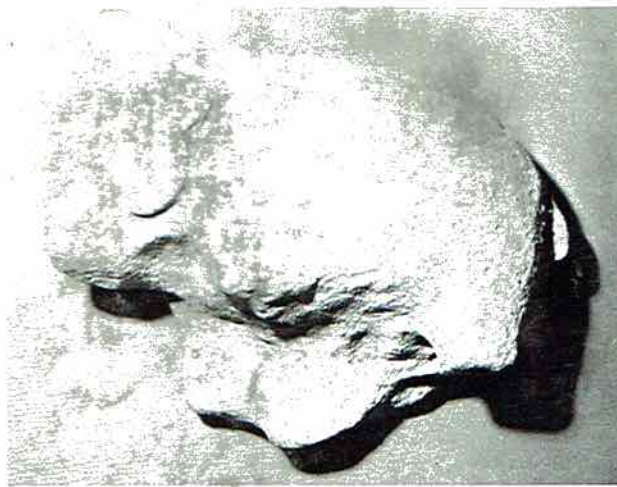

THE 1969 EAGLE

PISGAH HIGH SCHOOL
PISGAH, ALABAMA

PRESENTED BY CLASS OF 1969

We, the Students of Pisgah High, would like to pay respect to the late Mr. Claude Thornhill. It is therefore fitting that we dedicate this 1969 yearbook to his memory. For many of us, Mr. Thornhill was our first teacher in junior high school. In just a few short weeks, we came to know, love, and respect him. He guided us in our decisions and greatly influenced our lives.

Mr. Thornhill was not only admired as a teacher, but also as a historian. His findings of early Alabama, its people, customs, and language have earned him a place in the annals of regional fame.

Mr. Thornhill had a superb philosophy of life, that of trying to give deserved good to deserving people. He possessed a loyalty to his God, his country, and his ideas, that was as strong as his will. We believe that his philosophies will linger along with this memory in our striving to carry out the work that he started.

Class of '64

"God Grants Liberty Only To Those Who Love
It. And Are Always Ready To Guard And Defend It."

- Daniel Webster

"God Give Us Men a time like this demands -
strong minds, great hearts, true faith and ready
hands." Josiah Gilbert Holland's words bring to
mind the true "men" who have met the demands of
our time all through history. Mack and Danny
represent the many who have given their lives be-
fore them and the many who will die in the future.
We thank God for them and hope that their families
can take some comfort in knowing that in dying for
freedom they have not died in vain. They are the
real American heroes.

Greetings:

May we who live today give thanks to those who have preceded us. Let us strive to live lives that reflect our appreciation of these who have been our associates and may we be made aware that we too are but mortals and must shortly return to dust. So, let us make our contribution to mankind daily, through a friendly smile, an encouraging word, a push up the hill of life or in whatever way life may present the opportunity to be helpful to others. If we but do this, who can say our life was lived in vain.

With all Sincerity,

Cecil A. Beardon

FACE THE FACTS

For seniors graduation seems a special day,
No one can wait for that day in May.
We can't wait to wear the cap and gown,
To us it's a robe and shining crown.

But my question is, "Will we all be ready
To take our place in the world and hold
it steady?"

The years of carefree life are just about
through,
We have to look in the future and know
what to do.

Whether in college, at work, or on a battle
field, We must be strong and brave, and
always build, upon a foundation strong and
fast and be thrifty with things and
make them last.

True we are staring the future straight
in the face,
And we hope we're ready for the human
"rat race."

We hope to make our mark in society,
And from our duties we'll never flee.

Each year a girl from the Senior Class is chosen to represent our school as DAR Good Citizenship Girl. This is considered by many to be the greatest honor bestowed upon any Senior girl at PHS. Because of her outstanding record and her role as truly a "good citizen," the winner in 1969 is Miss Wanda Farmer.

The Citizenship Club of PHS annually selects two members who possess the qualities of good citizenship. This year's Mr. and Miss Citizenship: Connie Worley and John Presley

A Word of Thanks to Our Sponsors

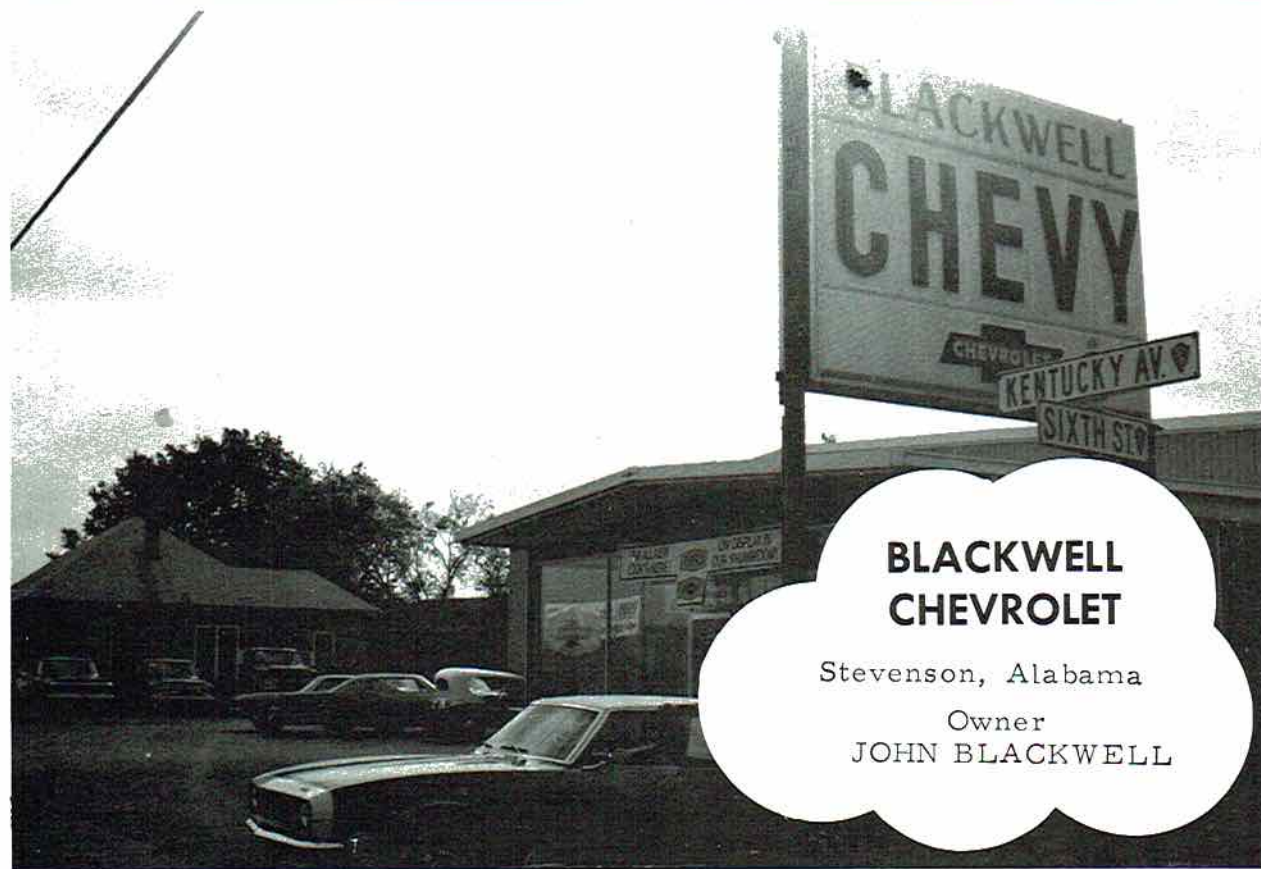

While we, the annual staff, were selling ads for the purpose of sponsoring the "EAGLE" we met a lot of friendly and courteous people. All the business men and individuals, who are represented in the advertisement section of this book welcomed us with marvelous friendship. Their cooperation was absolutely necessary in publishing this memorial book. So if you please, show your gratitude by trying their services and products. I know they will welcome you with the same attitude as they did us.
