COACH PAUL COOLEY

As head basketball coach of Pisgah High School for 17 years, he has led our team to countless victories. As a great teacher, he has won the trust and respect of many students who have learned from him. But as a man he is most admired because of the inspiration and understanding he has given us and all who know him.

COACH SAM KENIMER

A marvelous coach who led the Pisgah Eagles to the state playoffs in 1967, a man not only respected and admired by those who have played football under him, but who will forever hold a special place in all our hearts.

With deep esteem and appreciation, we, the Seniors of 1972, dedicate this publication of The Eagle to Mr. Sam Kenimer and Mr. Paul Cooley. Even though they are no longer coaching, their influence can still be felt in the classrooms of Pisgah High.

This is the tackle that Dewey made.

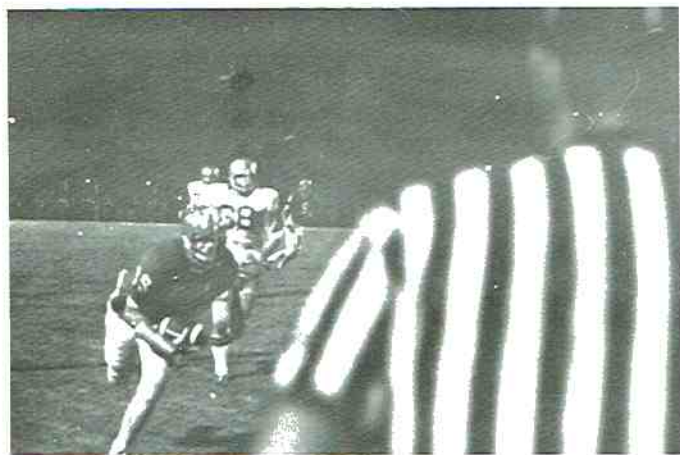

You're in a heap of trouble, boy!

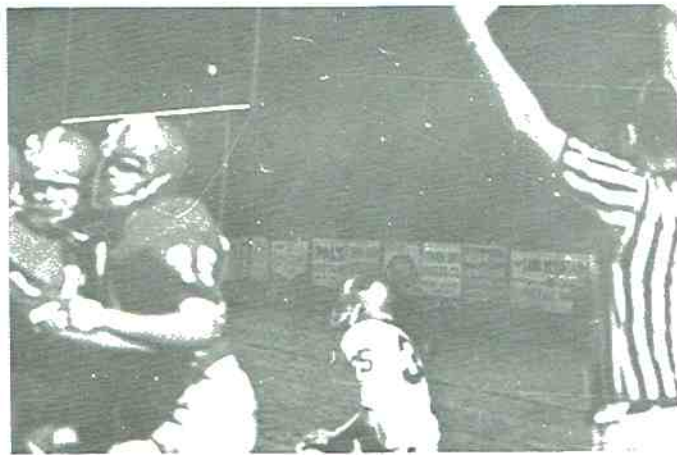

Ha! You think I'll get caught under all that?

Wrong way, Steve!!

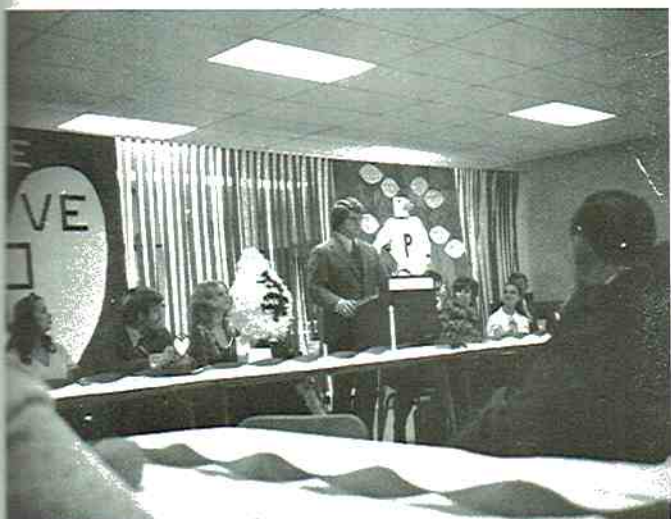

Move, I'm coming through.

We regret that no picture of the Letterman's Club was available. During the year the Letterman's Club has worked on various projects in an effort to improve the P.H.S. athletic program. Money collected in the sale of wastebaskets, jerseys, and the concession stand was used to help pay for the weight machine and wrestling mat.
