If there were more self-starters, the boss wouldn't have to be a crank.

I'm not arguing with you; I'm telling you.

Well now, there's a remedy for everything except death.

Cheer up the worst is yet to come.

How t

How to win friends and influence people???

It's better to help others get on than to tell them where to get off.

When a secretary says the office staff is having a picnic, it just means the boss is on vacation.

I'm as sober as a judge.

Never slap a child in the face. It is well to remember that there's a place for everything.

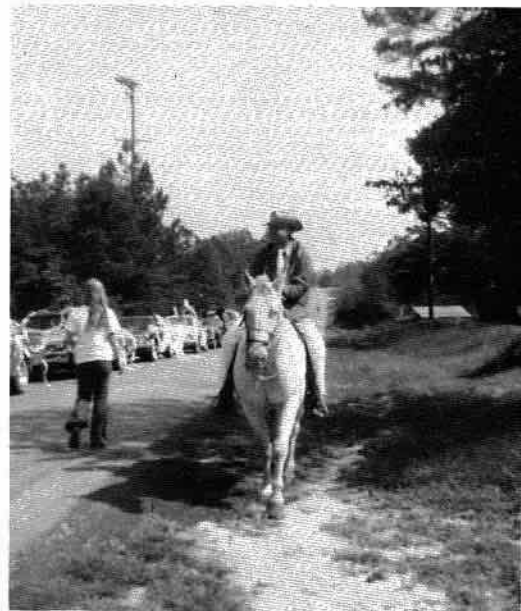

If men cared what other men wear, they'd be in church oftener.

She's the kind of girl who doesn't care for a man's company - unless he owns it.

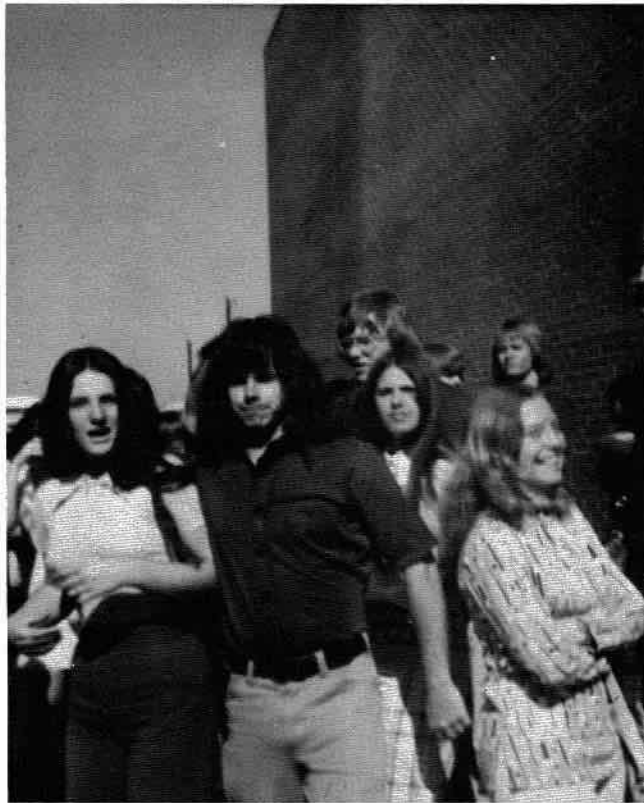

Diets are for people who are THICK and tired of it.

The hydrogen bomb has made one great contribution to democracy - all men are cremated equal.

If all brides are beautiful, where do so many ugly women come from?

You're getting old when you don't care where your wife goes, just so you don't have to go along.

The only thing worse than being a bachelor is being a bachelor's son.

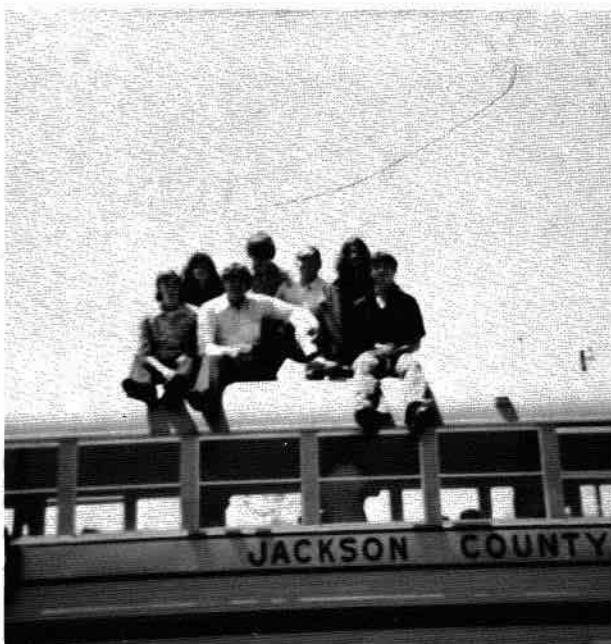

Some men wonder how they would live without women. The answer is, cheaper.

Coach Wilson and Coach Helms undertook a challenging job this spring - the first PHS baseball team. The Annual Staff would like to congratulate the players as well as their coaches for the fine record they achieved.

There are 2 reasons why women don't wear last year's gowns: They don't want to, and they can't . . .

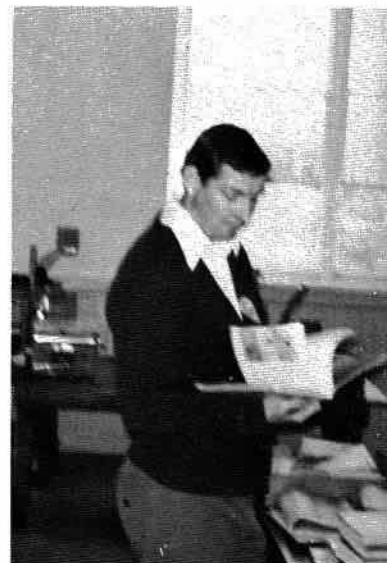

Some speakers are like some gamblers - they don't have sense enough to quit while they're ahead.

One way to live longer is to cut out all the things that make you want to live longer.

Looks are sometimes deceiving. The man with a vacant look may have a full house.

Behind every successful man stands a devoted wife - and a surprised mother-in-law.
