Address: Javier Duany, Manual A. OLAECHEA 260,  
Lima — 18 — Peru, South America.

One of the highlights of the 1978-9 school year at Pisgah High School was the three month stay of a Peruvian exchange student, fifteen-year-old Javier Duany. While he was visiting the U.S., Javier made his home with Mr. & Mrs. Jeffery & Kristi.

Brown-haired, hazel-eyed Javier was born June, 10, 1963, in Lima, Peru, the son of Andres Duany, a lawyer. Javier has an older brother, Andres, age nineteen, and two sisters, Mariella, eighteen, and Rocio, fourteen.

Javier's hobbies include swimming, horseback riding, and squash. His favorite U.S. school subject is, appropriately enough, American history. Javier found our five-period schedule quite different from his rotating twelve-subject week in Peru. After graduation in 1980, Javier plans to attend college, but is presently undecided about what major to pursue.

During the time we knew Javier, we grew to appreciate his ready smile and his friendly attitude. We miss him, and hope he will not forget the many friends he will always have at Pisgah High School.
