PISGAH SCHOOL

1960

The Eagle

Pisgah High School

Pisgah, North Carolina

# Stop . . .

It's time for a final accounting: to record the pep rallies, the banquets, dances, and everyday events that mark the memories of our year, to contemplate the places, perceptions, people, and our year at Pisgah.

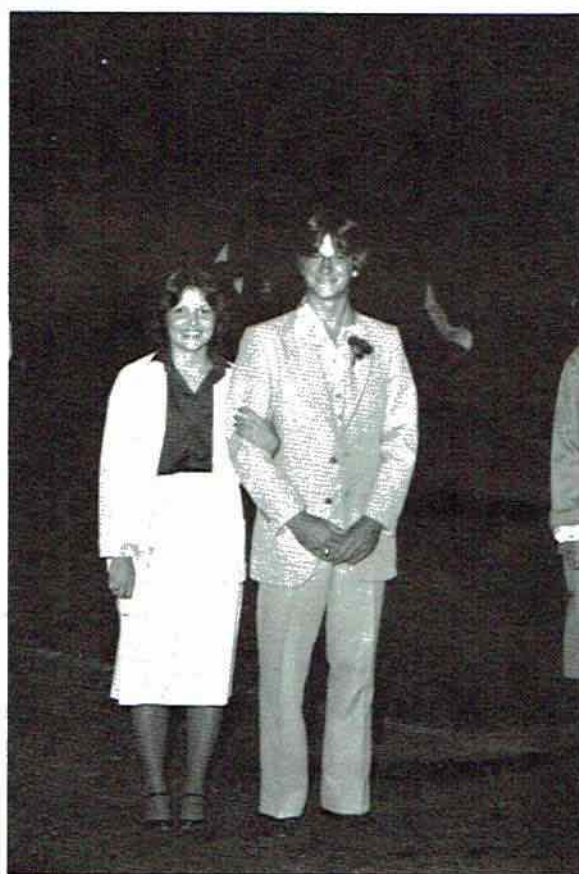

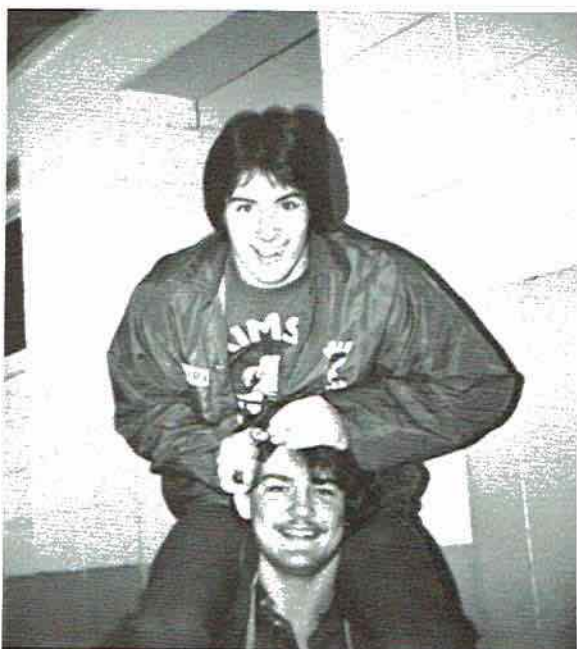

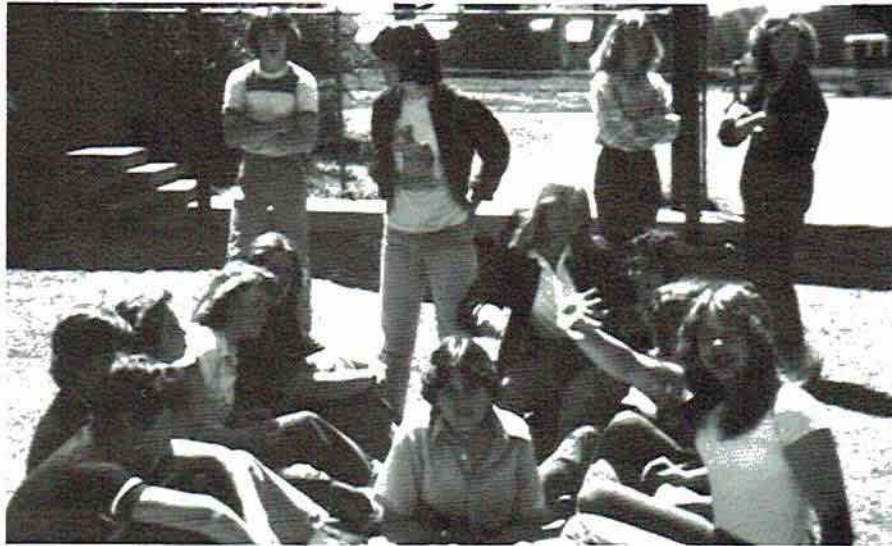

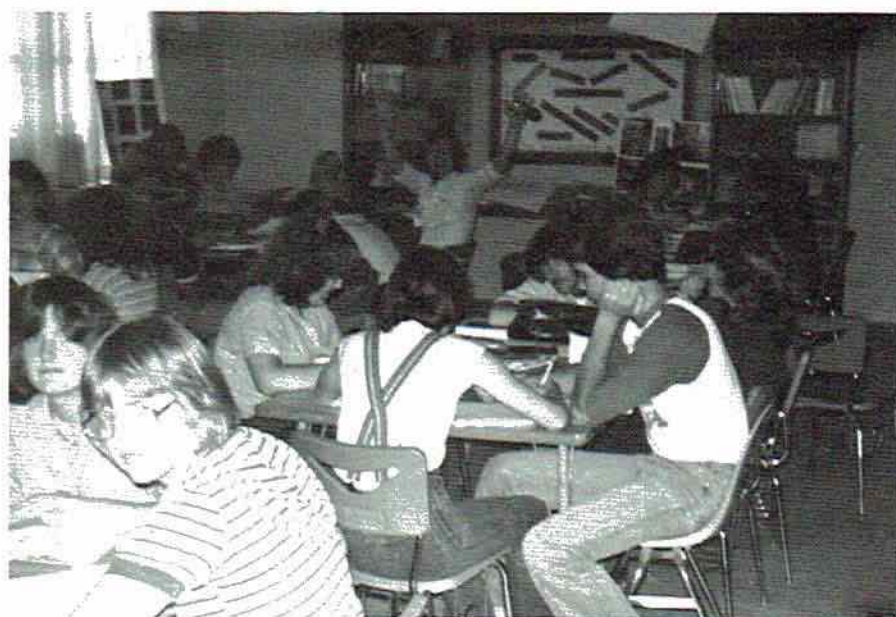

# Look . . .

Closer now — at the faces and friends that populate Pisgah; at the rulers and notebooks, the pencils and pictures, the labs and tests that decorate our days, occupy our hands, and expand our minds.

## Listen . . .

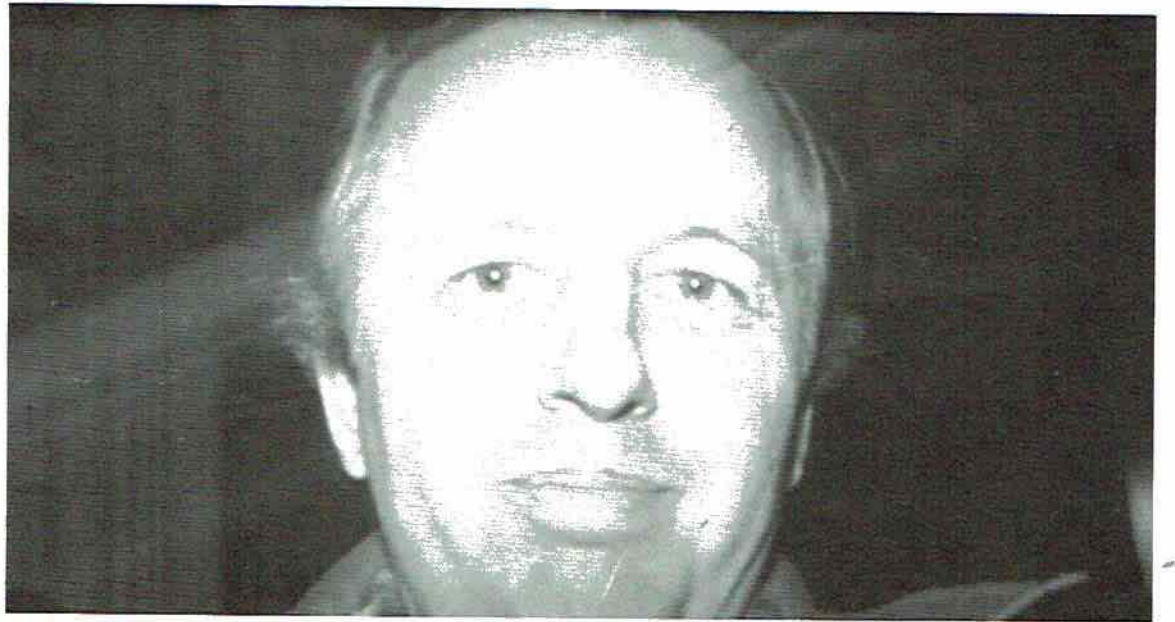

Learn what life's about, treasuring past remembrances, eagerly anticipating the future, remembering to step to the music each of us hears, "however measured or far away."

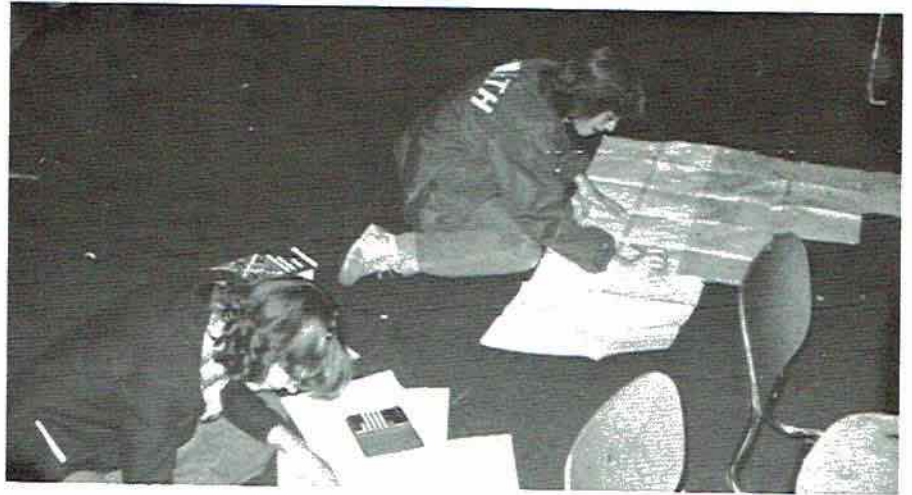

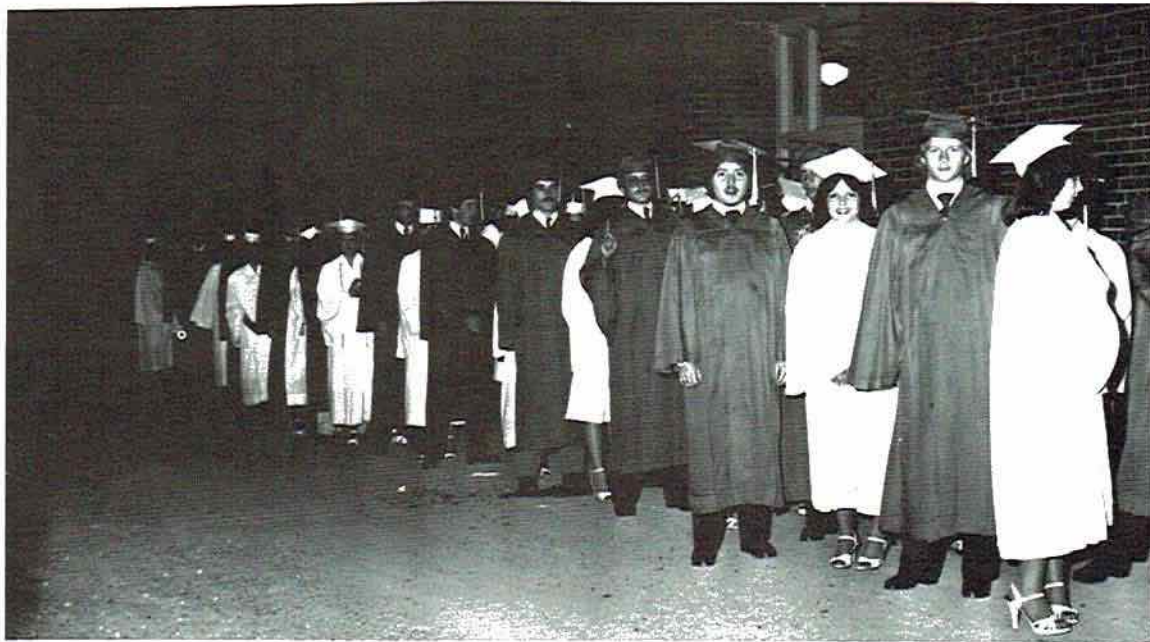

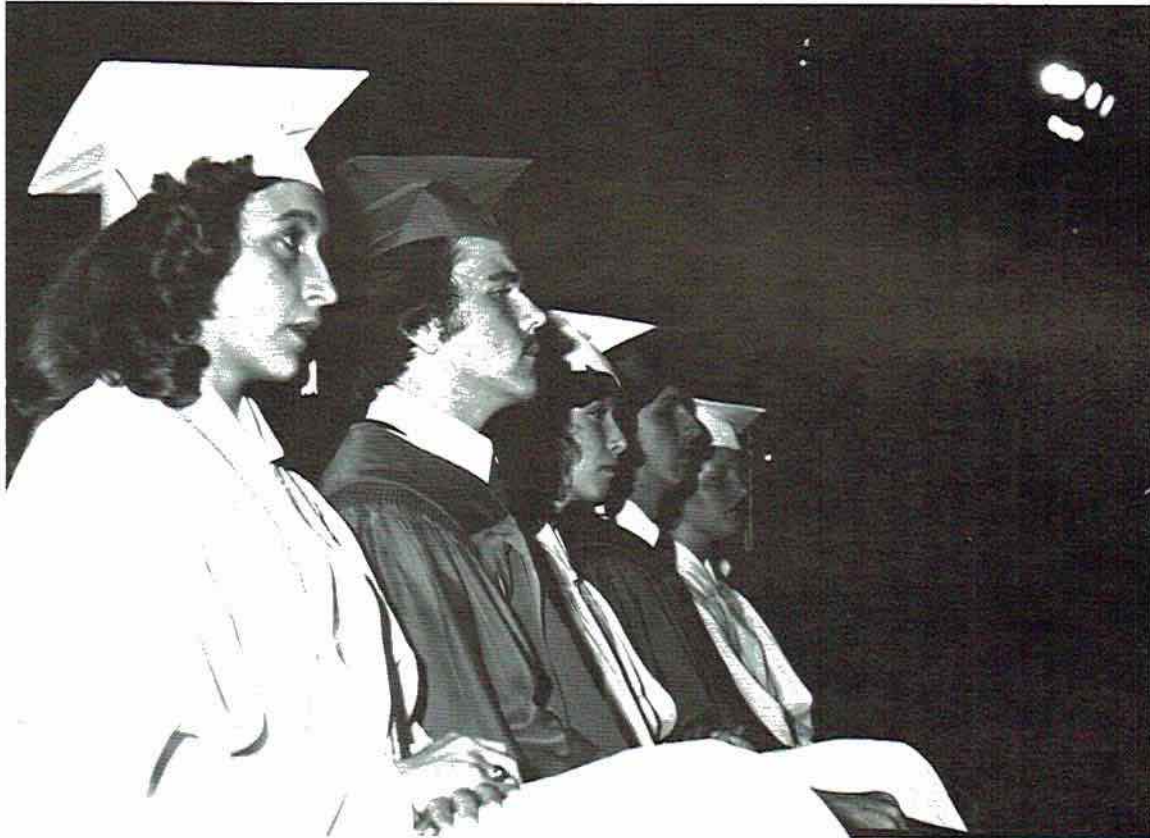

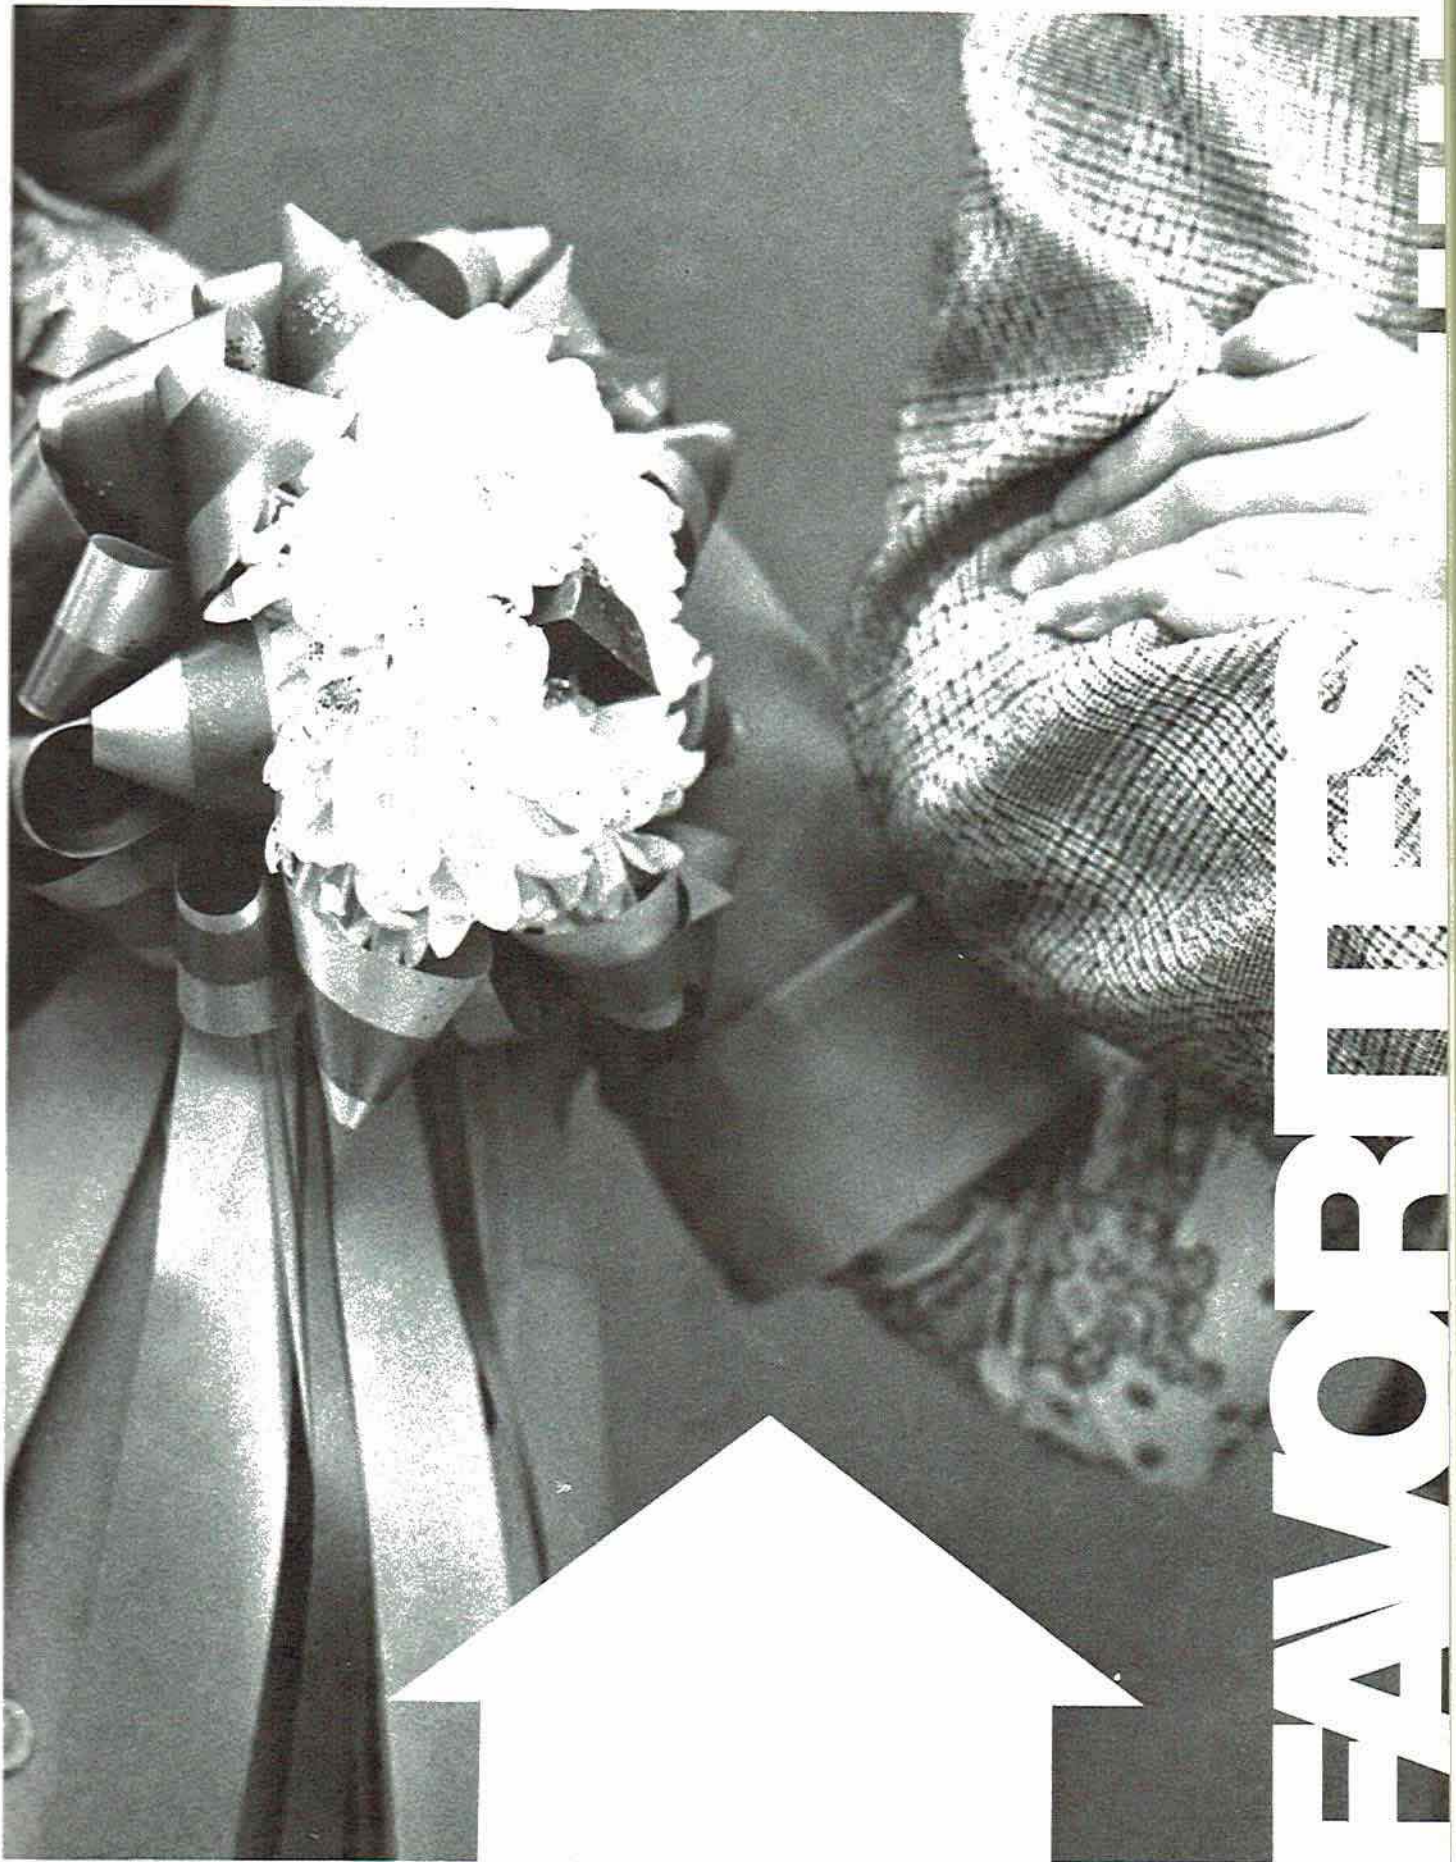

**FAVORITE**

Mr. Jeffery crowns LISA TOWNSON as the 1980 Valentine Queen.

Members of her court include: Denise Bain, Regina Shrader, and Jackie Brockman.

Representing Jackson County and Pisgah High School in the Alabama Junior Miss Pageant was one of the memorable occasions of my life. Among the highlights of my 8-day stay in Montgomery was a press conference with Mrs. Lillian Carter, and tours of several college campuses. I encourage any girl to enter the Junior Miss Pageant because of the many valued friendships that are made of the county and state levels. The benefits of Junior Miss are many, but the greatest of these is the "Junior Miss Spirit" that lives in every girl who experiences the Junior Miss adventure.

# Towards New Horizons

The buzzer has sounded;  
Red jerseys disappear  
Into the fieldhouse . . .

ANNOUNCING,  
"The 1979-80 MARCHING  
EAGLE BAND!"

Long hours of practice,  
Too many tears,  
Not enough breaks,

Trembling flag twirlers  
come alive with  
Precision,  
Determination,  
And the Sweet  
Sounds of music;  
Halftime . . .  
Contests . . .  
OUR SHOW . . . ALL those  
Hours  
WERE WORTH IT!

**Mrs. Tinker:** "Always take the time to say what's in your heart."

**Mrs. Ayers:** "To make no mistakes is not in the power of man; but from their errors and mistakes the wise and good learn wisdom for the future."

**Mrs. Lemaster:** "Count your blessings not your troubles."

**Mrs. Clemens:** "HOGWASH!!!"

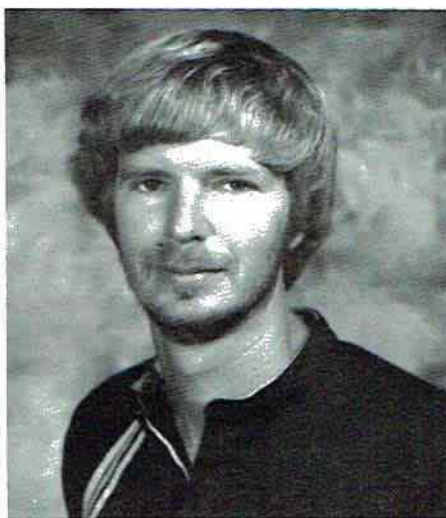

**Mr. Givens:** "He who has health has hope, and he who has hope has everything."

**Mrs. Germany:** "What students are today is only a prelude of what they will become tomorrow."

**Mrs. Edmonds:** "Wisdom is the principal thing; therefore get wisdom; and with all thy getting, get understanding."

**Ms. McKenzie:** "Each of us is like an unfinished sunset, radiating our own special kind of light on things."

## Quotable Quoters

**Debra Underwood:** "If children grew up according to early indications, we should have nothing but geniuses."

**Mary Clemens:** "Never rob Peter to pay Paul."

**Polly Gant:** "When I approach a child, he inspires in me two sentiments: tenderness for what he is, and respect for what he may become."

**Loretta Wright:** "The future is something which everyone reaches at the rate of sixty minutes an hour, whatever he does, whoever he is."

**Cheryl Gorham:** "Men learn while they teach."

**Mattie Lou Peek:** "So to each his own golden opportunity."

**Jerry Carter:** "Say not when I have leisure I will study; you may not have leisure."

**Billy Shelton:** "If we had no faults, we should not take so much pleasure in noting those of others."

**Martha Foster:** "Speak well of everyone if you speak of them at all."

**Jerry Edmonds:** "The roots of education are bitter, but the fruit is sweet."

**Jacquelyn Carter:** "A hundred men can make an encampment, but it takes a woman to make a home."

**Bernard Bibb:** "Happy is the man that findeth wisdom, and the man that getteth understanding."

**Barbara Shelton:** "If there is a scarcity of happiness in this world, it is because more people try to share it than produce it."

**Cheryl Clark:** "The greatest of faults, I should say, is to be conscious of none."

**Doyle Lemaster:** "Character is what you are in the dark."

**Kenneth Wilson:** "Courage is what it takes to stand up and speak; courage is also what it takes to sit down and listen."

# SAND MOUNTAIN ELECTRIC COOPERATIVE

Has Spent Over \$15,000,000  
On Your Future

That is the cost of building the electric system which covers some 1,000 square miles and which serves your home and school. As you build for your future, so too, will SMEC build. By the time you are ready to get a job and to build your own home, we will have spent another \$10,000,000 just so the electricity you need will be there for you.

Your future depends on energy. Use it wisely.

Using electricity and all forms of energy efficiently helps to protect our environment, causes less pollution, makes low supplies of oil, gas, coal and uranium last longer and makes us less dependent on unreliable sources of foreign oil.

DO YOUR PART  
USE AMERICA'S ENERGY EFFICIENTLY.

Winners of the trip to the nation's capital visit the co-op. Sandra Jones, Fyffe and Anita Shankles, Rainsville are welcomed to SMEC by Meredith Buchanan, office manager.

PISGAH STUDENTS CAPTURE PRIZES IN SMEC CONTEST. Liz Owens, \$20 fourth prize; Susanna Carter and Claire Griffith, \$10 school winners.
