## MEMORIES

In all that I've done and all that I've learned, I've searched for a 'ME, for others to see, Upon looking up after three years gone by I found another page of my life had turned.

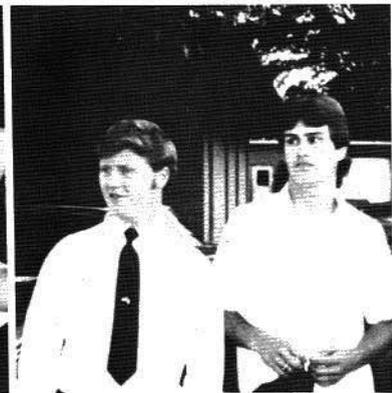

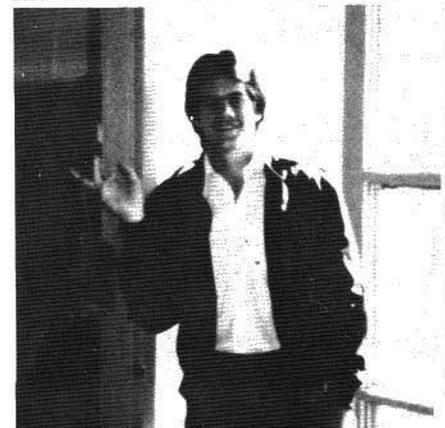

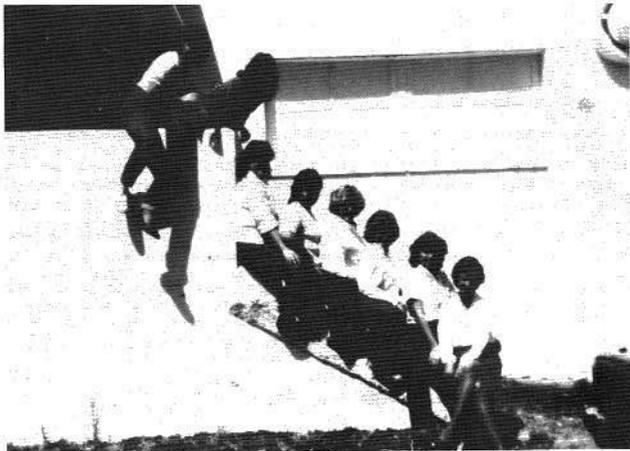

The simple happenings of today  
Will be great memories tomorrow,  
And the fact that we can't do it again  
might bring us a bit of sorrow.

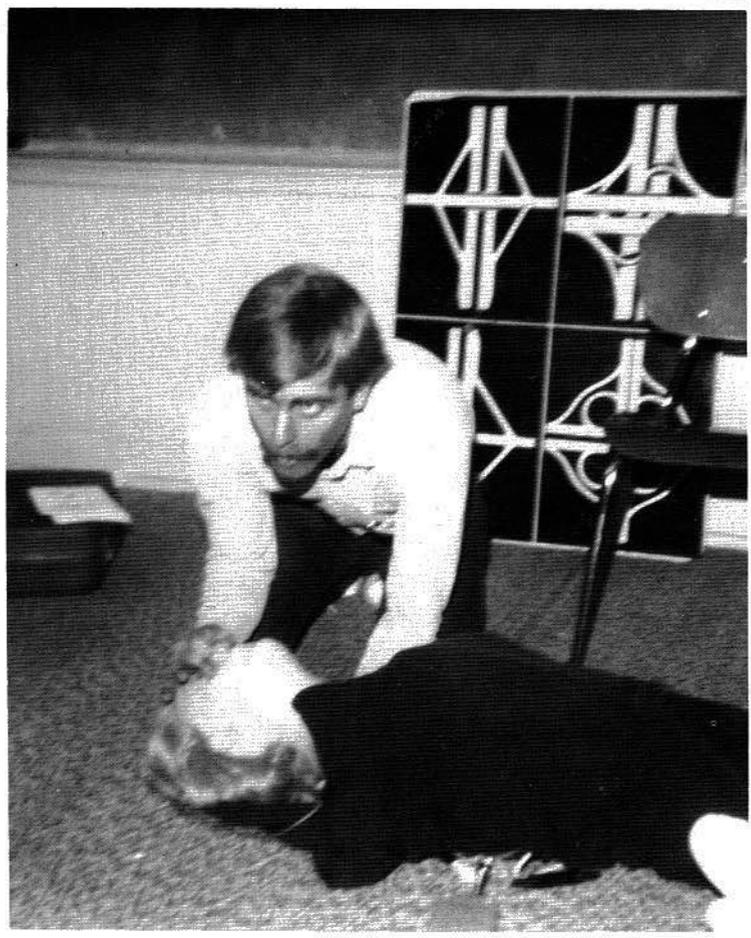

Yet the simple fact that we've lived life once,  
Will let us think it a success  
And the years to come will prove to us  
this year has been better than all the rest.

The Pisgah Eagles continued to soar high as they defeated the state's seventh ranked Bridgeport Tigers Friday night, 41-7.

The win places Pisgah's record at 3-0 making the Eagles the only undefeated team in Jackson county.

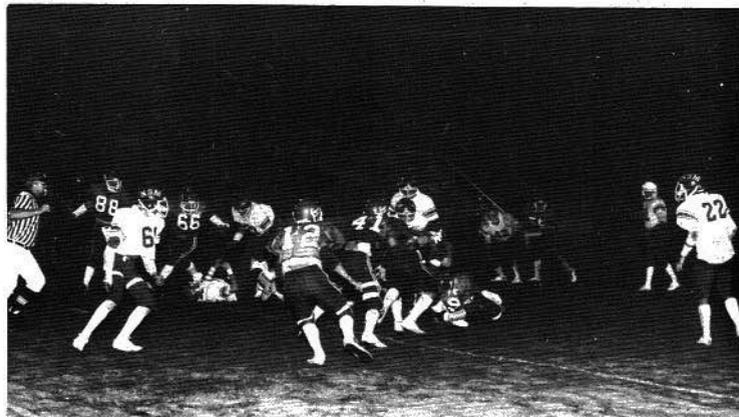

The Eagles were the first to receive the ball and then after a drive punted to Bridgeport who threw roughing the kicker declined the penalty. Bridgeport then drove the ball to Pisgah where the field goal attempt by Steve Raulston failed after non-scoring drives by both teams.

The second quarter began with a pass from Bridgeport's Brent Lewis which was intercepted by Pisgah's Shawn Peck on a 60-yard drive by the Eagles which set up the first score. Eagle fullback Shawn Peek ran for seven yards to cross the six points. The PAT by Franklin Smith Jr. was good, talking in favor of the Eagles.

Bridgeport received the kickoff at its own 20-yard line only to punt from the 19 which again led to Pisgah's second score. The game which ended with a Eagles pass by quarterback Dennis Mays to receiver Franklin Smith Jr. from the 32-yard line. The PAT

## THE TEN COMMANDMENTS OF A GOOD COOPERATIVE

1. A consumer is the most important person in a cooperative.
2. A consumer is not dependent upon us, we are dependent upon him.
3. A consumer is not an interpretation of our work — he is the purpose of it.
4. A consumer does us an honor when he calls. We are not doing him a favor when he calls.
5. A consumer is part of our cooperative, not an outsider.
6. A consumer is not a cold statistic. He is a flesh and blood human being with feelings and emotions like us.
7. A consumer is not someone to argue or match wits with.
8. A consumer is a person who brings us his needs. It is our job to fill his needs.
9. A consumer is deserving of the most courteous and attentive treatment we can give him.
10. A consumer is the life-blood of this and every other COOPERATIVE.

## *Class of 1984*

The past fourteen years that I have been annual sponsor, I have seen quite a few changes at Pisgah High School. It is now time for one more change, I will no longer be annual sponsor. I would like to thank all the "great" kids that have worked to produce the annuals. There were a number of times we raced to meet deadlines, and often, we failed to meet those all important deadlines.

I'm sure there were times everyone was not completely pleased with the yearbook, but as President Harry Truman said when he received criticism; "Maybe two hundred thousand people can do a better job than I can, but I'm the one with the job. The staff and I felt that way on numerous occasions. We feel, however, that we did the best we knew how with what we had to work with.

Our goal has always been to give you a record of the school year and to that end I feel we have always been successful. I hope you enjoy the 1984 *Eagle*. Loretta Wright
