RASH SCHOOL MEMORIES

# DEDICATION

## HISTORY OF RASH SCHOOL

In 1938 we saw the need of new buildings at Cave Spring, White House and Rash Schools. Through the cooperation of the three communities they were consolidated. A new four room school was constructed at Rash.

The first principal of the new school was Mrs. Pearl Sentell. With Mrs. Lee Coffey teaching 3rd and 4th grades, Mrs. Faye Ridley Hale teaching 1st and 2nd. Mrs. Sentell was principal for many years. Miss Kate Steele, Mrs. Esther Rudder, Miss Evelyn Coffey, Mrs. Frances Allison, Mrs. Ilah Wayne, Mrs. Loweta Davis teaching with her. Mr. and Mrs. Preston Brown, Mr. and Mrs. Cecil Butler, Mr. Stanley Green, Mrs. Brooks Bell, Mrs. Bennie Lee Summers, Mrs. Mae Gardner and Mr. Boston Vaughn have taught here. Mr. Vaughn, Mrs. Gardner and Mrs. Allison are the faculty now. They have been the faculty for many years.

In April of 1939 the building was completed, ready for classes. The first graduating exercise was given May 1939. The class address by Judge W. R. Bogart of Stevenson, Alabama. Many girls and boys have graduated from Rash School in the last seventeen years. They are now engaged in all kinds of occupations in the United States, France, and Germany.

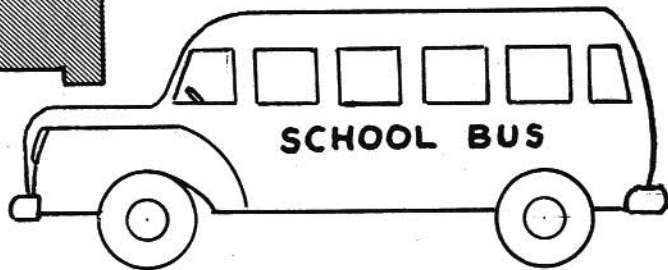

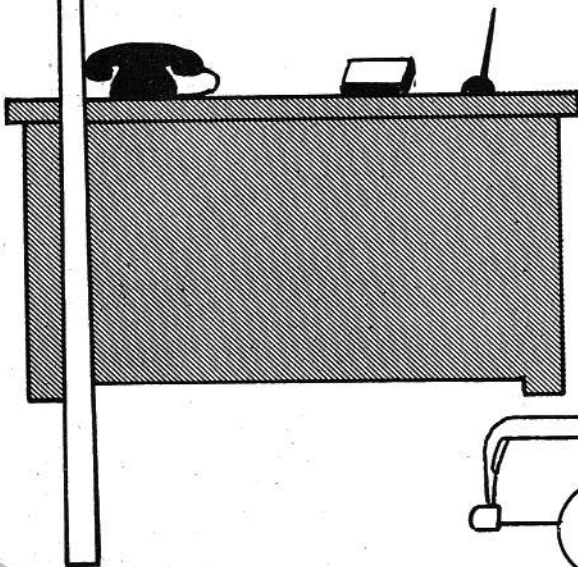

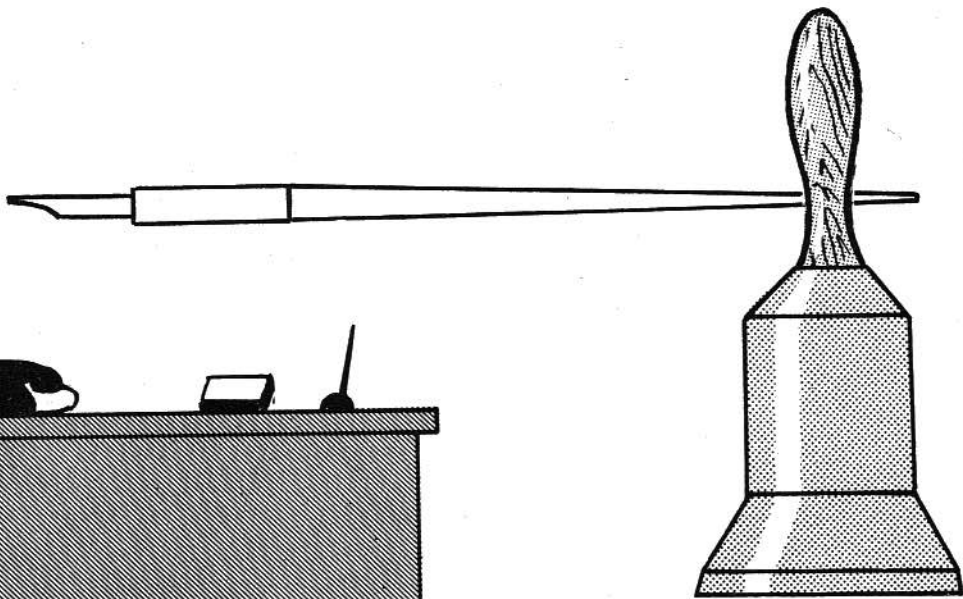

The school has progressed and grown. In 1940 an electric pump was added. The next year a piano purchased. A rhythm band organized under the direction of Miss Clyde Bell. Piano lessons were given to 15 pupils. In 1951 a cafeteria was added.

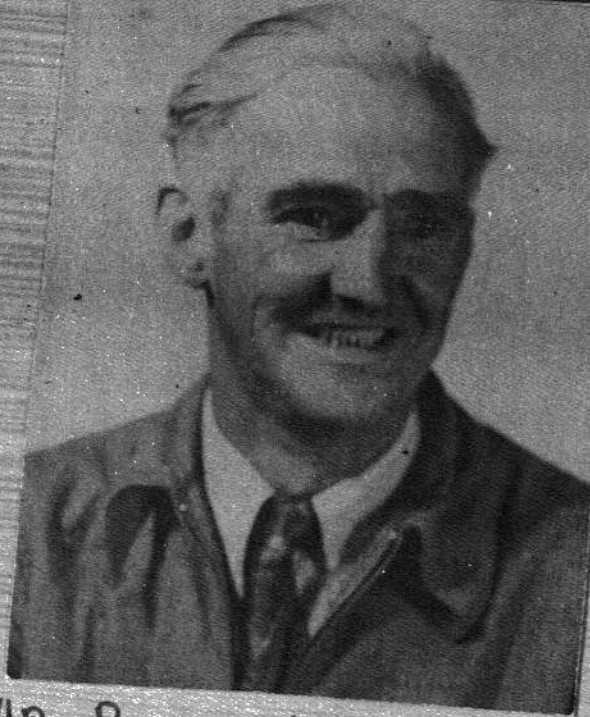

Six grades are taught by three teachers. Most of the students are brought to school by bus. The Students participate in various activities that take place in our County. One event they look forward to is 4-H Club Rally Day at the County Seat each April. The year of 1943 and 1944, our 4-H Club won the banner for having the highest per cent of record books completed.

A small library has been added to the school. Mr. Vaughn bought a good set of Encyclopedia year books, Map charts and wall maps. The building has been repainted inside this year. The painting has improved the looks and added more light to all rooms.
