**SECTION HIGH SCHOOL
SECTION, ALABAMA**

**1967
MOUNTAINEER**

In selecting a theme for this yearbook, the staff took into consideration the location of Section High School atop scenic Sand Mountain, as well as the fact that most of us have climbed the rugged hills to that prized status of Senior. We realize that though we are at the top of one plateau, this is only the first of many peaks we must reach. In the words of Sir Winston Churchill,

"This is not the end; it is not even the beginning of the end; rather it is the end of the beginning."

It is with great pride and pleasure that we the staff present to you this 1967 Mountaineer and with all sincerity and high hopes that we urge each and every one of you to...
