Odyssey '75 is over. Each of us embarked on our own private journeys in August 1974. Frustration, stagnation, apathy, and even defeat were with us in '74 and '75. But there were also communication and involvement.

Positive change took place. We grew.  
This was our Odyssey '75.

Rodney  
Murphree

"Truckin" — a new word, a word that means activity, motion. It says to everyone that we're moving out — in thinking, caring and doing.

Secton High School

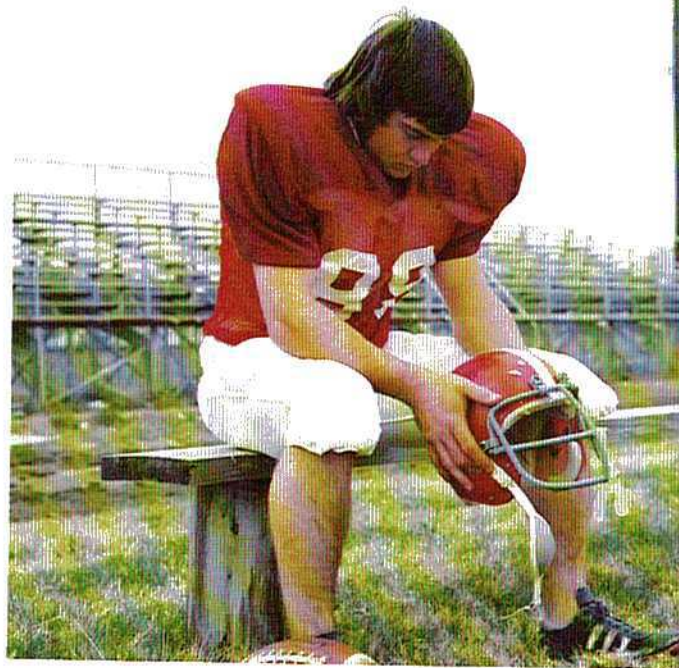

We're ready to greet the world! Restless . . . excited . . . confused . . . young . . . !! We're ready to "Keep On Truckin"

55

76

All our dandelion days are done and so we'll  
run the fields no more in search of wild roses  
that grow out on the moor.

There is no single day or time within the life  
I've so far lived that I'd have changed or  
altered. Possibly there are some days I  
could have missed and never have missed, but  
I suspect that I could not have come down  
to this place a different way. As I suspect  
that being here I don't as yet know where I  
am.

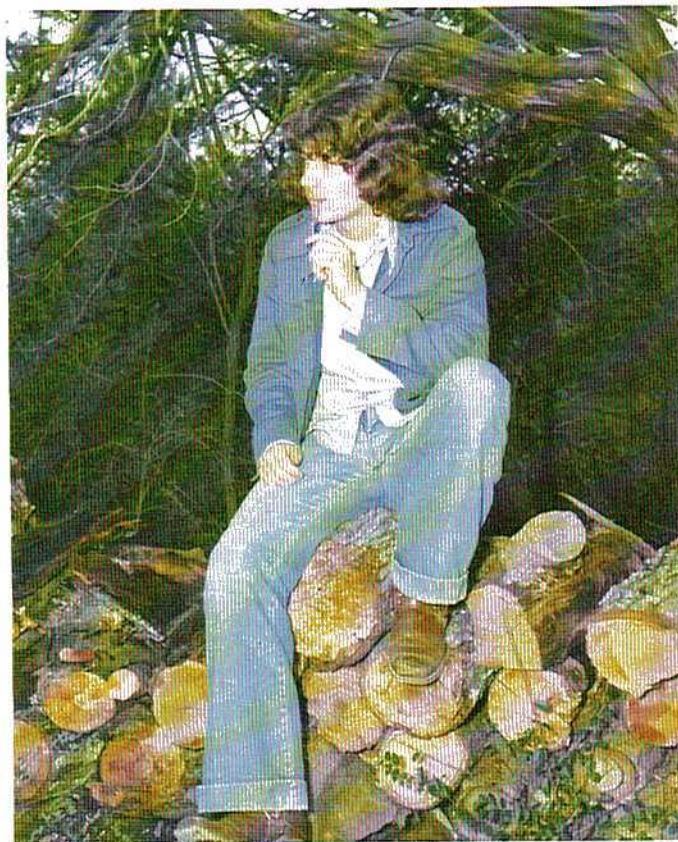

Red McKuen

Despondent he sat, with a somber look:  
Had his heart been severed in twain by the  
harsh refusal of his lady love? No: his  
tummy was giving him pain.

*J. M. Quindry*

All I have is a photograph that reminds me  
of the place we used to go . . .

*Ringo Starr*

Every head is bowed and every eye is closed while Rev. Murphree says a little prayer.

Boyd and only ONE of his playboy bunnies.

We use Ivory Liquid to keep our hands young looking.

Sharon doesn't just make an exit, she makes a GRAND exit.

Gary, you really shouldn't get so fresh with that guy.

A year that Section High School could never forget.

Teresa, are you scared?

Learning their way around - getting them can include  
missing studies and socializing - meeting at the  
pizza palace after classes but still burning  
the midnight oil - gaining poise and confi-  
dence - getting to know the school, the people,  
the vital statistics - necessary for survival -  
(course # 101 is murder!) ---

Girls and rowdy boys - spitballs in the classroom - pranks in the halls - boys and girls lined up on opposite sides of the dance floor - feet are still the most-used means of transportation, but parents can be drafted as chauffeurs for the really "big" date - letter sweaters and rings on chains are topics of major import...

To the 1975 Mountaineer Staff, I extend my sincere congratulations for a job well done.

The staff, through dedication, determination, and hard work has provided all of us at Section High School a yearbook filled with activities that will increase in value as time passes.

Speaking for the faculty, student body, and staff, thank you for giving us a yearbook we can really treasure.

Sincerely,

*James E. Tidmore*

beauties and brains - most talented, wittiest,  
most likely to succeed - our "favorite" people -  
somehow good times are even better whenever  
they're around - always ready with a smile -  
help make the school's "personality" what it  
is - involved - reaching out - these are the ones  
we have chosen.

*Pee-Wee*

The season was a success for us, since it was the first non-losing season in 3 years. The highlights of the season were winning the County Championship and taking 2nd place in the Sand Mt. Tournament. The B-Team and the Jr. A-Team also won the County Championship. We are extremely proud of our coaches and teams accomplishments.

Lion Tony Carter and Hornet J. A. Bates in action.

## Varsity A-Team in Action

Ronnie Smith and a Panther battle for the control of the ball.

Terry Little brings down a rebound. Rodney Murphree and Tony Carter are there to assist.

Struggling for this rebound is Tony Carter against a Stevenson Panther.

Rodney Murphree, under pressure, reaches for the rebound.

*Lions, We Are Proud of You!*

## Varsity B-Team in Action

Howard McBride points out that this is a basketball game, and one uses a basketball.

Haynes seems to have the advantage over this Stevenson player.

Glenn Haynes and Michael Buff are in there struggling to prevent the rebound.

## Football 1974

The 1974 football season did prove to have its anxious moments - moments when we might, just might, be able to pull this one out in the last few minutes. The North Sand Mt. Sylvania, and Plainview games proved to be such games. The players' adrenalin flowed and the fans were on their feet yelling for just a little more effort and a little more yardage. Yes we did have some anxious moments! Everything wasn't lost.

*Stop . . .*

The time has come to wash the poster paint from our fingers, turn-in the uniforms, hang-up the pom-poms, and record the bonfire and home-coming parade.

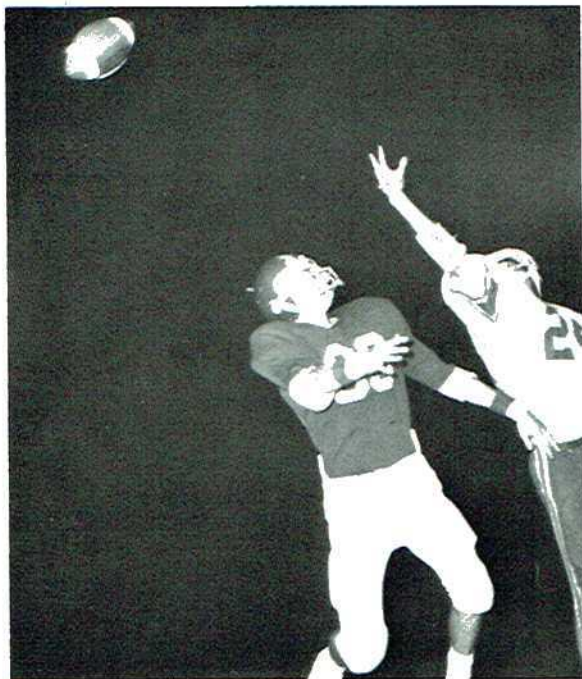

Can you hear the play being called in the huddle or the roar of the pep rally on Friday afternoon at activity period?

*Listen*

## Look . . .

Visualize the spirit line on the field, the toss of the coin, the quarterback dropping back to pass, the officials in the black and white shirts, and the coaches on the side line.

"We Love to Have You Visit Us"

# Odyssey '75

offered endless choices.  
Some of us created our  
own personal interests.

We sang Bachman Turner Overdrive  
and John Denver.  
We read classical and contemporary  
literature.  
We played basketball and football.  
We made new friends and  
acquaintances.  
We studied for enrichment.  
We attempted and learned.  
We won and lost.  
We laughed and cried.

Did we do all that  
was possible  
during

Odyssey '75?
