MOUNTAINEER SECTION HIGH SCHOOL SECTION, ALABAMA

We today enjoy the conveniences of a modern world, and gone forever, except in memories, are the good ol' days of the quilting bee, the horse and buggy, and the wood stove. Those days are gone, but we are the product of this mountaineer spirit. On the 200th birthday of our nation, the staff salutes the pioneer spirit on which the true values of our country were based. Looking back, we are reminded of the past that shaped our present, and now we look forward with hope for the future.

I've been going a long time now along the way I've learned some things. You have to make the good times yourself take the little times and make them into big times and save the times that are all right for the ones that aren't so good.

Senior Activities

For some of us it began 12 years ago right here at SHS; for others, it was only three years ago when they transferred from either Dutton or Macedonia. This year our activities included building a float for Homecoming, ordering announcements and caps and gowns, Class Night, and Graduation Exercises. It took hard work and practice, but we did it in the Spirit of '76.

The 200th Anniversary Of The American Revolution

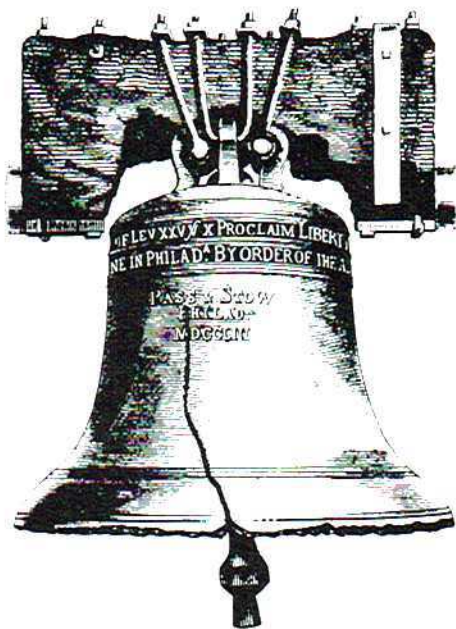

As Americans, we are aware of the importance that journalism played in the formation of the ideals of Democracy in the colonies and long after the Revolutionary War had been fought. If Benjamin Franklin or Thomas Paine were here today, they would sing the praises of the American press. It is most appropriate on the 200th birthday of our nation that we salute the young journalists of today.

Faced with rising costs and inflation, we had to cut back on the cost of publishing our yearbook. Even though the pages are fewer, we feel this yearbook is a better planned one packed with lots of pictures and copy. We are proud of our special bicentennial issue of the MOUNTAINEER.

This year's young, animated coaching staff lead the Lions to one of the most exciting seasons since the '68-'69 team captured the 2A State Tourney crown. It seemed as though our Lions could do almost anything! Remember the Crossville game in the Sand Mt. Tournament. It looked like almost sure defeat, but the Lions kept their cool and became victors.

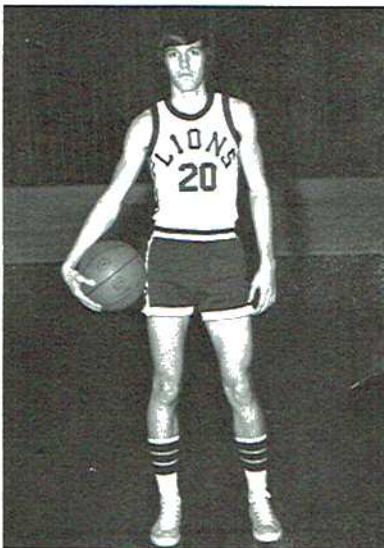

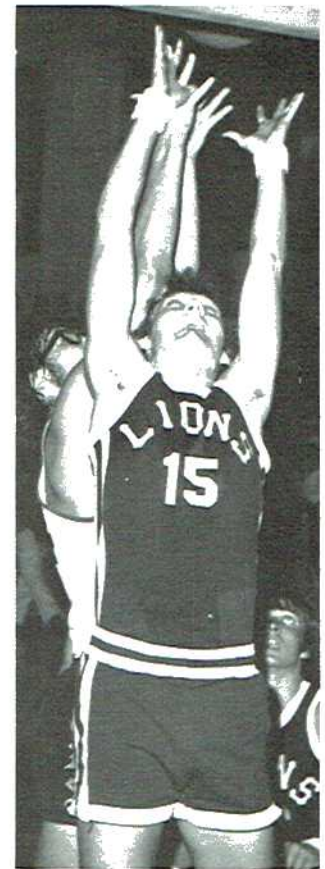

That game, just like many others in the season, was a contest to the last second. The fans were nervous, with fingers crossed and sending prayers upward, but Coach Sparks and the indomitable Lions possessed a calmness that was almost unbelievable in the last part of that basketball game. That was a season that will be talked about for a long time yet.

1975 Football

When the cool autumn, night air settles over the small community, everyone knows that it is time for the mighty Lions to emerge from the locker rooms physically and mentally prepared for another football season.

Football at Section High is exciting from the first coin toss to the last second ticking off the clock of the last game. The highlight of football season comes at Homecoming with the crowning of the Homecoming Queen.
