THOSE  
ATTENDING  
SHS  
FOR  
12 YEARS

## LAST WILL AND TESTAMENT

We, the senior class of 1981, being of unsound mind and weak heart do hereby bequeath the following:

We, the senior class of 81, leave to the faculty, our thanks for putting up with us all these years.

We, the seniors, leave the Juniors Mr. Buff and Mrs. Martin and hope they have to go through everything we did.

To the Sophomores, we leave our ability to get along with Mr. Laney because they'll need it.

To the freshmen, we leave a bottle of nerve pills to help them survive biology.

To our school, we leave our great memories of the past twelve years and we also leave our cheat notes to anyone who may need them.

We the class of 1981 leave Mr. Laney **gladly!**

The individual members of the class leave the following:

We **Denise Hancock** and **Teresa Pace** leave our ability to get along with Mrs. Sisk to Tina Porter, Sharon Grider, and Sherri Springer.

I **Shay Barron** leave my seat on the bus to Kelly Kilgore.

I **Jeff Ferguson** leave the 2 dollars Mr. Holcomb owes me, to Steve Green for singing lessons.

We **Jerry Summerford** and **Steve Smith** leave our ability to stay out of trouble to ourselves because we don't want to give it up.

I **Ila Mae Sargent** leave the ability to be pestered by everyone to Dorky (Jeff Sparks).

I **LaVerne Dolberry** leave my excellent typing ability to Marsha, Sharon, and Belinda.

We **Gerald Ake** and **Steve Haynes** leave the rest of our days absent to any junior who thinks they can stay out 23 days and still graduate.

I **Barrett McGee** leave my bow-leggedness to Connie Stevens.

I **Camille Hembree** leave the ability not to go steady my senior year, my loud mouth, and my favorite number to Marlene Neely.

I **Susan Brooks** leave the ability to chew Banana bubble gum in Mr. Buff's class and not to go APE over him to Liz Brooks.

I **Lora Smith** leave my ability to pop gum in Mrs. Sisk's class to Sandra Wilks.

I **John Stout** being of not-so-sound mind, will leave without further adieu.

I **Billy Myers** just want to remind Coach Blackmon that all men are created equal.

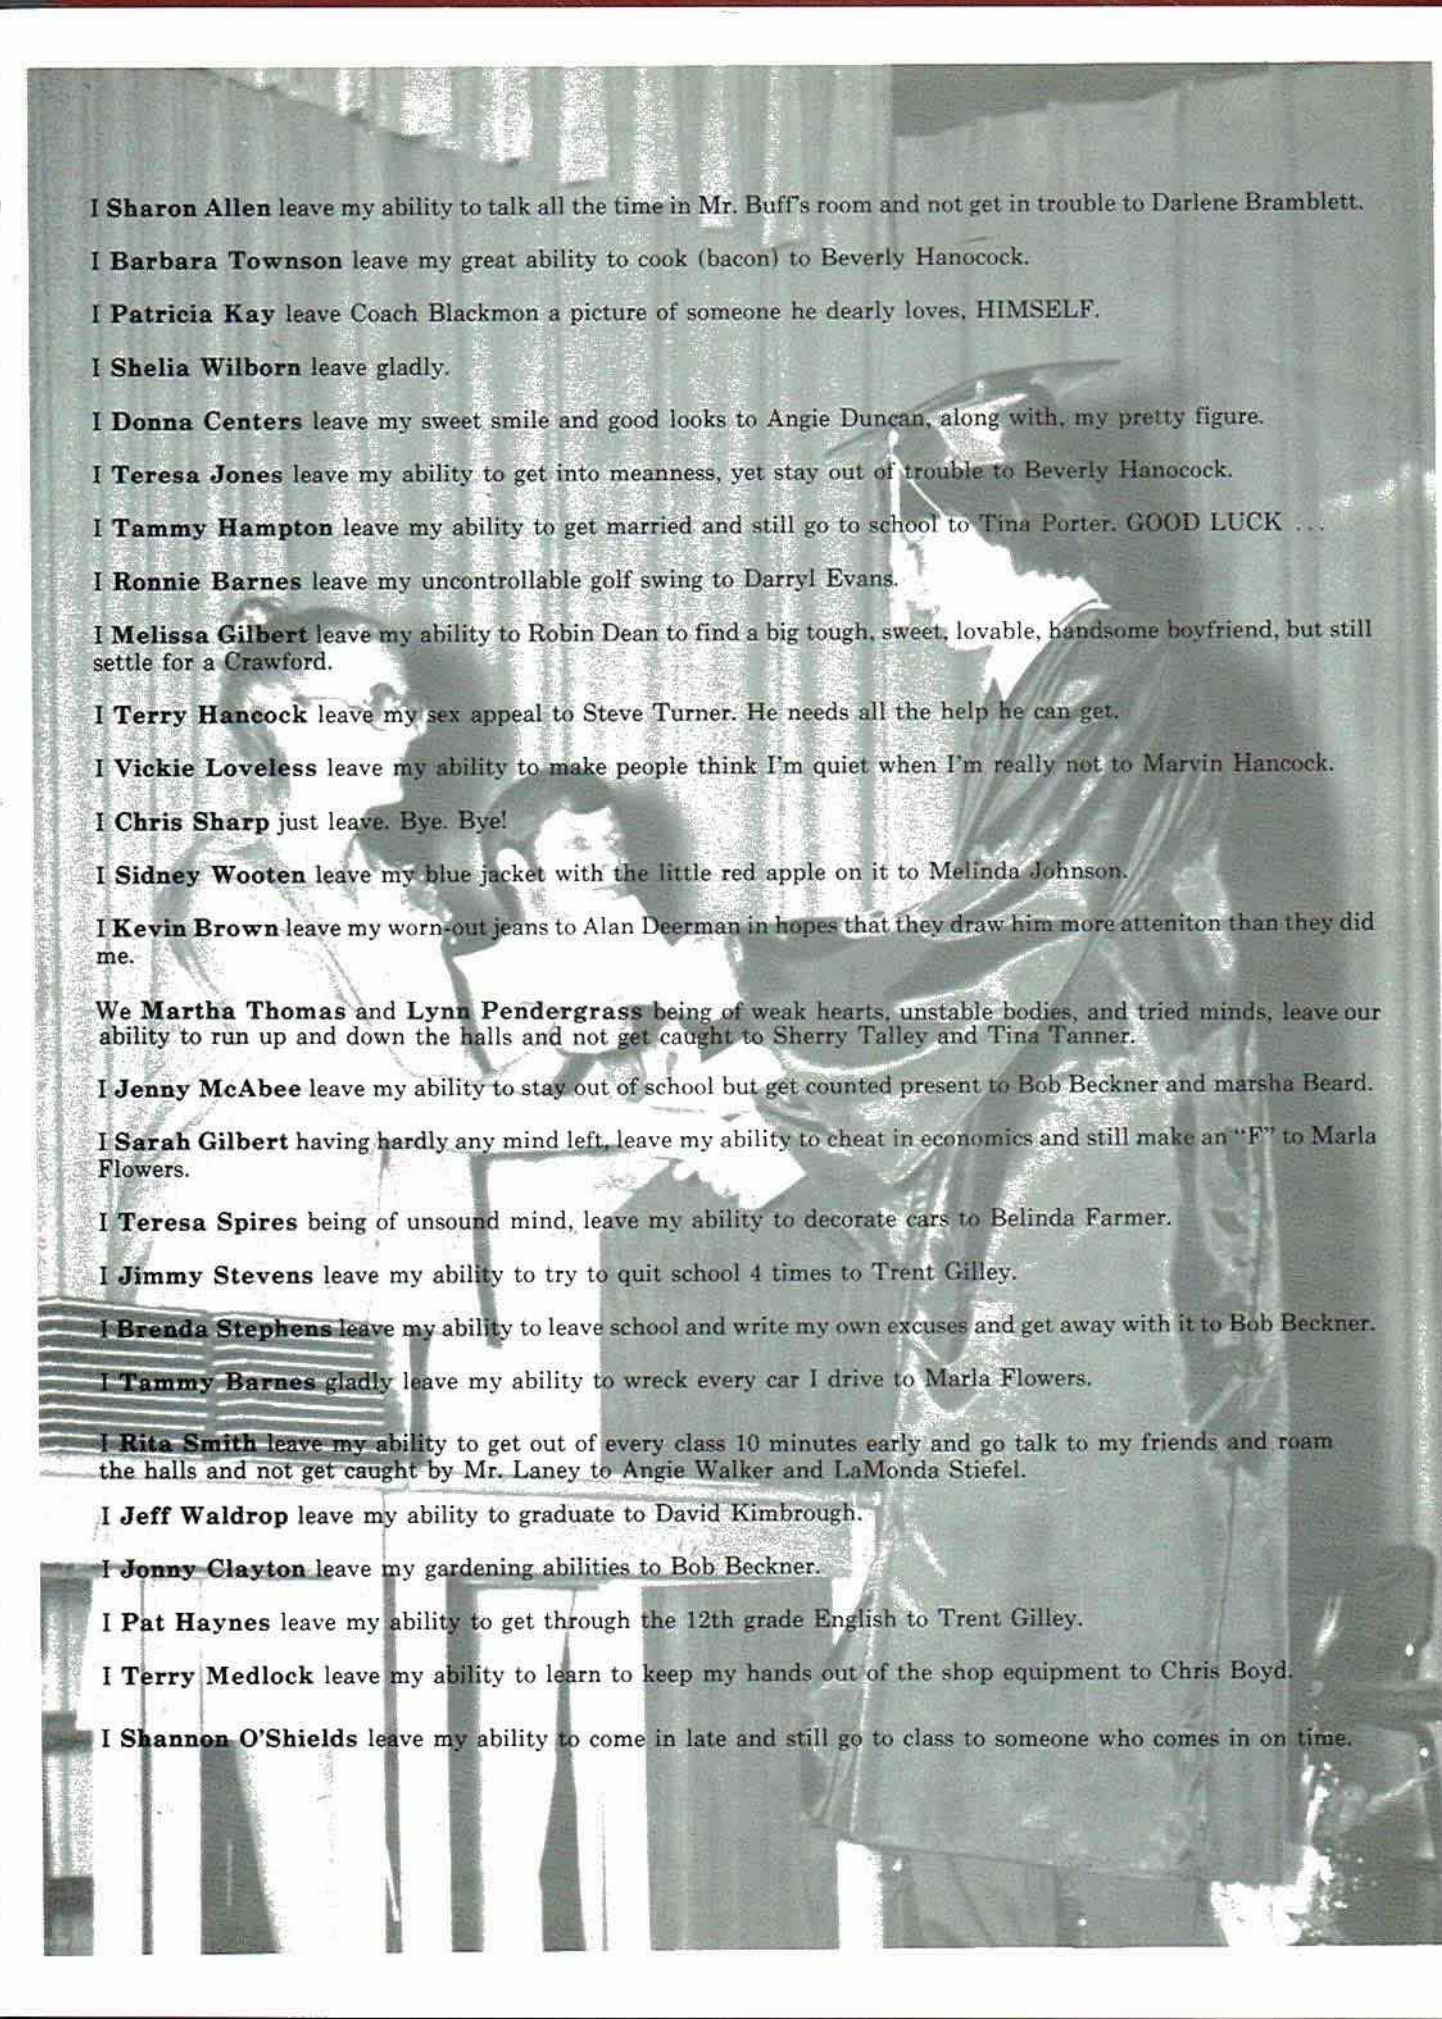

I **Lisa Puckett Stephens** just gladly leave.

I **Pam Talley** leave my vacancy in the Beta Club to Kathy Wilbanks.

I **Jeff Crawford** leave my ability to Steve Green and Chris Kilgore to get brownie points for Coach Blackmon.

I **Stephen McKenzie** leave my ability to skip trade school without getting caught to Jeff Sparks.

I **Sharon Allen** leave my ability to talk all the time in Mr. Buff's room and not get in trouble to Darlene Bramblett.

I **Patricia Kay** leave Coach Blackmon a picture of someone he dearly loves, HIMSELF.

I **Shelia Wilborn** leave gladly.

I **Donna Centers** leave my sweet smile and good looks to Angie Duncan, along with, my pretty figure.

I **Teresa Jones** leave my ability to get into meanness, yet stay out of trouble to Beverly Hanocock.

I **Ronnie Barnes** leave my uncontrollable golf swing to Darryl Evans.

I **Melissa Gilbert** leave my ability to Robin Dean to find a big tough, sweet, lovable, handsome boyfriend, but still settle for a Crawford.

I **Terry Hancock** leave my sex appeal to Steve Turner. He needs all the help he can get.

I **Vickie Loveless** leave my ability to make people think I'm quiet when I'm really not to Marvin Hancock.

I **Chris Sharp** just leave. Bye. Bye!

I **Sidney Wooten** leave my blue jacket with the little red apple on it to Melinda Johnson.

I **Kevin Brown** leave my worn-out jeans to Alan Deerman in hopes that they draw him more attention than they did me.

We **Martha Thomas** and **Lynn Pendergrass** being of weak hearts, unstable bodies, and tried minds, leave our ability to run up and down the halls and not get caught to Sherry Talley and Tina Tanner.

I **Jenny McAbee** leave my ability to stay out of school but get counted present to Bob Beckner and Marsha Beard.

I **Sarah Gilbert** having hardly any mind left, leave my ability to cheat in economics and still make an "F" to Marla Flowers.

"The Section football Team of 1980, proved that hard work pays off. We won eight games for the first winning season in the school's football history. We then went on to the quarter-finals of the state play-offs. I hope these boys learned that not only hard work, but discipline and Character played a gigantic part in our success. I believe these things will help them down the road in their lives. I'm proud for them and the community, and I was glad to be a part of it. These twenty-three boys started Sand Mountain people talking about **Section Football.**"
