LAST WILL AND TESTAMENT

WE, THE 1983 SENIOR CLASS OF SECTION HIGH SCHOOL, CITY OF SECTION, COUNTY OF JACKSON, AND STATE OF ALABAMA, BEING OF UNSOUND MIND AND MEMORY DO HEREBY MAKE, PUBLISH AND DECLARE THIS TO BE OUR LAST WILL AND TESTAMENT.

To the faculty, we leave our sincere appreciation for their guidance and our hope for their continued success.

To the Juniors, we leave our ability to get through the hardest year of their life. We also leave them our old term papers, wrong answers, and our ability to have fun.

To the Sophomores, we leave all of our good memories, notes, and hopes for the future. We also leave them our "dignified" senior ways.

To the Freshmen, we leave the pleasures and pangs of puppy love and a bottle of nerve pills and aspirin for all the headaches to come.

The individual members of the graduating class bequeath the following:

I, Tina Farmer leave Lisa Golden my ability to get away with anything in Mrs. Sisk's class, and also leave my Vice-Presidency of the I.B.T.C. and my perfect figure of 34-23-33 to anyone who wants it.

I, Melinda Ball leave my ability to sit on the bench during basketball games for 2 years to Tammy Sampson.

I, Steve Hambrick leave all my great athletic ability to Chad Stone 'cause Lord knows he needs it!

I, Reneé Duncan leave my ability to play the trumpet to anybody who wants it.

I, Moselle Cisco leave my ability to have Mrs. Sisk for 4 years and still survive to anyone who can handle it.

I, Johnny Reed leave my ability to be called Coach Blackmon's son more times in the last 3 years than anyone can say to his other son Randy Hamilton, he deserves it!!!

I, Donna Barnes leave my ability to be Mrs. Sisk's favorite student and smart mouth Coach Blackmon to Michelle Wilbourn.

We, Connie Myers and Todd Williams leave Tina Myers and Bruce Kirby our back row seats in Democracy.

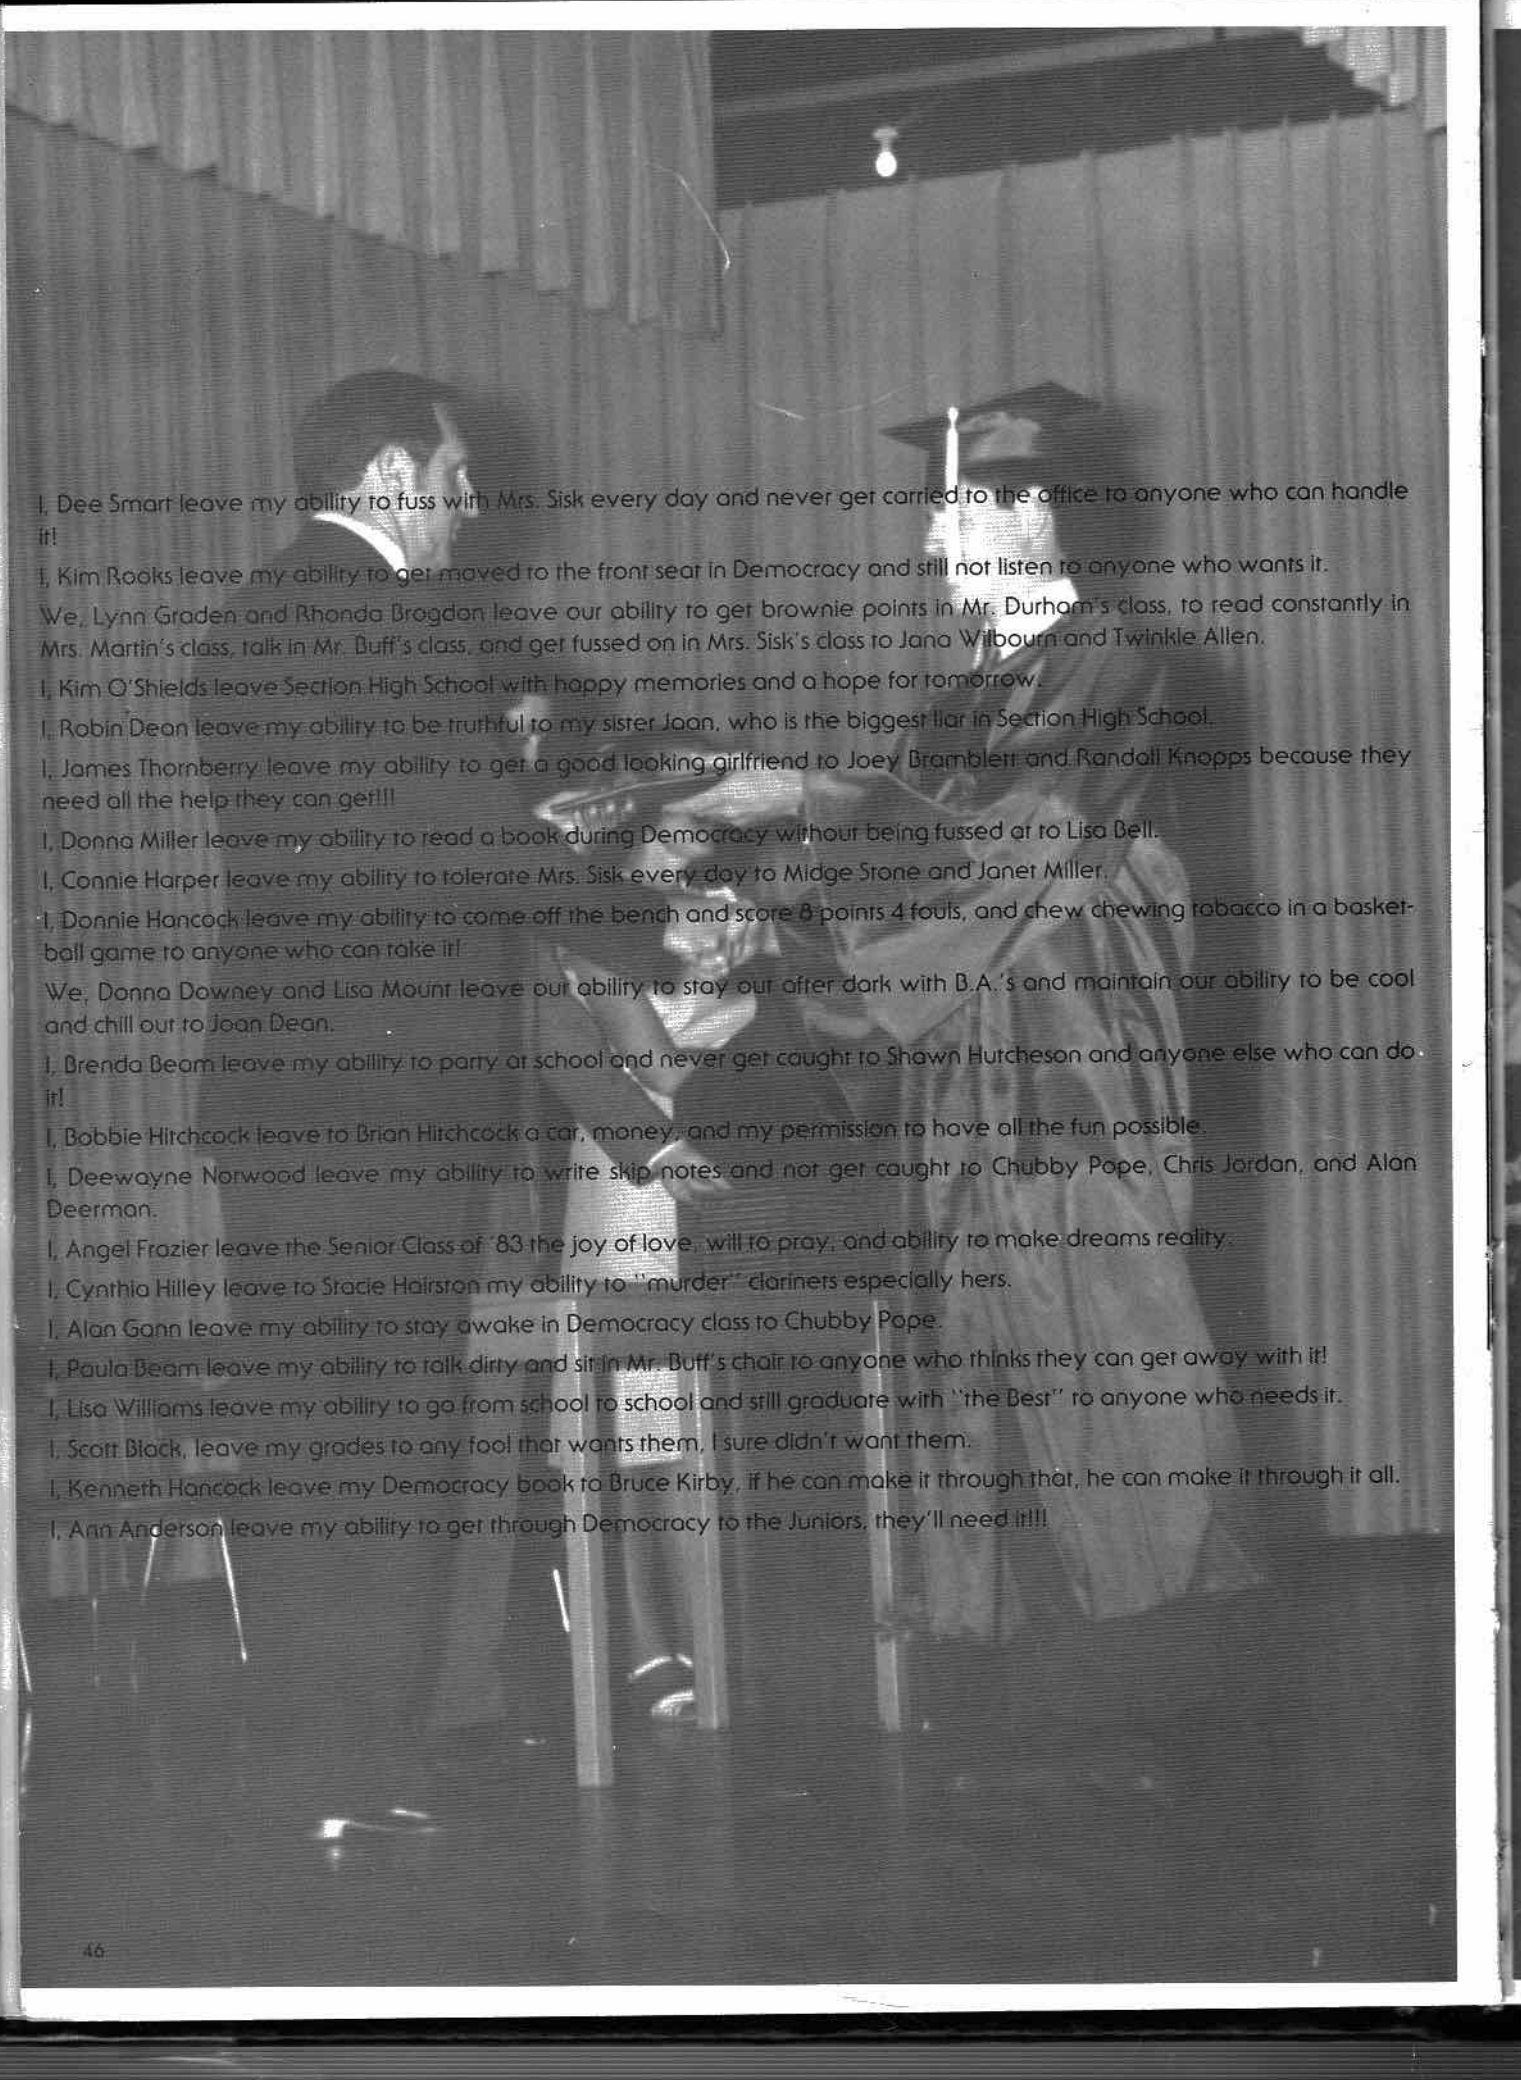

I, Robin Griffith leave my ability to sleep during all of Mr. Durham's films without getting caught to Sandy Walden.

I, Bobby Surton leave my Region 6 1980-81 Champs patch to someone that dearly loves it, Coach Blackmon.

I, Charles Swinford being of weak mind and body leave all my old homework papers to Alan Deerman.

I, Steve Manning being of half fried mind and unsound body do hereby leave Section High School with a smile on my face.

I, Doug Pace being of unsound mind leave my drums to anybody who can play them, 'cause I can't.

- 
- I, Dee Smart leave my ability to fuss with Mrs. Sisk every day and never get carried to the office to anyone who can handle it!
- I, Kim Rooks leave my ability to get moved to the front seat in Democracy and still not listen to anyone who wants it.
- We, Lynn Graden and Rhonda Brogdon leave our ability to get brownie points in Mr. Durham's class, to read constantly in Mrs. Martin's class, talk in Mr. Buff's class, and get fussed on in Mrs. Sisk's class to Jana Wilbourn and Twinkle Allen.
- I, Kim O'Shields leave Section High School with happy memories and a hope for tomorrow.
- I, Robin Dean leave my ability to be truthful to my sister Jaan, who is the biggest liar in Section High School.

- I, Donnie Hancock leave my ability to come off the bench and score 8 points 4 fouls, and chew chewing tobacco in a basketball game to anyone who can take it!
- We, Donna Downey and Lisa Mount leave our ability to stay out after dark with B.A.'s and maintain our ability to be cool and chill out to Joan Dean.
- I, Brenda Beom leave my ability to party at school and never get caught to Shawn Hutcheson and anyone else who can do it!
- I, Bobbie Hitchcock leave to Brian Hitchcock a car, money, and my permission to have all the fun possible.
- I, Deewayne Norwood leave my ability to write skip notes and not get caught to Chubby Pope, Chris Jordan, and Alan Deerman.
- I, Angel Frazier leave the Senior Class of '83 the joy of love, will to pray, and ability to make dreams reality.
- I, Cynthia Hilley leave to Stacie Hairston my ability to "murder" clariners especially hers.
- I, Alan Gann leave my ability to stay awake in Democracy class to Chubby Pope.
- I, Paula Beam leave my ability to talk dirty and sit in Mr. Buff's chair to anyone who thinks they can get away with it!

- I, Scott Black, leave my grades to any fool that wants them, I sure didn't want them.
- I, Kenneth Hancock leave my Democracy book to Bruce Kirby, if he can make it through that, he can make it through it all.
- I, Ann Anderson leave my ability to get through Democracy to the Juniors, they'll need it!!!!

CLASS PROPHECY

Here we are in the year 2003 and, believe it or not, some of us have even settled down to a life with a husband and a few kids. But, of course, we are all still crazy as heck. We still have that same spirit of rebellion as we did in the old days, but we just don't show it off as much.

There were a few of us who remained on good ole Sand Mountain like Dee Wayne Norwood who is now the owner of the world's largest arcade on Sand Mountain, we call it "Santasi". And there's Kim O'Shields who owns the Last Chance liquor store going off this side of Sand Mountain. Let's not forget Lisa Mount, after all her years of athletic achievement, she finally took up coaching, she now holds all four coaching positions at SHS.

There are some who left Section, but they didn't get far. Johnny Reed is one of them. He is now the mayor of Rainsville, where he has his own harem of 42 women. He has to take Geritol every day to keep up his strength, we wonder why?

Steve Manning and Judy finally got married, they reside in their 105 room mansion on Skyline Mountain, where they farm the world's funniest looking tomato plants, that can't even grow tomatoes. Brenda Beam is also in farming, she works for Steve and Judy.

Since graduation, Rhonda Bragdon has been engaged all of four times. Her only problem was that the guy could never find her house.

Connie Harper finished school and is now spending most of her time hunting, she likes to use "buckshot".

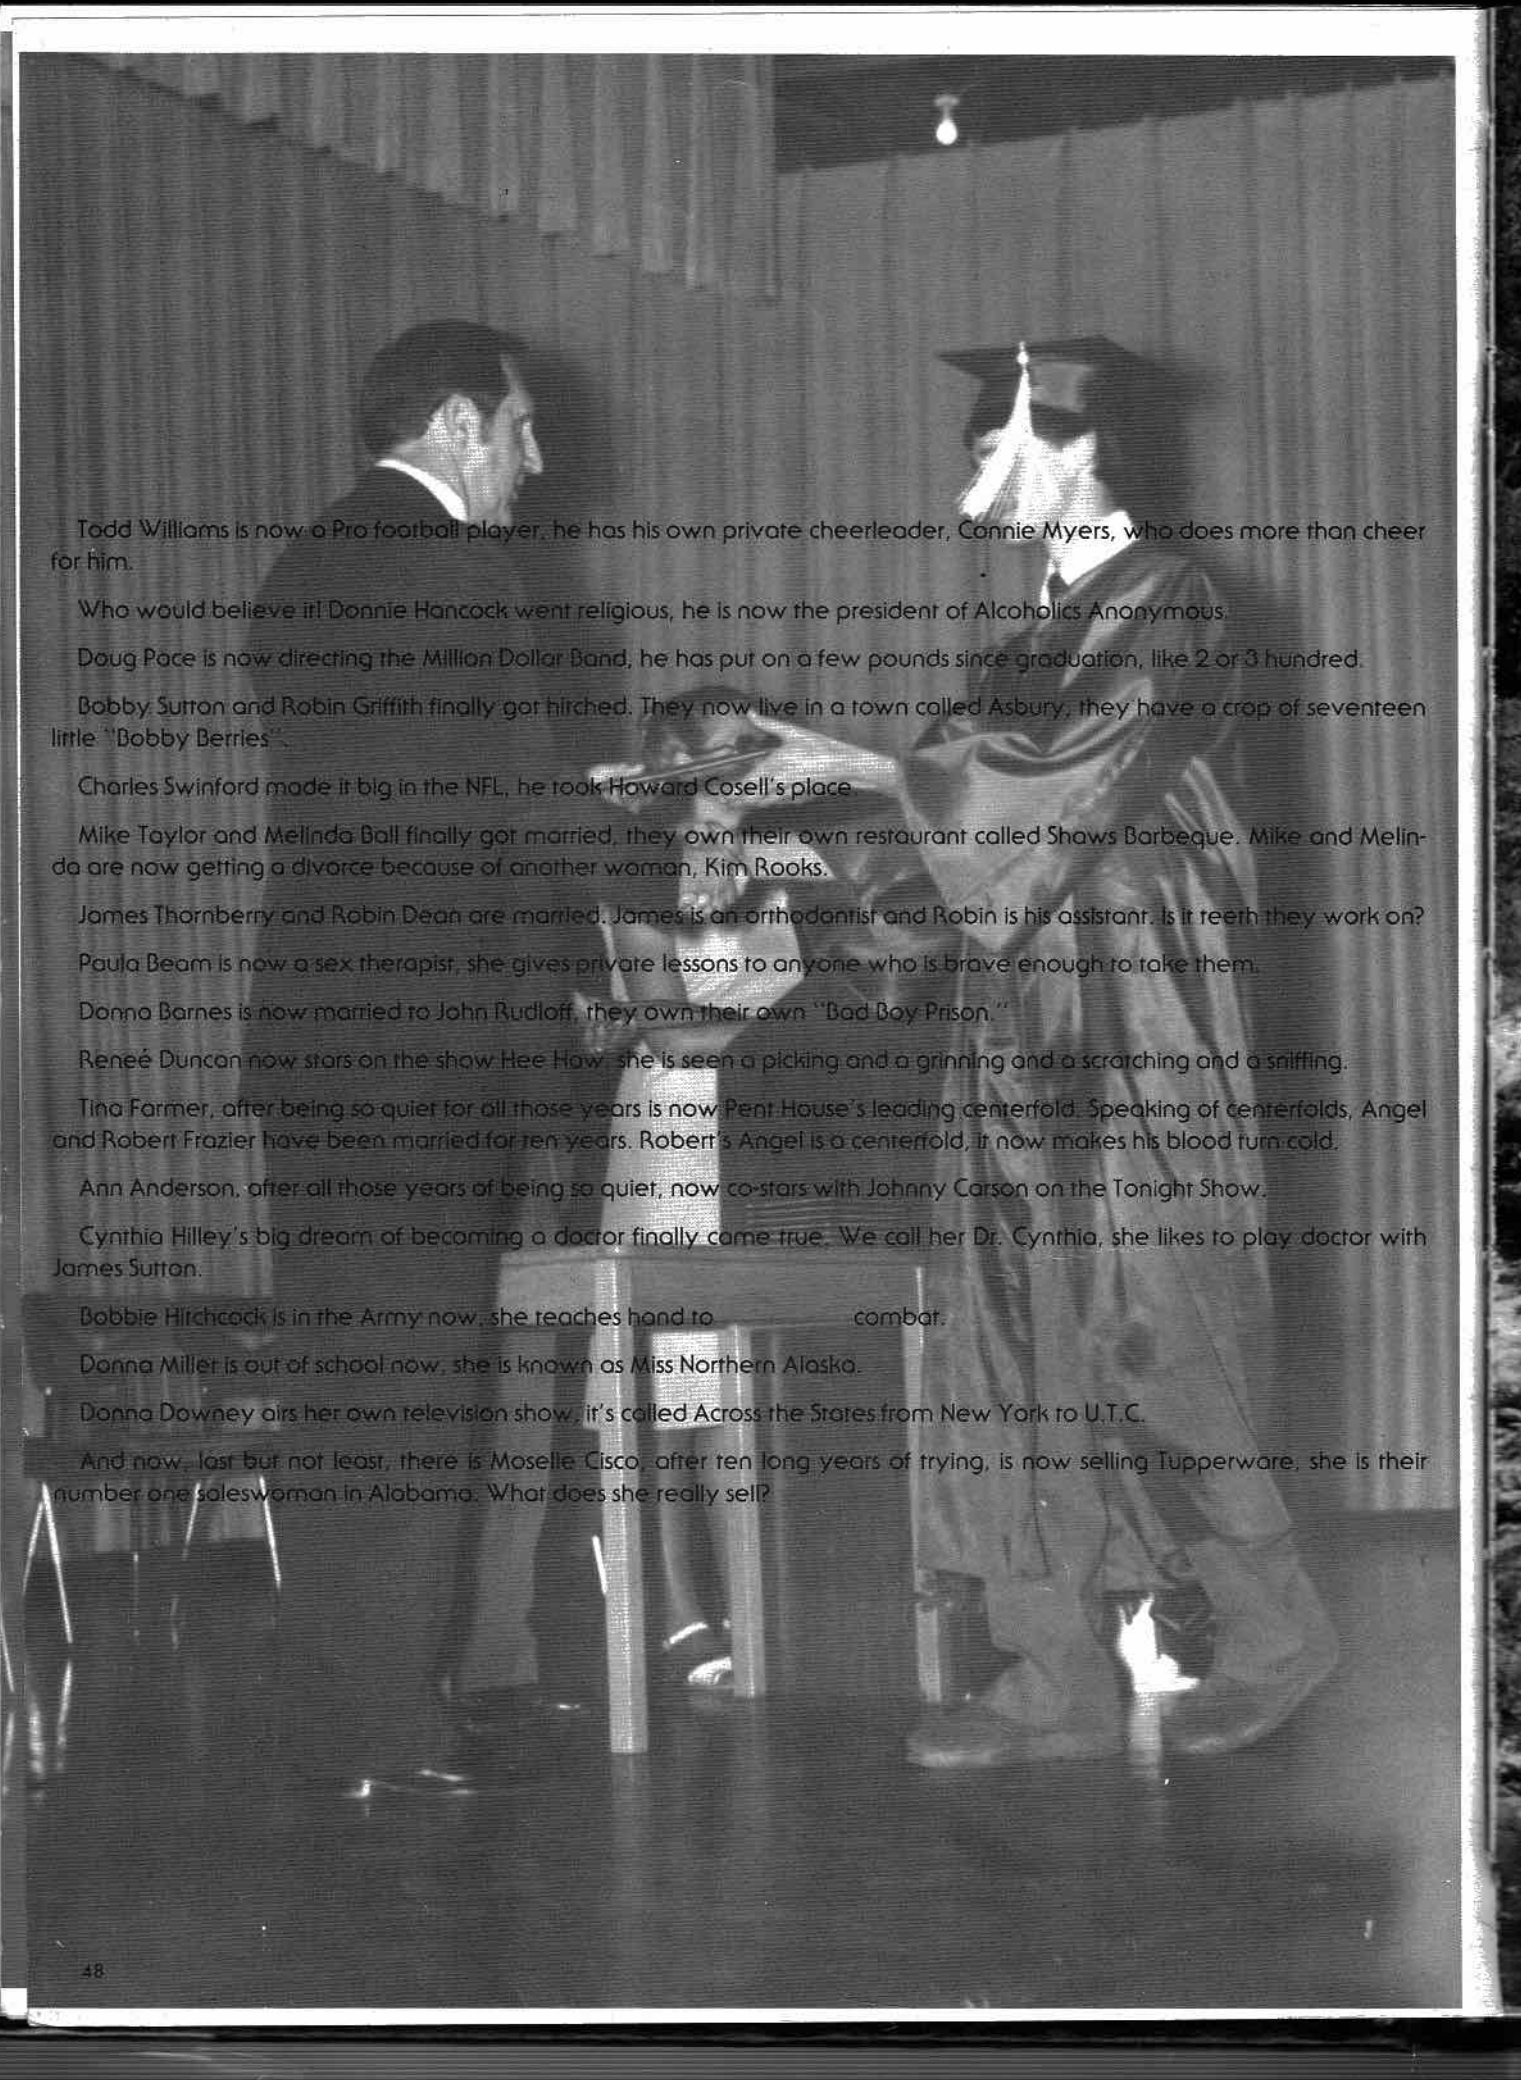

Dee Smart is now known as the P.G.A. Queen of Langston.

Let's not forget Kenneth Hancock, he finally got married and now resides in Fyffe. He owns the first drive through paint your own Camaro shop.

There are some of us who went elsewhere and found our fame, if you could call it that. Scott Black finally made it big on television. He now advertises Afro-Sheen on the late show.

Alan Gann finally got his own body shop, not car bodies but body builders, he is known as our 2002 Mr. Flesh Flexer of America, and who do you think would be his manager, you guessed it, none other than Lynn Graden. She manages ALL parts of his body.

Steve "Hangalos" Hambrick is the retired welter weight champion, he is now married to Melody Bell, and they have one adopted daughter, Annette Brown.

Todd Williams is now a Pro football player, he has his own private cheerleader, Connie Myers, who does more than cheer for him.

Who would believe it! Donnie Hancock went religious, he is now the president of Alcoholics Anonymous.

Doug Pace is now directing the Million Dollar Band, he has put on a few pounds since graduation, like 2 or 3 hundred.

Bobby Sutton and Robin Griffith finally got hitched. They now live in a town called Asbury, they have a crop of seventeen little "Bobby Berries".

Charles Swinford made it big in the NFL, he took Howard Cosell's place.

Mike Taylor and Melinda Ball finally got married, they own their own restaurant called Shaws Barbeque. Mike and Melinda are now getting a divorce because of another woman, Kim Rooks.

James Thornberry and Robin Dean are married. James is an orthodontist and Robin is his assistant. Is it teeth they work on?

Paula Beam is now a sex therapist, she gives private lessons to anyone who is brave enough to take them.

Donna Barnes is now married to John Rudloff, they own their own "Bad Boy Prison."

Reneé Duncan now stars on the show Hee How, she is seen a picking and a grinning and a scratching and a sniffing.

Tina Farmer, after being so quiet for all those years is now Pent House's leading centerfold. Speaking of centerfolds, Angel and Robert Frazier have been married for ten years. Robert's Angel is a centerfold, it now makes his blood turn cold.

Ann Anderson, after all those years of being so quiet, now co-stars with Johnny Carson on the Tonight Show.

Cynthia Hilley's big dream of becoming a doctor finally came true. We call her Dr. Cynthia, she likes to play doctor with James Sutton.

Bobbie Hirschcock is in the Army now, she teaches hand to hand combat.

Donna Miller is out of school now, she is known as Miss Northern Alaska.

Donna Downey airs her own television show, it's called Across the States from New York to U.T.C.

And now, last but not least, there is Moselle Cisco, after ten long years of trying, is now selling Tupperware, she is their number one saleswoman in Alabama. What does she really sell?
