OUR MAIN GOAL: To better our school and community for all our children.

During our two years of existence we have achieved the following goals:

Secured our High School
Helped construct a new gym
Bought and paid for backboards, goals and bleachers
Gave donation to Skyline Little League
Gave donation to General School Fund
Have worked with and for Skyline Fire Department
And most of all —
Without our help the school, which is presently known as Skyline High School, would now be a six grade school.

Although we are only a small group, we have achieved all the above goals. Just think what we could do if we had two-thirds of the mountain in our club.
