

VIKINGS '78

GREATEST HITS

We, the Senior Class and the 1978 "Viking" Staff, would like to dedicate this 1978 yearbook to

Stanley Ray McAllister

Stanley would have been a member of the class of 1978. He passed from this life in 1971 while he was attending Skyline Junior High School in the sixth grade. The passing of time has taken away some of the pain of his absence, but not the memories we have of his time spent with us.

Mr. And Miss Skyline High School

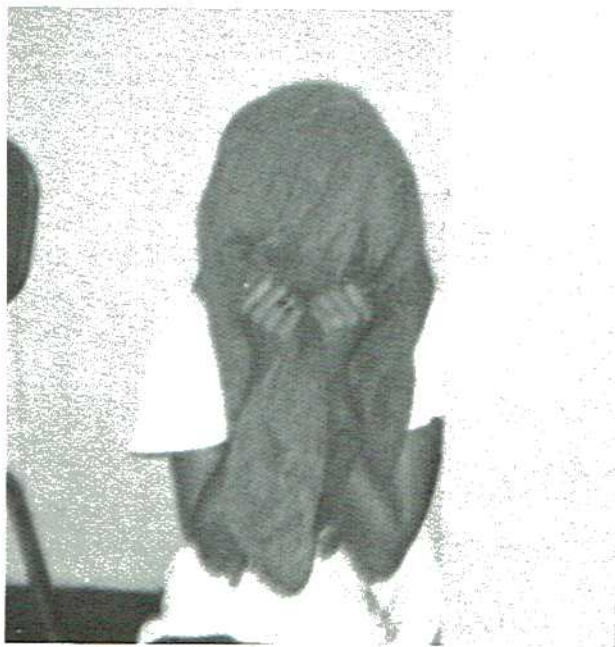

Tammy Little And Scott Warren

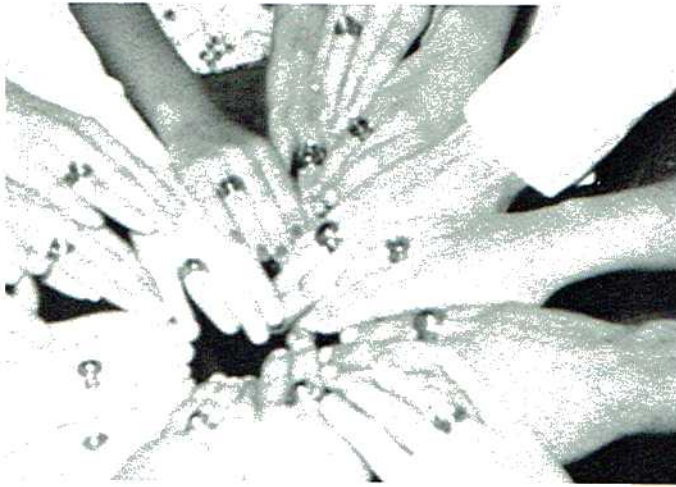

So Take it to the limit
for one more time .

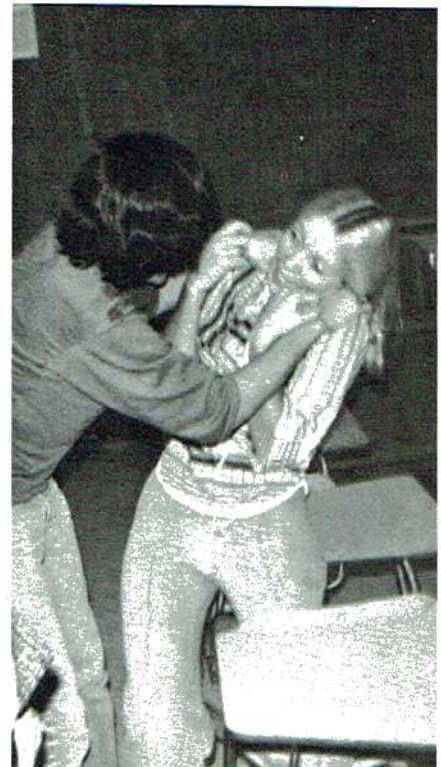

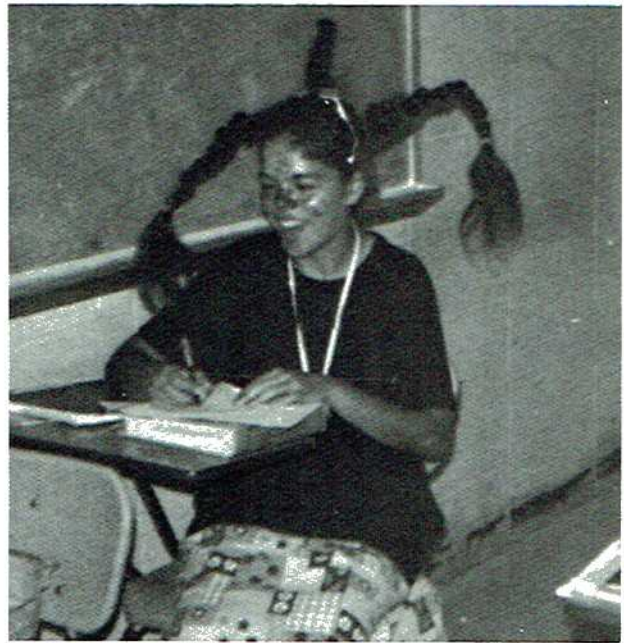

Because I am already gone
and I'm feeling strong
I've got to sing this victory song

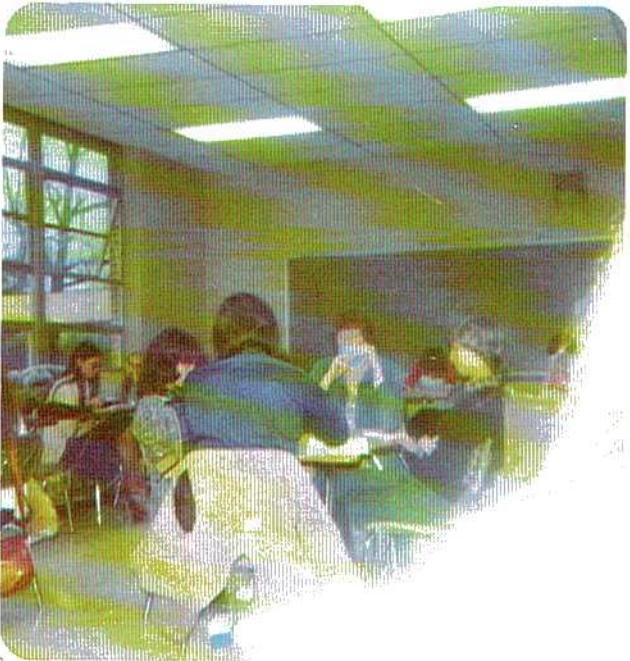

I'm running down the road
I have tried to loosen my load
Had a world of trouble on my mind

Ooh! What a Woman,
See how high she flies!

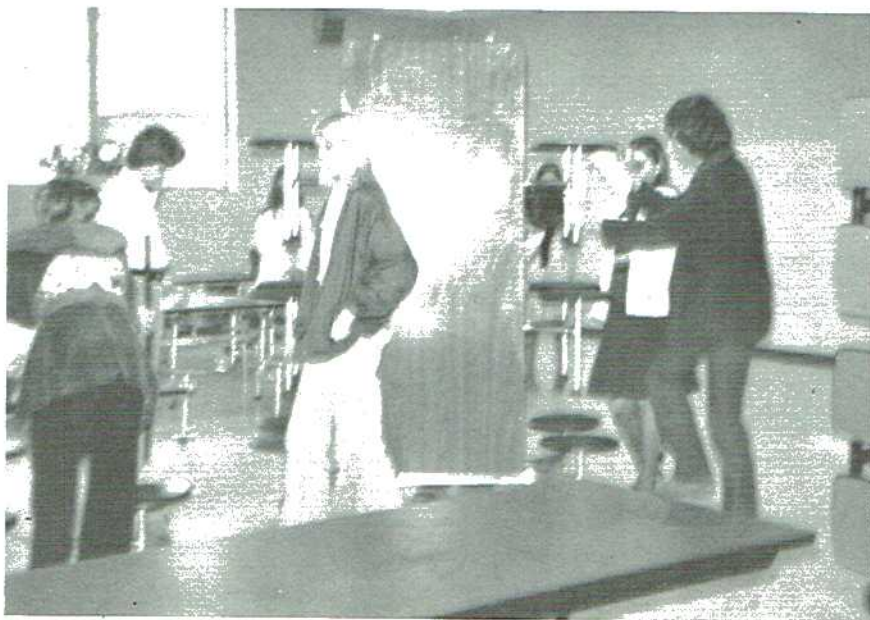

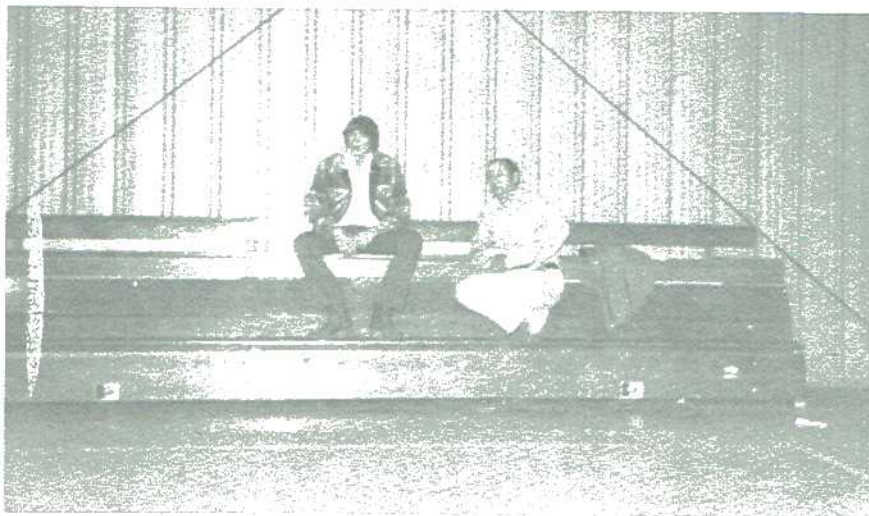

Coming right behind you
Swear, I'm gonna find you
One of these nights

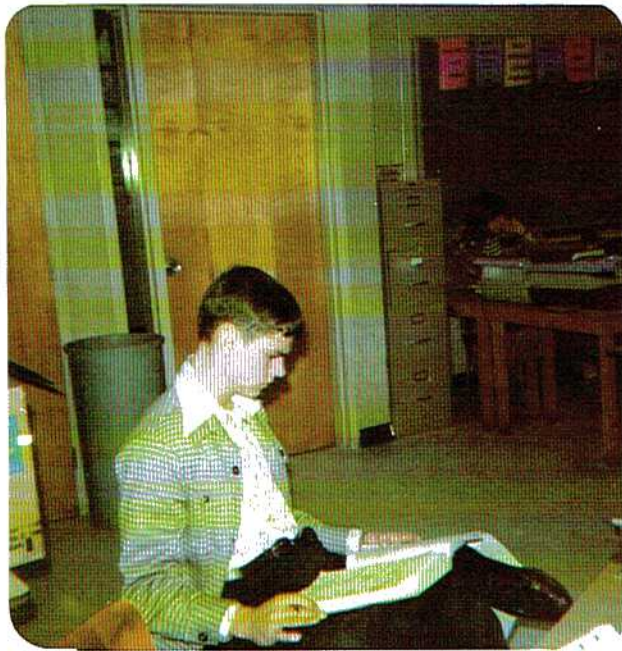

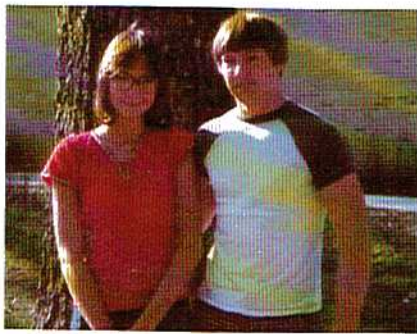

I've got a peaceful easy feeling
And I know you can't let me down
Because I'm already standing
on the ground

Why don't you come to your senses,
You've been out riding fences for too long now

You can't hide your lyin eyes
And your smile is such a thin disguise
Thought by now you'd realized
There's just no way to hide your lyin eyes.

You know that I'm trying . . .
trying to give you the best of my love

May 24, 1988

Dear Wanda,

This week at home has been great! I've seen or heard about all of our graduating class! You wouldn't believe some of the things they're doing!

Susie Avans is a "world traveler." Last week she went on a cruise that will last for about three months--she is always going somewhere!! Laura Smith is still happily married and living at Hytop. She is the accountant for her four health spas in North East Alabama. Wanda Neeley, now McLain, is married and has quintuplets. She is also a New York lawyer's secretary. Connie McLain is the secretary of the Skyline branch of MGM Movie Studios, and she is the only woman working there. Mike Washburn is her boss--he is also their most famous director of films. He lives in Hollywood where he produces about three movies a year; his latest one grossed around \$400,000,000. Freida Denson is married and owns a chain of boutiques called "Fashion Den". Debbie Gifford is married also, runs the local newspaper, "Skyline Times," and spends the remainder of her time at home with her family. Ronnie Buckner, as you know, got married shortly before we graduated, but did you know that he owns an entire chain of "Warehouse Grocery" stores?

Greg Chapman is playing in several local clubs and next week he is going to Nashville to record an instrumental album. Kenny Miller is now Skyline's local playboy--last month he was voted "playboy of the year" by the Playboy Bunnies in New York.

Karen Brewer and Sharon West are still happily married and each have two sets of twins. Together they own a massage parlor. Karen is the receptionist and Sharon gives the massages. Marie McAllister owns a beauty shop at Skyline and Scottsboro, but she just manages them from her home, where she lives with her husband and twelve children. Jannis Woodall lives at Skyline with her husband. She teaches nursery school where she takes care of 35 children--including 6 of her own. She is also a part time model.

Phyllis Golden and Sandra Cain own the Skyline Motor Inn and Restaurant. Phyllis is still happily married, and Sandra has finally found her one true love--she is engaged to the "Galloping Gourmet." Suzette Saint also owns and manages a branch of the Hilton Motels by the recently completed "Cumberland Mountain National Park."

Keith Brooks and Terry Chambers are in business together and it must be very prosperous because they both have large houses all over the United States, but neither will tell exactly what type of "business" it is. Can you imagine what it is?

Russell Hill is a farmer in Oklahoma. He has about 150 acres and seems to be doing well; at least he was until last year when his 500 head of cattle trampled his grape vines and the wine crop was not too good. Dennis Ivey, Teddy Knopps, and Brett Stephens own body shops in Alabama, Tennessee, and Georgia. They are so well off now that they don't work themselves, they are just entrepreneurs.

Debbie Knight and Scott Warren are married now. They have one little girl and a not-so-little boy. Deb is a physical therapist at "Skyline General Hospital" and Scott is the head of the NBA, which not has its headquarters at Skyline. Tammy Little is a professional model and lives in New York, but she travels to Hollywood to make movies. She is now starring in one directed by Mike Washburn, "Playing The Field."

Grady McGill owns a chain of McGill's Grocery" stores. They are in competition with grocers on the national level. Waylon Hastings and Richard Baugh own and manage cleaning shops, "H & B Cleaning Service." They have branches throughout the United States and Canada.

Kay Whitt, her husband, and their six children live in a large house about six miles from the new high school at Skyline. When Kay can get away she designs fashions for Freida's Boutique.

Shirley Sanders and her husband live in Washington, D.C. where she is the President's personal secretary. Deborah Guinn is still a secretary for TVA and she lives in Chattanooga. She has a job offer to go to France for seven years but she hasn't decided yet. Tony Woodall is a Four-star General in the Army and is stationed at an Army base in Timbucktoo.

Joe Volpi and Mike Waldrop now own "Playboy Industries." They spend their time commuting between Tampa, Florida and New York City, where their hotels are located-- I guess "once a playboy, always a playboy."

Dennis Culver is a hard-working guy, so I understand, but he still enjoys "star gazing" out on Hytop.

Billy Golden is married and is the principal of Skyline High School. He has just announced a new \$15,000,000 budget for next year, and raised Mrs. Kennamer's salary to a half of million a year since she was our senior sponsor (guess she can buy plenty of diamond rings with that).

Richard Tyler owns race tracks in several states and his biggest star is Robbie Sanders. Together they are now multi-millionaires.

Well, I guess I'd better stop writing and let you get back to your kids and husband.

Your friend,

P.S. Sheilla called yesterday (she spent the week with her mother) and we'll both be back to Nashville next Saturday. Oh yes, we start rehearsals for the premier of our new show "Burt's Angels" next week, and Tuesday we have to renew our recording contract with RCA.

The 1978 team consisted of two seniors and four juniors. This is the third year of competition for our school. This year's team came in third place out of seven schools.

Mrs. Kennamer, Mrs. Brothers, and Mr. Allred drilled the team in the subjects they thought would most likely be covered. This competition is both enjoyable and exciting!

Congratulations Team!!!
